Dear Mr. Doug Leard,

My name is Sophia Schroeder and I graduated this year, part of the class of 2024, from Point Grey. I am writing to express my gratitude for being the recipient of the Point Grey Citizenship Award.

My journey at Point Grey started when I moved from Brazil to Vancouver for an exchange year in Grade 10. It's easy to say PG stole my heart and convinced me to stay and complete my high school career.

Attending this school has been integral and provided me with wonderful experiences and crucial lessons. I had memorable events at Point Grey, such as representing the school in soccer, volunteering as a leader at the Grade 8 Camp, and most importantly, lifelong friendships that will accompany me in my post-secondary studies.

This contribution will help me further my studies at Queen's University, where I'll be majoring in Commerce! I intend to find a career in consulting or real estate with the knowledge and experience that will be gained in the next few years. As an international student, tuition and costs can be very high. This award is not just a recognition of my efforts and achievements but also a significant support towards my future educational endeavours.

Your generosity has inspired me to aim for excellence in all my future pursuits. Thank you for your kindness and support. I am beyond grateful to be given this opportunity, and I hope to be in a position one day to give back to the community and help others achieve their dreams.

Best Regards,

Sophia P. Schroeder
