

# COMMENCEMENT THURSDAY NIGHT

Miss Cindy Cochran received the Star Leadership Award for Clarke County. Cindy will receive \$500 from this award.

The Grand March of Aida will mark the graduation of the thirteenth senior class of Clarke County High School on Thursday evening, June 9. One hundred and ninety senior attendants will form the traditional archway of crooks on the front lawn of the campus.

After the processional of seniors and attendants, Rev. Julian Orrell will give the invocation followed by the salutatory address by Cynthia Cochran. Various awards and scholarships will be presented including the Winchester Evening Star Leader-

ship award and loans granted by the Clarke County Scholarship Fund. Linda Gardner, first in class rank of the two honor students, will then give her speech. The diplomas will be presented to the ninety-five graduating seniors by Mrs. Lloyd Loope, Mrs. M. F. Wisecarver, Senior sponsors, and Mr. C. E. Miley. Beverley Whiting, the other honor student will then deliver her address followed by the speech of the Valedictorian, Linda Chafin. Each of the four

speeches will be based on the class motto, "Ambition has no rest."

Following the final speech, Rev. Jesse Tate will have the benediction. The recessional of the graduates and attendants will conclude the commencement exercises.

Preceding graduation, Rev. David Cammack assisted by Rev. M. C. Cook spoke to the seniors, faculty, and members of the community at Baccalaureate. The service was held in the high school auditorium on June 5 and is a traditional part of commencement each year.

### HARTUNG PLANS FOR SUMMER RECREATION

The Clarke County Recreation Council working in conjunction with members of CCHS has set up a recreation program for Berryville and the surrounding area this summer. The program is to last from June 20th to August 20th—five days a week. There will be planned recreation for all age groups — children, intermediate, teenage, and adults. The program for teenagers includes intramural sports such as tennis and volleyball from 6-8:30 p.m. and two dances with live music, movies, moonlight swimming and scavenger hunts weekly from 9-11 p.m. A highlight of the program will be "Run for Your Life". This is a series of six two-mile races. Anyone who completes all six races will be awarded a trophy at the end of the season.

The director of the program is Mr. James Hartung. His assistants are Margueriet Verloop, Jinx Woodward, Mary Lou Shugars, Mary Galloway, Rebecca Luffman, Shelby Thompson, Rosalie Emerick, and Gary Lichliter.

If you are interested in participating in this program and have not yet signed for it, contact Mr. Hartung as soon as possible.

### BROWN HEADS SCA FOR '66-67

The S.C.A. nominating committee met Thursday, May 12, to nominate candidates for offices of the SCA. The members of this committee are Wayne Cain, Bonita Hummer, Bobby Leake, Jackie Madigan, Lynn McClaughry, and Beverley Whiting. The following candidates were nominated:

President: Charles Brown, Tucker Childs. Vice President: James Buckner, Emily Verloop, William Whiting. Secretary: Ann Dodson, Pamela Jackson, Pamela Livengood. Treasurer: Helge Andersen, Levenia Johnson,

### ANNUAL DEDICATED TO MYERS

Mr. Bradford W. Myers received the dedication of the 1966 *Talon* on June 1 in a student body assembly. Beverley Whiting, Editor-in-Chief of the *Talon* and Cindy Cochran, Assistant Editor made the presentation.

Mr. Myers joined the faculty in 1960 as a U.S. Government and World History teacher. Since that time he has served as an advisor in a number of school related and extra-curricular activities. He is presently a sponsor of the Junior Class and Hi-Y Club.

He is a graduate of Shepherd College and when he does not teach, he manages the family farm in Shepherdstown, West Virginia.

The class of '66 dedicated this year's yearbook to Mr. Brad Myers.

Linda McDonald and Jackie Livengood will represent CCHS at Girls' State. Boys' State will be attended by Brad Boehmler and "Buckeye" Potts.

