

Armistice Day History

Never before in the history of the world had there been such a day of rejoicing. In England and France and the United States and many other countries, people crowded the streets, laughing, crying, shouting, waving flags. Whistles blew and bells tolled. World War I had ended. Peace had come at last to a world weary and sick of war. The nations had laid down their arms; the killing was over. After four years of the most terrible warfare the world had ever known, the Germans had agreed to an armistice to end the war. The armistice went into effect on the eleventh hour of the eleventh day of the eleventh month of the year 1918.

Many of you have heard your grandfathers tell about their part in World War I. You can read the story of the war in any American history book, so we will give only a brief account here to explain the importance of November 11.

World War I was a full-scale war which involved 23 countries. It was fought from July 28, 1914, to November 11, 1918. On one side were the central powers, including Germany, Austria-Hungary, Turkey and Bulgaria. On the other side were the Allies, including Britain, France, the U. S., Russia and Italy. The causes for the war stemmed from a struggle for power and territory. Great Britain and France had seized parts of Africa so Germany tried to take Morocco. France and Britain stopped Germany, but she continued to build up her military and naval power. Both Russia and Austria were attempting to control the Balkans, and most of the countries in Europe had some interest in this area. Each country wanted something it didn't have.

World War I began one month after the heir to the Austrian throne, Archduke Ferdinand, was shot by a Serbian. This was the famous "shot heard 'round the world." Austria-Hungary sent an ultimatum to Serbia and Germany backed Austria in her demands. Serbia refused the terms of the ultimatum and Austria-Hungary declared war on Serbia. Within six months nearly all the major powers were in the war.

Germany could not get Belgium's permission to pass through Belgium in order to reach France so she attacked Belgium with 200,000 men. This brought Britain into the war. Liege and Brussels fell and the Germans drove deep into France. 1915 saw the Germans sinking Allied ships with submarines called U-boats. The Austrians overran Serbia, and, by 1916, the Germans had attacked Verdun, the Allies had won the Battle of Somme and half of Rumania had been seized by the Germans.

The U. S. entered the war in 1917 after Germany sank several U. S. merchant ships. This was the year Russians forced the czar to abdicate and signed an armistice with the Germans. In 1918, after many fierce battles, Bulgaria had surrendered, Austria-Hungary seemed ready to stop and Turkey was wavering. The German socialists demanded an armistice and the German Kaiser fled to The Netherlands. On November 11th the Armistice was signed.

Until 1938 the President each year proclaimed Armistice Day a national holiday at the request of Congress. In May of that year Congress passed an act asking that the day be made a legal holiday throughout the nation. The day was to be set aside not only to honor the dead of World War I, but to show "our belief that peace can be . . . made ending only by respect for the rights of others and good-will among the nations of the world. In 1954, a bill was passed changing Armistice Day to Veterans Day in honor of all the servicemen and women who have served America.

In the United States and England, Veterans or Armistice Day is observed by a two-minute silence at eleven o'clock, the hour when the war ceased in 1918. Ceremonies are held at the tombs of the Unknown Soldier of France, England, and America. The President of the United States lays a wreath on the tomb in Arlington National Cemetery. Thus do nations remember their war heroes.

Tradition Reviewed

On November 9, Lowrey will have its annual Veteran's Day Program which the Lowrey Band and chorus will take part in. Directed by Mr. Coedy, the chorus will sing a number of patriotic songs, including "The Star Spangled Banner", "America", "God of Our Fathers", and "Mighty Land".

Mr. Keranen, the Lowrey Band Director, has picked several songs appropriate for the occasion. "Anchors Away", "Marines Hymn", "U. S. Field Artillery", "Stars and Stripes Forever", "Onward Christian Soldiers", "Battle Hymn of the Republic", and two special songs; "Taps", and "To the Colors".

The program will begin at 9 a.m. and should last for approximately a half hour. During this time, the students will form a group around the flag, as we have done for the last 31 years.

The Veteran's Day Program is a tradition at Lowrey, the only school in Dearborn that observes this event. Pictures will be taken, and the program will be taped, and broadcast over WKMH radio later in the evening. Also, a platoon of Marines will be present to participate in the occasion.

Mr. Keranen has given us a quotation to commemorate this day. "This is a solemn occasion in which the student body pays tribute to fellow students who died for this country so that we may enjoy lasting peace."

