

## ***We Remember . . .***

***Class of 1969 --- October 17, 2009***

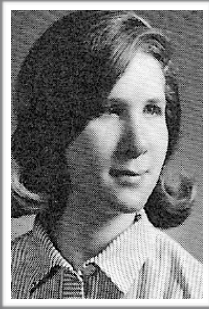

There are stars up above so far away we can only see their light long long after the star itself is gone.

And so it is with people that we love; their memories keep shining, ever brightly though their time with us is done.

But the stars that light up the darkest night, these are the lights that guide us. As we live our days, these are the ways we remember. We remember.

## TELL US ABOUT YOU . . .

### **JULIE AARONS MCCOLM**

Due to my recent association with students who could easily be my kids, my Shaker memories come in flashes, visual sound bites. For example: Agnes Knight in her blue blouse with only one very purple button; Dr. Kenyon C. Cramer's descriptions of Chartres Cathedral and the skyline of Florence; trying to remember to call Terry Pollack "Mr. Pollack" when in school and "Terry" on weekends when I was involved with youth group activities. I am an avid reader. I could not live without going to the theatre, it is as essential to me as the air that I breathe. I would like to get back into comedy and improv. And of course, there are the dogs! I attended the reunion and it was a total joy from planning to completion. I am now looking for full time employment in my 4<sup>th</sup> career. I just finished a Paralegal program with a GPA of 3.9. This is all due to the terrific reading and writing skills developed by the fine teachers at the Shaker schools. (And a lot of Ritalin) I spent 25 years in the advertising business, writing and managing accounts. I performed in Los Angeles in an improv group and was a regular performer at the Comedy Store. I also coached actors and taught cold reading and audition skills. I wrote trailers for CBS Primetime Television as well. I have lived in Ohio, California, college years were spent in Columbia, Missouri. I spent 9 months in Europe during my junior year and have returned to London 17 times. I don't know that I'll ever have the money to retire, but in my dreams, I would spend my time between Cleveland, London and Niagara-on the Lake.

### **SUSAN ABLON LUBIN**

One of my fondest memories of Shaker is having one of the leading roles in The Boys from Syracuse my senior year. I enjoy theatre, singing, movies and travel. I have lived in Ohio, Pennsylvania, Oklahoma, California and Texas. I love living in Austin, Texas! After singing with the Austin Lyric Opera for 17 years, I am now doing cabaret. I am the immediate past president of the Opera Board, and now sit on the Zachary Scott Theatre Board and the Seton Hospital Development Board. I have been happily married for 35 years and have one beautiful daughter, Caroline, who is a junior at the University of Miami, majoring in criminology. When I retire I want to enjoy my husband, family and friends, travel and continue community work --- right here in Austin!

### **MAMIE ACKERMAN KELLER**

My fondest memory is getting a good parking space! In this economy, who's going to retire??

### **EMILY BABIN BELLOCK**

Whenever I think back on high school, I think about spending time with and enjoying my friends. I like exercising, golf, reading, gardening and tutoring. I have lived in Ohio, Michigan and Missouri. I am retired and enjoy my leisure time playing golf, working in my garden, exercising, reading, traveling, visiting my kids, and enjoying more adventures than I can even dream up on this page but I still have not found that "perfect" spot to spend my retirement.

### **BONNIE BARKLEY KAY**

When I think back to Shaker, I think of the hustle and bustle of the hallways between classes and the open thinking in Mr. Meshenberg's class. I astound my college age employees by telling them we had to get permission from an individual teacher to wear pants to class, but our skirts would reach new heights. I like art, humor and anything my kids are doing. I have lived in Michigan and Ohio. When I retire I want to practice art and write children's books. I like Cleveland but I would like less winter when I retire.

### **JAMES A. BARTELL**

Best memory is of marching band. I am a drummer and love music. I have only lived in Ohio. When I retire I would like to travel and would love to live in New England or Canada.