### Faculty Votes On Boys' And Girls' State Representatives

The faculty recently voted on the candidates for Boys' and Girls' State. The Junior class had nominated a number of girls and boys to be voted upon. Those chosen were Jackie Livengood and Linda McDonald to attend Girls' State at Radford College. The alternates are Doris Duvall

Shelby Thompson. P.T.A. Representative: Mary Galloway, Alice Shugars, Susan Smalley. Parliamentarian: Paul McWhinney, Richard Ramsburg. Reporter: Carolyn Cain, James Chafin, Rachel Pierce.

Candidates gave their campaign speeches at an SCA assembly Monday, May 23. Elections were held Tuesday, May 24, and the S.C.A. officers for 1966-1967 are as follows:

President—Charlie Brown; Vice-President — Jimmy Buckner; Secretary — Pam Jackson; Treasurer — Helge Andersen; P.T.A. Representative—Alice Shugars; Reporter—Rachel Pierce; Parliamentarian—Paul McWhinney.

The students also voted on a separate ballot for representatives from the incoming twelfth, eleventh, and tenth grades, who will serve on the CCHS foreign student committee. Those students who will constitute the committee are: twelfth grade—Susan Smalley, Tucker Childs, and Mike Verloop; eleventh grade—Rachel Pierce; tenth grade—Pat McClaughry. On this ballot were also suggestions as what to do with the money left over from the S.E. assemblies. It was decided that the money would be divided between the Foreign Student Fund and S.E. assemblies for next year.

and Shelby Thompson. Brad Boehmler and Buckeye Potts will attend Boys' State at William and Mary College. Alternates will be John Davis and John Sealock.

At this convention, the delegates will attend classes in state and local government, citizenship and other classes on legislative tactics. They will also serve in a local government position, such as Town Councilman. The election of a Youth Governor, Lieutenant Governor, and an Attorney General will also occur during their stay.

### Disciplinary Forms Postponed

A faculty committee appointed by Mr. C. E. Miley to discuss and study the problems of discipline at CCHS has composed a form to be given to all students at the beginning of next year. Increased enrollments and students who seem to be unable to exert self-discipline necessitated this committee. The committee consists of Mr. Barbour, chairman; Mr. Edwards, Mrs. Bean, Miss Stone, and Mrs. Morrison.

The form was presented to all members of the faculty who discussed and altered the rules until it was changed into a completed form. It deals with such problems as chewing gum and candy in classes, tardiness, and class expulsions.

Although it was hoped that the form could be presented to students this year, due to an excessive amount of office work it will be presented to the students for the 1966-67 school year.

# IS THERE A SOLUTION?

Recently the School Board was faced with a difficult decision. The Department of Health, Education and Welfare ordered Clarke County to completely desegregate its public schools by 1966-1967, or all federal funds aiding the school will be stopped. The School Board was presented with two choices of integrating the schools.

The plan which they have chosen involves the transfer of all Johnson-Williams students to Clarke County High School. As it has already been pointed out, the J-W students are being literally forced into this, but another important factor is the problem of the overcrowded condition prominent at CCHS. Our school this year has had an increased enrollment which entailed congested halls, crowded classrooms and assemblies. The present enrollment of CCHS is 598. The incoming 8th grade is 165, and Johnson-Williams has 150 additional students to attend here next year. Considering the departing Senior Class and summer drop-outs, Clarke County High will probably have an enrollment somewhere around 800 next year. This is ridiculous for a school that is supposed to adequately accommodate 550.

The library has had to be converted into a makeshift study hall this year along with the auditorium. There is a possibility of building another separate building for the Vocational Department, but this was supposed to be built after the new elementary school had been completed. We might as well count on having our Vocational building in three or four years since it doesn't look as though the Elementary School will be completed by next year. It is true that CCHS will have access to the two rooms which were formerly occupied by the sixth and seventh grades, but these two class rooms had been considered for the Science Department which now, of course, looks unlikely. Even if we do gain these rooms as general classrooms, can you imagine the cafeteria lines, assembly, and the halls between classes? Will we be forced to have two assemblies and four lunch groups? A Health-Education-Welfare committee was sent to the school to investigate this problem. Perhaps it looked strange to them to see a third year French class with only eight students in it, but certainly they could not have overlooked the other crowded classrooms.

