Dear Mr. Doug Leard,

I am very honoured and grateful to be the recipient of the Point Grey Class of '75 Citizenship Award. Thank you for your financial support towards my post-secondary education.

During my five years at Point Grey, I made many fond memories. The sense of community at school was very important to me. All of the staff and students were like a second family to me, Point Grey became a second home and will always have a special place in my heart.

I will be studying Biomedical Engineering at the University of British Columbia. This summer, I had the opportunity to go to Toronto and shadow a cardiac surgeon at St. Michael's Hospital. Having been given the chance to observe work in a hospital setting validated my desire to pursue a career in healthcare, either as a biomedical engineer or as a doctor.

Receiving this scholarship has brought me one step closer to fulfilling my dreams. It has motivated me to continue to stay involved with clubs and organizations at school. I wish to give back to my community, and contribute in a meaningful way to society, helping others as this scholarship has helped me. Thank you very much for your generosity.

Sincerely,
Nozomi Asaoka