## TELL US ABOUT YOU . . .

### MARCIA BAUTER HENRY

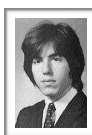

I used to really enjoy doing crafts but I've gotten away from it. Now I enjoy being lazy -- watching TV, reading, travel, keeping up with teaching information, playing and surfing on the computer. I've lived in California, Kansas and Ohio, though by age 16 I'd lived in 3 states, 5 metropolitan areas, and 8 different houses. I attended 4 elementary schools (2 states, 3 cities), 2 junior high schools and 2 high schools. In Shaker I went to Lomond for 5th and 6th grades, Woodbury for 7th and 8th grades, and Shaker High for 11th and 12th grades. When I retire I want to catch up on all the projects I've put aside; travel; volunteer. I'd like to retire to an area with better year-round weather (Kansas gets the worst of all extremes) and nice water and mountain scenery, but also I need to be near my mother as long as she is around and enjoy being near our daughters, so, Kansas may be it.

### ELLY BEDOL TUCKER

I loved choir. Mr. Ellis really made an impact on me . . . as did Mrs. Parmalee before him. The passion has remained with me to this day. I enjoy Step Aerobic, singing and Jewish Choral Music. I have lived in Cleveland, Oxford, Ohio, and Charlottesville, VA. I am retired and am performing and promoting children's music. I thought I would retire in Alabama, but now, it will be in Charlottesville.

### MARTY BEECHLER

My fondest memory is Graduation Day! My interests are music, sailing, carpentry, reading and the stock market. I have lived in California, Kentucky, Missouri, Ohio, Tennessee and the US Virgin Islands. When I retire I want to go sailing and live in the Caribbean.

### JUDI ANNE BENADE

I have so many fond memories of Shaker: The band cheer: 123, 456, 789, 10!; The band song: "FE's, FE's, FE's Magic Mustache Wax"; Best excuse for getting out of class: "I have to go to the stage and organize the makeup boxes."; Listening to covers of Fugs\* songs on the stars near the theater; Getting sent to Mr. Meshenberg's office (did we actually have a Vice Principal in charge of Student Discipline Control??) for wearing a Peace armband to support the 1967 Peach March on Washington; Playing flute on a scaffold above the stage during The Chinese Wall. I like dancing, gardening, reading, hanging out, traveling, learning stuff and listening to music. I have lived in Ohio, Wisconsin, and two states of India. When I retire I want to continue dancing, gardening, reading, hanging out with buddies, traveling, learning stuff, and getting back to making music. I would like to retire somewhere that has less winter than Wisconsin.

### PHILIP BERGER

I still remember the great times in choir -- the musicals, all my friends, Mr. Ellis, and the Thespians. I like to golf. I used to be very much into tropical fish (fresh and salt water) but haven't done that for a number of years. I have lived in New Mexico, Ohio, New York, Minnesota, Texas, Kentucky, Idaho and North Carolina. When I retire I want to watch the ocean out of my back door, perhaps North Carolina.

### GARY BERNE

I have fond memories of Mrs. Jones and Mr. Bristol. I am interested in children's issues and enjoy golf. I have lived, and am living, in Oregon. I will never retire and will always stay in Oregon.

### ANDREW BONTHIUS

I remember fondly a school-wide student protest that did away with the collegiate dress code and, with pride, forming an SDS chapter in the small auditorium. In a certain way, the two were on one piece . . . representative of that historically transitional era. Another great memory was that I was allowed to play soccer even though I had long hair! I have lived in California and Ohio. When I retire I would like to continue teaching English as a second language in China, where I would like to retire.

## TELL US ABOUT YOU . . .

### LAUREN BOROD HENKIN GOODMAN FEIGLIN

My fond memory is Mr. Pollack's Sociology class. I am interested in travel, musicals, dance, photography, reading and connecting with old friends. I have lived in Boston, Cleveland and Syracuse, New York. When I retire I want to participate in lifelong learning, volunteering, traveling and keeping fit. I am not sure where I want to retire.

