

Dear Fellow '78ers ~
Our 40th Class Reunion is fast approaching...

The reunion committee would like to extend a friendly request to everyone to please let us know if you will be able to join us on September 28th & 29th! We'd like to get an estimate on how many to plan for so we have enough food, plates, etc. to go around.

Please refer to the reunion letter sent earlier for the different events planned. Due to a lack of interest, the party bus option has been taken off the schedule for Saturday; however, we still plan to congregate at the Olive Grove Golf Course on Saturday to enjoy time golfing, visiting Bob Wegner's "New Deal" bar/memorabilia, along with yard games and plenty of time for reminiscing and catching up with each other.

There is NO COST associated with the weekend other than "lunch on your own" on Friday, admission to the homecoming football game that evening and golf fees on Saturday for those interested in those events.

Meat & Cheese Trays on Friday (after the parade and school tours) along with a BBQ Lunch and a Pork Loin Supper on Saturday will be provided but anyone willing to bring a dish to pass, a dessert, or hors d'oeuvres is welcome to do so.
