

Good Luck June Graduates "62"

Farewells

We at Lowrey High School are proud of our June 1962 graduates. Together we have had varied experiences, some we shall never forget, some we shall want to forget. You have been successful in crossing another milestone in life only to be faced with an even greater one.

Challenges of all kinds will be placed upon you as you further your endeavors but we are certain that with the basic tools you have been provided, you will meet these problems and resolve them with success.

It is with your effort and determination that you have reached our present plateau—it will be with similar fortitude that you will reach life's greatest expectations thus being a useful individual to our society—God bless you all and help you to achieve in that which you are most capable.

Ralph R. Dzovigian

I take this opportunity to wish all the Lowrey High School students a most enjoyable summer and a prosperous future.

Mr. E. McBride

You, the Lowrey class of 1962, will join with other graduates in facing both a challenge and an opportunity. The challenge will be to make this world a better place in which to live than we have made it. The opportunity is to serve your community and yourselves each attending to his own individual ability and interest. Fare-ye-well!

CLASS HISTORY

Lowrey's Senior Class of June, 1962 became a united group as Juniors. District 7 came to Lowrey in 1959 and the following year district 2 arrived to complete the Junior Class.

During their Sophomore year, the class officers for district 7 were: President, Beverly Renaud; Vice-president, Fred Moreno; Secretary, Linda Bettinger; Treasurer, Donna Rhodehouse. With the help of many parents, the officers started the D-7 Parent-Student Club, which helped the students raise money by sponsoring dances at what was then Annapolis Junior High. District 2 students attended Salina during their sophomore year and were without class officers.

In 60-61, the Juniors chose Barbara Mossar to be their President, Fred Moreno their Vice-president, Pat Moody to be their Secretary, and Henry Pollakowski their Treasurer. It was during this year that the Class of '62 was not a financial success. Working harder and longer, the Junior Prom they would have to work hard to raise sufficient funds. In January of '61 they held a Sponge Dance in the Lowrey Ballroom. Unfortunately, the dance was not a financial success. Working harder and longer, the Junior Prom turned out to be a nice affair that brought their books into the black.

The summer of '61 saw many of the class members washing cars. As each Saturday rolled around they collected rags, pails, and soap and gathered at a local gas station to scrub and polish the cars they happened to wave in, many times their own.

Selected to lead the Seniors in their final year of school were: President, Fred Moreno; Vice-President, Martha Pell; Secretary, Jeanne Fraser; and Treasurer, Henry Pollakowski. One of the highlights of the year was the

(Continued on page 5)

Your three years at Lowrey have gone by in a hurry. You came in as 10B's, new to the ways of a large school and feeling somewhat lost. Today you are about to be recognized as young adult citizens of your community. How well you accept this new title and mantle of responsibility that goes with it depends on how meaningful was your stay at Lowrey. Lowrey has tried to prepare each of you for this challenge. It is my hope you will be successful in meeting it.

I congratulate all of you seniors on your forthcoming graduation from Lowrey. I wish all of you the best of luck and may you have the opportunities, the perseverance and the good fortune to make your adult life a happy and successful one.

John P. Romanow

The Lowrey Class of June, 1962, is the first one to have students in it coming from District No. 7 in Dearborn Township. This is a break with tradition because older brothers and sisters had formerly gone to Fordson for their senior high school years, before O. W. Best Junior High School was built. Changes in established ways of doing things often are hard to take, and District 7 students coming here three years ago found this school no exception. Throughout these years, however, they have formed friendships with students coming from the Clara B. Ford Junior High School in Dearborn Township No. 2 and learned to accept new ways. With the greater influx of O. W. Best students, some new traditions were established, while others were no longer useful.

To look back upon it, I can say: "It has been a challenge, fun, and different." But so is life. GOOD LUCK TO ALL OF YOU."

I, Brian Sheen, leave the whole place to anyone who can put it to any use.

Editors Farewell

As this school year draws to a close, we, the editors of the LOWREY LIGHT, extend to you our hopes for a happy and fruitful summer.