### JERRY BRESIN

My favorite memories of Shaker would be 1. Watching a movie in Mr. Parasility's class and when a very modest bedroom scene came on the screen, the class started to giggle and titter. Pars flipped off the movie, looked at the class in (what I found out later was an act) anger, glared at us and said: "What's wrong with you all is that you have a f\*ck complex." He stormed out of the room walking towards the teachers lounge and when I caught up with him I asked if it was true that if we understood what he was trying to teach us we would get an "A" for the course. He said yes, and I told him I thought he was full of it. I got one of my only "A's" that day. 2. Watching Mr Wile in an explanation of something or other when he suddenly fell off his desk, which he was standing on, and break either his foot or hand. It's funny in retrospect. Other than that, my years at Shaker were filled with a great deal of anxiety and confusion due to the time in our lives and everything that was going on in the world around us. I am married for the third time to a wonderful woman who is both an Israeli and British citizen. We live just southeast of London in Kent. We have travelled quite a bit together in our three years together. I came into our relationship with two daughters from my first marriage, and got a new son and daughter in the bargain. We spend our spare time singing in a choir, gardening, and traveling (when our daughter will dog sit for us). My interests are Mac Computers, photography, gardening and travel. I have lived in Ohio, Massachusetts, Kentucky, Arizona, California, and England. I am already retired and breed Poodles and do photography part time. I'll be retiring in either Israel or the UK.

### DONNA LYNN BROWN

I have great memories of The Shakerite and The Sharcs. The good stories are lost to memory forever, but the good feelings remain. I am an amateur student of the financial markets, and I enjoy performing arts (as a spectator!) I have lived in Ohio, Connecticut, Virginia and DC. When I retire I want to read a great backlog of books, write a trashy bestseller, and become a wine expert. I'd like to retire somewhere that has seasons, low humidity and very good restaurants.

### ANDREW J. BUFORD

My fondest memory is Amy and her family. My major interests are cars and going to car shows. I have lived in Missouri, Pennsylvania, Ohio and California. When I retire I just want to relax in my home in California.

### LAURIE ANN BURKHART JEFFERYS GRELLMAN

I love art and traveling. I have lived in Pennsylvania and Florida. When I retire I plan to travel, as I am doing now. In two years we plan to move closer to the beach.

### CHRISTY CALLAGHAN MCLAUGHLIN

A fond memory is Mr. McKenney who taught French and Mr. Weihe who taught American Problems. I enjoy theatre and reading. I have lived in New York, Illinois, North Carolina and Florida. When I retire I am going to write, hopefully while living in New York City.

### LAURA CAMINATI ENGEL

My fondest memory is dancing to the music of Papa's Bag. I enjoy gardening, home remodeling, dancing, vacationing and spending time with all my kids and granddaughter. I have lived in Ohio and Illinois. I'll never totally retire. I would love to be a teacher's aide for special education children. I would like to divide my time between the Midwest, Arizona and Florida.

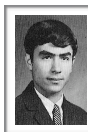

## TELL US ABOUT YOU . . .

### JUDY E. CAPLAN

A fond memory is painting murals that lined the top of the hallways at Malvern Elementary. I loved the group effort. I liked all the in-class art projects too. I also loved Mrs. Ham, the music teacher, and the concerts we performed in the auditorium. I enjoy biking, hiking, gardening, cooking and generally being in constant motion. I like to come up with projects and ideas, usually related to health and wellness, and see if I can put them into motion and bring them to fruition. I have lived in Ohio, Arizona, Colorado and Virginia. I do not plan to retire but when and if I do, I plan to stay active, read, garden, travel and live on my farm in Central Virginia. Even as a little old lady, I would like to help people, especially children, keep fit in a fattening world.

