## Box Tops & Labels ...Make a Big Difference!

Every day McCurdy Ministries – our United Methodist mission school in Española, New Mexico – receives *Box Tops* and Campbell's labels in the mail from around the country. Currently it has 1,565,996 and needs 34,004 more Campbell's labels to purchase a new van.

The Principal at McCurdy Charter School sends this Thank You:

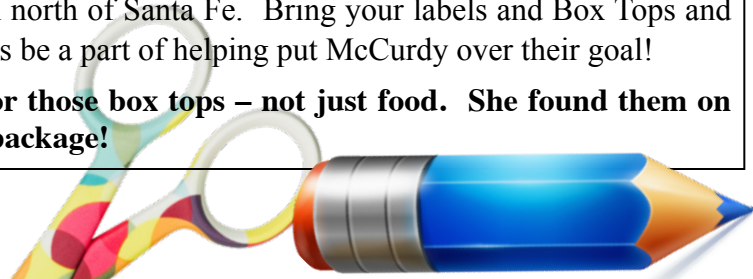

The elementary students and staff would like to express our heart-felt gratitude to all the *Box Top* donors who give so generously to McCurdy. Budgets are tight, and costs are high for extras like field trips, visiting artists and specialty supplies. With the *Box Tops* you so thoughtfully clip, collect and send to us, we can breathe a little easier and make a pledge that no matter our students' economic status or ability to pay, they will have the experiences that make school meaningful and bring the world to them. Thanks so much for keeping us in mind and supporting our dreams and aspirations!

Please help McCurdy get that van by saving your Campbell's bar codes and Box Tops for Education. It's a simple but important gift from your kitchen to our amazing mission north of Santa Fe. Bring your labels and Box Tops and place them in the jar that is on the table in Findley Hall. Let's be a part of helping put McCurdy over their goal!

**Shirley Dieker reminds us to check EVERYTHING for those box tops – not just food. She found them on Avery labels – and there are TWO boxtops on the labels package!**
