

The New Lowrey

The new 10B students here at Lowrey should be very proud of the new improvements that have taken place during the last two years.

Lowrey never had a balcony in the little theater but now has a new and clean one. The main floor of the little theater is also new. It has new seats, a new stage and new painting and fixtures.

Lowrey also has fire doors which are for safety matters. They are located at the end of the hallways.

We have new tables and chairs in the cafeteria and there is a new system of serving the food.

As the new 10th graders see all the new improvements at Lowrey they should appreciate them and take care of them.

Futorian

The School Futorian is an encyclopedia for a specific school year. It contains students in clubs, homerooms, and many school activities. The main purpose of the annual is to give the seniors a souvenir of their last year in school. The book is offered to all the students because everyone is in it and you will find it something to remember that particular school year.

Last year's annual was seventy-six pages long and Mr. Falvo said, "If we can sell over a certain quota, we can increase the number of pages in the Futorian each year." So the staff urges everyone to be sure to buy and support the Annual when you buy your Activity Ticket.

Rules of the Halls

One of the first rules you will have to learn here at Lowrey is concerning the use of the hallways.

There are certain halls that cannot be used. As you walk into the main doorway, located on the Jonathan Avenue side, the three hallways you see are not to be used. The hallway ahead of you is the orthopedic hall. The hallways to the left and right are elementary hallways.

If this rule is obeyed along with the other rules at Lowrey we are sure that your high school years will be successful.

Welcome To Lowrey

AT YOUR SERVICE

There are four senior high counselors at Lowrey who will gladly help you at any time. These counselors are here for your service and will help you with your problems if you need it. Mr. Kraai is our new counselor at Lowrey. He joined us last year. He counsels the students whose last name begins with the letters A-F. Mr. Koster, who has been at Lowrey for ten years, is the head counselor. He is in charge of those students whose last name begins with the letters Fe-Le. Mr. McBride, who has also been at Lowrey for ten years, counsels the students Li-R. Mr. Rigotti, who has been a counselor at Lowrey for 2 years is in charge of the students whose last name begins with the letters Re-Z.

Principal's Greeting

In welcoming the largest 10B class in the history of Lowrey High School we accept you in the spirit that you represent the finest of 10B's. We expect great things from you as members of the Lowrey High School student body.

There are many, many fine and noble traditions, customs and deeds associated with Lowrey all because the students before you accepted the challenge to make Lowrey High a better school tomorrow than what it is today. We hope that you too will accept this challenge and give forth with all your energy not only to increase your own education but to enhance the name of Lowrey as well.

In the next two years we are expecting many champion accomplishments in education and athletics. You have every opportunity to help. Begin now.

Your Principal

Student Welcome

On behalf of the student body of Lowrey High School I'd like to welcome all new 10B's. We hope that your future years at Lowrey will be enjoyable and memorable.

We hope that you will make many friends, not only among the student body, but among the faculty also. When you graduate, you will have many memories to keep with you always. Graduation may seem a long time away, but these will be the shortest three years of your life.

The most important thing you will discover here at Lowrey is the opportunity to learn. Lowrey has a wide curriculum which extends to many fields. Whether you plan to become a scientist, an engineer or a housewife, you will best find classes that will best provide a basis for your future.

We hope you will make the best of your years here at Lowrey.

Student Activity Books Now On Sale

Lowrey High School is selling student activity books which are used for athletic events, dances, plays, and the school yearbook. The activity book sales will be from the 5th of September to the 13th of September only. An activity book will serve two main purposes: (1) to get you in as cheaply as possible, (2) a reduction in the price of admission is possible when a large volume of books is sold.

We urge you to buy your activity book as soon as possible because the first event is the Kick-Off Dance which will be held on the 6th of September. There will also be a football game during this first month of school. The activity book can be purchased from your homeroom teacher for \$2.00. It is well worth the money because it is used for activities the entire year and entitles you to a large discount on the School Futorian. When a student purchases an activity book, it helps pay for the cost of athletic expenses, the activity banquet, student visits, assemblies and the many other activity expenses.

