OCTOBER 2017

Congregational Meeting there will be a reception to greet Andrew and his wife Holly. I encourage everyone to come, hear Andrew preach and welcome him and Holly to our church.

Of course the congregation's vote is truly a vote and I don't mean to be presumptuous but I am sure that once you get to know Andrew you will enthusiastically and warmly welcome him and Holly into the CPC's church family. I know you will be very happy with him and will have many wonderful years of ministry and fellowship together. I am very happy and excited for all of you.

I look forward to seeing you on October 1st and I wish everyone all the richness of God's blessings,

Pastor John

New Beginnings

This year our stewardship campaign will occur in the month of October. Sunday morning services will have speakers from the congregation during the Minute For Mission portion to discuss what it means to them to be able to financially support the church

program. It will conclude on October 29th with a dedication of your pledge.

The theme for this year, "New Beginnings", is appropriate as we are in the process of selecting a new pastor. We will have the opportunity to look with "fresh eyes" at our many programs. Our various Teams will have an opportunity to review their individual mission statements with an eye to be more effective and serving the needs of the membership and community such as Habitat for Humanity and Jericho Table.

We have been blessed during this period with the leadership of Pastor John Ailstock who has provided us with thought-provoking sermons, leadership for our various Teams, and a welcoming smile during the fellowship time after the service. He has done yeoman service during this interim and we really owe him a great deal of thanks.

A new addition has been added to the pledge cards where you can indicate whether you want to have automatic deductions from your bank account or credit card to meet your pledge commitment. You may indicate on the pledge cards your desire to do so and you will initiate the process on our new website: www.redmondcpc.org with the "Online Giving" option.

We want you to give thoughtful consideration as you complete your pledge card so that we can provide programs and create "new beginnings" for many more individuals.

Thank you, The Stewardship Team

Peace and Global Witness Offering

On Sunday, **October 8**, the Peace and Global Witness Offering will be dedicated. The Mission Team has selected CASA to receive 25% of the funds that are donated

on this day, and 75% of the donated funds will go to PC (USA) Peace and Global Witness Program.

CASA (Court Appointed Special Advocates) provides a voice for abused and neglected children. There are more than 350 children that live in foster care in Central Oregon. These children risk slipping through the cracks and suffering further abuse. These advocates serve as fact finders for the judge researching the background of each assigned case. They represent the child's best interests in the courtroom and work to move the child through the system as soon as possible and into a safe permanent home.

Music Ministries, Karen Sipes, Director

As the last smoky days of summer leave us, the winds of change blow through. Our talented and hard working praise team is getting better and better. When all of our musicians are together, they make beautiful and spirit-filled music. I appreciate them all very much, as does the congregation, which is evident in the kind words from so many of you. It is my great joy to work with them and strengthen this ministry.

My continuing education conference was inspirational and renewing. I sang through many beautiful anthems, some of which will be ordered for our choir. I studied with some of the foremost music conductors in the United States. I'm very blessed to have this opportunity annually to learn and continue to strengthen my musicianship and to read through hundreds of anthems in searching for the best music possible for our talented and highly skilled choir.

We will be learning a new Christmas Cantata beginning in October. I am looking for singers, high school age and up, and instrumentalists, to join us in this musical adventure. Please contact me with any interest in joining us in the choir or orchestra. You will be warmly welcomed and greatly appreciated.

Blessings, Karen Sipes
Director of Music Ministries

Did you know that CPC has a Chair
Aerobics Program that meets every Monday
and Thursday at 9:15 am at the church in the Mountain room! This is a free class for

both men and women who would like to participate in a great daily exercise workout! If you think this workout is for WIMPY people, think again! This is a great workout helping you overcome arthritis and other maladies you have and strengthen your body for better daily living. You will find muscles that you didn't know you had and they will have a great workout! For more information, and to sign up, please contact Aletha Smith at 541-504-4732.

REDMOND PARKINSON'S SUPPORT GROUP

Parkinson's Support Group is alive and thriving! We meet the first Thursday of every month from 1:00-2:30 pm in the Mountain Room.

Our programming for the month of <u>October</u> will feature a Parkinson's appropriate movement/exercise specialist who will help us with our daily work outs. In the month of <u>November</u> we will emphasize "Aware and Care", where we will have a home health worker and pharmacist helping us... having all our ducks in a row concerning medication and being prepared if you need to go into the hospital. This is great information to help the Parkinson's patient and care giver.

Because our group has grown so quickly beginning January, 2018, we will be moving into another room at our current location. We will meet at 1:00 p.m., in Teddy's Hall where we will have a lot more room for our participants.

For information or additional questions please call: Ginny Weeber 541-548-6310 or Susan Ferguson 541-350-0899

BLOOD PRESSURE SCREENINGS

the 2nd and 4th Sunday of each month in the Wellness Office. For the month of October CPC nurses will be available to take your blood pressure from 10:00 – 10:30 am. This screening time will be between both church services. We want you to know that all information will be kept confidential. Remember, high blood pressure is a silent killer. Be proactive and see your health care provider if you have any concerns.

WE NEED YOUR PARTICIPATION

Are you looking for a way to serve your church and its members? Wellness Ministries is looking for cheerful volunteers to join our Wellness Team. We meet once a month to share ideas on how we

Welcome New Members.....

Ben and Judy King

Judy was born in Tucson, AZ but left early in life. She ended up in Roseburg and worked for Morrison Knudsen, Douglas County and ODOT until retirement. Ben was born and raised in Myrtle Point and then moved to Roseburg. He worked mostly for Douglas County as a project manager in the engineering dept. Their family consisted of 2 boys

and I girl, now adults with a total of 5 grandchildren. They have a 14 year old dog named Sadie. They have a mutual love for outdoor activities such as hiking which they do often. On one particular trip they went to Bryce and Zion in Utah and then on to the Grand Canyon in Arizona where they hiked into and out of the bottom floor. Ben and a close friend are in the process of hiking 50 mile segments of the Pacific Coast Trail every year. They love living in Redmond even when it snows!

Health Tip From Your Wellness Team

Shots For Safety:

There are many shots, or vaccinations, that may keep you from getting sick. Some of these shots may also protect you from getting a serious form of an illness. Here is a list of shots that may keep you healthy. Talk to your doctor about which ones you need.

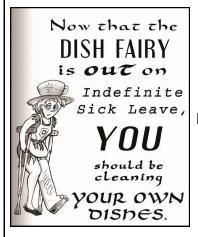

FLU

PNEUMOCOCCAL DISEASE TETANUS AND DIPHTHERIA SHINGLES

MEASLES. MUMPS AND RUBELLA

Common side effects for all of these shots are mild and include pain, swelling, or redness on the arm where the shot was given. It's a good idea to keep your own shot record listing the types and dates of your shots, as well as any side effects or problems. If you are planning to travel out of the country, check with your doctor or local health department about the shots that you need. Sometimes a series of shots is needed. It's best to get them early, at least 2 weeks before travel.
