

Remember Art Linkletter & "Kids Say the Darndest Things"? Well here's an update.

An Elementary School Teacher had twenty-six students in her class.

She presented each child in her classroom the 1st half of a well-known proverb and asked them to come up with the remainder of the proverb.

It's hard to believe these were actually done by first graders. Their insight may surprise you.

While reading, keep in mind that these are first-graders, 6-year-olds, because the last one is a classic!