Students paying the full admission charges to these events would pay over \$27.00. These are the events of the year and what they would cost you if you don't buy the activity book.

FINANCIAL STATEMENT OF ACTIVITIES

No student tickets sold at gate or door for any of these events.

SCHOOL MASCOT School Calendar

The polar bear was adopted the official mascot for the high school in 1946. It was formerly the mascot of the junior high.

The polar bear statue, which stands in the second floor main hall, was a project of the W.P.A. (Works Project Administration) during the depression. It was a part of the government's effort to create jobs for artists who were out of work. When it was completed, it was donated to the school by the government.

For quite a few years, the statue stood in the study hall, but was then moved to a corner of the main hall by the stairs. In April of 1961, it was moved to the middle of the main hall so that every Lowrey student could see it easily. You can show your respect for the polar bear by not leaning or writing on it.

School Traditions

This year's Senior class will be the first to have a full year use of the Senior fountain. The fountain was installed May 29, 1963. It is located in the main hall of the top floor of Lowrey under the bulletin board. The money for the fountain was donated by the class of "62" and "63".

The fountain is for Seniors only.

In the main hall, on the top floor of Lowrey, there is a "L" which should not be walked on. The polar bear, the school mascot, is sitting next to the "L".

The "L" is a symbol of our school which should be treated as such.

Not walking on the "L" is a school tradition and it would be nice if everyone would try to keep this tradition going.

Order Your Class Ring

All underclassmen who are interested in purchasing a class ring should be interested to know that the rings can be ordered at any time from Shrifrin Jewelers on Michigan a few blocks west of Schaefer, across from Federals. This store carries the official Lowrey Crest and is located near the school.

Juniors are urged to order now if they want their rings for their whole senior year because there is a three month waiting period. The rings cost from \$16.00 to \$30.00, depending on the type of stone desired.

It would take the average 15th-century court official at Naples, Italy, a month to earn enough money to buy the average sized vellum manuscript!

Get Started Now

Many of the stories in this issue of the Lowrey Light are about clubs, sports, and the improved facilities offered for the benefit of all students. Now a few words must be said about the academic program here.

Throughout your school years at Lowrey many excellent learning opportunities will be provided for you. There is a highly qualified staff assembled here to serve you. Every department (this includes English, social studies, mathematics, commercialism, industrialism, science, home making, athletics, art, and music) is staffed with teachers who have combined years of preparation with teaching to assist in preparing you for your adult years. A lot can be learned from our staff and you will find its members very helpful.

Much can be said about the new equipment that has been added to Lowrey school and much more can be added when discussing the changes made within the building. On every floor, in every wing and in just about every room important improvements have been made during the past few years. The modernization program is still going on. And this building has and will continue to serve the community in the best manner possible.

We want you to make the best use of the instruction and the equipment inside Lowrey school. If you haven't done so already start now.

Student Council

The Student Council is composed of a student representative from each homeroom and an executive board. The executive board is composed of a President, Vice-President, two senior representatives, two junior and sophomore representatives. A recording treasurer is chosen from the senior and junior representatives.

The people on the executive board this year were elected last May 29. They are:

President - Barbara Riach
Vice-President - Diane Smigielski

Lowrey's Introduction

This year at Lowrey there is a new Student Handbook. The Handbook is revised and has pictures in it. The book is in the printed style.

The cover and the inserts were designed by Mr. Jones and some of his art students.

Mrs. Hoffenbacker was the chairman of the Student Handbook committee. Mr. Bodary worked on the book also.

The student handbook will be used for group guidance. It will be revised every three years.

The Booster Club

The Booster Club is one of Lowrey's most active clubs. It works to boost school spirit. Some of its activities are to sell candy, popcorn, programs, emblems, pompoms, and the like at games.

