A co-owners Condominium unit dimensions or the nature or extend of any appurtenant limited elements or the responsibility for maintenance, repair and replacement thereof may not be modified in any material way without his/her consent and that of his/her mortgagee.

I. A person causing or requesting an amendment to the Condominium documents shall be responsible for costs and expenses of the amendments except for amendments based upon a vote of a prescribed majority of co-owners or based upon the Advisory Committee's decision, the costs of which are expenses of administration.

J. A Master Deed amendment, including the consolidating Master Deed dealing with the addition, withdrawal or modification of units or other physical characteristics of the project shall comply with the standards prescribed in the Act for preparation of an original Condominium Subdivision Plan for the project.

K. During the construction and sales period, restrictions shall not be amended, nor shall the provisions hereof be modified by any other amendment to this Master Deed, without the written consent of the Developer.

Any or all of the rights and powers granted or reserved to the Developer in the Condominium documents or by laws including the power to approve or disapprove any act, use or proposed action or any other matter or thing, may be assigned by it to any other entity or to the association. Any such assignment or transfer shall be made by appropriate instrument in writing duly recorded in the office of the Lenawee County Register of Deeds. Enforcement of these restrictions shall be by proceedings at law or in equity by the Developer, the Condominium Association of any co-owner(s) of a unit, against any person(s) violating or attempting to violate any covenant or restrictions herein mentioned or any part thereof, either to restrain such violations or to recover damages, or both.

Any co-owners shall have the right to bring legal action against any person violating these restrictions and, if such action is successful, the Court of Jurisdiction shall have the right to assess all costs, including a reasonable attorney's fees, against the person or persons who violated these restrictions.

Invalidation of anyone or more of these restrictions by judgment or court order shall in no way effect any of the other provisions, which shall remain in full force and effect. These restrictions are to run with the land herein described and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25)

years from the date these covenants and restrictions are recorded, after which time the covenants will be extended automatically for successive periods of ten (10) years unless an instrument signed by a majority of the then co-owners has been recorded agreeing to change said covenants in full or in part.

FIFTEENTH: Except as provided in preceding paragraphs, the Condominium project shall not be terminated, nor shall any of the provisions of this Master Deed or Exhibits attached thereto, unless done in compliance with the following provisions:

(1) Prior to the first annual meeting of the Association, the Developer may (without the consent of any co-owner or any other person) amend this Master Deed and the plans attached as Exhibit "B" in order to correct the surveyor any error made in said documents and to make such other amendments to such instruments and to the Bylaws attached hereto as Exhibit "A" as do not materially affect any rights of any co-owner in the project or impair the security of any mortgagee, including but not limited to, amendments for the purpose of facilitating conventional mortgage loan financing for existing or prospective co-owners and to enable the purchase of such mortgage loans by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association, and/or any other agency of the Federal government or the State of Michigan.

(2) If there is no co-owner other than the Developer, the Developer, with the consent of any interested mortgagee, may unilaterally terminate the Condominium project or amend the Master Deed. A termination or amendment under this section shall become effective upon the recordation thereof by the Developer.

(3) If there is a co-owner other than the Developer, then the Condominium project shall be terminated only by the unanimous agreement of the Developer, unaffiliated co-owners of Condominium units to which all of the votes in the Association appertain and the mortgagees of all the mortgages covering the Condominium units.

(4) Agreement of all of the co-owners and mortgagees to the termination of the Condominium shall be evidenced by their execution of the termination agreement or of ratifications thereof, and the termination shall become effective only when the agreement is so evidenced in the Lenawee County Records.

(5) Upon recordation of an instrument terminating a Condominium project, the property constituting the Condominium project shall be owned by the co-owners as tenants in proportion to their respective undivided interests in the elements immediately before recordation. As long as the tenancy in lasts, each co-owner or the heirs, successors or assigns thereof shall have an exclusive right of occupancy of that portion of the property, which formerly constituted the Condominium unit.

(6) Upon recordation of an instrument terminating a Condominium project, any rights the co-owners may have the assets of the Association shall be in proportion to their respective undivided interests in the elements immediately before recordation, except that profits shall be distributed in accordance with the Condominium documents and the Act.

(7) The Condominium documents may be amended by the Developer, on behalf of itself, and on behalf of the Association, for a proper purpose without the consent of co-owners, mortgagees and other interested parties, including changes deemed necessary to comply with the Act and the modification of sizes of unsold Condominium units, as long as the amendments do not materially alter or change the rights of the co-owners, mortgagees or other interested parties.