Every two weeks we have had the privilege of bringing to you a newspaper that has tried to inform as well as entertain. We hope we have reached our goal and that by reading the LIGHT you have gained a greater insight into the life of your school.

As we are seniors, we will be leaving the halls of Lowrey in a few days. We leave behind us three years of hard work, study, and many good times.

We will often recall the problems, and satisfactions, that can be found in meeting a deadline twice a month. We envy those who will follow in our footsteps. Although we know that our successors will encounter many headaches, we also realize that the knowledge and experience they will gain from being editors will be invaluable. We wish them the best of luck and hope that through their efforts, the LOWREY LIGHT will continue on its way to meeting its high journalistic goals.

To you, the students of Lowrey, we say good-bye, in hopes that your remaining days here will be happy and successful. To our graduating class we wish the best of luck in all future endeavors.

It has been a real pleasure being,

your editors,
Pat Grych

Bands March In Parade

Lowrey's senior and junior high bands marched in the Memorial Day parade on Wednesday, May 30. The parade began at 10:00 a.m. at the corner of Greenfield and Michigan Avenue. The thirteen school bands participating marched down to Schafer and Michigan where there was a ceremony held at City Hall. Governor Swainson was guest speaker.

Lowrey's senior high band under the direction of Mr. Kernan played the marches: "Washington Post" and "Salutation". Mr. Kernan required all band members to memorize their pieces to insure a good performance. The majorettes were also marching with the band. The junior high band led by Mrs. Johnson played the marches: "Sabo" and "Precision". There were 55 members in the junior high band, ranging from the 5th grade to the 9th grade. There were three majorettes in their band.

Tests Given

Shorthand and typing tests were administered to all interested seniors on Monday, May 28, second hour. The tests were given by the Michigan Employment Service.

Arts and Crafts Exhibit Big Success

An arts and crafts exhibit was held here at Lowrey, May 10. The show which lasted from 7:30 to 10:00, was presented for all parents by the entire student body of Lowrey.

Held in the main hall and extending down to the elementary art room, the display housed the work of students from kindergarten through twelfth grade. Exhibits in the show included those from art, homemaking and the industrial arts.

The work of Bill Cavers, 12A, Gil Norush, 11A, Ina Savoy, 12A, and Ed Rye, 12A, were in the show case outside the art room, and were in the city wide show on May 22, 23, and 24, which was held in the Dearborn Youth Center.

Others in the show were: Sandy Barron, 11A, with an ink drawing of an old man, Roger Kilponen, 11A, a sculpture, Feryl Waldenmeyer, 11A, commercial art, drew a Chevy advertisement. John Sellers, 12B, made a perfume advertisement.

Jim Frances and Nancy Senia, both 12A's, designed record albums. Carol Loftus, 11B, did a block printing and ink drawing.

Mr. LeVeque commented, "The kids here at Lowrey are doing work that ranks as good as any other school in Dearborn."

T V L Meets Here

Student Council Representatives from each of the schools in the Twin Valley League met at Lowrey on May 16.

The Special Education Department was the highlight of the tour of the building which the representatives took.

After the tour everyone went to the Little Theater where Mr. Romanow opened the formal meeting with a talk on National Honors Societies for all the schools of the League.

Mr. Don Dolan from the University of Michigan gave a very interesting talk on student government. The group then saw movies on the same topic.

The group went to Hemlock Park for a picnic lunch. Afterwards, everyone played softball.

What Is Memorial Day

Memorial Day is a holiday originally set apart for decorating the graves of the soldiers of the Civil War and for holding exercises in their memory.

In the beginning it was first called Decoration Day but as time went on the more appropriate term, Memorial Day, was substituted.

Bands play a group of Civil War songs, and the reading of the Gettysburg Address takes place. A flag is usually placed on every soldier's grave for a marker. Poppies are a new symbol of Memorial Day, and are used for all World War Veterans.

Thespians Visit Eastern

Six Thespian members along with Mr. Meredith, attended Eastern Michigan University's third annual High School Dramatic Workshop on Saturday, May 19.

