

Attention: Mac Class of '69

Subject: Update on Electronic Marquee Sign

As of Spring Break 2010, MacArthur High School has an operating information display sign visible from Bitters Road.

Class of '69 honored on new Marquee

You will recall that our class raised funds following the 35th year reunion in '04 to help out in any area where the recently renovated and expanded school was lacking. Wendell Watson (then Principal) suggested and requested that our funds be pooled with others and used for this important and costly enhancement that was not budgeted when the construction project was funded.

The Class of '69 raised \$725 (5% to 10% of total cost) and those funds were conveyed to MacArthur High School and dedicated to the "Electronic Marquee " sign purchase and installation. The school has graciously provided a letter of thanks and a public recognition on the sign itself.

Great job, Brahmas! Special recognition goes to Gary McCaffrey for conducting the fundraising on behalf of the class and Kathy Klinger Towers for grinding out the promo materials for the fundraiser.

Thanks to:

Dr. Bobbie Turnbo,
Principal
and
Debbie Howell,
Principal's Secretary

May 19, 2010

Dear Class of 1969,

On behalf of the MacArthur High School student body, faculty and staff, I want to thank you for your generous gift of \$725.00. With your help we were able to reach our goal of purchasing a new electronic marquee for the campus. Thanks to your generosity and the generosity of others we now have a beautiful new sign that keeps our community informed of current and upcoming events along with posting praises for campus accomplishments. It is a wonderful addition to the campus that will be enjoyed and utilized by many classes to come.

With much gratitude,

Bobbie Turnbo, Ed. D.
Principal, MacArthur High School