Seniors Note

Attention college bound seniors! Have you decided what college you want to attend? Now is the time to apply.

Colleges are filling very rapidly and the qualifications are becoming more and more difficult. In order to get a recommendation from high school, you have to maintain a "B" average. If you haven't a "B" average, you are required to take a college entrance examination and are put on a trial basis. Most colleges require a recommendation.

You can obtain applications and information from your counselor. See him now!

All "A" Mark Missed

Unfortunately there were no all A students in the senior high this card marking. Many students came very close.

The all A student sets an example for the other students and encourages them to set a higher goal.

All students should put forth as great an effort as they can. There is certainly room for improvement!

(Continued from page 1)

Unfortunately, the peace after World War I did not last. Twenty years later, Germany plunged the world into World War II. In 1941 the United States was forced into this worldwide conflict because of an attack on Pearl Harbor by Germany's ally, Japan. World War II ended in 1945. But the world has not yet found a way to lasting peace, for there are nations that still do not respect the rights of other nations. One of the great tasks for the future is to maintain peace among the nations of the world.

A young Canadian soldier who gave his life in World War I has left us a beautiful poem which we all should read on Veterans Day. John McCrae fought in the terrible battles in Flanders, a part of Belgium. His poem brings home to us our obligation to the soldier dear.

IN FLANDERS FIELD

IN FLANDERS FIELDS THE POPPIES BLOW
BETWEEN THE CROSSES, ROW ON ROW,
THAT MARK OUR PLACE; AND IN THE SKY
THE LARKS, STILL BRAVELY SINGING, FLY
SCARCE HEARD AMID THE GUNS BELOW.

WE ARE THE DEAD. SHORT DAYS AGO
WE LIVED, FELT DAWN, SAW SUNSET GLOW,
LOVED AND WERE LOVED. AND NOW WE LIE,
IN FLANDERS FIELDS.

TAKE UP OUR QUARREL WITH THE FOE!
TO YOU FROM FAILING HANDS WE THROW
THE TORCH. BE YOURS TO HOLD IT HIGH!
IF YE BREAK FAITH WITH US WHO DIE,
WE SHALL NOT SLEEP, THOUGH POPPIES GROW
IN FLANDERS FIELDS.

Senior Pictures

The deadline date for getting your senior picture in the 1963 Futurian has been set for December 1. Not one picture will be accepted after this date, according to Mr. Falvo.

Certain requirements are necessary for these pictures. The following studios have been approved and notified of the specifications: Arella, Modernistic. If your glossy is not according to these specifications, it will be returned to you. The picture must be retaken and submitted again. All glossy prints must be taken to Room 247.

Letters Encouraged

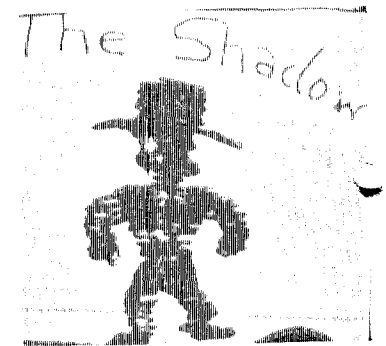

In the last issue of the Lowrey Light, a letter to the editor was written by a member of the faculty. The staff would like to encourage other students and faculty members to write such letters. Those that are interested may drop their letters into the suggestion box.

The letter must be in ink, legible and correctly written. It should concern something currently going on in the building or something which the author feels should be brought to the attention of the student body and faculty. All letters must be signed or they cannot be published.

The Shadow

In this issue, "The Shadow" has been following a 12A girl. Read the description below and see if you can guess who she is.

1st hour—She is constantly giggling and passing notes in Mr. Roes class.

2nd hour—She tries very hard to be a good girl in Office Machines.

3rd hour—She finds it impossible to stay on her diet in Homemaking.

4th hour—She takes a stroll down to the park.

5th hour—She is busy studying so she doesn't have to carry any books home.

6th hour—She spent the first card marking talking with Elaine in English.

7th hour—In personal living she has a great time getting her magazine and pamphlet reviews in on the right days.

Actors Keep Busy ; More Plays Planned

The Thespians have planned two additions to an already action-filled program; these are in the forms of one-act plays.