The six members, Anita Merkle, Bob Sheer, Mike Rehling, Sharyn Thrasher, Ken Stacey, and Anne Marie Lowell heard three of the University's drama professors speak on different aspects of play production.

In a lecture on stage crafts, they saw how to build stage platforms and how stage platforms can be used to make a set look larger. They also saw different sets that were used in various plays given at Easter Michigan.

Since make-up is very important to the actor, there was a demonstration in how to apply base make-up properly. The correct way to "build" a beard was also shown.

The "do's and don't's" of acting was also the topic of discussion at one of the lectures. The most important thing stressed in this lecture was the learning of lines.

After the lecturing in the morning, the students adjourned to the Women's Dining Commons where they had lunch.

The students also saw the Eastern Michigan University Players present Anita Loo's production of "Gigi". After the play was over, the stage crew showed how the set was changed.

The students learned many new things that will certainly help them in future productions of plays here at Lowrey and elsewhere.

F T A Tours Oakwood

The Future Nurses Club went on a field trip to Oakwood Hospital on May 15. They toured the building and interviewed the Director of Nurses. The director, Mr. Welsh, informed the Future Nurses on the qualifications necessary, and opportunities for nurses in today's modern world.

The Future Nurses also gave, as a gift, to the Junior and Senior High Orthopedic Department, a one year's subscription to the National Geographic Magazine.

Thespians Hold Election

At a recent meeting of the Thespian Club, the members elected new officers. The new officers are:

President, Martha Stiles, 11A-7; Treasurer, Sandy Butler, 10A; Secretary, Anita Merkle, 10A; Historian, Kay Oliver, 11A.

A constitution is being drawn up so that the Lowrey Thespians will be recognized by the Administration Board and Student Council.

Free Time This Summer?

Do you have too much time on your hands? Would you like to be a help to your community and help others who are in need? If so, donate some of your free time to a recreation, health, or welfare agency.

The United Community Service of Metropolitan Detroit, along with the school program, are sponsoring and recruiting all students of high school and college age who want to join this worthwhile volunteer service. Also the Central Volunteer's Bureau is in charge of interviewing and referring students to agencies in cooperation with the community service agencies throughout the Detroit area.

If volunteers have hobbies or talent of any kind they can put it to work by sharing their interests and abilities with others. Also he or she can assist in many kinds of activities such as typing or clerical work, etc. If you feel you don't have a skill, nor a hobby, but are interested in learning and in helping others, there are many kinds of jobs waiting for you.

Before you make any decisions about doing volunteer work, talk these few, but important points over with your parents: (1) Volunteers give service, they are not paid. (2) Are you able to take a bus if the volunteer job isn't within walking distance? (3) Agency programs start as soon as school is over . . . Can you be ready to start?

If you are interested in this volunteer work please get in touch with the Central Volunteer Bureau at 833-0662, and make an appointment to have your interview at the CVB office, 51 W. Warren Avenue.

Junior To Attend Workshop

Kathy Calvin, 11A-1, was recently selected to attend the Writer's Workshop at the University of Michigan from July 25 to August 3.

Kathy who was recommended by Mrs. Haffenbacher and Mrs. Kaufman, is one of the 20 students from Michigan who was chosen for the workshop. Tuition will be \$110.00 and will cover room and board, food, and text books.

When asked what she thought of the exciting opportunity she said, "It will be a very good experience and I am happy that I have the opportunity to go."

(Continued from col. 3)

In the past this club functioned without a constitution. Because of this it was not officially registered as a school club.

The club at the present time is waiting to hear whether or not the Lowrey Thespians Club can join the National Thespians Association.

The outgoing president, Fred Moreno, said, "I hope the new officers will work together to make next year's club just as successful as this year's."

Seniors Win Scholarships

Cheryl DeVore 12A-1 and Gary Johnson 12A-4 were recently given scholarships to attend Henry Ford Community College. The two were chosen on the bases of a citizen in good standing, high achievement and their financial need.

Cheryl DeVore received the scholarship sponsored by the Dearborn Federation of Teachers. This scholarship was based on half need and half grades. It pays the tuition.

