

Band People Top Rank

On Saturday, February 15, at the Willow Run High School, the Michigan School Band Solo and Ensemble Festival was held. Eight students from the Lowrey Concert Band participated. The ratings ranged from one to five. Three of our students, Jean Waterman, Mark McFarlane and Lee Campbell, received first division ratings. Nancy Poswalk, Lewis Bodo, Gaylon Bandy and Arthur Laverdier received second division ratings. Kenneth Pabian received a third division rating.

Students that achieved a first division rating are eligible for state competition. This festival will be held at Grand Rapids on March 21.

Rally a Success

Lowrey High School students assembled in the boys' gymnasium last Friday, February 14, for their third pep rally of the year.

This pep rally seemed to be very much of an improvement over the others. Everyone was much more enthusiastic than they had been at the previous rallies.

The program started out with a few selections from the band. Then the cheerleaders led the crowd in a few new cheers. Next came a speech on "school spirit," which was given by the senior class president, Dave Bogataj. Then the cheerleaders led some more cheers, and a humorous skit was performed by John Golden, 12A, Herman Beaver 11A, and Charles Hannula 10A. This was followed by the "spirit jug" competition, which the senior class won for the third consecutive time. However, all the classes did very well in the contest this time. The juniors even got in there and really yelled. The finale of the pep rally was the band playing the Lowrey school song with everyone joining in and singing.

We wish to congratulate all of the high school students for making the pep rally a success. Let's make the next one better!

Welcome Back

It was a pleasure to see Mrs. Dotson, our home economics teacher, back with us on February 17, 1964. Welcome back!

Tradition Carried On

Pictured above are Geraldine Lahr, 12A, and Mr. Fedoruk who is receiving a carnation from Gwen Snow, 12A. This scene was repeated throughout Lowrey School on Valentines Day by the Future Nurses. This tradition was started five years ago.

Mrs. Edwards, the school nurse, had this comment; "I was real proud of Myrna Miller, 12A-6, and her committee. The entire project was done by the students in the Future Nurses."

Styling Contest Open

The annual Thunderbird Styling Contest began on February 12. Sponsored by the Bank of Dearborn, the contest encourages interest in the field of car designing.

Contestants are allowed to enter one or more of the three categories which are; models, exterior rendering and interior rendering.

There are three major prizes for each category. The first prize is a \$100 savings bond and a gold trophy. The second prize is a \$50 savings bond, and the third prize is a \$25 savings bond. Honorable mention and \$10 is awarded to other outstanding entries.

Mr. Jones, school sponsor, stated that last year Lowrey students did remarkably well, in this contest. Of the five that entered from Lowrey three won prizes. Dale Ferriby, now a Lowrey alumnus, won first prize in interior rendering. His prize-winning entry is now on display in Mr. Jones' art room. Gilbert Norush, now a senior at Lowrey, won second prize in interior rendering.

This year, Mr. St. John, Lowrey's junior high wood and metal shop teacher, has offered to advise the boys who are working on models.

So far, sixteen boys and one girl have signed up from Lowrey for the contest. Anyone interested in car designing is welcome to enter.

We hope that this year Lowrey students will do as well or even better than they have done in the past.

Girls — Is This You?

The behavior of several young ladies was questionable at the Good Grooming Assembly held sixth hour, on February 17. Some of the girls were down-right rude by talking and laughing throughout the program. When there was an opportunity to ask questions, several girls asked questions that even a fifth-grader would deem inappropriate. Several of our girls whistled!

Maybe these girls do not realize that the effect that this "performance" will have on our school. In the future it is doubtful that there will be any more assemblies. And you can just imagine the opinion that Miss Weller, the charm consultant, must have of the Lowrey Senior High.

Something must be wrong with the Senior High girls, because at the Junior High assembly, nothing of this type occurred. The 7th through 9th graders acted much older than a great many of the 10th through 12th graders. What can we do when 7th grade girls are more mature than the Senior High girls?

Editor's Observation's

by Kitty Erway

According to an announcement made by Mr. Busse, noon movies may be discontinued. Unless the student body begins to show more interest this action will become necessary. The last two films have not been profitable enough to pay the rental fees.

A good deal of time and effort has gone into trying to bring the student clean, decent and interesting films during the lunch period.