(8) The Condominium documents may be amended for a proper purpose, other than as set forth above, even if the amendment will materially alter or change the rights of the co-owner, mortgagees or other interested parties, with the prior written consent of two thirds (2/3) of the first mortgagees (based upon on one (1) vote for each mortgage owned) and co-owners of the individual Condominium units. A co-owner's Condominium unit dimensions or the nature or extent of any appurtenant limited elements or the responsibility for maintenance, repair and replacement thereof may not be modified in any material way without his/her consent and that of his/her mortgagee.

(9) A person causing or requesting an amendment to the Condominium documents shall be responsible for costs and expenses of the amendment except for amendments based upon a vote of a prescribed majority of co-owners or based upon the Advisory Committee's decision, the costs of which are expenses of administration.

(10) A Master Deed amendment, including the consolidating Master Deed dealing with the addition, withdrawal or modification of units or other physical characteristics of the project shall comply with the standards prescribed in the Act for preparation of an original Condominium Subdivision Plan for the project.

(11) During the construction and sales period, paragraphs EIGHTH through this paragraph, shall not be amended, nor shall the provisions hereof be modified by any other amendment to this Master Deed, without the written consent of the Developer.

SIXTEENTH: Any or all of the rights and powers granted or reserved to the Developer in the Condominium documents or by law, including the power to approve or disapprove any act, use or proposed action or any other matter or thing, may be assigned by it to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing duly recorded in the office of the Lenawee County Register of Deeds.

**EXHIBIT A
STONEHEDGE SITE CONDOMINIUM
BYLAWS
ARTICLE I
ASSOCIATION OF CO-OWNERS**

STONEHEDGE SITE CONDOMINIUM, a residential condominium project located in the Township of Cambridge, Lenawee County, Michigan, shall be administered by an association of co-owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the elements, easements and affairs of the condominium project in accordance with the condominium documents and the laws of the State of Michigan. These Bylaws shall constitute the Bylaws referred to in the Master Deed and required by Section 3 (8) of the Condominium Act. Each co-owner shall be entitled to membership, and no other person or entity shall be entitled to membership. The share of a co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to his/her unit. The Association shall keep current copies of the Master Deed, all amendments to the Master Deed and other Condominium documents for the condominium project available at reasonable hours to co-owners, prospective purchasers and prospective mortgagees of units in the condominium project. All co-owners in the condominium project and all persons using or entering upon or acquiring any interest in any unit therein or the elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium documents.

**ARTICLE II
ASSESSMENTS**

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium documents and the Act shall be levied by the Association against the units and the co-owners thereof in accordance with following provisions:

Section 1. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the elements or the administration of the Condominium project shall constitute expenditures affecting the administration of the project, and all sums received as the proceeds of or pursuant to any policy of insurance securing the interest of the co-owners against liabilities or losses arising within, caused by, or connected with the elements or the administration of the Condominium project shall constitute receipts affecting the administration of the Condominium project within the meaning of Section 54 (4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) Budget. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year, and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular monthly payments as set forth in Section 3 below, rather than by special assessments. At a minimum, the reserve fund shall be equal to ten percent (10%) of the Association's current annual budget on a noncumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular project, the Board of Directors should carefully analyze the Condominium project to determine if a greater amount should be set aside or if additional reserve funds should be established for other purposes from time to time and, in the event of such a determination, the Board of Directors shall be empowered to establish such greater or other reserves without co-owner approval. If it is determined by the Board that expenses for maintenance, repairs and replacement of elements are minimal, a cumulative balance of \$2,000 may be maintained in the budget and funding by regular monthly payments, as set forth in Section 3, may be suspended. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each co-owner and the assessment for said year shall be established based upon said budget, although the failure to deliver a copy of the budget to each co-owner shall not affect or in any way diminish the liability of any co-owner for any existing or future assessments. Should the Board of Directors at any time decide, in the sole discretion of the Board of Directors: (1) that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium; (2) to provide replacements of existing elements; (3) to provide additions to the elements not exceeding \$2,000 annually for the entire Condominium project (adjusted for increases in the Consumers Price Index used by the United States Department of Labor, Bureau of Vital Statistics, Metropolitan Detroit area, since the date of recording of the initial Master Deed); or (4) that an emergency exists, then the Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors also shall have the authority, without co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 3 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or of the members thereof.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Board of Directors from time to time and approved by the co-owners as hereinafter provided to meet other requirements of the Association, including, but not limited to: (1) assessments for additions to the elements of a cost exceeding \$2,000 per year for the entire Condominium project (adjusted for increases in the Consumers Price Index used by the United States Department of Labor, Bureau of Vital Statistics, Metropolitan Detroit area, since the date of recording of the initial Master Deed); (2) assessments to purchase a unit upon foreclosure of the lien for assessments described in Section 5 hereof; (3) assessments for the purchase of a unit in the Condominium project pursuant to Article VI, Section 16, or (4) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph (b) (but not including those assessments referred to in subparagraph (a) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than sixty percent (60%) of all co-owners. The authority to levy assessments pursuant to this subparagraphs solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or of the members thereof.

