

The Trojan Trumpet - Class of 1960 Quarterly

-6th Edition

April 2012

We hope your spring and summer is bright and filled with fun.

Reunion or Not Reunion, that is the question;

The time has come for us to take a stand and tell the Class of 60 Reunion Committee whether we really want an interium reunion or gathering sooner than five years. We know during the 50th reunion many classmates suggested that waiting another five before we got back together was not reasonable.

Well, on the Auburn High Class Of 1960 web site is a new page that serves as a survey to the classmates, to voice their opinions on whether we should be planning an interium event that would be scheduled this year. Please check it out and mark you survey and submit it to the administrators.

Unfortunately, we have lost nine classmates since our last reunion, and our memories page is growing far to fast. Our oppurtunity to rekindle friendships are fewer and fewer. These classmates were part of our formative years when we all were still feeling our way through the places we chose for ourselves. Some of the friendships we had in high school are still real and just as stong as they were back then.

So soon as you can take the time to send in your survey and tell us what you prefer, in reference to an interium gathering for our class of 1960.

How I Spent My Winter;

This winter we left Washington and visited Arizona, probably more because our oldest son had brought a second home in Chandler, taking advantage of a depressed reestate market. But once we were there for Thanksgiving it became apparent that we should consider also buying a second home in Arizona.

I don't like to usually do as others do, but that place is so close, yet so much like being far away in a sunny place. We ended up making three more trips since Thanksgiving each one being just a little longer, one week, then two and etc, and each time we spent time shopping for real estate.

We were able to go to big events like the Barrett Jackson Auction, Good-Guys Southwest Nationals, Phoenix Open, and it goes on and on. We ended up making numerious offers on a number of homes and are still in the buying mode. I remember calling home in January to check in and found that my neighbors had been out of power for days, much snow, ice, and high winds cauing lots of tree and property damage. All this was reinforcing my hopes to find a place soon in sunny Arizona.

We already have a place in Maui to escape to, but Arizona offers an escape in two hours to warmer climate without the cost of a six hour flight. Yes we're leaving next week for Maui as we usually do for a few weeks, and hopefully when we return Washington will be onto it's summer weather.

Spotted an ad for a Brand New - 1960 Annual

Just in case you've misplaced or lost your copy of your high school senior year annual, there is a way to replace it. Check on our website and the option is available from classmates.com for about \$89.00 for a hard bound annual with free shipping and a \$10.00 off option. there is also an option to refurbish your copy and also a chance to customize your comments, if you wish you had written something else. Check it out.

The Class Survey;

Have you sent it back yet?

The website administrators have already routed via emails and also post office mail, a survey that is asking about your wishes as it relates to a class gathering to be held this summer.

Please take the time to fill out your survey and return it to the source. This survey will determine what our class will plan or not plan this year. Also if you can provide some volunteer time to help with the planning it will be fun for you to again work along side those classmates again. Doing volunteer work for others is always gratifying, and gives you an opportunity to meet new friends. So let's get those surveys in soon and be ready to participate in an interium gathering this summer if the interest is there from the surveys..

We are already seeing an increase in classmates joining our website since the surveys have gone out. This is exciting to see more of our friends become aware of what's available to them in the way of staying in touch. Thank you in advance from the administrators for participating. It makes our efforts worthwhile. See you this summer, and watch for the date.

Maui has been a winter escape for us for fifteen years but now maybe Arizona will be in the equation if the real estate continues in it's depressed state.

These old bones work so much better when they are warm. see ya soon!

Feeling Younger Than You Look;

Have you ever been guilty of looking at others your own age and thinking, "surely I can't look that old." Well... you'll love this one.

I was sitting in the waiting room for my first appointment with a new dentist in town. I noticed his DDS Diploma, which bore his full name.

Suddenly, I Remembered A Tall, Handsome, Dark-haired Boy With The Same Name Had Been In My High School Class Some 40-odd Years Ago. Could He Be The Same Guy That I Had A Secret Crush On, Way Back Then? Upon Seeing Him, However, I Quickly Discarded Any Such Thought.

