IN MEMORY

A memory is an illusion
 Held within our minds.
 But a memory can't bring back life
 To present day or future time.

Tell me why they had to go.
 When they were all so young.
 It isn't fair that they had to leave:
 Their lives had just begun.

So many things are left unsaid,
 And there is no longer time for lies.
 Because once someone's gone forever,
 It's too late to apologize.

Their memories will live eternally
 In the lives of all they met.
 They touched our hearts with a feeling,
 And a warmth we'll never forget.