Section 3. Apportionment of Assessments and Penalty for Default.

Unless otherwise provided herein or in the Master Deed, all assessments levied against the co-owners to cover expenses of administration shall be apportioned among and paid by the co-owners in accordance with the percentage of value allocated to each unit in paragraph FIFTH of the Master Deed, without increases or decreases for the existence of any rights to use of limited as limited as determined in accordance with Article II, Section 2 (a) above shall be payable by co-owners in twelve (12) equal monthly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a unit, or with the acquisition of fee simple title to

a unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof is not paid to the Association in full on or before the due date for such payment. Each installment in default for five (5) or more days from the due date shall be subject to a late charge of one dollar (\$1.00) per day, or such additional sum which the Board of Directors may prescribe, until each installment is paid in full.

Section 4. Waiver of Use or Abandonment of Unit. No co-owner may exempt himself/herself from liability for his/her contribution toward the expenses of administration by waiver of the use or enjoyment of any of the elements or by the abandonment of his/her unit..

Section 5. Enforcement.

(a) Remedies. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any co-owner in the payment of any installment of the annual assessment levied against his/her unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association also may discontinue the furnishing of any utilities or other services to a co-owner subsequent to providing notice of its intent to do so. A co-owner in default shall not be entitled to utilize any of the general elements of the project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided however, this provision shall not operate to deprive any co-owner of ingress or egress to and from his/her unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the unit from the co-owner thereof or any persons claiming under him/her and, if the unit is not occupied, to lease the unit and collect and apply the rental there from to any delinquency owed to the Association. All of these remedies shall be cumulative and not alternative and shall not preclude the Association from exercising such other remedies as may be available at law or in equity.

(b) Foreclosure Proceedings. Each co-owner, and every other person who from time to time has any interest in the project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purpose of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each co-owner and every other person who from time to time has any interest in the project shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each co-owner of a unit in the project acknowledges that, at the time of acquiring title to such unit, he/she was notified of the provisions of this subparagraph and that he/she voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclosure by advertisement of the lien for non-payment of assessments and a hearing on the same prior to the sale of the subject unit.

(c) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of ten (10) days after mailing, by first class mail, postage prepaid, addressed to the delinquent co-owner(s) at his/her or their known address, of a written notice that one or more installments of the annual assessment levied against the pertinent unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten (10) days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth: (1) the affiant's capacity to make the affidavit; (2) the statutory and other authority for the lien; (3) the amount outstanding (exclusive of interest costs, attorney's fees, and future assessments); (4) the legal description of the subject unit(s); and (5) the name(s) of the co-owner(s) of record. Such affidavit shall be recorded in the office of the Register of Deeds in the county of which the project is located prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the ten (10) day period, the Association may take remedial action as may be available to it hereunder or under Michigan law. In the event Association elects to foreclose the lien by advertisement, the

Association shall so notify the delinquent co-owner and shall inform him/her that he/she may request a judicial hearing by bringing suit against the Association.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including interest, cost, actual attorney's fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be charged to the co-owner in default and shall be secured by the lien on his/her unit.

Section 6. Liability of Mortgagee. Notwithstanding any other provision of the Condominium documents, the holder of any first mortgage covering any unit in the project which comes into possession of the unit pursuant to the remedies provided in the mortgage or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged unit which accrue prior to the time such holder comes into possession of the unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all units, including the mortgaged unit) .

Section 7. Developer's Responsibility for Assessments. The Developer of the Condominium, although a member of the Association, shall not be responsible at any time for payment of the monthly Association assessments. The Developer, however, shall at all times pay all expenses of maintaining the units that it owns, including any dwelling and other improvements located thereon, together with a proportionate share of all current expenses of administration actually incurred by the Association from time to time except expenses related to maintenance and use of the unit in the project and of the dwelling and other improvements constructed within or appurtenant to the units that are not owned by Developer. For purposes of the foregoing sentence, the Developer's proportionate share of such expenses shall be based upon the ration of all units owned by the Developer at the time the expense is incurred to the total number of units then in the project. In no event shall Developer be responsible for payment of any assessment for deferred maintenance, reserves for replacement, for capital improvements, or other special assessments, except with respect to units owned by it on which a completed residential dwelling is located. Further, the Developer shall in no event be liable for any assessment levied in whole or in part to purchase any unit from the Developer or to finance any litigation or other claims against the Developer, any cost of investigation and preparing such litigation or claim, or similar related costs. A "completed residential dwelling" shall mean a dwelling with respect to which a certificate of occupancy has been issued by the Township of Cambridge.