### JOSE (TONY) CASANOVA

I am glad I was able to graduate with my friends. I loved playing baseball on the Shaker team and partying with all my friends at the time. I am a Purple Heart Veteran. I am an avid sports fan -- all Cleveland teams. I enjoy playing golf. I've just lived in Ohio and, of course, Vietnam. When I retire I would like to play golf, enjoy the outdoors, enjoy life as it only comes once. I would probably retire to Florida and Ohio.

### DAVID CAVALLO

I enjoy yoga, film, food and wine. I never want to retire. I currently live in Rwanda, and have lived in Brazil, Mexico, Ohio, California, Massachusetts, New York and New Jersey.

### LAURA J. CHAPMAN

A fond memory is Joe Szwaja (A.P. history teacher) jumping on the desktop to reenact the Civil War. I love gardening, distance bicycling, reading, cooking, dancing, depth psychology, dreams. I have lived in Ohio, Vermont, Texas and California. I really do not want to retire. I love what I do . . . just want to work less. I would like to retire somewhere less city and more country.

### IAN JEFFREY CHOLFIN

I have so many fond memories that it's hard to pinpoint one single one so I will share them at the reunion if I can attend. My interests are walking, bicycling, reading, cultural activities, and travel. I have lived in California and Arizona. When I retire to San Diego, I plan to travel, read and keep learning.

### EDWARD COHEN

I remember being at a Saturday afternoon football game on a beautiful fall afternoon or just hanging out on the oval at lunch or after school. Also, the many good friends and times we shared together. I enjoy camping, and helping people to live better lives in sobriety. I have lived in one state and one country. When I retire I would like to travel in an RV and camp all over the U.S. I will probably retire right here in Cleveland, Ohio.

### HARLOW COHEN

I like to exercise, golf and read.

## TELL US ABOUT YOU . . .

### PHILIP H. COHEN

As I look back today, I realize what a truly wonderful school system I came from which prepared me for not only college but future endeavors as well. I am thankful to have been given that opportunity that most people never will be afforded. My interests/hobbies are golf, computer literacy, internet, ebay, studying sales practices, our dog Brutus, and our two sons who mean the most in the world to me. When I retire, which will be wherever my children and grandchildren end up, I want to write a book about the automobile business, spoil, I hope, many grandchildren, spend time with my beautiful wife and play golf now and then.

### SUSAN CONWAY MERRIAM

My fondest memory is Skippy Martin singing The Beatles "They Say It's Your Birthday" really loud in the hallway on my birthday!! I love gardening, exercise, swimming, drying flowers for crafts, traveling with family. I have lived in Ohio, Michigan, Indiana, California, New York, and Virginia. When I retire (wherever that is) I would like to do ANYTHING BUT WORK!

### CATHY ANNE COX CULP

My fond memories are the Shaker Peppers and our Senior Class canoe trip! I enjoy running, gardening, reading and shopping!! I have lived in Colorado and New York. I haven't decided where I want to live when I retire but I know I would like to travel.

### KAREN CRAIG JOHNSON

I remember Shaker High School's beautiful old red bricks, lots of lockers and slippery floors.

### MARJORIE CRAMER HADERS

I enjoyed the time spent in musical activities, such as choir and small ad hoc music groups. I enjoy reading novels, playing and listening to music, birding, walking, yoga and traveling. I have lived in Boston; Kingston, Jamaica, West Indies; Atlanta. When I retire I would like to relax and travel and I would love to live near the mountains or the sea.

### NANCY CRISP O'NEILL

My favorite high school memories, without a doubt, took place at Shaker Heights High School . . . our family moved to Florida after my sophomore year. I will forever fondly remember my friendship with Susie, Janice, Peggy, Sandy and Sally. Love to you all!! I like sailing, kayaking, and hiking. I have lived in Ohio, Florida, Georgia, Virginia, Tennessee and North Carolina. When I retire I would like to sail with my husband, John and hike the Appalachian Trail. I would like to retire in Washington, North Carolina.

