As part of the reunion, the committee hosted a class reunion Golf Tournament at Auburn Golf Course. We had 18 golfers for a scramble format, and a poison ball competition. ## *Class of 60 Scholarships*

As many of you know we have had a scholarship fund that has awarded scholarships to graduating seniors in the district for the last five years. Each year we now award four scholarships, one to each High School for a deserving senior that meets the criteria that we have outlined with the districts help.

This year our first recipients should be graduating from college, and as that information becomes available we will feature a story on each.

At the Reunion we accepted donations from our classmates to replenish the Scholarship Fund. We will continue to accept donations to the fund through this website by simply contacting Marlene Colby Jones.

Let it be known that we are the only graduating class with formal ongoing scholarships in the district. Other classes have also used our fund to participate in scholarships.

Thank you to all.

## *The Next Reunion*

There is talk about not waiting for five years to pass before we have our next reunion.

If you have a preference or would like to help in the planning, please contact Nancy Fallert Colson, through this website or by mail. It's guaranteed you'll enjoy yourself, plus re-acquaint yourself with old friends. We want you involved, it makes for a better reunion.