Section 8. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 9. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in by the co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 10. Statement as to Unpaid Assessments. The purchaser of any unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association, accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least five (5) days prior to closing of the purchase of such unit shall render any unpaid assessments and the lien securing the same fully enforceable against such purchaser and the unit itself to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the unit and the proceeds of the sale thereof prior to all claims except real property taxes and first mortgages of record.

Section 11. Mechanic's Lien. A mechanic's lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

ARTICLE III ARBITRATION

Section 1. Scope and Election. Disputes, claims or grievances arising out of or relating to the interpretation or the application of the Condominium documents, or any disputes, claims or grievances arising among or between the co-owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any awards pursuant to such arbitration) and upon written notice to the Association, shall be submitted to arbitration, and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section 1 above, no co-owner or the Association shall be precluded from petitioning the court to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Such election and written consent by co-owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV INSURANCE

Section 1. Extent of Coverage. The Association may, to the extent appropriate given the nature of the general elements of the project, carry "all risk" property coverage and liability insurance, fidelity coverage, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the general elements of the condominium project, and such insurance shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Association. All such insurance may be purchased by the Association for the benefit of the Association and the co-owner and their mortgagees, as their interests may appear, and provisions shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of co-owners.

(b) Insurance of Elements. All general elements of the Condominium project may be insured against flood, fire and other perils covered by standard extended coverage endorsement, if appropriate, in an amount equal to the maximum insurable replacement value, excluding foundation and excavating costs, as determined annually by the Board of Directors of the Association.

(c) Premium Expenses. All premiums for insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association and the co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied to such repair or reconstruction and in no event shall hazard insurance proceeds be used for any purpose other than repair, replacement or reconstruction of the project unless all of the institutional holders of first mortgages on units in the project have given their prior written approval.

Section 2. Authority of Association to Settle Insurance Claims. Each co-owner, by ownership of a unit in the Condominium project, shall be deemed to appoint the Association as his/her true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of "all risk" property coverage, flood, vandalism

and malicious mischief, liability insurance, fidelity coverage and workmen's compensation insurance, if applicable, pertinent to the Condominium project and the elements appurtenant thereto, and such insurer as may, from time to time, provide such insurance to the Condominium project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefore, to collect proceeds and to distribute the same to the Association, the co-owners and their respective mortgagees as their interests appear (subject always to the Condominium documents), to execute release of liability and to execute all documents and to do all things on behalf of such co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

Section 3. Responsibility of Co-owners. Each co-owner shall be obligated and responsible for obtaining "all risk" property coverage and vandalism and malicious mischief insurance with respect to his/her residential dwelling and all other improvements constructed or to be constructed within the perimeter of his/her condominium unit and for his/her personal property located therein or thereon or elsewhere on the Condominium project. All such insurance shall be carried by each co-owner in an amount equal to the maximum insurance replacement value, excluding foundation and excavation costs. In event of the failure of a co-owner to obtain such insurance or to provide evidence thereof to the Association, the Association may obtain such insurance on behalf of such co-owner and the premises thereof shall constitute a lien against the co-owner's unit which may be collected from the co-owner in the same manner that Association assessments may be collected in accordance with Article II hereof. Each co-owner also shall be obligated to obtain insurance coverage for his/her personal liability for occurrences within the perimeter of his/her unit or the improvements located thereon, and also for alternative living expenses in the event of fire. The Association shall under no circumstances have any obligation to obtain any of the insurance coverage described in this Section 3 or any liability to any person for failure to do so.

Section 4. Waiver of Right of Subrogation. The Association and all co-owners shall use their best efforts to cause all property and liability insurance carried by the Association or any co-owner to contain appropriate provisions whereby the insurer waives its rights of subrogation as to any claims against any co-owner or the Association.

ARTICLE V RECONSTRUCTION OR REPAIR

Section 1. Responsibility for Reconstruction or Repair. If any part of the Condominium premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired, and the responsibility therefore shall be as follows:

(a) General Common Elements. If the damaged property is a general common element, the damaged property shall be rebuilt or repaired by the Association unless all of the co-owners and all of the institutional holders of mortgages on any unit in the project unanimously agree to the contrary.

