Other interesting details:

If you prefer to write a brief autobiography, that is fine too.

You can complete this page and mail it (by April 13) to Joyce Schultz, c/o The MLS Foundation, 2777 Hardin St., Saginaw, MI 48602 or send the information by email to jes@mlsem.org. Put "Class of '66" in the subject line. Please include current pictures (File attachments are the easiest to work with).

Even better! All the questions are part of your online profile at the Class Creator site. Use them and you won't have to retype (and neither will I). You can upload your pictures there as well.