The first, "Which Is The Way To Boston?" is a mystery-drama. Mr. Meredith announced that two casts will be working on this play. One will present it in answer to a program invitation from the Trailway Players Community Theater Group. The first cast is as follows:

Mary Martha Stiles
Martha Linda Thompson
John Bob Scher
Chris Peter Bill

The second cast will do the same show at an after-school activity session. The cast is as follows:

Mary Anita Merkle
Martha Sharon Cayley
John Tom Hieronymus
Chris Ron Malinowski

The second play is called "When Shakespeare's Ladies Meet." It is a farce dealing with a situation in which five of Shakespeare's leading ladies get together to advise young Juliet on the best techniques for winning Romeo. The Thespians hope to present this play for an assembly of students from English classes. A tentative cast has been chosen for this play. It is as follows:

Portia Anita Day
Juliet Ronlyn Reece
Desdemona Kay Oliver
Cleopatra Anita Merkle
Phelia Julia Ciavola
Kathryn Sandy Grendel

The idea of a "repertoire" of good one-act plays is a project which Mr. Meredith feels is very worthwhile.

"We are able to give many more people direct experience this way," Mr. Meredith replied. And of course, when you have the plays ready, you can always find groups who are interested in booking them."

Word Game -

Faryl Waldenmyer, 12B8—"Hang it on my bedroom wall."

Joe Soter, 12B7—"Actually in my estimation, I believe that centrifical force of the gravitational pull will enable the biped to pass the moon."

Sue Renaud, 12B6—"I'd mail it to my boyfriend in California."

Jerry Tripod, 12B8—"I'd wrap it up and give it to Julia Ciavolia and run."

Diane Villet, 12B6—"I'd take it to the zoo."

Sandy Zvoch, 11B11—"I'd give it to my boyfriend for Christmas."

Scott Saxon, 12B7—"I'd sit on it."

Biped—a two footed animal, as man.

Senior Spotlight

This issue's Senior Spotlight is focused on Gail Salo.

Gail, a 12A, is on a college prep course. After graduation she plans to attend Henry Ford Community College in February and Eastern Michigan in September. Other plans for the future include Gail's ambition to become a teacher. She maintains a B+ average in school and is majoring in mathematics and English. Besides belonging to the bowling club and being a cheerleader, Gail also has a part time job as a clerk typist at Oakwood Hospital.

When asked what she considers to be the most important thing she has learned at Lowrey, Gail replied, "Going to school is not only a matter of learning, but also of making friends and being able to get along with a variety of people and personalities."

Two Senior Girls In State Choir

Last summer two senior girls, Lynn Baumgartner, 12B1, and Janell Peterson, 12B6, attended the National Music Camp at Interlocken, Michigan. Both girls received voice scholarships from the Harry Sisson fund. Lynn and Janell were a part of the 116 member all-state choir. This choir is made up of young people from high schools all over the state of Michigan.

The girls stayed for two weeks. They attended special classes for voice and sectional rehearsals. The director of the choir was Weston Nobel, chairman of the Music Department at Luther College in Iowa.

While there the girls saw such things as the operetta "Iolanthe" and Shakespeare's "Taming of the Shrew."

Every night there were concerts of some sort or another. During their two week stay the girls saw the concerts that 117 members of the National Group put on at the White House for President Kennedy. The National Group is at the camp for 8 weeks. The choir gave concerts on both Sundays they were there.

Congratulations

Mrs. Elliot's 12B-5 homeroom was the first to reach 100 per cent in annual sales. It took the 23 students only 3 days to reach this goal.

Future Nurses News

The Inter-Council of the Future Nurses Clubs of the Wayne, Oakland, and Macomb counties held its first meeting Saturday, October 27, from 11 A.M. to 3 P.M. Two representatives from each club of these counties were present at this meeting, which was held at Providence Hospital in the nurses residence. Sharon Butler and Sharon Sparling represented Lowrey. There were slides on the United Nations and a speaker to talk about the U.N. and a movie on physical fitness was shown. The group also discussed the United Nations Children's Fund.

Pamphlets were handed out showing the different phases of Nursing. The Inter-Council of the Future Nurses Clubs will next hold its meeting sometime in February.

Language Club

Lowrey's Latin Club, the Sodality Latinas, is extremely active this year. Presently the members are planning a visit to the Detroit Institute of Art on November 28. They have arranged to have two guides to make their trip more profitable. They will be especially interested in the Greek, Roman, and Egyptian displays. Once a month special program will be given, which will feature Roman customs. These programs will be planned by the Latin Classes.