The other alternative that the School Board could have selected was creating Johnson-Williams into a junior high school. Arguments against this proposal are the present condition of the interior of the school (which could be improved, but, of course, would cost a great deal), and the approach to J-W. Another road (which would not be as narrow and dangerous) could possibly be made through Dr. Allen's farm, but this too would be expensive.

As it stands now, both plans need perfecting, but neither can be corrected without going to a lot of needless expense and trouble. I say needless because there was nothing wrong with the status quo!

# LETTERS TO THE EDITOR

Dear Editor:

Whistling in the auditorium is **not** a sign of bad manners. Most people whistle to show their approval of the performer. It seems that whistling is a way to show off, but actually it is an easier and more effective way to really express one's enjoyment of the performance. I say whistling should be permitted every now and then to let the performer know that he was really liked and that the work he had put into his show was worth while. If whistling begins to get out of hand then maybe it should be cut down somewhat, but I still feel that there is nothing wrong with whistling in the auditorium to show approval.

Sincerely,  
Pam Livengood

For the second time this year paper has been stolen from my notebook. I have an idea who, but I am not sure so I will not mention any names. If this person lowers himself to steal he undoubtedly is under mental strain. I suggest that he or she get their grimy mits off other people's things. This is not the only time things have "vanished", and not only things of mine but many other people's articles have been taken. If you can't stop yourself then you don't belong here at CCHS.

# WEEK DAZE

by Debbie Ballard

**Monday:** Like a cherrio without its hole—like a drag strip without its cars—like Batman without Robin—that is how the halls of CCHS will look in a few days when everyone (or almost everyone) is gone. No more term papers, tests, homework, or exams—just three lovely months of laziness.

**Tuesday:** Now, what did Christie tell me to do today? Oh yes, interview important looking people in the school. Oh look! There's Amos Ewing—"Hey Amos!" "Let me interview you please I . . ."—"oh, you don't want to be interviewed. But Amos, you'll get your name in the paper and . . . Oh, you don't want your name in the paper either—Well OK—suit yourself. I wonder who else I can interview? There's Elizabeth Smith, Becky Jo Racer, and Emily Verloop over there, but I won't waste my time with them. Mr. Boyce is important—maybe I should—no I guess he's really too busy. Hey—Alois Caspar and David Thomas—hey fellows! Give me an interview please—oh, you have to study a test. If only somebody important would show up. There's Donna Gordon—hi Donna, let me interview you, please. I have to have this article in by this afternoon. Oh, you're in a hurry—Well that's OK—Now that I think of it I was really supposed to write about school policy anyway—knock me over with a feather!

**Wednesday:** With summer vacation coming up, I've decided to point out some of the scenic tourist spots in this area. First, everyone should be sure to see the beautiful taster freeze in its lovely location on Buckmarsh street. From there, it is only a short walk to the swimming pool or the magnificent Safeway. If you

would prefer to see the surrounding countryside, you should drive to Winchester and on your way, you will notice the picturesque flower gardens and country cottages. Winchester itself is a goldmine of places to visit. After dinner at the exclusive Jumping J you may then proceed to a gala night at the theater. Here, you will view such world famous productions as **Billy the Kid versus Dracula** or **Jessie James and Frankenstein**. After this fine entertainment there are any number of fine night spots which you may visit. Yes, indeed, this area certainly is a vacationer's paradise.

**Thursday:** Here's a problem to help everybdy in thinking practice this summer. Now I don't want anyone to be lazy and give up before they solve this. If you work on it all summer and can't figure it out—I'll be glad to give you the answer next year.

You see, there are 3 cannibals and 3 missionaries on one side of a river which is too swift to swim. Unfortunately a whole tribe of cannibals is on the same side of the river and if they find the missionaries they will eat them. In order to escape this horrible fate the missionaries must cross the river to safety. They have one leaky two-man rowboat. Only one of the cannibals can row and all of the missionaries can row. The problem is that if the cannibals ever outnumber the missionaries on either shore they will eat them. But the cannibals are cowards and if the number of missionaries exceeds the number of cannibals, nothing will happen. You must get the three missionaries on the opposite shore and get all three cannibals back on the shore they started from. Remember not to let the cannibals outnumber the missionaries and remember only two people can cross the river at one time.—Good Luck

**Friday:** I'll give you a hint on Thursday's problem. Let's give the name Homer to the cannibal who can row. It starts out that Homer rows one cannibal across and then rows back by himself—you take it from there. I have to say goodbye now to everybody—until next year, (maybe). Work on that problem.

