Lowrey has a new secretary in the attendance office. Mrs. Coffey has transferred to another school and Mrs. Steel has taken her place. We hope you enjoy your stay here, Mrs. Steel!

Mr. Weaver, husband of the late Mrs. Annah Weaver, sent a bouquet of beautiful gold chrysanthemums to thank the students and faculty of Lowrey for their kindness.

Our "Get Acquainted Dance" wasn't very successful. The Student Council reports that they broke out about even as far as money is concerned. Only a fraction of the students, about 200, attended this opening of the social season.

Congratulations to the Junior Class for selling a record breaking 1240 Lowrey book covers. They made \$84.00 which was a welcome asset to the Junior Class treasury.

Homecoming News

The nominees for this year's Homecoming Queen and court are:

12th Grade:

Sharon Char
Anita Day
Rosalyn Ish
Carol Karapetoff
Colleen Mack
Marie Roedding

11th Grade:

Sherry Hargis
Pam Olesko
Janet Stewart
Dorothy Thompson

10th Grade:

Mary Bobrick
Gail Dearvang
Pia Fredrickson
Pat Hamilton

On October 30 the Lowrey varsity football team will play Haston on our field. During the half-time, the Queen and her court will preside.

The dance will be held in the Lowrey Ballroom from 8 to 11 in the evening. Johnny Lambert and his band will entertain.

The price of tickets to the Homecoming dance will be \$1.50 per couple with two activity tickets and \$2.50 without activity tickets.

Settings for the dance will be medieval designs including knights and banners. The theme this year is "A Knight to Remember."

The committees for the dance and their chairmen are: decorations, Mike Kay; tickets, Gail Helgren; publicity, Sharon Horvath; Queen and court, Linda Altherr; and refreshments, Mark Schalte.