Gary Johnson received the scholarship sponsored by the Board of Education. It was based on three-fourths grades and one-fourth need. It pays approximately \$350 a year.

If both students maintain their average, the scholarship will be extended for two years.

Cheryl has maintained a B- average in high school. She is a member of the band and plays the clarinet. Cheryl has been a member of the S. I. O., Junior Achievement, and has been her homeroom representative for the Student Council. She also won the Betty Crocker American Homemaker of Tomorrow badge.

Gary has maintained a B average in high school. He is Vice President of the varsity club and has been on the football team for 3 years.

Bears Place Fifth in Finals

Twin Valley League Track finals were held at Romulus on Wednesday, May 23. Lowrey placed fifth with 3½ points.

Mike Alanskas, 12B-1 received 2½ points when he tied for third in the pole vault.

In the joint mile relay Lowrey received one point. Four boys from each team ran one quarter mile each to complete the mile. The four boys on our team were: Harry Sawicki, 11A, Jim Milke, 11B, Doug Atha 10A-1, and Doug Rauner 10A-9.

League standings were as follows

1. Ecorse
2. Romulus
3. River Rouge
4. Willow Run
5. Lowrey
6. Hamtramck

Our five boys all received medals for their achievements

Inquiring Reporter Physics Class Visits Power Plant

Our Inquiring reporter recently asked several students of Lowrey their plans for the summer. Here are some replies:

Ed Rye, 12A-7—"I'm going in the Navy."

Sharon Raspbury, 12A-7—"I'm leaving the state!"

Lois MacQuestion, 11A-5—"I plan to enjoy the bookless weeks for a while. In the middle weeks of August I plan to vacation in California."

Carolyn Byrd, 12A-2—"I plan to work full time at the Bank of Dearborn."

Mary Tank, 12A-8—"Try to get a job."

Carol Hayes, 10A-3—"I plan on going up North for a few weeks, then getting a job."

Terry Doom, 12A-3—"Catch up on twelve years of sleep."

Virginia Smith, 10A-10—"I plan on taking it easy for awhile. Then maybe I'll do some volunteer work. In July, I'm going to take drivers training, then go on vacation."

Sally Winger, 12B-2—"I plan to go to summer school."

Ella Bowers, 11A-1—"I am getting a summer job, at Hudson's I hope."

Lorina Bennett, 12A-1—"I'm going to rest for the summer, then try to find a job."

John Antonelli, 12A-1—"I'm going to catch up on a little sleep, and then go to work for my father for the rest of the summer."

Janice Meliga, 10A-7—"I plan to work most of the summer."

Judy Zometsky, 12A-8—"I plan to go up North and spend a few weeks recuperating from school, and then find a job before I forget what I learned."

Jean Wright, 11A-8—"I plan to get a job or go down South."

Barb Edwards, 12A-3—"Nights or days?"

Candy Perdowski, 11A—"I plan to get a job and buy a car."

Bill Koscielniak, 12A-5—"I'm planning to go to Seattle and see the World's Fair with some of my friends."

Priscilla McElmurry, 10A-6—"I'm planning on spending two weeks in Vermont this summer."

Mike Brill, 12A-2—"I'm going to take a six month vacation."

Judy Zydeck, 12A-8—"I plan, that's enough."

Kathy Gurniak, 12A-4—"Try to hook a husband."

Norma Olesko, 12A-6—"I'm going to start beauty school."

Ilene Samples, 12A-6—"Just take it easy."

Pauline Breisinger, 12A-2—"I plan to recuperate from 3 year of high school."

Gary Enos, 12A-3—"I plan to get a job at Fords, as an executive."

Mr. Keiffer's sixth hour Physics II class went on a field-trip to the Enrico Fermi Atomic Power Plant in Monroe, Michigan, on Wednesday, May 23.

The class was taken on a brief tour of the plant, where they got glimpses of the reactor, turbines, main control room, and fuel and repair building, among other things.

They visited the Atomic Information center in which more than 30 large exhibits describe interesting aspects of energy, nuclear science and the operation of the atomic power plant.