### IDA DELUCA BERKOBEN

My fondest memories are the great times with good friends. Walking to school every day with Lizzie Rocker. Hanging out with Burry. Friends since first grade. I enjoy traveling and cooking. I spend my winters in Florida and summers in Cleveland. When I retire I want to travel more, and live in both Cleveland and Florida.

### MYRA DEMB ROSEN

I enjoy Israeli dance, travel, journalism and reading. I have lived in Israel and Washington, D.C. I would like to travel when I retire and live someplace warm.

### DEBI DIENER TRIGG

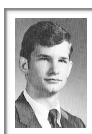

I fondly remember working in the attendance office and pulling out slips! I spend summers following my grandkids' baseball teams -- they made all state in the America League last summer. We love four-wheeling in our jeep, we take our camper on trips to the many lakes around here and go boating almost year round. I love a good book, I make jewelry and dabble in many crafts. I have lived in Ohio, Arizona and Alaska. I am retired right here in Kingman, AZ.

### MARGIE DITTMAN UNWIN

A fond memory of Shaker was doing the sports assembly as an Argentine starlet. I like reading and opera. I have lived in Ohio, Washington, California, Montana and Michigan. When I retire I would like to move to the Pacific northwest where all my children are, either in Seattle or Portland.

Embarrassing! I like being a father to our 11-year-old daughter; our pet dogs; travel, especially cruises; swimming, boating, water sports; cooking. I have lived in Cleveland and Toronto, Canada. ### AMY HANSEN SPIES

I remember fondly beating the Hudson girls' field hockey team at Hudson a few days (or was it the next day) after the Hudson boys' soccer team had beaten our boys' soccer team. The joy of getting even! I like to read, cook and walk. I have lived in Michigan, Ohio, Pennsylvania, Oregon, Massachusetts, Germany and Italy. I'd like to retire in the Northwest, probably Oregon, and drink coffee, walk around, read, visit friends, volunteer.

### MARCIE HERSHMAN

Fond memories include having to dance successfully over crossed swords (Scottish Sword Dance) and pass the "drown-proofing" swim test to fulfill gym requirements for graduation --- now those were metaphors for what lay ahead. Using the PA's morning announcements to broadcast music for the first time ever ("I'll Get By with a Little Help from My Friends") to promote a dance for the Social Council -- waking up a number of students. I do want to note that academics at Shaker truly were wonderful and in general extremely well taught. When I got to college, I realized how deep our preparation had been. ### **EVELYNE (EVIE) HOFFMANN BARTON**

I was in the Modern Dance Club and was having trouble learning the triplet. In the locker room, Miss Craig, our young, beautiful, and devoted teacher, took me by the hand quite literally, and taught me the triplet right there in the aisle. She kept going over it until I had it, and we were both doing triplets side by side in the locker room. I will always remember that with gratitude. Something that had been very confusing for me became easy and second nature. Besides the arts, I love to garden and spend time outdoors, especially at the beach. I lived in France before my family moved to Shaker Hts. Since living in Shaker, I've lived in Wisconsin, California, Ohio and Indiana. We've lived in Southbend, Indiana since 1976 and in our current home since 1977. I don't know if I will retire from teaching but I'd like to spend more time doing other various things in the arts: more painting, maybe an African dance class. Currently I am working on a book that will include my music in it. I'd like to stay in Southbend, but also have a winter home somewhere warm and sunny!

Since high school, I have lived in Connecticut, Missouri, New Jersey, New Mexico, New York and Dublin, Ireland. I'm currently retired and still trying to figure out what I want to do. I would like to split my time between the U.S. and Ireland.