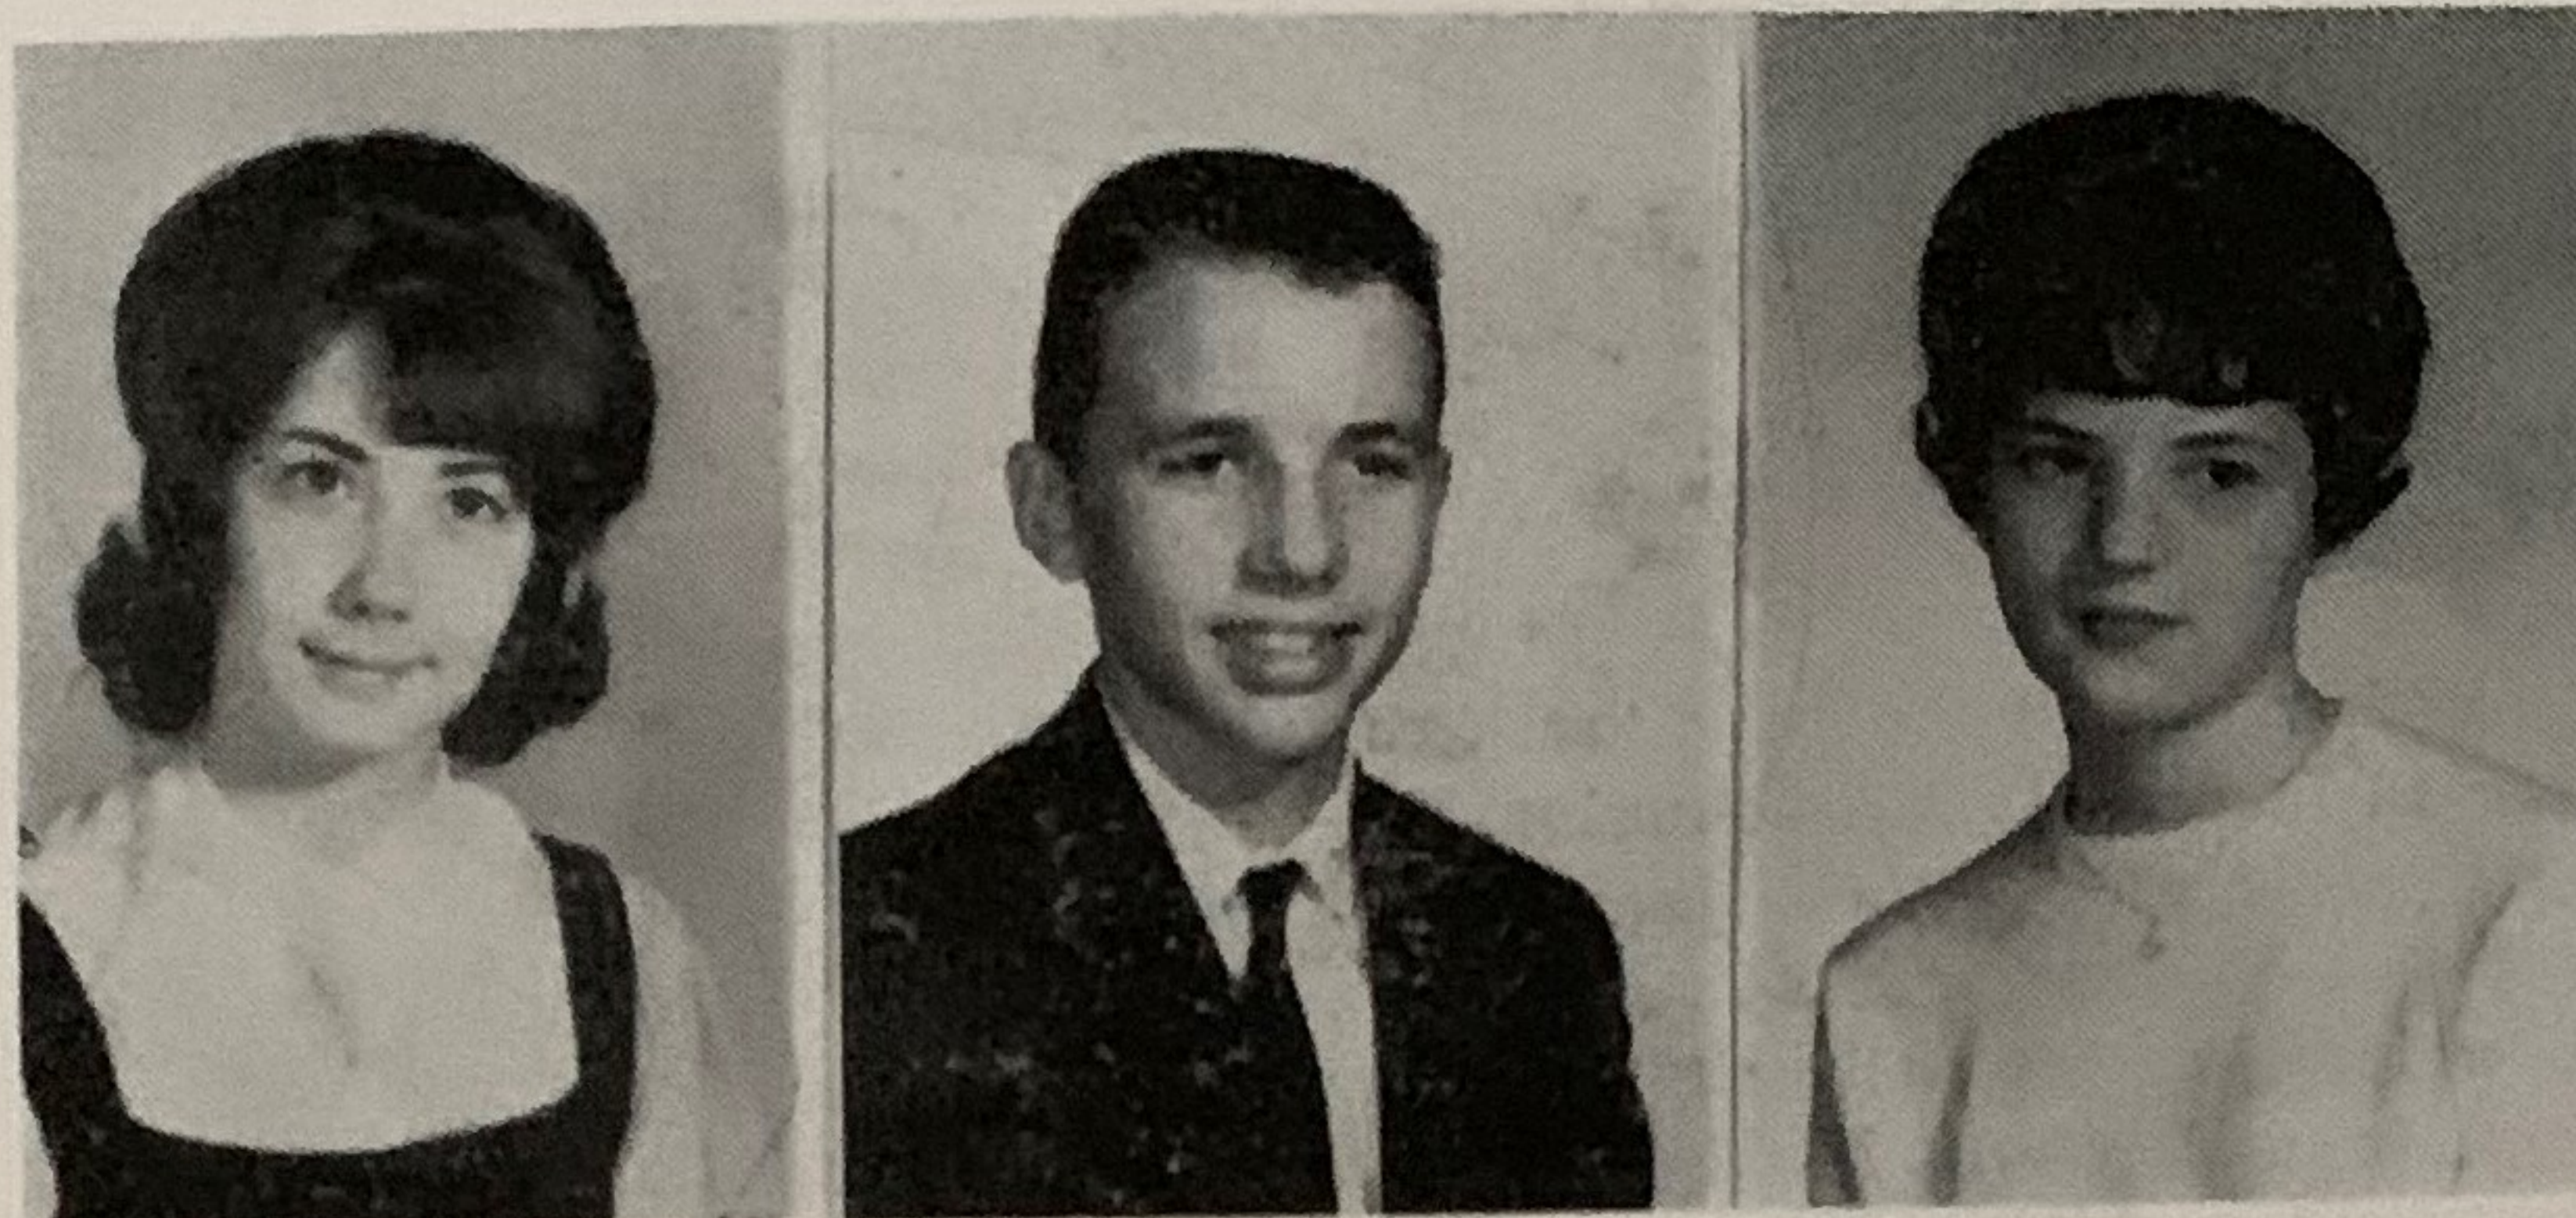

Sophomores Hold Election

The Sophomore Class elected its new officers on Friday, October 3, during homeroom period. Over three hundred fifty ballots decided the five winners out of the competing twelve.

The winners were:
President — Steve Gnewkowski 10B-11

Vice-president — Jay Harris, 10B-5
Secretary — Cindy Kea 10B-6
Treasurer — Terry Svendon 10B-11
Student Council Executive Board:
Susan McKee, 10B-8
Jeanette Timlick, 10B-8

It is an interesting fact that Steve Gnewkowski is not new in the presidential business. In his fresh-

man year, while attending Oakley W. Best Junior High, he was the president of the student council.

When asked to comment on what their first thought was when they found they had won, they replied: Steve Gnewkowski: "I was very pleased to think that the rest of the

Sophomores felt they could put their trust in me to do a good job. I hope I can live up to their expectations, and I would like to thank those who voted for me and congratulate the people who were elected for the other offices."

Jay Harris: "Oh Boy!"

Sue McKee

Terry Svendon

Cindy Kea: "I was very happy because I never won anything in my life."

Terry Svendon: "I didn't!"

Susan McKee: "I was surprised and happy."

Jeanette Timlick: "I was happy,

surprised and glad someone voted for me."

Congratulations to all of the new Sophomore Class officers and it is hoped they can fulfill their duties with honor and skill."

Seniors, Get Your Pictures Now

Members of the Senior Class are advised to make appointments for their Senior Pictures soon. Glossy proofs, obtained from the photographer, should be turned in Mr. Falvo's room (250) no later than December 1, if the seniors expect to get their pictures into the annual. Seniors may get their pictures taken at any studio they prefer. There is no special studio at which the pictures must be taken. Just specify to the photographer the purpose for which the picture is to be used.