The club meets every other Wednesday after school for about an hour. Mr. Fedoruk is the club sponsor.

Booster Club officials were elected last May. They are:

President: Gwen Snow
Vice-President: Linda Sevenor
Secretary: Jere Lahr
Treasurer: Pat Moore

Future Teachers Association

A very interesting club is F.T.A. The members assist teachers here at Lowrey in taking care of their classes, take trips to various universities in Michigan, sponsor car washes and other money-making activities. The sponsors are Mrs. Dotson and Mr. Rigotti. All tenth, eleventh, and twelfth graders are invited to join. Meetings are held the first and third Tuesdays of the month.

The officers are:

President - Alyse Satoh
Vice-President - Connie Brunner
Secretary - Raymonde Egli
Treasurer - Phillis Wilkinson

G.A.A.

The girls also have a club for sports, the G.A.A. The Girls Athletic Association is a club whose goal is to promote sportsmanship and to provide enjoyment. G.A.A. is sponsored by Mrs. McGill, who is in charge of the girls' athletic department. This year Gwen Snow is the president of G.A.A. There are many sports offered by G.A.A. —

Swimming
Basketball
Badminton
Baseball
Fencing
Volley Ball
Ping Pong
Archery
Bowling — offered through Bowling Club
Soccer

If you belong to G.A.A. for two years and have participated in three team sports and two individual sports you will receive a school letter.

The club is usually held on Thurs. from 3:45 to 4:45 P.M. It is open to all Senior High students and ninth grade students.

Cheerleaders Chosen

Last spring four new Senior High Cheerleaders were chosen for this fall. They are; Raymonde Egli, 12B-3; Sharon Char, 11B-2; and Jean Sawicki, 11B. Two alternates were chosen. They are Colleen Mack, 11B; and Pat Moore, 12B.

These girls were chosen and judged by seven points: (1) They must live up to the cheerleaders code. This consists of no smoking in uniform, no drinking at any time and no swearing. The girls must wear moderate hair-dos and make-up and they must wear red lipstick while cheering.

They were also judged on:

2. Ability and execution.
3. Stunts such as jumps.
4. Synchronization.
5. Enthusiasm as shown by voice, pep and facial expression.
6. Average appearance.
7. Scholastic achievement. They must maintain a C+ average.

The girls learned two cheers "3 Big Fights" and "Team Fight". The girls then had to make up a cheer of their own.

Future Nurses Club

The Future Nurses Club of Lowrey presents a way to interest students in personal and community health; to encourage them to find out what nursing requires and what it offers: To help them decide wisely about professional or practical nursing as a career.

Would-be nurses should be able to find out in advance whether nursing is the occupation for them, and if so, what kind of school to enter; the one year practical nursing course, the hospital program or the two-year junior college program leading to a diploma in professional nursing, or a four-year collegiate program leading to a degree as well.

The club meets twice a month after school. Any student, boy or girl, in the 9th - 10th - 11th - and 12th grade may join. Boys may be interested in medicine, dentistry, medical technology or any allied health career. If you join, the club will be happy to help you find a future occupation.

On behalf of the student body the editors of the Lowrey Light would like to extend a welcome to all faculty members new to Lowrey school this year.

Fizz-Kem Club

One of the most interesting and profitable clubs at Lowrey is the Fizz-Kem Club, sponsored by Mr. Keiffer. Anyone planning to obtain at least a minor in science, having a "C" average in science subjects, and having taken at least one semester of chemistry, physics, is welcome.

During the school year, the Fizz-Kem Club is active in many things, including: Field Trips to places of interest in the Detroit Area, and individual projects. The club also stimulates interest in science fairs and institutions.

Of the many benefits of the club, the most important is the opportunity to explore science beyond the classroom.

HOME COMING!

The Homecoming Dance, sponsored by the seniors will be held on October 4, 1963 in the Lowrey Ball Room, at a time to be announced at a later date.

