Memories

Breiner, Pamela (Schumacher)

Sharon Elloit (Wolbers) and I smoking by the weightroom during lunch, smoke poured out of there and lots of butts were left behind boxes, we never got caught and we couldn't figure out why, (neither of us smoke today).

Conzett, Barbara (Beau)

Carole Hoffman and her many scarves, Pam Mergen at Cleveland Park (you'd have to have been there sorry)

Eller, Wesley

"The Troopers" building the winning homecoming parade float. Cops stopped by to see what we were up to and I got stuck talking to them cause I was the only one not drinking.

Gednalski, Donna (Morris)

There was a group of friends at Senior that were still in Girl Scouting through our senior year and I remember the stir we would make when we would wear our uniforms to school when we would be learning for a special scouting thing.

Gourley, Beverly

I remember trying to get Candy Cheek up on water skis. The skis were larger and heavier than she was. She kept toppling over sideways. I had fun getting a free ride with Ann Justmann at the county fair. It's a good thing it was free since her purse and money had dumped out on the ride

Havner, Laraine Jean (Zegoski)

I have many good memories but the best are all these years watching our families grow and still remaining close.

Hayes, Dennis

Jerry Vize driving his Volkswagen around the track in the football stadium.

Hess, Ann (McClain)

The day my girlfriend used food coloring on Halloween and her hair was orange even after multiple washings.

Jackson, Terry

I remember the first time "we" got "layed", looking back it was funny ... as well as addictive!!!!

Jansen, Vicki (Kunkle)

This isn't about another member but just a thought. What would our kids/grandkids would think about being called out of class to kneel on the floor to see if their skirts were touching the floor. - Happened to me TWICE.

Jotham, Bill

Billy Ball and the drag races up Kaufman Ave. Bill Ball driving a VW and getting a speeding ticket.

Miller, Fred

The astonished look on Greg Maulson's face after I flipped him the bird in the hallway outside of Walt Kirk's summer school class.

Nadermann, Nancy (Byrd)

When ironing Candy Cheek's hair – didn't pay attention and started ironing her head.

Dubuque Senior High School – Class of 1968

Thirtieth Class Reunion – September 18, 1998

Otterbeck, Guy “Steve”

Bob Tittle and I put wave gel in our hair to make it curly. Terry Brimmer liked it so much he wanted his hair like it. We tricked him and said it was a permanent, so he had it done. Bob's and mine washed out, Terry's stayed in and frizzy and curly

Ray, Amy (Schadle)

I am lucky I can remember high school at all, it was so long ago. After all according to my nephew I am “really old”. I do remember John Pollack helping me pass Geometry, he sat right next to me in homeroom. Which was a good thing to since I got an Accounting Degree with a minor in Math.

Shird, Dona (Olinger)

Switching Biology class and English class with my twin because she hated Biology (we never got caught).

Tharp, Bernie (Geer)

Looking Back – Frances Kressig and I chased around this tall, poor, pitiful looking guy (unnamed) in the hallways. Hey! Dinosaur, with the walnut head on the staircase, he grabbed hold of my shoulder and said; “I know you like me ” but just leave me alone. A GEEK of Senior High.

Tippe, John

I won't mention names here, but I do recall that several classmates liked to imitate the Penguin from the “Batman” TV series.

Van Cleve, Daniel

I don't want to tell stories on people that may embarrass them, besides after 30+ years my memory is not what it used to be. However, looking back I remember the good times band, football games, dances, hanging out. But I do remember sophomore English – Mrs. Rogers we... (Dan wrote a book. This is all the space he is allowed).

Welbes, Marylin (Kennedy)

Big T (Terry Jackson) do you still have plans for the hammock we were going to put up in Mr. Larkin's American Problems class? Anyone in the class will get the joke.
