Who knows what can happen!

A very generous donor who wishes to re-main anonymous has donated \$1,500 to pay for the rented room for 3 hours. To him, a very big-hearted thank you for making this possible!!

The day can turn into evening and can last as long as you make it! Who knows what can and might happen!!

Classmates move and addresses change. If you know someone who did not receive this flyer, please forward to them and send us their contact info. Also, if you know of people who have passed, please forward info to us. We all will be close to 80 years old, and we're not sure how many or who (if any) will take on the task of a future reunion; so we hope as many as possible will make this one! Wouldn't it be great to see your old classmates with whom you attended grammar, Jr. High or McCLATCHY ?

This is your big chance.

WE HOPE TO SEE YOU!!