Students must cooperate or movies cannot continue to operate at a loss. Mr. Irwin had this to say of the situation, "It seems that attendance at the noon movies has been gradually falling off. This is mainly due to two reasons;

- (1) Our Cinemascope lens is being repaired and the lack of this leaves us with a limited selection of films.
- (2) The choice of the movie was not the best kind for keeping interest of the students. However we have changed selection to include such movies as "The Fly", "State Fair" with Pat Boone, "Snow White and the Three Stooges", a Walt Disney full-length movie. We are also expecting prompt return of our regular cinemascope lens. We expect to see more students co-operating in this matter."

Lowrey's Band Plans Assembly

Lowrey's High Concert Band and Majorettes, under the direction of Mr. Keranen, will present their annual concert to the entire student body at O. W. Best on Friday, February 28. The Concert Band will play Band Boosters March, selection from Porgy and Bess, Syncopated Clock (under the conduction of Mr. Butler who teaches music at O.W. Best), Blues in the Band, Begiune Festival and Malegæne. The Majorettes will twirl to Semper Fidelis. There will also be a number of solos which will be announced at a later date.

Calendar of Events

District Tournament — March 3, 4,
5, 6, and 7.

More Smoking News Consider The Facts

To smoke or not to smoke? The answer to this question is up to you! In making your decision, you will want to consider the latest facts that scientists have made available to us about the risk of smoking.

To begin with, statistical studies indicate that ten times as many smokers as nonsmokers die of lung cancer. Other studies show that cigarette smoke weakens the natural defenses of the lungs. Once normal lung cells are damaged, cancer cells may develop, grow, crowd out, and finally destroy the normal cells. Treatment offers little hope for most lung cancer victims. Prevention is the best protection. If you have already started smoking, the best prevention is to give up smoking. The American Public Health Association estimates that, if present trends continue, about one million students now in school will die of lung cancer before they reach the age of 70. Because of smoking's delayed effects many students are not interested in the possibility of lung cancer in their later years. Michigan's educators public health officials realize this. For this reason schools are going to incorporate a program against smoking into the school curriculum.

You may be asking, "Why should schools be interested?" The answer to that question can easily be stated by a statistic which shows that most smokers begin smoking while they are in school. Ten per cent of all adult smokers began to smoke in their pre-teen years; 65% started smoking during their high school years; and only 25% began to smoke after they left school.

Since 75% of all regular smokers began smoking before they graduated from high school, educators and public health officials have become interested in instituting a smoking information program to the schools. They feel that the best way to prevent the harmful effects of smoking is to inform potential smokers of the dangers of this habit. The best place to present this important information is the classroom.

Lowrey is to be one of the pilot schools in this program.

A Well Earned "Well Done"

On the sports page of this issue of the Lowrey Light you will find the account of the February 14 basketball game with Riverside. Just about everyone associated with the team, including the coach, players, cheerleaders, student body and well-wishers was disappointed in the final score. Disappointed but not discouraged or downcast. In our opinion Lowrey's basketball players and their coaches have done

an excellent job in representing Lowrey School this year and they have made our entry into the new league conspicuous and successful.

Between the achievements of our players and the large, active good-naturd support of our student body, we feel that examples have been set which future classes will do well to duplicate. Congratulations for a fine season and good luck in the future.

Extra Work Done By A Few

Occasionally we hear remarked, "She thinks she's It, always trying to run everything." Possibly it's true, but have you ever stopped to realize the truth in the cliché, "If you want something well done, select a busy person."

In our own high school we see the same people working on every committee and boosting every club. They aren't trying to "take over." Those people have merely proved that they can accept responsibility and are able to bear the load. They will cooperate to the utmost and won't pass off the undesirable work.

By experience, we know many people feel compelled to volunteer but when it's time to get down to work, the conflict then arises. The so-called volunteers take the attitude of "Why should I help when plenty of others will be only too willing to help?"

There are, no doubt, a few kind souls who will pitch in and finish the project, but what have they done to deserve this treatment.

It's wonderful to have these people around to lighten the load. Yet there is only so much one can take. Responsibilities are too often left to the "good Joe." When we belong to an organization, it is our duty to put forth as much time and energy as any other member. Next time, try sharing the load . . . and when the project is finished, you can honestly say, "I helped!"

Inquiring Reporter

This week's question is: "If you could be any age you wanted, what age would you be and why?"

Marlene Myres, 10A-3: "I'd stay the age I am, 16, because I have a lot of things to see and do which are very important to me."

