

# MCHS Class of 1970 MEDICARE REUNION August 4 & 5, 2017

## OUR MEDICARE REUNION

Our Medicare Reunion is a celebration of our 65th birthdays. It provides a theme and is a good excuse to get together between the 45th and 50th, but wait... this is one you don't want to miss! We'll start off with fortune cookies, reminisce as we walk the halls of our teenage years and close out the weekend with dinner, music and more!

Though PARTS B & C of our reunion are good, it is PART D we don't want you to miss! Think 50/50 raffle, surprises and you may wish to bring a few things, such as a photo of yourself, a rubber band and a small item (or two) of your choice. We may ask for them!

### Alumni Garden Class of 1970 Brick

## DONATIONS APPRECIATED

In 2015, we shared, "our class did not have a piggy bank, which says we are starting from zero. We want you informed and wish to share with you the items we see a need for now and into the future."

Thanks to the donations received, we were able to:

- Extend our domain, mchs1970.com, to 2021.
- Advertise our 45th on the City of McHenry's marquee.
- Cover miscellaneous expenses.
- Make the \$200 deposit on our location for the 45th; the same \$200 is part of the deposit for our Medicare Part D event.
- Show a balance of \$162.71 as of March 2017.

**Thanks, Classmates!**

## 2017 DONATIONS APPRECIATED

If you wish to donate this year, your donation will::

- Allow us to keep a balance in our account to cover last minute costs.
- Help with the cost of name tags, decorations, and other supplies.
- Provide Medicare assistance for Prescription (PART D) only: This assistance will be available to one or more classmates who may not be able to make the full payment for dinner. Smiles, laughter and gathering with high school classmates is good medicine. Assistance available depends upon donations received and will be handled on a case-by-case basis.
- Provide dinner for teachers who may join us at our PART D event.
- Provide additional Medicare Reunion Coverage. Being prepared for unexpected surprises is good, yet our planned reunion surprises are much better than the health kind.
- Give us the opportunity to be a part of the Alumni Garden at East Campus by having a brick engraved for our class.