Don't be left out, you only have a month and a half to get your picture in.

'Lear' Applauded

A production of Shakespeare's "King Lear" was enjoyed by forty-two members of Lowrey's senior class, and Mr. Davis, a faculty member. On October 1 they journeyed to Stratford, Canada, where they were part of a sell-out crowd viewing and appreciating this famous tragedy about a senile old king and his three daughters.

Some comments are offered here by some of those who made this trip:

Sharon Char, 12B-2: "I thought the trip to Stratford was the most unusual experience I've ever known—and also a lot of fun. The play and the actors were excellent."

Rick Spencer, 12B: "I thought it was a very enjoyable trip and those who get the chance should go next year."

Jerry Wood, 12B 10: "I enjoyed it immensely. It proved to be very educational and enjoyable."

Mr. Davis: "The entire day was tremendous. The weather was excellent and made the bus ride enjoyable. Stratford is a quaint, bustling town and we spent two hours touring it—two hours which everyone enjoyed. 'King Lear' was performed well and the realism had people sitting on the edge of their seats. Without exception, the conduct of Lowrey's students was excellent."

Art Laverdier, 12B-6: "The trip to Stratford and back was interesting and a lot of fun. 'King Lear' was a lot better than I thought it would be and I really enjoyed it."

Linda Borum, 12B-1: "I think the play was just wonderful. The trip was an experience I'll never forget!"

Wanted: Applicants

College-bound students with about a B or better average will find many new opportunities awaiting them at their counselor's office. Applications for all the colleges and universities along with a vast amount of scholarship information is available and should be looked into—now!