—Debbie Ballard.

# NAMING THE SHOTS

by "Buckeye" Potts

Did you realize that:

Little more than three months remain until the first football game. This season, for the first time, the football Eagles are eligible for the North-Western District crown.

The Mets still haven't made it to the National League Cellar. In fact, they are well out of the cellar playing near .500 baseball.

A baseball bat cannot be longer than 42 inches and cannot be thicker than 2 3/4 inches in either major league.

The Eagles baseball team had its

worst season in years. The Eagles copped only one win through the entire 1966 season. This could be the last year for Clarke County baseball as very little fan interest has been shown through recent seasons.

Clarke County finished a lowly sixth in the district track meet on Saturday, May 14. It seems to me that Clarke County athletes don't want to win anything except football games. We had a track team with great potential this year, but not one member had the guts to work a little bit and make the Eagles a winner.

# SPRING SPORTS SEE SLOW 1966 SEASON

by Steve Wisecarver

The Clarke County Track Team finished its season May 14 at the District Meet at George Mason. Clarke County placed sixth out of eight schools, with Dick Beard finishing third in the high hurdles and Joe Wilson second in the 100 yard dash. Before the district meet Clarke County had a record of one win over Musselman and three seconds at triangular meets.

### Baseball Team Has Rough Season

The CCHS Baseball Team had a rough season with a 9-1 record. The Eagles sole win was over Herndon here at Clarke County. The season did produce some promising players, though, including Gary Lichtler, Whitey Whitmore, Ray Goode, and John Cooke, Mike Jenkins, and Ricky Garrison.

### Golf Team Given Credit for Trying

Although they didn't win any meets, the golf team must be given credit. They did attend six meets and the district meet at Carper's Valley Country Club. They showed marked improvement.

# 'Days of Wine and Roses' Theme For Senior Banquet

The annual Senior Class Banquet was held on Thursday night, May 26, at Duff's Rebel Restaurant in Winchester. The members of the faculty and their guests were invited to attend this affair, along with the members of the class of '66. The theme was "The Days of Wine and Roses".

The program consisted of the reading of the Class History, the Class Prophecy, and the Last Will and Testament. The seniors elected in the "Senior Superlatives of the Class of '66" were announced. They are as follows:  
Best All Around—Bill Boyce and Lynn McClaughry, Most Likely to Succeed—Tom Mitchell and Cindy Cochran, Cutest—Lynda Pope and Steve Crim, Friendliest—Bill Boyce and Pat Levi, Most Conservative—Lanna Smith and Bill Morrison, Best Looking—Wayne Cain and Lynn McClaughry, Most Studious—Lanna Smith and Bill Morrison, Most Dependable—Tom Mitchell and Linda Gardner, Wittiest—Jim Lewis and Joyce Wynkoop, Biggest Flirts—Terry Emmart, Brenda McArtor, and Wayne Cain, Most Unforgettable—Tom Everley and Joyce Wynkoop, Best Dressed—Linda Chafin and Mike Bell.

# SENIOR PERSONALITIES

**Linda Gardner**

Linda Gardner, one of this month's Senior Personalities, has been very active throughout her years at C.C.H.S. Linda has been selected as one of the Top Ten Seniors. She is presently treasurer of the Senior Class and served also as treasurer of the Junior Class. She is a member of the Beta Club, Talon Staff, Senior Class Gift Committee, and class booklet committee. Linda is the chaplain of the Tri-Hi-Y and is responsible for the Thought for the Week. She is also an Honor Student.

Linda is a member of the Duncan Memorial Methodist Church. She has served as past treasurer of the M.Y.F.

