Hi everyone,

I hope everyone is enjoying a good summer and keeping cool. Thanks to Larry Judge we have some "more" May Day pictures from the past...really fun to look at and thank you Larry for sending them over to me!

Everyone, please remember to send me your current email address if it has changed. I always want to thank everyone that sends in their contributions too, for they are all interesting and fun to look at and read. Every one of them is as good as another! We want anything and everything about Olney, so please send your thoughts and or pictures to me so I can post them in the next OM's. This keeps Olney Memories going.....J Thank you.

Here are some More May Day photos from waaay back. I noticed on one the day is written '07 which would be 1907 !! Thank you so much Larry for sharing your treasures with us. J By looking at the tops of the buildings on Main Street and Whittle I recognize some of these well built buildings are still standing!! (Ann)

Hi Ann, I'm attaching a letter that I hope you will include in the next edition of "Olney Memories". I recently discovered that Harvey Loy Zimmerle (class of 1957) was my birth father, and I'm hoping to get some information about him from any of his remaining high school classmates.

My Uncle Mike Zimmerle, suggested this as a possible way to get the word out to ERHS alumni.

I also copied Judy McKinney on this email, as Mike said she is part of the ERHS yearbook/reunion committee.

Please let me know if you have any questions about the attached letter, or if you think it is inappropriate for your publication.

Thanks!
