V. Everyone agreed that the Longhorn lunch was a good idea and to do it or something similar again. People from various cities were on the Longhorn zoom lunch call and Marilyn (McCoy) Brown even called in from a cruise ship.

VI. The bus trip to Atlanta was a huge success with attendees from MCC Class of 71', 72', and 73, joined us along with other guest. It was great camaraderie with big time fun on the bus and at the hotel. We also stopped at Mamma Junes' restaurant in Valdosta, GA for lunch.

VII. Another class luncheon inviting other classes; 67, 69, and 71 to participate in 2024 was brought up by Paul.

VIII. 55th Reunion possibly to take place in Orlando in 2025.

IX. Gloria William gave a closing prayer

X. Open discussion about 2024 and the 55th reunion continued.

It was agreed that a luncheon will be held during the 1st quarter of 2024 inviting other classes. It was agreed that the local classmates would get together for a movie day sometime in May or June of 2024.

It was agreed that the 2025 reunion will look to be held in Orlando and a bus would be chartered to take those from Miami. Classmates and their guest have first priority on the bus but a deadline will be established for the classmates to pay for their bus seat. Then the bus will be open for others to purchase a seat. I advised the group that I would probably not be riding on the bus because I may be in Tampa but the bus would still leave from my house and people can park in my yard.

I mentioned that we need to plan a church day in 2023 and Alice Johnson said we can visit her church. So a date will be worked out.

In closing I advised everyone that they need to get their wills, power of attorneys, health care, and other papers in order so that decisions can be made on their behalf when you are no longer capable of doing so and you don't want to leave your love one with a mess.

I learned many years ago that if you want to see a family and/or friends split go to a wedding or a funeral. Someone there is going to be offended.

In addition although Willie Golden is home he is not doing well and needs us to continue to pay for God's Mercy and Grace.

XI. Collection of donations/dues

It was agreed to ask all class members to donate \$30 to the class so that we can put money back in the class bank account. The account was literally drained when we held our 52nd Year Reunion. You can start sending the phones ASAP. This is a one-time \$30 request if you wish to send more we will gladly accept it.

XII. Adjournment 7:20pm