Alien Emala, 12A-3: "I'd like to be 21 because you can do more things and go places."

Jim Costello, 12A-2: "I'd be 19, because I would be out of school."

Dean Clark, 10A-3: "I'd like to be 19, because I would be out of school and in the Navy."

David Saeen, 12A-6: "I'd stay the age I am."

Dave Hixson, 10A-6: "I'd be sixteen so that I would have my driver's license so that I could come to a few more of Lowrey's games and meets."

Marge Balough, 12A-1: "I'd like to be 24, by that age I will have had a taste of adult life and should be prepared for the future."

Doug Willet, 12A-11: "13, so I could be a teenager six more years."

Dianne Smigielski, 12A-9: "I would like to be the age that I am, 17 because I like surprises."

Sandy Wagner, 12-11: "I would like to be any age except 16, because everyone I know is older than I am."

Lynn Cartwright, 10A-2: "Just the age I am, so I could get my driver's license."

Leron Paryaski, 12-8: "I'd like to be 26, because I would have all my education over with."

Connie Brunner, 12A-1: "85, because I'd be through working and I could just rest."

John Golden, 12A-4: "17, because I like the school I'm going to, also because my friends and the numerous activities I'm able to participate in."

Phil Peterson, 10A-10: "I'd like to be 16, so I could get my driver's licence."

Special Education Has Own Pool

Everyone is aware that Lowrey is equipped with swimming facilities for the Junior and Senior High School students, but very few people know that there is also a swimming pool for the special education students who are unable to swim in the regular pool.

Under the instruction of Mrs. Blyle, the Physical Therapist, the children who are 10 years and older learn to swim and dive, but as Mrs. Blyle says, "The children do not swim for fun, but rather for exercise."

These children come in once a week. They must have written parental consent, as well as a doctor's consent, before they are allowed to swim. Since the floor around the pool is very slippery it is mandatory that the swimmers wear clogs.

The only class that is not permitted to swim is the deaf class according to Mrs. Blyle.

Council Meets

At the Student Council meeting held on February 3, the representative discussed the problems of teenage smoking and discipline problems. At the present time they are also trying to decide what to do with the money in their treasury. They have limited the decision to two choices; To organize and furnish a senior high lounge or to put a red and grey "L" in the upstairs main hall. If you have an opinion concerning this subject, please contact your Student Council representative.

The Council, in co-operation with the Dearborn School Board and a state-wide health agency, is sponsoring an anti-smoking campaign at Lowrey.

On Monday, February 17, the Council presented a good-grooming assembly for the Senior High girls.

Senior Awarded Scholarship

Paul Mancine, 12A-6, was selected January 28, 1964, to the General Motors Institute in Flint. In an interview with him, Paul said, "My first step towards a co-operated engineering program at the Institute was sending an application for admission to the Institute. After the admissions director reviewed my qualifications (grades, personal references, P.S.A.T. results, etc.) I was informed that I would be accepted, that is if I could find a plant or factory to sponsor me.

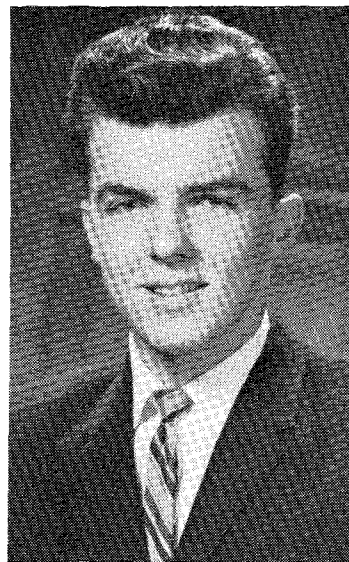

"I was interviewed, tested, and finally accepted for sponsorship by Ternstedt Division of General Motors in Warren, Michigan.

Although this program is not an actual scholarship, I will be earning about \$2,500.00 a year. This is much more than any scholarship offers.

The program consists of work and study intervals. The first six weeks I will go to the Institute in Flint to study. Then the following six weeks I will go to the plant to work on certain jobs pertaining to my studies. If I successfully complete this co-operative training, which lasts 5 years, I will be awarded a Bachelors Degree in Mechanical Engineering.

I was happy and relieved when I received my letter of sponsorship to G.M. and from Ternstedt. The only thing I can say is that it is sure nice to have a fairly good idea of my future.

