- ◆ **Enter** your info on your Profile. **This is important.**

PAYMENT INSTRUCTIONS AT THE END.

Please **send a message when you've sent funds**, so I can know that your payment is on their way.

Hotel Rooms at the Marriott

We have a number of rooms available to classmates, priced at \$159. When this set of rooms are gone, it is possible that we can get more rooms at that rate, but not guaranteed. It is suggested that you book your rooms early. If you need to cancel, please contact Fred before you cancel, as there may be another classmate you can take over your room at the old price.

A note on the Sliding Scale pricing:

It really is okay to pay what you want to pay. Really !
The ticket prices are set up this way so that it can work for everyone.
Of course, we'd prefer that most people send in the full price. But if the cost of the tickets, parking, drinks, etc. feels overwhelming, please pay what you feel is appropriate for you. The reunion is meant to be 100% inclusive, not exclusive.
Please do what feels good for you.

A note on the Helping Hand fund:

If you want to attend the Reunion and some assistance would be helpful, please contact Fred. This is kept private. Helping Hand funds are available for the Saturday main event. For transportation and lodging, there are possibilities to consider -- please write.

For our Grand Reunion in 2010, a handful of classmates came through with large donations (thank you !) and almost 50 of you contributed generously in amounts ranging from "appreciation" to "outstanding" (and thank you very much also !).

If the donations again are generous and we have a surplus of funds, then we can include Drink Tickets with the events, we can give a partial refund on the ticket prices, or make the breakfast half-price, or save it for 2020, or contribute it to a CHS Class of 2016 Scholarship, or.... you tell us.

You are including:

You can also make a payment with a credit card through PayPal. You do not need a PayPal account -- you can enter your credit card info on a "one-time" basis.