Students having a parent on the payroll of the Ford Motor Company may be eligible for some of the best paying scholarships available today. However, completed applications must be in by December 1.

Also worth looking into is a new program of State Competitive Scholarships which was established less than a year ago. The registration deadline for this is November 2.

Many other corporations, such as Detroit Edison, and General Motors, also offer a variety of opportunities. Stop in at your counselor's office now! This may be the chance you have been waiting for.

Singing Groups Invade America

The United States has been invaded by a countless number of English vocal groups, and the American teenagers, especially the females, love it. From the "Animals" to the "Rolling Stones" to an obscure group called just plain "Them", England has unleashed its wrath on the unsuspecting colonies.

It was started by a skiffle group, the "Beatles," four gentlemen from Liverpool, who are now the richest entertainers in the world. From then on the flood of English entertainers has become almost unbearable. The "Swingin' Blue Jeans," "Gerry and the Pacemakers," "Billy J. Kramer and the Dakotas," "Fheddy and the Dreamers," and "The Apple Jacks," are just a few.

Have these groups given teenagers something to look up to? Apparently yes, for American pop music has long needed a new sound, which is now being furnished by "The Rolling Stones" and other popular British groups.

The sounds brought to the United States by the "Stones," "Animals," "Them," and the other groups is a torrid rhythm and blues and an exciting up tempo honky tonk which keeps the kids moving.

Imitations are now many. How long will they last? Who will have the next original sound?

Do YOU Have School Spirit? New Addition to Faculty

Someone once said "Any student who feels that he is part of his school, and who tries to help his school in any way, is the student with real school spirit." Is that what school spirit means to you? Do you feel you're a part of your school? Do you feel interested in everything that goes on in your school? Do you share your school's ups and downs? The answer to all these to feel worth while, has to feel that questions should be YES!

School spirit is a feeling of belonging to the school, sharing in it.

Every human being, if he wants he is wanted by the groups he's in; that he has a part to play; he is accepted. The best way to belong is to take an active part in group activities.

School spirit isn't just for the sake of the school; it is for the sake of what it means to both YOU and YOUR SCHOOL.

How about you? Are you contributing to this important tradition? Do you take part in the many activities offered here? How is your school spirit?

Correction Made

In the last issue of the Lowrey Light we stated that "twenty of the new electric typewriters have eleven inch carriages and an advocate style head." This statement was a mistake. Advocate style head is a proper noun for a part of the machine.

The story should have read, IBM Advocate type style.

If you itch for success,
Keep on scratching.

I am often wrong, but never in doubt.

Tomorrow's leaders were busy last night.

Nothing multiplies so much as kindness.

Another one of the new teachers here at Lowrey is Mr. Crumrine.

He is the new instrumental teacher for the junior high students. Mr. Crumrine has recently transferred here from Eastern Michigan University where he taught instrumental music.

He graduated from the University of Michigan where he majored in instrumental music and minored in social studies. This is his eighth year of teaching.

Mr. Crumrine is married and has one daughter.

When asked of his impression of Lowrey, he said, "I like it."