While at the Center they saw a movie on the uses of uranium and afterwards heard a lecture on the operation and function of the plant.

The Enrico Fermi Atomic Power Plant is the home of the largest breeder reactor in the world, the only commercial-size power station of its kind in the United States. The Fermi reactor is called a breeder because it will have, in its ultimate development, the remarkable ability to make about 20% more new fuel (plutonium) than the quantity of uranium consumed in releasing heat energy for the generation of electric power.

In 1905 Einstein's special theory of relativity led to the startling conclusion that physical mass is a form of energy. The Fermi Power Plant is based upon this principle. During controlled fission, a small fraction of nuclear mass is converted into tremendous energy—producing heat, then steam, then electric power.

Leaving at the beginning of fifth hour, the class stopped for a picnic lunch then went on to the power plant where they spent nearly two hours.

Tours at the plant are available on Tuesday through Saturday, from 10 a.m. to 4 p.m., year around.

Rouge downs Lowrey

Lowrey's netters lost a home match to Rouge by a score of 4 to 3 on May 10.

Winners in the singles were Baird and Johnson.

Good and Pollackowski of Lowrey took one of the three doubles 6-2 and 6-3.

Lowrey Revenged

Lowrey's Polar Bears downed Rouge's netters by a score of 4 to 3 on Monday, May 7.

Lowrey's two singles were picked up by Baird 5-7, 6-1, and 6-1. Bob Johnson came up with a 6-2, 6-0 win.

Lowrey won two of the three doubles. McCall and Foy took the first match 6-3, 6-2.

Good and Pollackowski took the other double 6-2, and 6-3.

Thinclads End Season With Victory

OUR BOYS DID IT AGAIN !!! Lowrey's track team won its last game at home, with Melvindale by a score of 58½ to 50½, on May 17.

In the shot put we took all three places. Bill Lock, 10A-6, took first place with a throw of 44.7 feet, Jim Hribal, 11A-4, took second place, and Jerry Jurzec, 10A-5, took third place.

In the broad jump, Tom Garq 12A-3, placed second.

There was a three way tie in the high jump for first place. Tom Gary, 12A-3, and Woody Woods, 10A-10, were the boys from Lowrey.

Dale Ferriby, 10A-3, took second place in the high hurdles.

We won the 880 relay by a time of 1:40.5 minutes. The boys that participated were Doug Atha, 10A-1, Harry Sawicki, 11B-7, Dave Husak, 11A-4, and Jim Milke, 11B-2.

Paul Zwarka, 11A-11, won the mile by a time of 5:01.1.

In the 100 yard Dave Husak, 11A-4, took second place and Jack Tynan, 10A-10, took third place.

Doug Rauner, 10A-9, took second place in the 880 by a time of 2:10.7.

In the 440 Harry Sawicki, 11B-7, took second place by a time of 53.8, and Doug Atha, 10A-1, took third place, and his time was 58.

In the low hurdles Bruce Mertz, 11A-5, placed third.

In the 220 Dave Husak, 11A-4, placed first, with a time of 24.4. Jack Tynan, 10A-10, placed second with a time of 24.8, and Frank Dudek, 11A-2, placed third and his time was 25.1.

In the pole vault Mike Alanskas, 12B-1, tied for first place and Eugene Andrews, 11A-1, took third place.

This was the last track meet and all the boys did a good job.

Netters over Romulus

Lowrey's netters beat Romulus at home, by a score of 7 to 0, on Monday, May 14.

Winners in the single matches were:

Ken Stacey, 12, 6-1, 6-4.
Corkey Hall, 11A, 6-3, 6-2.
Gary Baird, 12A, 6-0, 6-2.
Henry Pollakowski, 12A.

In the doubles, the winners were: Bill Foy, 12A, and Buzzy McCall, 11A, by a score of 6-2, 2-6, and 6-2.

Paul Ray, 11B, and Lewis Bodo, 10A, beat their opponents by a score of 6-2, and 6-4.

