Dear Mr. Doug Leard:

I would like to take this opportunity to thank you for the Point Grey Class of '75 Citizenship Award. My name is Taylor Aplas and I have just recently graduated from Point Grey Secondary. Throughout high school, I have been involved in student council a number of years as grade representative. This year, I was part of the "Blue&Grey" component of student council, school spirit. Our main priority was to get school spirit high and involve as many students as possible in fun activities. This year, I was also a member of Grad Committee. With the money raised this year, we were able to donate leather couches to the school for a student lounge area. I speak for my grade when I say we would have enjoyed that grad gift! We also were able to donate money to a scholarship of a recently deceased student of Point Grey. Last but not least, we were able to spend \$1000 at Toys R' Us buying requested items for children at Children's Hospital. That was probably one of the best parts of my year. It felt really good to give back! This year, I founded Point Grey's first "Free The Children Club" with a couple of my friends. We were able to raise a lot of money to put towards building a school in Haiti! We held a concert, and held many fundraisers to get to our goal. I would like to thank you so much for enabling me to win this award, it means a lot to me! Next year, I will be attending university and although I have a summer job, this really does help! Thank you so much and best of luck to you in the future.

Sincerely,

Taylor Aplas