Student Council Conference

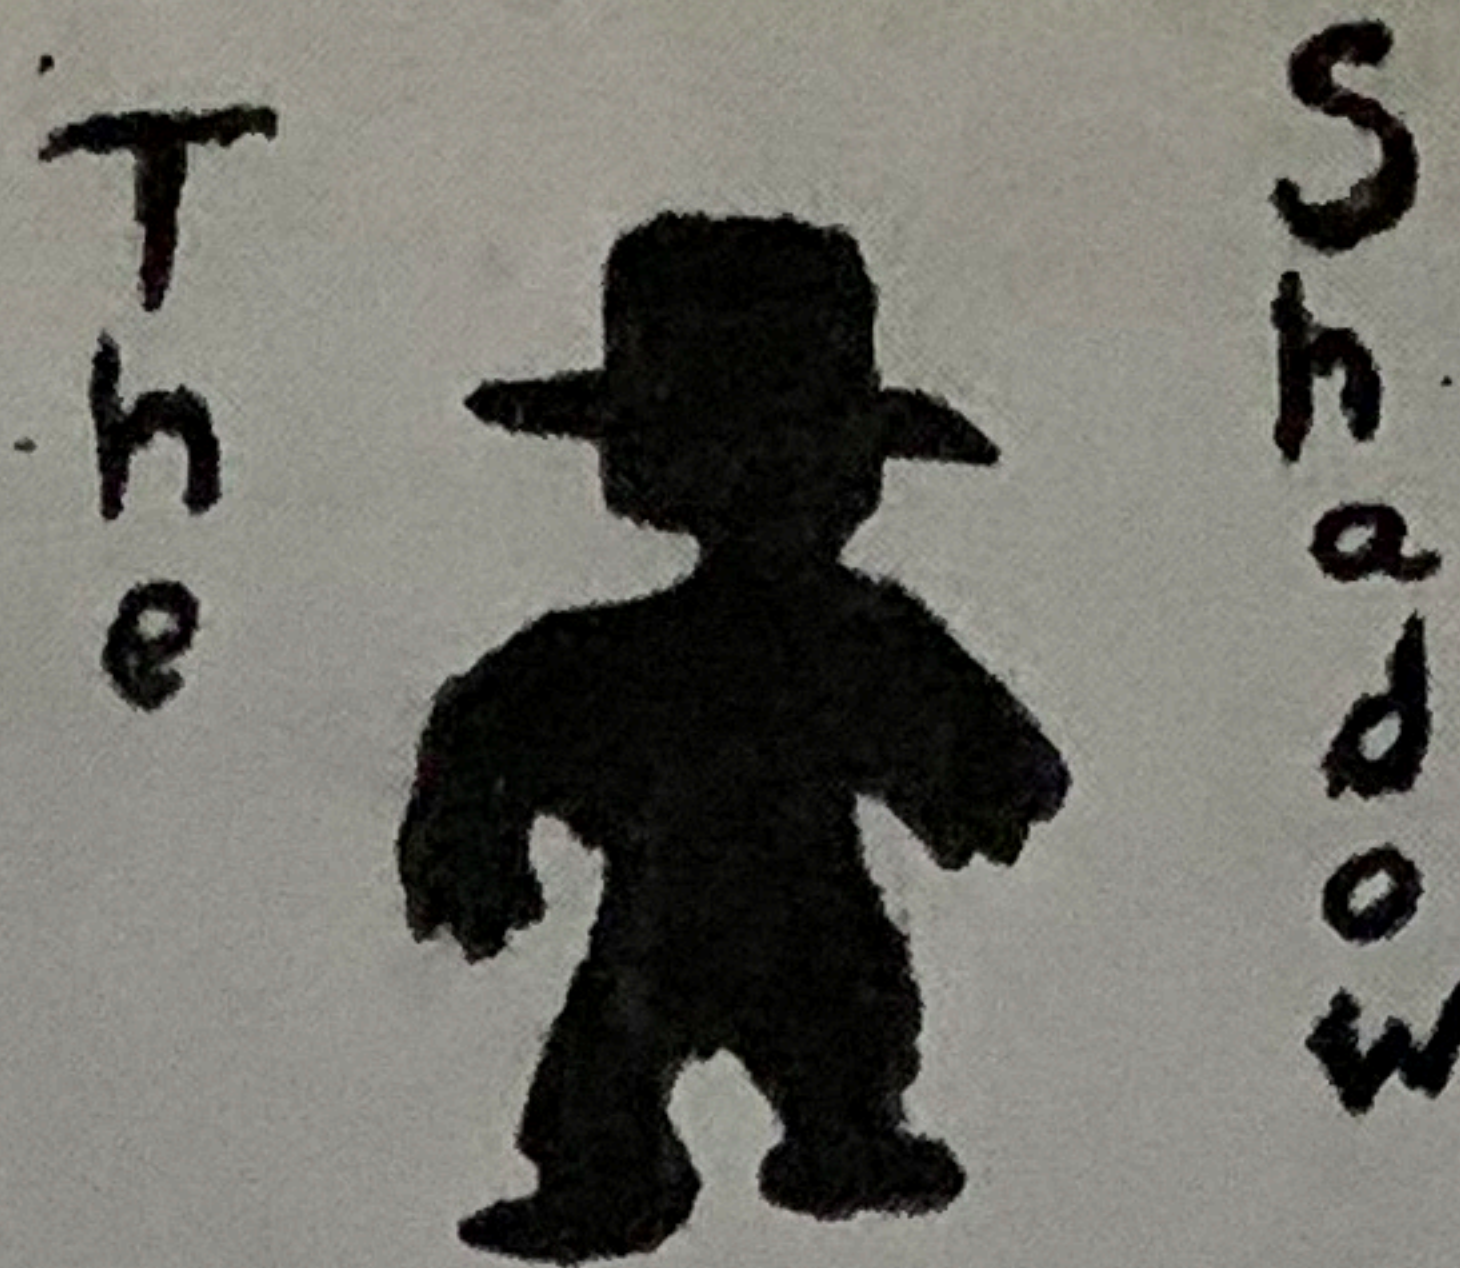

Four executive members of Lowrey's Senior High Student Council, Anita Day 12B; Sharin, Horvath, 12B; Chris Hines, 12B; Shirley Jacobs, 11B; and Mr. Peters, council advisor, attended the Twentieth Annual Student Council Conference for Senior High on Monday, September 28. The conference was held at the University of Michigan.

The purpose of this conference was to give the high school student councils in Michigan new ideas and to help them with their problems.

Attendance at the conference was excellent. There were about 1000 students and their advisors present, representing schools from nearly every area of Michigan.

Some of the points of interest of the conference were: an address entitled "Values and Leadership" by psychologist Dr. Peter Rettich; and clinic sessions which were held in the afternoon. The session that Lowrey's representatives attended was "Aims and Activities of the Student Council," which was headed by Milan Marich from University High School.

The day started with conference registration at 8:30 a.m. and adjourned at 3:30 p.m. The day proved to be very interesting and enjoyable.

In this issue of the Lowrey Light the Shadow is following a senior girl. Read the clues below and see if you can figure who she is.

First hour: She is trying very hard not to make any mistakes while she types a ditto master in office machines.