(b) Unit or Improvements Thereon. If the damaged property is a unit or any improvements thereon, the co-owner of such unit alone determines whether to rebuild or repair the damaged property, subject to the rights of any mortgagee or other person or entity having an interest in such property, and such co-owner shall be responsible for any reconstruction or repair that he/she elects to make. The co-owner shall in any event remove all debris and restore his/her unit and the improvements thereon to a clean and slightly condition satisfactory to the Association as soon as reasonably possible following the occurrence of the damage.

Section 2. Repair in Accordance with Master Deed. Any such reconstruction or repair shall be substantially in accordance with Master Deed unless the co-owners shall unanimously decide otherwise.

Section 3. Association Responsibility for Repair. Immediately after the occurrence of a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated cost of reconstruction or repair required to be performed by the Association, or if at any time

during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all co-owners for the costs of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of amounts to provide funds to pay the estimated or actual costs of repair.

Section 4. Timely Reconstruction and Repair. If damage to the general common elements adversely affects the appearance of the project, the Association shall proceed with replacement of the damaged property without delay.

Section 5. Eminent Domain. The following provisions shall control upon any taking by eminent domain:

(a) Taking of Unit or Improvements Thereon. In the event of any taking of all or any portion of a unit or any improvements thereon by eminent domain, the award for such taking shall be paid to the co-owner of such unit and the mortgagee thereof, as their interests may appear notwithstanding any provision of the Act to the contrary. If a co-owner's entire unit is taken by eminent domain, such co-owner and his/her mortgagee shall, after acceptance of the condemnation award thereof, be divested of all interest in the Condominium project.

(b) Taking of General Common Elements. If there is any taking of any portion of the general common elements, the condemnation proceeds relative to such taking shall be paid to the co-owners and their mortgagees in proportion to their respective interest in the common elements, and the affirmative vote of more than fifty percent (50%) of the co-owners in number and in value shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) Continuation of Condominium after Taking. In the event the Condominium project continues after taking by eminent domain, then the remaining portion of Condominium project shall be re-surveyed and the Master Deed amended accordingly and, if any unit shall have been taken, then paragraph FIFTH of the Master Deed shall also be amended to reflect such taking to proportionately readjust the percentages of value of the remaining units based upon the continuing value of the Condominium of one hundred percent (100%). Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution of specific approval thereof by any co-owner.

(d) Notification of Mortgages. In the event any unit in the Condominium, or any portion thereof, or the common elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquiring by a condemning authority, the Association shall so notify each institutional holder of a first mortgage lien on any units in the Condominium.

(e) Applicability of the Act. To the extent not inconsistent with the foregoing provisions, Section 133 of the Act shall control upon any taking by eminent domain.

Section 6. Notification of FHLMC. In the event mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC"), then upon request therefore by FHLMC, the Association shall give it written notice at such address as it may from time to time direct of any loss to or taking of the common elements of the Condominium if the loss or taking exceeds \$10,000 in amount or damage to a Condominium unit covered by a mortgage purchased in whole or in part by FHLMC if such damage exceeds \$1,000.00.

Section 7. Priority of Mortgagee Interest. Nothing contained in the Condominium documents shall be construed to give a co-owner or any other party priority over any rights of the first mortgagee of a unit(s) pursuant to their mortgage in the case of a distribution to co-owners of insurance proceeds or condemnation awards for losses to or a taking of units and/or common elements.

ARTICLE VI RESTRICTIONS

All of the units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Residential Use. No unit in the Condominium shall be used for other than single-family residential purposes, and the common elements shall be used only for purposes consistent with single-family residential purposes and Summit Township's ordinances.

Section 2. Leasing and Rental.

(a) Right to Lease: A co-owner may lease his/her unit and related dwelling for the same purpose set forth immediately above in Section 1.

(b) Leasing Procedures: The leasing of units and related dwelling shall conform to the following provisions:

(1) A co-owner, including the Developer, desiring to rent or lease a unit and related dwelling shall do so in a written instrument, which incorporate, at least by reference, the Master Deed and Bylaws as recorded in the office of the Lenawee County Register of Deeds.

(2) Tenants and non-owner occupants shall comply with all of the conditions of the Condominium documents, and all leases and rental agreements shall so state.

(3) If the Association determines that the tenant or non-owner occupant has failed to comply with the conditions of the Condominium documents, the Association shall take the following action:

i. The Association shall notify the co-owner by certified mail to his/her last known address, advising of the alleged violation by the tenant.

ii. The co-owner shall have fifteen (15) days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

iii.