The homecoming Queen and her court will be announced at the football game with Riverside, preceding the dance. The queen will be crowned at the dance by Don DeMayo, captain of the football team. She will be a senior and her court will consist of three seniors, two juniors and one sophomore.

Last year, we had a parade with a convertible for each member of the court and the queen to ride in. This went over very well and we would like to have this done again this year. - conditions permitting.

The tickets cost two dollars per couple with one activity ticket or two dollars and fifty cents without an activity ticket.

Lowrey Thespians

The Lowrey Thespians are a group of students who are interested in dramatics. They perform single and double act plays during the school year. The meetings are held after school.

The actors, actresses, stage crew, prompters, make-up, and costume designers are all important in the field of acting.

The Thespians welcome all 10, 11 and 12th graders who are interested in the theatre. More information about meeting time and dates will be published later.

Lowrey's Events

Lowrey has many annual events and respected traditions that have been handed down from class to class. By participating in these events you will feel that Lowrey is your school and you are a part of it.

Soon, the annual kick-off dance, honoring the boys on our football team, will be held in the Lowrey Ballroom. We also have pep rallies before some of our home games.

On Veteran's Day in November the entire student body and faculty take part in a tribute to those students who attended Lowrey and lost their lives in war while protecting our nation. This is one of Lowrey's most honored traditions.

Our Homecoming Game and Dance will occur near the end of our football season. A Homecoming Court is elected by the students with attendants from each of the high school grades. A "Queen" is chosen from the senior class. These girls reign over the festivities. They are introduced at half time ceremonies of the Homecoming Game, but the identity of the Queen is kept secret until the dance when she is crowned by the captain of the football team.

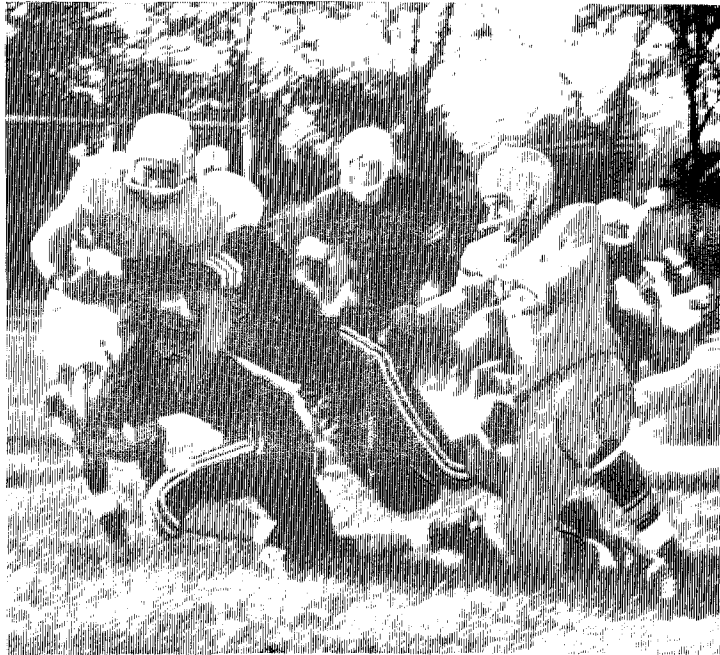

In December, our band, under the direction of Mr. Keranan, and the chorus, led by Mr. Coedy, present the annual Christmas Concert.

Once each semester our drama club, composed entirely of students, presents a school play.

We also have a basketball game, or a reasonable facsimile of one, between the Varsity Club and the faculty members.

Our Spring Concert occurs about the time the weather gets warm and everyone has spring fever. Somewhere among the confusion of final exams and end-of-the year details, we manage Student Council elections.

Then, at long last, the chaos the seniors have waited for thirteen years, the senior activities.

Don't Miss Sports Offered Out At Lowrey

The action picture shown above was taken during a high school football game. It serves as a reminder that the season of crunching blocks, jarring tackles, long runs, and spectacular passes is once more with us. Our boys began practice before school began and next week they begin competition in earnest. They will begin the season at Garden City in a night game on Friday the 13th and we hope to see a large turnout of Lowrey boosters cheering our players during the game and throughout the season.

