An important part of the jigsaw at Leonard is the senior class. Having finished three years of their high school education, seniors are pushing ahead, working to receive their diplomas in June. During the final year of school, the Class of '77 is striving to complete that last empty void in its education. Having covered all criteria needed, the seniors will prepare to cross that chasm into their destiny.

IN MEMORY OF

Gabby Mooney (Battaglia)

GABRIELLE ANNETTE MOONEY BATTAGLIA Gabrielle Annette Mooney Battaglia (51) of West Palm Beach, Fla., a devoted wife, mother, grandmother, sister and friend to everyone she met, passed away October 26, 2010. Gabby was the last of 11 children born to loving and devoted parents, Marion and Bob Mooney. Gabby was raised in West Palm Beach and went on to graduate from John I Leonard High School. Once graduated, childhood sweethearts Gabby and Ralph Battaglia sealed their loved with marriage and became the proud parents of two sons, Ralph, who has preceded her in death, and Timothy Robert Battaglia. Gabby was a proud Gator Mom. Her son Timothy graduated with honors in civil engineering from the University of Florida. Gabby had a down-to-earth nature and a heart that captivated you as she walked in the room. One would find that Gabby's smile and laughter was contagious as she embellished happiness at it's very best. No one could help but absolutely adore her spirit that gave her an undeniable glow. Gabby was a whirlwind of enchantment, beauty and compassion, and had an undying love for her family and friends. She could light up a room with her smile, laughter and warm heart. She will be greatly missed and forever loved. She is survived by her husband, Ralph Battaglia Jr., son Timothy Robert, and grandson Ralph IV.