Second hour: She is in English class trying to better her vocabulary.

Third hour: She is in library training trying to memorize the Dewey Decimal System.

Fourth hour: She is in the cafeteria regaining her energy so she can face her next hour class.

Fifth hour: she is a hall monitor in the main hall.

Sixth hour: She is in journalism helping to get the paper out.

Seventh hour: She is in government wishing she was on the bus going home.

If you haven't guessed, see page four.

Student Council Members Chosen

On September 16 an election was held to choose the homeroom representatives for the Student Council.

The 36 members will attend all general student council meetings and report to their homerooms on all new developments involving students. It is hoped that those selected will carry out their duties to the best of their ability.

The results of the election were:

Betty Bellotie, 10B-1
Bruce Borum, 10B-2
Gail Dearvang, 10B-3
Edward Gabrys, 10B-4
Patricia Hamilton, 10B-5
John Hall, 10B-6
Mike Malyszczek, 10B-7
Linda Miller, 10B-8
Moris Powell, 10B-9

Co-op News

This year many of Lowrey's seniors are taking part in the Co-operative Training Program. This is open to any senior who has a C or better average. The program consists of going to school for half a day and working the other half.

At the present time there are 38 students on this program. In this issue of the Lowrey Light we have listed half of our co-op students.

These are:

Mary Bays, Sales
Janice Marcotte, General Office
Richard Seog, Cook
Raymond Frank, Auto Electricity
Bob Zickafoose, Sales
Donnie Kelly, Sales Attendant
Delorise Strother, General Office
Colleen Mack, General Office
James Tousignant, Machinist
James Casey, Produce Distribution
Priscilla Reinke, General Office

James Burrow, Sales, Auto Mechanic
Paul Greenwell, Sales Attendant
Jan Joannette, General Office
Tim Myhre, Stock Control
Douglas Sain, Stock Room
James Sherlock, Stock
Carolyn Wilber, General Office and Helper

PSAT Test Coming Soon

Here is some information for high school students interested in the Preliminary Scholastic Aptitude Test (PSAT). Mr. Rigotti is in charge of this program.

The test will be given on Saturday, October 24, at O.W. Best. Testing will start at 8:00; the tests will be given only to one hundred students at the cost of \$1.00 per student.

The PSAT is a test program which will show a student's standing in comparison with other students in his age group, and what colleges would accept him according to his ratings. It also shows what subjects he is strong and weak in.

If you are interested in taking the PSAT, get in contact with your counselor as soon as possible.

Jr. High Teacher Joins Staff

One of our newest eighth and ninth grade English teachers is Mr. Ossenmacher. He has been here at Lowrey before but has only substituted for teachers who were absent.

When asked what he thought of Lowrey, he stated, "I like the school

because it has a very nice atmosphere." He also said that the junior high students have a great advantage of being able to go to school with the senior high students.

Mr. Ossenmacher was born in Detroit and has lived in Dearborn nearly all of his life. Besides substituting here at Lowrey, he has also subbed at Bryant Junior High and at other Dearborn schools.

Mr. Ossenmacher obtained his Bachelor of Arts degree at Michigan State University. He has taken some English classes at Wayne State and plans on taking some more this coming summer.

He is not working on his masters degree as yet but will start soon.

While still in college, he majored in junior high English and minored in history.

Thespians Cast Next Play

Mr. Irwin, sponsor of Lowrey's dramatic club, The Thespians, has casted the fall play, "Blithe Spirit." The cast includes all seniors

The lead male role in the play will be portrayed by Hugh Gallagher. The role is Charles Condomine. Featured in the play as Mrs. Condomine will be Judi James.

Other roles in what looks to be Lowrey High's most promising production include Thespian president Rozlyn Reece as Elvira, Gail Koon as Edith the maid, Mark McFarland as Doctor Bradman, Eve Brill as Mrs. Bradman, and Joan Houle as Madame Arcati.

The Thespians and Mr. Irwin are working night and day to make "Blithe Spirit" their best effort yet. A great deal of time has already been spent by Mr. Irwin and the Thespians in picking out the cast, and the selection of the play the Thespians are doing.

"Blithe Spirit" is a former Broadway production which starred Clifton Webb originally in the role of Charles Condomine. It was a rollicking success.

Future Teachers Start Year Right

This year's Future Teachers are a very active group. On Saturday, October 3, the seniors of the club drove out to Eastern Michigan University for a guided tour of the campus and buildings. They were given an inside look at college life by Marlene Mroch, last year's historian of the F.T.A., and who is now a freshman at Eastern.

Then, Tuesday, October 6, they organized a picnic at Hemlock Park. For entertainment, the girls played kick ball and sang songs. Everyone enjoyed eating roasted hot dogs and baked beans in the cold air which made the food tastier. All of the participants had a good time.

Nurses Ballot

The Future Nurses Club met last Tuesday for the second time this year.

At this meeting, committees were outlined and members chosen. The committees are: publicity, project, program, and library. A new secretary was also elected.