"I sincerely thank Mr. Forsthoefel, Mr. McBride, and Mr. Boatwright for their guidance and help in securing this valuable opportunity. I will start August 17, 1964."

Paul Mancine

Student-Faculty Enjoy Bowling

Members of Lowrey's faculty defeated the students in their annual bowling tournament 13-11, in close exciting competition on February 11 at the Dearborn Lanes.

Dan Orlando, 11A-10, paced the students with a high game of 210 which was matched by Mr. Lowrey who had an identical score.

The teams bowled two games, each worth one point, with a three point award to each team with the highest total pins. Approximately 50 students and faculty members participated and everybody seemed to enjoy the outing.

Teen-agers Are A Force for Good

(An Editorial) by Linda Evans

National Teen-Age Chairman 1964 Easter Seal Campaign

Every few days I read something in the papers about the importance of the teen-age market. Then in a magazine I read about the problem of teen-age delinquency. Again I will see all sorts of articles about the need for expansion of colleges to accommodate the greater numbers of teen-agers who will be entering them in the years ahead. I read about the many unhappy teen-age marriages. In fact, almost anything and everything teen-agers do today is news.

But one thing that is neglected is the good that teen-agers are doing throughout the United States--good things like helping crippled children. As National Teen-age Chairman of the Easter Seal Campaign, I have heard a great many things that would be an inspiration to teen-ages all over the country. I want to do my part to get word of these things broadcast throughout the United States so other teen-agers can join in and so parents and teachers will know that most teen-agers want to be part of their communities; want to do constructive things that will help others; want to be treated as mature, thinking people who are full of energy and ideals and zest to start right on their adult lives and careers.

Teen-agers are acting as aides in Easter Seals centers in many places, helping therapists with children who wear braces or crutches. Teen-agers are taking short, special instruction courses in baby-sitting with children with handicaps. Many of them are volunteering as counselors in Easter Seal summer camps for these children. They act as recreational instructors, teaching games and adaptation of sports, especially swimming, basketball and square dancing. They help with transportation of crippled children to Easter Seal treatment facilities. And literally thousands of them are participating in the Easter Seal Campaign that raises funds to keep this great \$20,000,000 program of direct treatment going in all our states.

In some states, teen-agers are acting as chairmen of the Campaign. Others are organizing to sell lilies on Lily Day, or to take part in the Easter Seal Parade or to stage special events to raise funds for the Campaign. They are doing so many things, it would be difficult to list them all.

But every one of these things makes me proud to be a teen-age in America today. And every boy and girl in high school should be proud, too. The psychologists, the economists, the educators--all of the experts are right when they say that teen-agers have a tremendous impact on both present-day and future America. I know it will be all for the good.

I hope you will want to express your own personal sense of responsibility by joining me in what I think is one of the greatest causes of all--the cause of crippled children. More than a quarter of a million of these children are receiving treatment in centers operated by the Easter Seal Society--the oldest and largest voluntary agency caring for the crippled. When we help Easter Seals, we help them--so they can grow up and go to school and have the same good lives you and I have, and can look forward to in the future.

Basketball Playoffs

The state high school basketball playoffs will start soon. Make your plans now. See the Polar Bears in action. Give them your support by cheering the home team on. See you at the game.

BRAIN TEASERS

What two teachers do you associate with these sayings?

"PHYSICS CAN BE FUN."

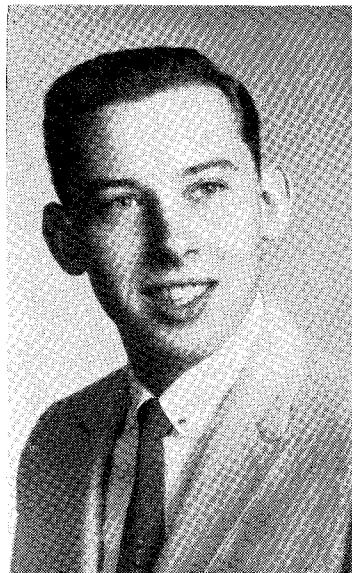

"All right, all right. Put every thing away back there. Clean up, the bell's about to ring."

Thespians "Paint the Town Pink"

The next play to be presented by Lowrey Thespian Troupe 215 is a three act comedy by Ann Coulter Martens entitled, *Paint the Town Pink*. The play is about the annual student-teacher day when students and faculty change places, and the situations which arise are uproarious.