Linda works at the Bank of Clarke County through the V.O.T. program.

She lists sewing and collecting post cards as her hobbies. Rudeness and excessive amounts of homework are her chief dislikes.

Linda's favorite saying is, "Believe none of what you hear and half of what you see."

Linda plans to possibly continue working at the Bank of Clarke County or perhaps take a government job.

**Gerry McWhinney**

Gerry (Elvis) McWhinney has been selected as one of this month's Senior Personalities. Throughout his high school years, Gerry has been very active in extra-curricular activities. Gerry has been a member of the Junior and Senior Play casts. In his Freshman year, he was a reporter for the Breeze. This year Gerry is a member of the French Club. He has been a member of the Latin Club and Dramatics Club for three years.

Gerry is a member of the Roman Catholic Church. He is also a member of the Catholic Youth Organization. He is a member of the Battle-town Drama Group.

Gerry lists collecting rare stamps, shooting pocket billiards, listening to "good" music, writing, and observing the way people act as his hobbies.

Gerry enjoys the serenity of the ocean, friendly and courteous people, and warm weather. He dislikes people who are two-faced or "phony."

When asked his original saying, Gerry replied, "If you can't be yourself, what is the point of living?"

Next year Gerry plans to attend Loyola College in Baltimore, Maryland, where he will major in English. He then plans to study either pharmacy or journalism.

## CLUB CORNER

by David Thomas

**Tri-Hi-Y**—The new officers of the Tri-Hi-Y are as follows: President, Doris Duvall; Vice President, Rosalie Emerick; Secretary, Brenda Ball; Treasurer, Faye Maloney; Chaplain, Gail Fenton; Historian, Ann Polhamus; Reporter, Nancy Edmunds. Good luck to these new officers. May Buddha bless them.

**French Club**—The French Club's new Napoleons are: King, Levenia Johnson; Queen, Emily Verloop; Scribe, Cindy Wood; Treasurer, Susan Smalley; Social Chairman, Tucker Childs; Reporter, Becky Jo Racer.

## Chilean To Attend CCHS

"I think CCHS will give Gladys a very good impression of our country, and I hope she will enjoy being here as much as we will enjoy having her," replied Lynda White, a member of the family hosting the foreign student sent by the American Field Service.

Miss Gladys Paz of Punta Arenas, Chile, will be Clarke County's first foreign student. She will be a senior at CCHS next year.

Gladys is expected to arrive in Clarke County about the last of August. Not only are the Whites anxiously awaiting her visit, but the whole county is looking forward to it. Different community activities have helped pay for Gladys' trip here including various clubs and organizations at CCHS.

Miss Paz will be taking the academic course next year. In Chile, she has made mostly all A's with a sprinkling of B's. Aside from her studies Gladys enjoys bike riding, ice skating, and riding horseback. After completing her year at CCHS Gladys will return to Chile and repeat her senior year there. This is a requirement for all AFS sponsored students.

## Juniors Receive Rings

The Juniors received their class rings in a ceremony on May 31, held in the auditorium.

The Seniors were seated on the stage in their gowns. The senior officers then presented the junior officers with their rings. Mr. Miley and Mr. Boyce presented the remaining juniors with their rings. As each junior received his ring, he took a place in the front rows of the auditorium, signifying that he was taking the place of an outgoing senior. Following the presentation of the rings, the seniors turned the rings of their classmates.

## Prom Well Attended

by Carolyn Cain

The Junior Class of Clarke County High School presented its prom in honor of the Senior Class on Friday night, May 20. Held in the decorated high school gymnasium, it lasted from 9:00 P. M. until 1:00 A. M. The music was supplied by the "Prophets" from Fredericksburg, Va., and the theme was from the song "Till".

The gym was beautifully decorated with green and white crepe paper. A center piece made of artificial flowers hung from the ceiling, under which stood a bird bath. A beautifully painted backdrop, two wishing wells, and a water fountain also added to the elegance of the room.

Although each class tries to make their prom the best, the class of 1967 gave a prom that will be remembered by all those who attended it.
