**LET'S GIVE BACK & PAY FORWARD!**

It's time to do some payback to show our gratitude for all that we learned at Walnut Hills! We propose a challenge to the Class of '63. Let's raise at least \$6300 to buy at least 7 of the 12 proposed beautiful cherry Hero Nelson platform benches for the entryway. Of course, angel donors among us could help us exceed this goal. That would be divine! Donations of any amount, \$10 to \$10,000 are welcome. Giving back and paying forward is something we all can do.

# IMPORTANT STUFF!

Making the decision to “go green-ish” with our reunion was not an easy one! Our Class Creator Website gives us the opportunity to read about our friends, be in touch with classmates and communicate with one another. We felt a hard copy of classmate profiles would be redundant, ecologically unsound, and time consuming. We hope you agree and we hope you will continue to keep up with your friends via the website (which will be running for at least another 2½ years) or other social media. Even though we remain blue and gold at heart, we do acknowledge the power of “green”.

We will be creating an updated Directory with names and contact information of our classmates. If you do NOT want your contact information to be provided to your classmates, please check the appropriate line on the reservation page so we can honor your request.