"The Boys" and the great women who went with me to Manners and the Northfield Drive In. I wish I hadn't needed so much negative attention in class. I guess I wasn't spanked enough as a child. I love to write songs and sing for caring crowds, work with my hands in wood and sail on the ocean the tidal backwaters. I have lived in Lexington, Kentucky, New Orleans, Memphis, Boston, New York City, Kingsville and Austin, Texas, St. John/St. Thomas, and Wilmington, North Carolina. I have been to every state except Alaska, Minnesota and North Dakota. I have been to Europe, Brazil, Jamaica, Montserrat, the Bahamas and Australia. High School was too long ago to remember anything. I like traveling, bike riding and cooking. I have lived in Japan. I would like to retire in Southern France and travel.

### NORMAN KOHN

I have fond memories of teachers who brought humor and humanity to their work, including a wonderful incident in which a teacher stood his ground and refused to reconsider the "A" he'd given a rebellious young man (not me) who'd scored "0" on a true-false quiz. I have set aside flying, there's too much else to do. And wilderness canoe trips, at least until I have a travel partner. The boys have outgrown canoe trips with Dad, perhaps at least until they can take off work and convince their girlfriends to come. I've admitted to being a workaholic. But then, I've mostly managed to do the work I want to do and shed the rest. I have lived in Cambridge, Massachusetts, New Haven, Connecticut, Cleveland Heights and, since 1977, Chicago. When I retire I want to have things I want to do, and someone I want to do them with. Maybe . . . get a glider . . . and a boat . . . and a book . . . Move to state of Bliss (is that in the Midwest? How are the taxes?) The concept of retirement doesn't hold much meaning for me. Retire? Retreat? Regret? I don't desire/expect any of them just now.

### DEBBIE ANNE MILLER-STRONG

My fond memory is sports for women. Shaker was way ahead of the curve when it came to athletics for young women. What a place to be after school .... what fun. Also meeting in the library before school with Debbie Morris, Monique Jacques and Carol Rust, Sandy Putnam and Barb Feldman. Getting into trouble at Mr. Sinai with Elly Bedol ... gotta love those pecan rolls. And even though I loved to sing ... Mr. Ellis never missed the opportunity to throw me out of choir all the time ... but I still had to answer his phone when it rang!!!! I enjoy Interior Design, sewing, gardening and singing. I have lived in Ohio, Colorado, California and Indiana. And who said anything about retiring .... Why??? I will live in my cute home in Willoughby Hills.

### **RICHARD F. MILLER**

FOND MEMORY MONTAGE: Mt. Pleasant Recreation Center by lunch; afterwards, gangster lean in my car parked on the circle while I smoke Lucky Strikes and duck the baleful glances of Marty Meshenberg; after school, consistent Poker losses to Messers. Leiken, Baker, Miller and Sobel. Sometime during those days, I felt that I deserved to fail 10th Grade Geometry and English -- and then I actually did fail them; and around that time, receiving high praise from history teacher Ms. Grace Jones when, in reply to one of my questions, she turned to me in disgust and said, "You know, Richard, you always ask these sideways questions that only seem to have something to do with what I'm trying to talk about." (This was the first clue that I might be a postmodernist; in the end, I proved to be no more than a conventional narrator.); The sturm und drang in my decision to withhold my photograph from our '69 yearbook, the reasons for which action I can no longer recall. Finally, my fondest memory is that of a world now gone, vanished worlds are tolerable; vanished people are not. Should any eye fall upon these few lines please pause and remember both our classmates and our dear ones who filled that distant time with so much meaning, guidance, companionship, and occasionally, bitter opposition. Dayan Ha'emet. I have lived in Massachusetts, Connecticut, Arizona, Iraq and Afghanistan. When I retire I want to work on really becoming the person that my dogs already think I am. I would love to retire in L'Olam Ha'ba. I enjoy reprising the role of Ralph Waldo Emerson in Concord; only I don't live in Concord and I'm not Emerson.

