**Point Grey (class of '75) Citizenship Award**

Dear Mr Doug Leard,

I am Zaha Al-hmoud from Point Grey Secondary School. I want to thank you so much for the funding of this scholarship award. I felt honoured and so accomplished when I walked across the graduation stage in the Chan Centre having bestowed upon the *Point Grey Citizenship Award*.

I plan to use this scholarship money to help pay for my tuition at the UBC Sauder school of business. I registered for a Bachelor of Commerce because throughout high school, I had a great deal of interest in the business. Throughout my career at Point Grey I created different products that allowed me to enter the business world at a young age. Not only did this award provide me with the money that helps me ease out the tuition, it also gave me a sense of motivation. In my mind, the scholarship money means that someone helped me on the way into the entrance of university, therefore, I am motivated to work even harder.

As a thank you for your kind donation for this scholarship, I wrote you this letter that you are reading right now. A letter doesn't mean much, but I just want to let you know that I really am grateful for this award and honour. Please contact me in any way possible as I would be very happy to hear from you.

Best Regards,

Zaha Al-hmoud
