

2017 (Oct 2016-Sept 2017) - **Continuing Education Hours (due 10/13/17)**

NAME: _____

It is asked that Master Gardeners spend at least 6 hours a year on their continuing education. Master Gardener Interns do not need to collect education hours within their first 2 years of graduating. Master Gardener Basic Training does not count for education hours for Master Gardener Interns, but it may count for Master Gardeners that attend a Basic Training class.