When asked for a comment about the play, Mr. Irwin, the play's producer and sponsor of the Thespians said "*Paint the Town Pink*" promises to be one of the most favorable comedies ever produced at Lowrey.

On Education

"If at all times education enables men to defend their independence, this is most especially true in democratic ages. When all men are alike it is easy to find a sole and all-powerful government, by the aid of mere instinct. But men require much intelligence, knowledge, and art to organize and to maintain secondary powers under similar circumstances, and to critate amid the independence and individual weakness of the citizens such free associations as may be in a condition to struggle against tyranny without destroying public order."

—Alexis De Tocqueville

» «

"Tis education forms the common mind:

Just as the twig is bent the tree's inclined."

—Alexander Pope

» «

"Experience keeps a dear school, but a fool will learn in no other."

—Benjamin Franklin

Riverside snaps streak again

Bears Lose in Overtime 54-52

Cherry Hill Downed 79-53

Lowrey's varsity basketball team defeated Cherry Hill, 79-53, on Friday, February 7, in the Lowrey gym. This left the Bears with an overall 10-1 record, and a 5-1 record in league play.

The Bears got off to a slow start in the first quarter but still led 17-8 at the end of the quarter. During the second quarter many fouls slowed the Bears. Three starters, Jerry Wood, Dave Bogataj and Leron Paryaski, sat out the quarter with three personal fouls against them. During the second quarter the Bears continued to play poorly but they took a halftime lead of 33-25 into the lockerroom.

During the second half Lowrey's starters returned to action, and the Bears played one of their best quarters of the year. They managed to outscore the Spartans 29-9. Coach Rice played his reserves for the entire quarter.

High scorers in the game were Jerry Wood with 22 points, and Doug Cole with 16 points. The following is a breakdown in the scoring for the Bears:

J. Wood	22 points
D. Cole	16 points
J. Gary	9 points
B. Shrednicki	8 points
D. Bogataj	6 points
L. Paryaski	6 points
G. Poole	6 points
D. Shortridge	4 points
C. Rhodehouse	2 points

The Bears are now in second place. Standings in the Tri-River League are:

1. Riverside	5-0
2. Lowrey	5-1
3. Southgate	3-3
4. Hasston	1-5
5. Cherry Hill	0-5

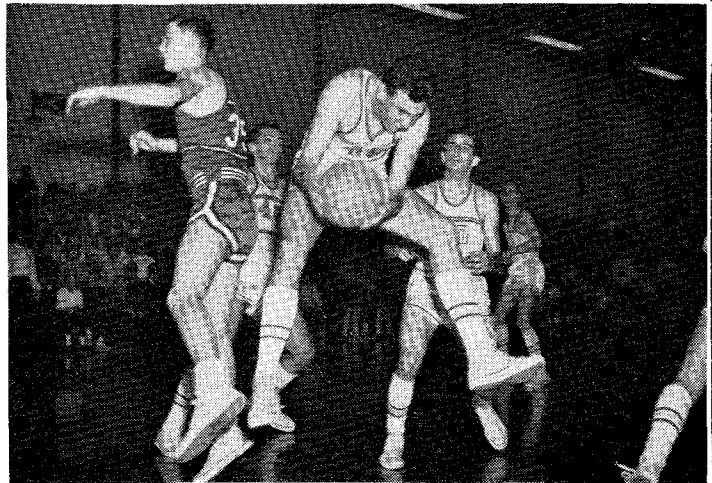

Bowling Season Over

The showdown for first place with Riverside was Friday, February 14 in the Riverside gym.

The bowling season came to an end, on February 4. The high teams played against each other and individual competed for high game and series.

Trophies were won by the following club members: In 1st place, for high team was, team no. 7; Harry Gable 12A-4, Diane Smigielski 12A 9, and Pat Schmidt 12A-9. The 2nd place team was, team no. 17; Gwen Snow 12A-10, Pam Olesko 10A-9, Linda Sevener 12A-9.

Wendle Hunt, 12A-6, won trophies for boys high game (210) and series (410). High girls game (192) and high series (328) were both won by Connie Gilbert 11A-4. Congratulations to the winners.

Lowrey's Jerry Wood snags a rebound in Valentine's Day game with Riverside. Also in the picture are Doug Cole, Leron Paryaski, Dave Bogataj and an unidentified Riverside player.

Cole Hits For 31

Lowrey's varsity basketball team lost its chance to take over first place in the Tri-River League as they lost a 54-52 contest to Riverside on Friday, February 14.