The Club's president, Sharon Wilkie, has this to say about the Club, "We are making more progress this year than previous years. Many plans are being made to make our meeting educational as well as entertaining. I'm sure we'll be very busy."

Guess Who ?

This senior was once a hop-along Cassidy fan, but now is a fan of one of the Lowrey Light staff. He is on a college prep course and has a B average. He hasn't changed much and still has the same sly smile. If you still can't guess, turn to page 4.

An Apple A Day -

The Future Teachers Club gave shiny red apples out to the teachers on Wednesday, 24 of October, which just happened to be report card day.

This was to honor all teachers, and also, of course, put them in a good mood for card marking. Mrs. Dotson, the club sponsor, remarked, "This is an annual event with our Future Teachers Club. One we look forward to."

Some Future Teachers Club members had this to say about the occasion,

"Pat Moore, 11th grade, "It's a nice tradition."

"Betty McKee, 11th grade, "A tradition which helps show our appreciation to the teachers."

"Susan Bydlowski, 10th grade, "It's a nice tribute to the teachers who are very much needed in advancing our education."

These teachers had this to say about the apple for Teachers Day.

Miss Ward who teaches home-making to 3 eighth grades and 2 tenth grades, said, "I was very pleased, and the apple tasted delicious."

Mr. Forsthofel who teaches History to the 10th and 11th grades remarked that, "I appreciated it very much, and I don't feel it was a bribe for a better mark."

New Club Meets

Every Tuesday night a newly organized club is at work in Room 207. It is called the Lowrey High Bible Group. The purpose of the club is to provide a factual study of the Bible on a non-denominational basis. Mrs. Fogle and Mrs. Koehler are the sponsors. At least once a month the group has a speaker and other meetings are spent in panel discussion. They have asked Miss

MacKenzie to speak about her trip to the Holy Lands and other speakers have been asked from various church groups. The club is open to all students of Lowrey interested in learning more about the Bible.

Juniors To Collect Papers

The Junior class will be sponsoring a paper drive to raise money for the class, according to the president, Bob Srednicki. The drive will take place over the week-end, either before, or the week after Thanksgiving.

There will be one truck, which will cover the District 7 area.

When asked to comment on the paper drive, Bob replied, "We'd like full co-operation, and hope it is a success."

So come on District 7! Let's have everybody saving his newspapers to help support the Junior class!

ANSWER TO GUESS WHO?

Answer to Guess Who is Leroy Scott.

ANSWER TO SHADOW

The answer to the Shadow is Barbara Allen.

Sports Spotlight

Pictured above is this issue's subject on the Sports Spotlight. He is Bill Lock, a junior on a College Prep course. He keeps up a "C" average in his majors which are: English, science, math, and social studies.

Bill lives in District 2 and played football for Clara B. Ford's Junior High team. When he came to Lowrey, he joined the football team, was positioned at tackle, and to date, has won two letters. Bill doesn't confine his extra curricular activities to football only. He has won a letter in track and is considered as the number one shot-put man.

As just about everyone knows, Lowrey high school will be in a new league next year. Bill was asked his opinion of how Lowrey would finish in football in our new Tri-River league. His comment, "The team should be in first or a strong second place. This league switch will probably give Lowrey the chance that it has been waiting for."

Lowrey Falls By 7

River Rouge defeated Lowrey's varsity football squad by a score of 14-7, Friday, October 26th.

The game was a very tight one, one of the best played games of the season for Lowrey.

Chris Stephen, 11B, scored Lowrey's touchdown on a three yard plunge and then Dave Bogatay, 11B, booted for the conversion.

River Rouge scored the winning tally with 2:44 left in the game.

Jim Hribal, 12B, Don DeMayo, 11B, Jerry Jursec, 11B, and Dave Bogatay, 11B, played a good game as did the whole Lowrey team.

Sponge Dance

The Junior Class is sponsoring a Sponge Dance to raise money for its treasury. It will be held in November 16, from 8:00 to 11:00 in the Lowrey Ballroom.

In case you did not know what a Sponge Dance is, it is a dance where the girls ask the boys to go with them. Some girls who drive even go as far as to pick up the boy for the dance.

"Refreshments will be served and we are hoping for a great turn-out," commented Bob Srednicki, Junior Class President. There is still a week until the dance, girls, so hurry up and ask your favorite guy.

