THEME FROM "A SUMMER PLACE"

There's a summer place
Where it may rain or storm,
Yet I'm safe and warm.

For within that summer place
Your arms reach out to me,
And my heart is free
From all care . . . For it knows

There are no gloomy skies
When seen through the eyes
Of those who are blessed with love.

And the sweet secret of a summer place
Is that it's anywhere
When two people share
All their hopes, all their dreams, all
their love.

There's a summer place
Where it may rain or storm,
Yet I'm safe and warm
In your arms . . . In your arms . . .
In your arms.

A NIGHT TO REMEMBER

dedicated to the
CLASS OF 1967
from the
CLASS OF 1968

The music fades, the stars grow dim,
The night too soon departs
And though it dies, it leaves a mem'ry
Glowing in our hearts.
A glow that is the symbol of
The happy days we've known
Of countless friends and dreams come true
Of three years that have flown,
Of three short years that hurried by
And to them now we cling
As rather wistfully we reach
Our Prom—the final fling.
