Dear Mr. Doug Leard

I am Parker Chu, the recipient of the 2023 PG Citizenship Award. I am writing to express my gratitude for this incredible opportunity you have provided me with through your generous scholarship. I am truly honoured to be chosen as a recipient.

Throughout my four years at Point Grey, I have been heavily involved in many activities. I have participated in the school's student council as well as many other clubs. I have also been a service student to many teachers, assisting them with appropriate duties. I also love to provide service to my community through means of volunteering. I am currently a first-year student at UBC, studying in the faculty of arts. I intend to major in International Relations due to my interests in international politics as well as policy making.

This financial support will make a significant impact on my educational journey, relieving the burden of tuition. I also wish to attend the exchange program at UBC, and this scholarship will help me greatly in making that dream come true. I am committed to maintaining high academic standards and giving back to my community as a responsible and engaged student.

Once again, thank you for your generosity and belief in my abilities. I am deeply grateful for your support.

Sincerely,

Parker Chu