Reserves Walk Over Riverside

Lowrey's reserve football team downed Riverside 20-7 for their last game of the season on November 1.

The game, which was held here at Lowrey, ended the season for our reserve team with a 4-4 record for the year.

Riverside scored on the third play of the game but never got past the 20 yard line after that.

Quarterback Doug Cole, during the first quarter, ran 56 yards for a touchdown on the quarterback sneak.

There was no touchdown made during the second quarter.

During the third quarter Cole recovered a fumble then ran 15 yards for a touchdown.

Early in the third quarter Doug Cole threw a pass into the end zone to Frank Perrie for the final touchdown.

The outstanding players of the game were, Phil Grigilo, who played his best game of the year, Tim Malzack, Charles Chercup, Bob Zick-afoose, Dick Titus, Gary Pool, Warren Blow, Steve Ciccarelli, Paul Ray, Bradly St. Andrew, Dan Shortridge, and Jim Franklin. All boys on the reserve team are 10B's.

Out of 28 players 26 were used during the game. The other two, Ron Machnee and Charles Hoskins were out because of injuries.

Herman Beaver who was formerly on the reserve team, has been moved up to varsity.

Lowrey Loses

130 Lowrey students went to see if Lowrey could beat the Tri-River league champion Riverside and they didn't miss seeing it by much. Although the score was 33-13, the game was much more than an easy time for Riverside.

Lowrey opened the scoring as Don Demayo, 11B, scored from the 3 yard line to cap a drive that saw Lowrey continuously push back the rough Riverside defense.

Riverside then went ahead 7-6 as they scored on the first of their five touch down passes.

Lowrey continued to shove Riverside around as Demayo plunged for his second score of the game. Dave Bogatay, 11B, kicked the conversion to tie the score at 13-13.

In the final four minutes the Riverside team pulled away on passes to run the final score to 33-13.

Riverside is one of the members of the new league that Lowrey will enter into next season.

Lowrey has only eight graduating Seniors.

- Jim Hribal, 12B
- Mike Alanskas, 12A
- Eugene Andrews, 12A
- Bill Spencer, 12B
- BobMachna, 12A
- Dan Sullivan, 12B
- Bruce Mertz, 12B
- Dave Carter, 12B

Lowrey's cross country team took part in a meet with three other schools; Melvindale, Fordson, and South Gate, on Thursday, October 25.

Lowrey came out on the bottom in the meet with 82 points. The scores of the other teams were not available.

This meet was the last of the season for Lowrey.

In this past season Lowrey ran as an independent and didn't qualify for any league standing.

According to coach Sande, "The varsity letter winners on this year's cross country team are:

- Paul Zuarka, 11B
 - John Degan, 10B
 - Robert Fritz, 10B
 - Ron Nesbit, 10B
 - John Golden, 11B
 - Ed Jamison, 11B
 - Dale Ferby, 12B
 - Ray Karbon, 12B
- The reserve letter winners are:
- Gaylon, Bandy, 10B
 - Gerald Frederick, 10B
 - Andrew Kochanek, 10B
 - Tom Whitt, 10B
 - Willard Collins, 10"

Next year the cross country team will run in the Tri-River League.

Varsity Basketball

Lowrey's Varsity Basketball squad started its preseason practice on Oct. 29th in the girls' gym.

Mr. Rice said, "We are being handicapped in the girls' gym and we're anxious to move into the boys' gym."

Mr. Rice commented, "The team will be better than a year ago, but I am concerned about Dan Sullivan's back injury."

As Mr. Rice said, "We are still in the Twin Valley League which I think is the toughest basketball league in the state."

Lowrey Downed By Garden City

Lowrey's cross country team lost to Garden City by a score of 42-19 on Tuesday, October 23.

Paul Zawarka took second place for Lowrey with a time of 11 minutes 23 seconds. The next Lowrey runner to cross the finish line was John Golden who placed eleventh.

Coach Sande stated, "Paul Zawarka set a new school record for the mile and cross country." Mr. Sande also said, "I wish we would have run in the TVL because we could have recorded a few wins."

Jr. Class Gets Jug

This year the Lowrey Booster Club tried something new. At the Homecoming game, October 19th, a spirit jug was awarded to the Junior class.

The Sophomores, Juniors, and Seniors were competing against one another.