Throughout the school year our school will offer an indoor and outdoor sports program for all boys and girls. There will be plenty of action and thrills during the fall, winter, and spring. This sports program is intended for the students' enjoyment. If you can't participate, do the next best thing, be a vocal spectator. Enjoy this part of your school life, it can be a lot of fun.

Lowrey High School offers many sports for its students. Our fall sports are football and crosscountry. The varsity football coach is Mr. Bach and the reserve coaches are Mr. Rice and Mr. Gretzner. The crosscountry coach is Mr. Sande.

We have two winter sports offered to all students. They are basketball, coached by Mr. Rice, and swimming, coached by Mr. Sande. These winter sports will start sometime in November. Look for the exact time in later editions of the Lowrey Light.

The three sports offered in the spring are baseball, tennis, and track. Mr. Rigotti will coach varsity and Mr. Lowry will coach the reserve baseball teams.

Tennis is another spring sport offered to the students of Lowrey. The coach of the netters is Mr. Martin.

Track is the last spring sport at Lowrey. It will be coached by Mr. Bodary.

Look through future Lowrey Light editions for more information about all the sports.

Varsity Club

Lowrey's Varsity Club is a club whose membership is made up of varsity letter winners. A varsity letter in any sport makes the boy eligible for membership.

The club aids the Booster Club and others to boost school spirit. Members also act as ushers at basketball games and some formal activities.

The members that are not participating in the sport in season, sit together and cheer. Their leadership and example help inspire others to come to the games.

The Varsity Club election was held last spring, and the following boys were elected: President-Chuck Ross, 12B3; Vice - President-Chris Stephens 12B10; Sargeant At Arms-Dave Bogataj 12B1; Secretary-Treasurer-Doug Cole 11A1; Members At Large-Ron Kubisiak 12B5, Bob Ortego 12B7, and Dan Lukashewski 11-B6.

Cheering Cheers

We have many cheers at Lowrey that make our school spirit shine. Our school song, "The Champions", was written by a ninth grade boy, Ed Riewe, with the help of our chorus teacher, Mr. Coedy.

Some of the cheers that everyone should learn are listed below. If these cheers are known then you can support the cheerleaders on the days of games or assemblies.

"The Champions"

We are the champions,
Lowrey's our name.
Our school will conquer all,
Fight for her great fame.
Rah! Rah- Rah!
Sing Lowrey's praises high,
Shout them all the day.
We are the champions,
Of the red and the gray! ! !

"Thunder"

Thunder, Thunder, Thunderation.
We're the Lowrey Delegation.
When we fight with determination.
We create a sensation.

"Victory"

We're out to win — clap clap
So let's begin — clap clap
By giving a cheer — clap clap
Our team will hear — clap clap
VI- VI- VICT- TO- TO- TORY
V-I-C-T-O-R-Y
Victory ! ! !

"We're from Lowrey"

We're from Lowrey,
Who could be prouder.
If you can't hear us,
We'll yell a little louder!
(Repeat)

"Polar Bears"

Polar Bears, Polar Bears,
Polar Bear Team.
All For Lowrey,
Stand up and Scream! ! ! !

Bowling Club

High School Students. ATTENTION! Are there any bowlers in the crowd? Is anyone willing to show their talents at the Dearborn Lanes? If so, join the Bowling Club, sponsored by Mr. Roe. We meet every Tuesday at 3:45 and finish about 5:30.

On September 10, 1963 the first meeting, will be held in Mr. Roes' room, 233, promptly after school. The President is Sandy Coulson; the Vice-President is Gwen Snow.

Come One! Come All! Don't be afraid or embarrassed to show off your talents. Join the rest of us great bowlers and have a lot of fun. We'll see you Tuesday!