This Balding, Gray-haired Man With The Deeply Lined Face Was Way Too Old To have Been My Classmate. After He Examined My Teeth, I Asked Him If He Had attended Auburn High School

"yes. Yes, I Did. I'm A Mighty Trojan," He gleamed with pride.

"when did you graduate?" I asked.

He answered, "in 1959. Why Do You Ask?"

"you were in my class!", I Exclaimed.

He looked at me closely, then, that ugly, old, bald wrinkled, fat, gray, decrepit son-of-a-~~###~~ asked, "what did you teach?"

This is a great video & should strike a nerve with all of us. It sure hits close to home here. "Keep that mind sharp and active" Turn on your sound and copy or type that address into your browser. It is too good to miss - enjoy.

A Nun Visits Hooter's

A nun, badly needing to use to the restroom, walked into a local Hooters. The place was hopping with music and loud conversation and every once in a while the lights would turn off.

'Each time the lights would go out, the place would erupt into cheers. However, when the revelers saw the nun, the room went dead silent. She walked up to the bartender, and asked, 'May I please use the restroom? The bartender replied, 'OK, but I should warn you that there is a statue of a naked man in there wearing only a fig leaf. 'Well, in that case, I'll just look the other way,' said the nun. So the bartender showed the nun to the back of the restaurant.

After a few minutes, she came back out, and the whole place stopped just long enough to give the nun a loud round of applause. She went to the bartender and said, 'Sir, I don't understand. Why did they applaud for me just because I went to the restroom? 'Well, now they know you're one of us,' said the bartender, 'Would you like a drink? 'No thank you.

But, I still don't understand,' said the puzzled nun. 'You see,' laughed the bartender, 'every time someone lifts the fig leaf on that statue, the lights go out.

Now, how about that drink?

Golf Caddy, One Liners

#10

Golfer: "Think I'm going to drown myself in the lake."

Caddy: "Think you can keep your head down that long?"

#9

Golfer: "I'd move heaven and earth to break 100 on this course."

Caddy: "Try heaven, you've already moved most of the earth."

#8

Golfer: "Do you think my game is improving?"

Caddy: "Yes, you miss the ball much closer now."

#7

Golfer: "Do you think I can get there with a 5 iron?"

Caddy: "Eventually."

#6

Golfer: "You've got to be the worst caddy in the world."

Caddy: "I don't think so. That would be too much of a Coincidence."

#5

Golfer: "Please stop checking your watch all the time. It's too much of a distraction."

Caddy: "It's not a watch - it's a compass."

#4

Golfer: "How do you like my game?"

Caddy: "Very good, but personally, I prefer golf."

#3

Golfer: "Do you think it's a sin to play on Sunday?"

Caddy: "The way you play, it's a sin on any day."

#2

Golfer: "This is the worst course I've ever played on."

Caddy: "This isn't the golf course. We left that an hour ago."

#1 Best Caddy Comment:

Golfer: "That can't be my ball, it's too old."

Caddy: "It's been a long time since we teed off, sir."

And the old favorite, ... is the one about the Golfer who has been slicing off the tee at every hole. He finally gives up and asks his long suffering caddy if he has seen any obvious problems to which the caddy replies. "There's a piece of crap on the end of your club." The Golfer picks his club up and cleans the club face at which point the caddy says, "No, the other end!"

Intergration Of The Itech Systems

February was when our son celebrated his 16th birthday, and we got him an iPhone. He just loved it. Who wouldn't. Then I celebrated my birthday in August, and my wife made me very happy when she bought me an iPad. Our daughter's birthday was in December so we got her an iPod Touch.

My wife celebrated her birthday in September so I got her an iRon. It was around then that the fights started.

What my wife failed to recognize is that the iRon can be integrated into the home network with the iWash, iCook and iClean.

This inevitably activates the iNag reminder service.

I should be out of the hospital next week!!
