Dear Mr. Leard,

RE: PG Citizenship Award (Class of '75)

On behalf of the Point Grey Secondary community, I would like to thank you for supporting our graduates with your generous donation. Although we were not able to hold our traditional graduation event at the Chan Centre, or permitted to have our donors on site to present awards, we were nevertheless able to provide a unique and memorable experience for our graduates. By all accounts, it was a successful event where students were still able to cross the red carpet in our school's auditorium to receive their diploma, awards and scholarships. We are most appreciative of your ongoing support and recognition of our graduates in celebration of their success. This recognition by you means a great deal to our students, parents and school community.

Enclosed, you will find a photograph of Ashley Hallare, who was the recipient of this year's award, in commemoration of the occasion.

Yours sincerely,

Nick Akrap
Principal

Dear Mr. Doug Leard,

I am honoured to have been awarded Point Grey's Citizenship Award for the 2019-2020 academic year. Thank you for your generosity in providing this academic award, which greatly supports my higher education. It truly was a great surprise when I received the award.

I am currently a first year student at the University of British Columbia. So far, I have managed to get through the first semester with the help of my professors. I have always been drawn to helping others and putting their needs before mine. Hence, my goal is to complete my degree here at UBC and then become either a teacher or a nurse. These two careers have been a reoccurring conflict, but hopefully I can decide soon.

For the five years I was in high school, I was thoroughly involved within the school community. For example in the last two years, I was in student council as a representative for my grade. Alongside my position in student council, I took part in clubs and was heavily involved in the music program. However, my favourite memory would have to be going to Grade 8 camp as a leader. It was exciting to see how the whole event came together and seeing all of the leaders' hardwork shown in the joy of the kid's faces.

Receiving this award encourages me to maintain and reach my goal. I look forward to being able to give back to the community once I begin my career. Again, I thank you for your willingness and confidence to help me achieve my aspirations.

Sincerely,

Ashley Hallare
