

Dear Fred –

I am very touched to think that the Class of 58 thought about inviting me to the reunion.

Unfortunately, the only time that I can join the class is on Friday night at the float decorating/pizza at Eugene's.

I am driving a car in the parade so might also see some of you then.

Again, thank you so much for the invite – It really means a lot to me.

Sincerely,

A handwritten signature in cursive script that reads "Barb". The letters are fluid and connected, with a large initial "B".

Barb (Kelly) Greer
