

As we begin our second year together in ministry, I would first like to say thank you. Thank you for welcoming me and my family. Dawson is a warm and welcoming congregation. I love Sunday mornings watching you all come in and greet one another.

There is life here in our church and I can see excitement in the eyes of our children. John Wesley, the founder of the United Methodist Church was passionate about the value and importance of Children's ministry and outreach. Wesley was merely stating the obvious when he said without ministry to children, the Methodist movement would be short lived. The souls of children are eternal and precious. The Wesleyan "why" for teaching children is deeply spiritual and bears the urgency of eternity, meaning, kids matter to God. Kids need Jesus. Even big kids...kids that are in aging adult bodies need Jesus and we need each other.

Later in July we have a wonderful opportunity to share our excitement, joy, and love for Christ with our friends, family, and neighbors through Vacation Bible School. Vacation Bible School provides an opportunity to teach children about Jesus so that they can learn ways to be like Christ. Vacation Bible School is an excellent way to reach out and invite others who normally don't attend worship to come into our church. Vacation Bible School is something that everyone in our church can participate, using our own talents to share the love of Jesus. There will be a little bit of something for everyone, but the most important thing we can give is our presence. Please prayerfully consider joining us as part of the ministry team and say Yes, to VBS.

Throughout the month of July, I will be sharing the Vacation Bible School stories during the Sunday morning worship each week to help stir up the excitement of the Sun and Surf. It will be a great way to celebrate God's big love for each one of us, so come and catch the wave.

See You at the Surf Shack,

Pastor Amy

VBS starts July 25th and we will all be catching the wave of **God's Amazing Love!** It is a time when the Body of Christ (that's you!) uses their gifts and talents to fulfill God's mission and purpose.

Have you signed up to help yet? If you want to help but don't know what to do, just let us know and we will assign you to an area. **We will need help** with each group of kids, science, recreation, crafts, preparing a light meal or snack. If you can't make it during VBS how about setting up **prayer time** to pray for everyone involved and that we make a difference in all the lives we will be touching. Or help sending notes after VBS.

Starting next week there will a board in Findley Hall that will have items we will be needing that you can help us get. The only thing that we ask is if you take an item, you bring it back the next week. That way we will be sure to have everything we need.
