Good News for Fort Hunt Alumni and the Community!

The two FHHS Cannon are returning to the front of the school just steps from where they proudly stood for nearly 50 years. The cannon will be the foundation of a Memorial Garden featuring a brick patio, bench, original flag pole with flag and landscaping all being funded by the alumni of Fort Hunt High School.

Consider your family members, your clubs & activities, favorite teachers, loved ones who have passed, your class & it's motto, our many athletic teams of note, band, orchestra, theatrical & choral excellence and special sayings of our era! We shall not pass this way again. All of our experiences are part of the soul of these hallowed halls. Immortalize your time and memories here in stone! We shall remember.

4"x 8" bricks will offer 3 lines of text with 20 characters per line, including spaces.
8"x 8" bricks will offer 6 lines of text with 20 characters per line, including spaces.