Danny Good, 10A, and Larry Kubicz, 10B, also won their matches.

Mr. Sande commented that it was the first year Romulus had a tennis team, and the boys had no trouble in beating them, but Romulus is doing quite well.

The Lowrey netter's standings are four wins and nine losses.

Farewell

into school citizens who will be sorely missed by the school body. Let us hope that the leadership, spirit, and initiative embodied in Class of 1962 will not only be equalled, but surpassed in the fulfilling of the Lowrey Tradition. Take care, good luck, and God's speed!

Speakers Chosen

Two seniors, Fred Moreno and Anne Marie Lowell were chosen to give commencement speeches at the graduation exercises on June 14 at the Dearborn Civic Center.

Fred Moreno, 12A-6, Senior Class President, will present the welcoming speech along with introducing the Senior Class Officers. The welcoming speech is based on a look toward the future.

Anne Marie Lowell, 12A-5, will present the farewell speech. The farewell speech is based on memories of the past.

Trials for the speakers were held on May 21 in the Little Theatre.

Meaning of Commencement

Have you wondered why the occasion that marks graduation from school is called commencement? It means the end of part of your classroom education but never an end to education. Graduation is commencement to continue your education some other place and in other ways.

Some teens learn to be farmers, butchers, carpenters or brick layers right on the job. The girl who marries right after commencement learns on the job about meal planning and keeping the house orderly and clean. Some teens go on to take advanced school work after they have had one college commencement. Doctors, lawyers, professors, scientists and ministers may have several college diplomas tucked away in their files, but they kept learning while on the job.

Commencement to continue learning after the final grade card is yours, presents the real key to happiness and youth throughout life.

CLASS HISTORY (Continued from page 1)

Homecoming Dance in November, which, for the first time, was sponsored by the Senior Class. Reigning over the affair was Queen Sandy Kellner, who was considered by most Seniors to be the prettiest queen ever. (Of course, the Seniors were prejudiced.)

No class history would be complete without mentioning Lowrey's top Scholars. Scholarship winners included.

Cheryl DeVore, 12A-3, Dearborn Federation of Teachers H.F.C.C.

Marynelle Hall, 12A-4, Bryn Mawr Proctor and Gamble Scholarship

Gary Johnson, 12A-4, Board of Education H.F.C.C. Scholarship.

Henry Pollakowski, 12A-6, Ford Motor Scholarship.

Brian Sheen, 12A-7, U. of M. Regent's Alumni Scholarship.

As graduation grew nearer and nearer the Seniors were measured for their caps and gowns, ordered their calling cards, got their senior pictures, and prepared for that final day.

With the receiving of diplomas merely a week away, the Seniors can look back on three years filled with hard work and a lot of fun. They will have many wonderful memories to remind them of Lowrey High.

Senior Wills

I, Eugene Shensky, leave to any poor junior, Mr. Falvo and his critical analysis.

I, Ted Slater, will my 12A English papers to any 12B who has Falvo for English.

I, Dorothy St. Andrew, will to my brother, Brad, any thing he wants in Lowrey, including the homework and some teachers.

I, Karen Sarnowski, give to my darling brother, all the happy times in Mr. Betzing's class.

I, Ken Stacey, will my broom and dustpan to Mr. "M" for back-stage.

I, George Staniulis, will my ability to pass to anyone who needs my luck.

I, Frances Szczepaniak, will my diet books to anyone who wants to be slim like I am and they can have my quietness.

I, Nancy Senia, will my stone that I sit on each morning, before I catch the bus, to Lynn Nihill.

I, Mary Tank, will all my laughs to Mr. Mac Namara.

I, Glenda Terry, will my southern accent to Mary Jane Uchman who has wished for it many times.

I, Jim Vellucci, leave all my horrible thoughts of Lowrey to Tom Locke.

I, Brian Voden, will to Marty Stewart the S. L. and all his loud shirts to anyone who can stand them.

I, Mike Welch, leave all my well used school books to Kathy Cole.

I, Carol Wilke, leave behind all the walks up to the park to Janet Garcia for her future years.