When the Bears entered the gym they were greeted with a rousing ovation from the crowd. The stands were filled to capacity, mostly with Lowrey students. This is a good example of Lowrey school spirit.

The first quarter started off in favor for Riverside. They led at the end of the quarter by the score of 13-10. The second quarter was a different story. The Bears began to play and took the lead at times in the quarter. The lead changed many times until half-time and we trailed by one point going into the lockerroom.

In the third quarter Lowrey came back on the court determined to win the game. During the quarter the Bears lost a little of their poise but still managed to be leading at the end of the quarter 40-39. During this quarter Doug Cole scored every one of the Bears points.

During the fourth quarter the Bears lost Joe Gary on fouls, and the remainder of the team was in serious foul trouble since the end of the second quarter. With the Bears being in foul trouble, they lost their slight height advantage when Bob Shrednicki entered the game and had to play under the boards.

During the fourth quarter the Bears played well and were determined to pull the game out. The crowd came to life to cheer their favorites on. The score changed hands many times in the fourth quarter until there were thirty seconds left, when Doug Cole put in a pair of free throws to tie the game at 48-48. The Rebels froze the ball until the last second before they missed their shot and this sent the game into overtime.

During the overtime the Bears started off quickly on a basket by Leron Paryaski. Leron also made the only other basket the Bears made during the overtime. The Rebels made three baskets during the overtime and as a result won the game 54-62.

Those who saw the game will always remember the game for the Bears out-shot out-rebounded, and out-hustled the Riverside team but still lost the game.

Doug Cole turned in a great performance as he tossed in 31 points on nine field goals and thirteen out of fourteen free throws.

The Bears are now in second place alone, one game ahead of Southgate who they will play this Friday in the Lowrey gym.

Rouge Beat Swimmers

Lowrey's varsity swimming team lost a heartbreaker to River Rouge on Thursday, February 6, by the score of 53-52. The meet was held at Lowrey.

Here is how the boys placed in their respective events:

200 yard Freestyle
Steve Davis, 2nd, 2:29.5
200 yard Medley
Bob Braun, Ed Babicz, Tim Malyszczek, Doug Sain, 1st, 1:45.2
40 yard Freestyle
Ken Hughes, 2nd :20.2
160 yard Individual Medley
John Halstead, 2nd, 2:16.6
Doug Sain, 3rd, 2:24.0

Diving
Dan Lukashewski, 1st
Tim Malyszczek, 3rd

100 yard Butterfly
Dan Lukashewski, 2nd, 1:16.3

100 yard Freestyle
Ken Hughes, 2nd :63.4
Ron Aitken, 3rd, :63.5

400 yard Freestyle
Steve Davis, 2nd, 5:36.0

100 yard Breaststroke
John Halstead, 1st, 1:20.5
Ed Babicz, 2nd, 1:25.5

100 yard Relay
Doug Stamp, Carl Schmidt, Mike Hurst and Ron Aitken, 1st, 1:29.8

When asked how he thought the boys swam, Coach Sande commented, "We should have won."

The defeat was Lowrey's sixth straight loss, after beating Willow Run in the opener.

Cagers Roll 74-38

Lowrey's Varsity basketball team defeated Lutheran West, on February 4, by the score of 74-38. The Bears completely dominated the boards but faulty shooting held us down. The first quarter ended with the Bears leading 14-8. In the second quarter, they continued to increase their lead, and at half-time it was 38-18.

Then in the third quarter the Bears completely dominated the game, running the score to 63-26. Coach Rice, after substituting freely throughout the game, put in the whole bench for the remainder of the game. At the end the Bears walked off with a 74-38 victory and a win that stretched their streak to five in a row. High scores in the game were:

J. Wood	15 points
C. Cole	11 points
D. Bogataj	12 points
L. Paryaski	10 points

Jr. High Basketball

Lowrey's Junior High basketball team defeated Stout Junior High, on Thursday February 13, by the score of 22-21.

Coach Currie was pleased with the shooting of Dennis Gusick and the rebound of Ollie Metaj.

When asked his comment on the game Coach Currie commented, "We ran the patterns well, but we just weren't getting the shots."

The following is the breakdown in scoring for Lowrey.

Lomei	4 points
Lowler	2 points
Metaj	5 points
Bluhum	3 points
Gusick	8 points

GO BEARS BEAT SABERS TONIGHT