The officers for the year are:

Heather Clark President
Becky Dagenhardt Vice-pres.
Karen Croskey Treasurer
Gail Medved Secretary

Refreshments consisted of cake, cookies, and milk, and were provided by Cathy Bruce and Mary Burt.

At the next meeting to be held on Tuesday, October 20, a movie titled "The Professional Nurse" will be presented.

Thinclads Lose

Lowrey's Cross Country Team lost their second straight meet to Garden City on Tuesday, October 6, by the score of 19-41.

Rick Adis was the only harrier for Lowrey that did any good running. The following boys placed for Lowrey: Rick Adis, 3rd; John Holstead, 6th; and Frank Orban, 8th.

Student Teacher In Science Department

Miss Carol Snabb is the new student teacher working with Mr. Bach, chemistry teacher, in the science department at Lowrey.

Miss Snabb graduated from Highland Park High School, and is now attending Central Michigan University. With chemistry as her major, she will receive her B. S. degree in January.

Miss Snabb picked teaching as a career because, she says, "It is interesting, rewarding, and active," and she says she doesn't like to sit around.

As yet, Miss Snabb reveals that she has not regretted becoming a teacher. She admits that to be happy and for everyone else to be happy is the code she lives by.

Fizz-Chem News

Members of the Fizz-Chem Club, sponsored by Mr. Keittler, selected new officers for this year. They are:

President Mark Schulte
Vice president Mark McFarland
Secretary Sharon Magdowski

Some of the future plans for the Fizz-Chem Club are a field trip to University of Michigan's Atomic Reactor, and a field trip to a ski lodge to measure the amount of friction that it takes a skier to come down the mountain.

Anyone who has at least a "C" average in science subjects, has taken one semester of chemistry or physics, and is planning on minor-ing or majoring in science is welcome to join the club.

The meetings are held on each first and third Tuesdays of the month in Room 14.

Marking Period To Be Different

There will be a new report card schedule this year since report cards will come out every ten weeks instead of every seven weeks.

Edsel Ford High School and a few other junior high schools here in Dearborn have been on a ten week marking schedule for several years now.

This type of a program will work in fine with our Industrial Orientation classes too, since the boys switch from one shop to another every ten weeks.

Here is how the schedule will go:

Semester Ends	Cards Come Out
November 13	November 18
January 29	February 1
April 9	May 14
June 16	June 18

The cards will be mailed in June.

the meet. Coach Sande replied, "We're running worse instead of better. If the boys don't start improving, heads are going to start rolling."

Bowlers Roll

Mr. Roe is this year's sponsor of the Senior High Bowling Club. There are over 40 members in the club. They bowl two games for \$3.00 every Tuesday after school at the Dearborn Lanes.

The club started their first game Tuesday, October 6. The following were the highest scores:

Girls' High Game	
Judy Bolash	151
Susan Opp	145
Girls High Series	
Judy Bolash	277
Carlene Hackett	245
Boys' High Game	
Louis Lollo	185

Meet Miss Santeiu

Miss Santeiu has been added to the elementary staff of Lowrey as a first grade teacher.

She is a graduate of the Univer-

sity of Detroit and majored in English. She is now attending the University of Michigan at night school and is majoring in Early Childhood Psychology. She did her student teaching at Whitmore Boles and then taught first grade at William Ford. Miss Santeiu said that the main problem of teaching children of this age is trying to keep them quiet. When asked for a comment, she said, "The staff and working conditions are just great."

Welcome to Lowrey, Miss Santeiu! We hope your future at Lowrey will be a happy one.

Cagers Face Big Challenge

This year Lowrey's varsity basketball team will try to better their last year's record of 12-4. Last year was Lowrey's greatest year in the history of the school, but they still wound up in only second place.

Lowrey will try to end Riverside's domination of the league in the last year of the five team league.

The cagers will play all their league home games at Lowrey and their non-league games at Best. There is a fifteen game schedule with one game being played at Lansing. It will be the first time the cagers have played a team so far out of Dearborn.

Let's have a fine turn out for Lowrey at all the games. This year's schedule is as follows:

Tuesday	December 1	Garden City East	Away	6:30
Friday	December 4	Garden City West	Best Jr. High	6:30
Friday	December 11	Romulus	Best Jr. High	6:30

Last year's standing in the Tri-River League was as follows: Riverside, 8-0; Lowrey, 6-2; Southgate, 4-4; Haston, 2-6; and Cherry Hill, 0-8.

Football Terms Flyers Nip Bears

DEFENSE: Attempting to impede the progress of the team possessing the ball.

OFFENSE: The team in possession of the ball.

POINT-AFTER-TOUCHDOWN: An extra point which may be made by a team scoring a touchdown. May be made by running, passing, or kicking.

REFEREE: The chief official; positions himself behind the offensive team.

SIGNALS: Numbers which may designate the play as well as the moment to snap the ball.

TOUCHDOWN: When a team has possession of the ball in the end zone of the defending team. (Scores 6 points.)

END ZONE: Ten-yard area between the goal line and the end of the field.

FIELD GOAL: Drop kicking or place kicking the ball over the crossbar from scrimmage. (Scores 3 points.)

FLANKER: An offensive back lined up outside his end.