I, Delores Williamson, do hereby will all the work, teachers, and boys to Sandy Fistler.

I, Gary Willis, will all of my hard times to Joan's sister, Jane Lizon.

I, Judy Zometsky, leave all my yaba-daba-dols to Harry Sawickie.

Youth is to all the glad season of life; but often only by what it hopes not by what it attains, or what it escapes.

Thomas Carlyle

The youth of the nation are the trustees of posterity.

History of Graduation

The history of graduation goes back to the Middle Ages when European Universities first held commencement exercises. American educational institutions still have many of the European graduation customs. Usually there are two special graduation ceremonies—baccalaureate and commencement. The baccalaureate service is a religious service, usually held on the Sunday before commencement. The diplomas are given out in the commencement exercises.

It is a custom at many high schools and some colleges for the valedictorian and salutatorian of the graduating class to make farewell speeches to their school. The valedictorian is the graduate with the highest marks, and the salutatorian is a graduate with the second highest marks.

It is also customary for the Senior Class to read the Class Will and Class Prophecy at the commencement exercises as well as present a gift to the school.

Caps and gowns originated in 1530 when the important men of the churches wore them at special ceremonies. Also, they began in the City of Paris, France. The caps and gowns were carried over to the more learned men of the various cities; they wore their gowns as a mark of prestige and nobleness. Later, it was adopted by such universities as Oxford and Cambridge as a part of their official graduating ceremonies.

Today, caps and gowns are the official and traditional costumes for students in many countries of the world. In most cases students wear caps and gowns only at graduation exercises and on special occasions.

A student wears a long full-flowing robe and a tight-fitting skull cap attached to a stiff square piece called a mortarboard. A tassel dangles from the center of the mortarboard. In addition to the cap and gown, a college graduate wears a cape or hood lined with colored silk and trimmed with velvet.

All collegiate caps, gowns, and hoods are black. The cut of the robe and its sleeves, as well as its trimming, indicate various academic degrees.

Seniors Take Top Awards

Lowrey High School presented its 12th annual Activities Banquet on Thursday, May 24, 1962, to honor the outstanding students who participated in Lowrey's extra-curricular activities and made this a better school through their efforts.

After dinner awards were presented, Mr. Meredith awarded the Thespian trophies to: Sharon Thrasher, best actress; Fred Moreno, best actor; Marty Stiles, best supporting actress; and Gary Morton, best supporting actor. John Sheron also received an award for his outstanding work in stage direction.

The Most Valuable Player Awards were presented by the coaches. Mr. Bach presented John Antonelli with the football award. Mr. Currie presented Ken Stacey with the tennis award. Mr. Rice presented Tom Gary with the basketball award. Mr. Rigotti presented Gary Enos with the baseball award. Bob Magdowski was awarded a swimming trophy. Cheerleading letters were presented to the cheerleaders by Mrs. McGill while Tana Lee Casey received her two-year pin.

Mrs. McGill started the proceedings with the invocation. Mr. Carl Newton was the toastmaster for the evening. He gave the floor to Mr. Romanow who introduced the guests of the evening. They were: Mr. Cady, Mr. Dzovigian, Mr. and Mrs. Lewis, Mr. and Mrs. McGill, Mr. Sviland, and Mr. and Mrs. Robert Rock. Mr. Robert Rock was the guest speaker of the evening and is a former student of Lowrey.

The Lowrey Dance Band opened and closed the evening with their delightful music.

Ah—Youth

Here are a few quotes from some famous authors on youth:

For youth, the future is long, the past short.

Aristotle

The fewer his years the fewer his tears.

H. G. Bohn

My youth may wear and waste, but it shall never rust.

William Congreve

Almost everything that is great has been done by youth.

Disraeli

For God's sake give me the young man who has brains enough to make a fool of himself.

R. L. Stevenson

Youth is a perpetual intoxication; it is the fever of reason.

Rocheffoucauld

The glory of young men is their strength.

Proverbs, xx, 29

This world belongs to the energetic.

Emerson

The great aim of education is not knowledge but action.