It was truly a moment to remember. Horses are my main hobby and working on events in vendor sales; exercising. ### KEN RIFF

I remember the shenanigans that we engaged in while in the light booth and sound booth in the auditorium during the plays. ### MARIAN SCHWARTZ

Choir was where I was happiest at Shaker, and the people in it were the people I was happiest being around. That I never had much of a voice didn't seem to matter or maybe took the pressure off me to perform. Thelissa Corbin and I would take long walks at lunch sometimes, to talk and to avoid the food and the scene in the cafeteria. She died too young. I enjoy books and music; classical guitar, embroidery and cooking. I have lived in Ohio, Massachusetts, Texas, New York and Russia. Retire? I know I want to spend summers on the Maine coast, the rest of the year at home in Austin.

I have lived in Ohio, Arizona, Pennsylvania and Georgia. I would love to retire to the Southwest (Santa Fe) -- horseback ride, exercise and kick back and relax!!

### JOYCE SHRALLOW PRESSER

I wish I could say I had any fond memories . . . truthfully, I went to Cleveland Heights schools until 6 weeks into 10th grade when I cam kicking and screaming to Shaker! I was painfully shy and dreaded every day . . . I kept all my Heights friends and just suffered in silence . . . happy ending though . . . life was uphill after graduation! ### RALPH SIMON

I remember several classes and teachers with great fondness. I often thought back on these teachers when involved in my own teaching career. I enjoy listening to classical music and collecting interesting and rare CD recordings as well as reading and travel. I have lived in the Greater Cleveland area my entire life, but have travelled extensively to other states and foreign countries. When I retire, what would I like to do: I have a 'to read pile' that is very high. I hope to read more of these items soon! I have several new CD's that I still want to open and hear. I am hoping to work-out more often and get into better physical condition. I hope to become involved in a volunteer program that will encourage and help disadvantaged children improve their reading skills and develop a greater sense of purpose and self-esteem. Then wearing the first mini-dress that my mom got in London and being told by the same vice principal that I looked like Peter Pan and he kicked me out again. Also, making out on the stairs near the auditorium with my boyfriend Junior Salem only to be yelled at by the same guy again: "Do you think this is Paris or something?". But seriously, I remember most the political discussions in AP History with Joe Szwaja and Jerry Graham. I am interested in cooking and gardening (sounds so female!) I have lived in Cleveland, Boston, Italy, Chicago, Indiana and Michigan. When I retire I want to do architecture. ### **KAREN WENTZ McCRARY**

My fondest memory of my Shaker Heights High School experience is of Maggie Jones' Modern European History class. She was a remarkable and influential teacher, and to date one of the best teachers I have ever had. Her classes were memorable, as were her stories from her own life experiences. This year when the film "Dillinger" came out, I remembered her telling the story of how she heard gunfire in the streets near her apartment in Chicago, where she was a student at the University of Chicago. That night John Dillinger was captured at a theater nearby. I would love to hear her take on national and world affairs since we graduated forty years ago. I have lived in New Jersey, Pennsylvania, Ohio, New York, Indiana, South Carolina, Alabama and Texas. I like reading, film, world affairs, cooking, family and friends, and my Norfolk terrier. ### **CLIFFORD ALAN WOLF**

We had a science teacher, Mr. Zimmovan, who was an excellent teacher but using today's nomenclature could be described as a "wild and crazy guy". He hated the song "Que Sera Sera- whatever will be will be, the future's not ours to see". So he sang his version to our class which went "what ever will be WON'T be - the future IS ours to see..." Even at my age I got the point. Things may affect our health, catastrophes occur and in general bad things can happen to good people, but after listening to the web cast of the reunion's panel discussion I recall Mr. Zimmovan. I feel compelled to say for the most part Shaker Schools helped put us all on a track whereby we created our own futures and helped us to develop our own way through life. When you think of that, it is really profound. I have been on several Boards: Past officer/treasurer of Park Synagogue, Vice Chair of Hebrew Shelter Home. I love to travel. What is retirement?

### **FRED WOLFF**

I enjoy skiing, tennis, hiking and travel. I have lived in Portugal. I want to retire in New Hampshire, but I want to travel even more than I do, which is quite a bit.