GOAL LINES: Lines marking the ends of the 100 yard playing field.

HALF-TIME: Rest period between the second and third quarter.

OFF SIDE: Crossing the line of scrimmage before the ball is hiked.

QUARTER: One of four periods of playing time (12 minutes in high school.)

SAFETY: When a ball is downed by the offensive team behind its own goal line or is forced out of the end zone. (Scores 2 points for the defense.)

Lowrey's varsity football team dropped its second game of the year to Willow Run on Friday, October 2, by a score of 32-24. It left the Bears with a 1-2 record.

It was a hard fought game in which the score was always close, but the Bears couldn't get the lead.

In the first quarter Willow Run got off to a quick 13-0 lead. The Bears scored early in the second quarter and trailed 13-6. Cole hit Perri with a long touchdown pass. Then Jon Hall ran the ball in from the 5 yard line; and the Bears now trailed 13-12. This was the score at halftime.

In the second half it turned into a hard fought game. Willow Run got a quick touchdown and led, 19-12. The Bears came right back with Perri catching a pass from Cole. It left the score at 19-18 at the end of the third quarter.

In the fourth quarter, Willow Run got another touchdown; it looked hopeless for the Bears. But they battled back to score another touchdown on a long run by Tim Malyszek. This made the score 25-24, still in the favor of the Flyers. But with the Bears pressing to get the ball, the Flyers ran a long touchdown with just a few seconds remaining. This ended the game with Lowrey on the short end of a 32-24 score.

It must be noted that the Bears did not score a single point after a touchdown, and this brought about the loss. And it should also be noted that Bradley St. Andrew, a senior at Lowrey, suffered a broken arm in the game and is out for the rest of the season.

Sports Spotlight

In each issue of the sports page of the Lowrey Light, a sports spotlight is focused upon an athlete who is now in season. In our first spotlight

we have Tim Malyszek, 12B-6 a slot-back on this year's football team.

Tim is a resident of District 7. He has averaged a B- on his college prep course.

Tim's favorite hobbies are skiing and all other sports. He has won letters in football, baseball, and swimming here at Lowrey.

Tim is majoring in drafting and plans to continue this work at the University of Miami, Florida.

When asked his opinion of this year's football team, Tim replied, "It's got a lot of spirit and should go pretty far."

Adis Sets Record

Lowrey's cross country team lost to Willow Run on Thursday, October 1, by a score of 23-34.

Lowrey's chances of winning were hampered because John Halstead, 12B 4, and Bob Fritz, 12B-3, did not run. Rich Adis, 12B-1, set a new cross country record at Lowrey with

**BEAT
THE REBELS**

a time of 10:46. The old record, 10:48, was held by Paul Zwarka, who graduated last year.

The following boys placed for Lowrey:

Rich Adis, 1st, 10:46
Frank Orban, 6th
Frank Ligi, 6th

When asked what he thought of the meet, Coach Sande said, "The difference in the meet was Halstead. If he had ran, we would have won by one point."

Fumbles Costly

A third defeat of the season was dealt to Lowrey's varsity football team on Friday, October 9, by Southgate by the score of 31-12.

The first half was a close battle all the way. Southgate scored first and then Ray Gieruicki ran a touchdown for Lowrey. The Sabers then scored and went ahead 12-6. With about two minutes remaining, Doug Cole ran for a touchdown and tied the score at 12-12 as the first half ended.

The second half was all Southgate's. They scored one touchdown in the third quarter and two in the fourth quarter. The Bears didn't score a point.

This was Lowrey's first loss since joining the Tri-River League and it looks as though we will have to wait another year for a football championship. The Bears are now 1-1 in league play and they still have to play the league's toughest foes—Riverside and Haston.

In the game with Southgate, the Bears just could not hold on to the ball. Each time they started a drive they lost the ball on a fumble.

The turnout for the game was very small, mainly because of the cold weather and the distance of the school from Lowrey.

This Friday, we play Riverside, and if we pull an upset we can be right back on top in the race. Let's get out there and support our team.

Reserves Roll

A third straight victory was scored by Lowrey's reserve football team when they defeated Cherry Hill by the score of 27 to 7 on October 1, at Hemlock Park.

Lowrey received the kick off and on the third play, Mike Jacek ran for a 50 yard touchdown. He missed the extra point.

Steve Gerych ran 10 yards to make the second touchdown of the game. He also ran the extra point. Brian Mertz recovered a blocked punt and ran 20 yards to make the score, 19 to 0. Again Steve Gerych ran the extra point. At the end of the half the score was 20 to 0.

Early in the 3rd quarter, Ed Gabrys scored from the 15 yard line, with Steve Gerych making the extra point.

With Lowrey playing its second and third string teams, Cherry Hill scored its only touchdown in the last 30 seconds of the game.

Coach Gretzner said that he was very pleased that all the members of the team could get into the action of the game.

Some of the better defense players are Jon Thostenson, Bob Bonnici, George Bolash, Brian Mertz, Tony Ortega, Geoffrey Thrasher, and John Ordus.

THE SHADOW

The answer to this week's Shadow is Dyanne Gendron, 12B-4
