# WELCOME TO LOWREY

## Principal's Greeting

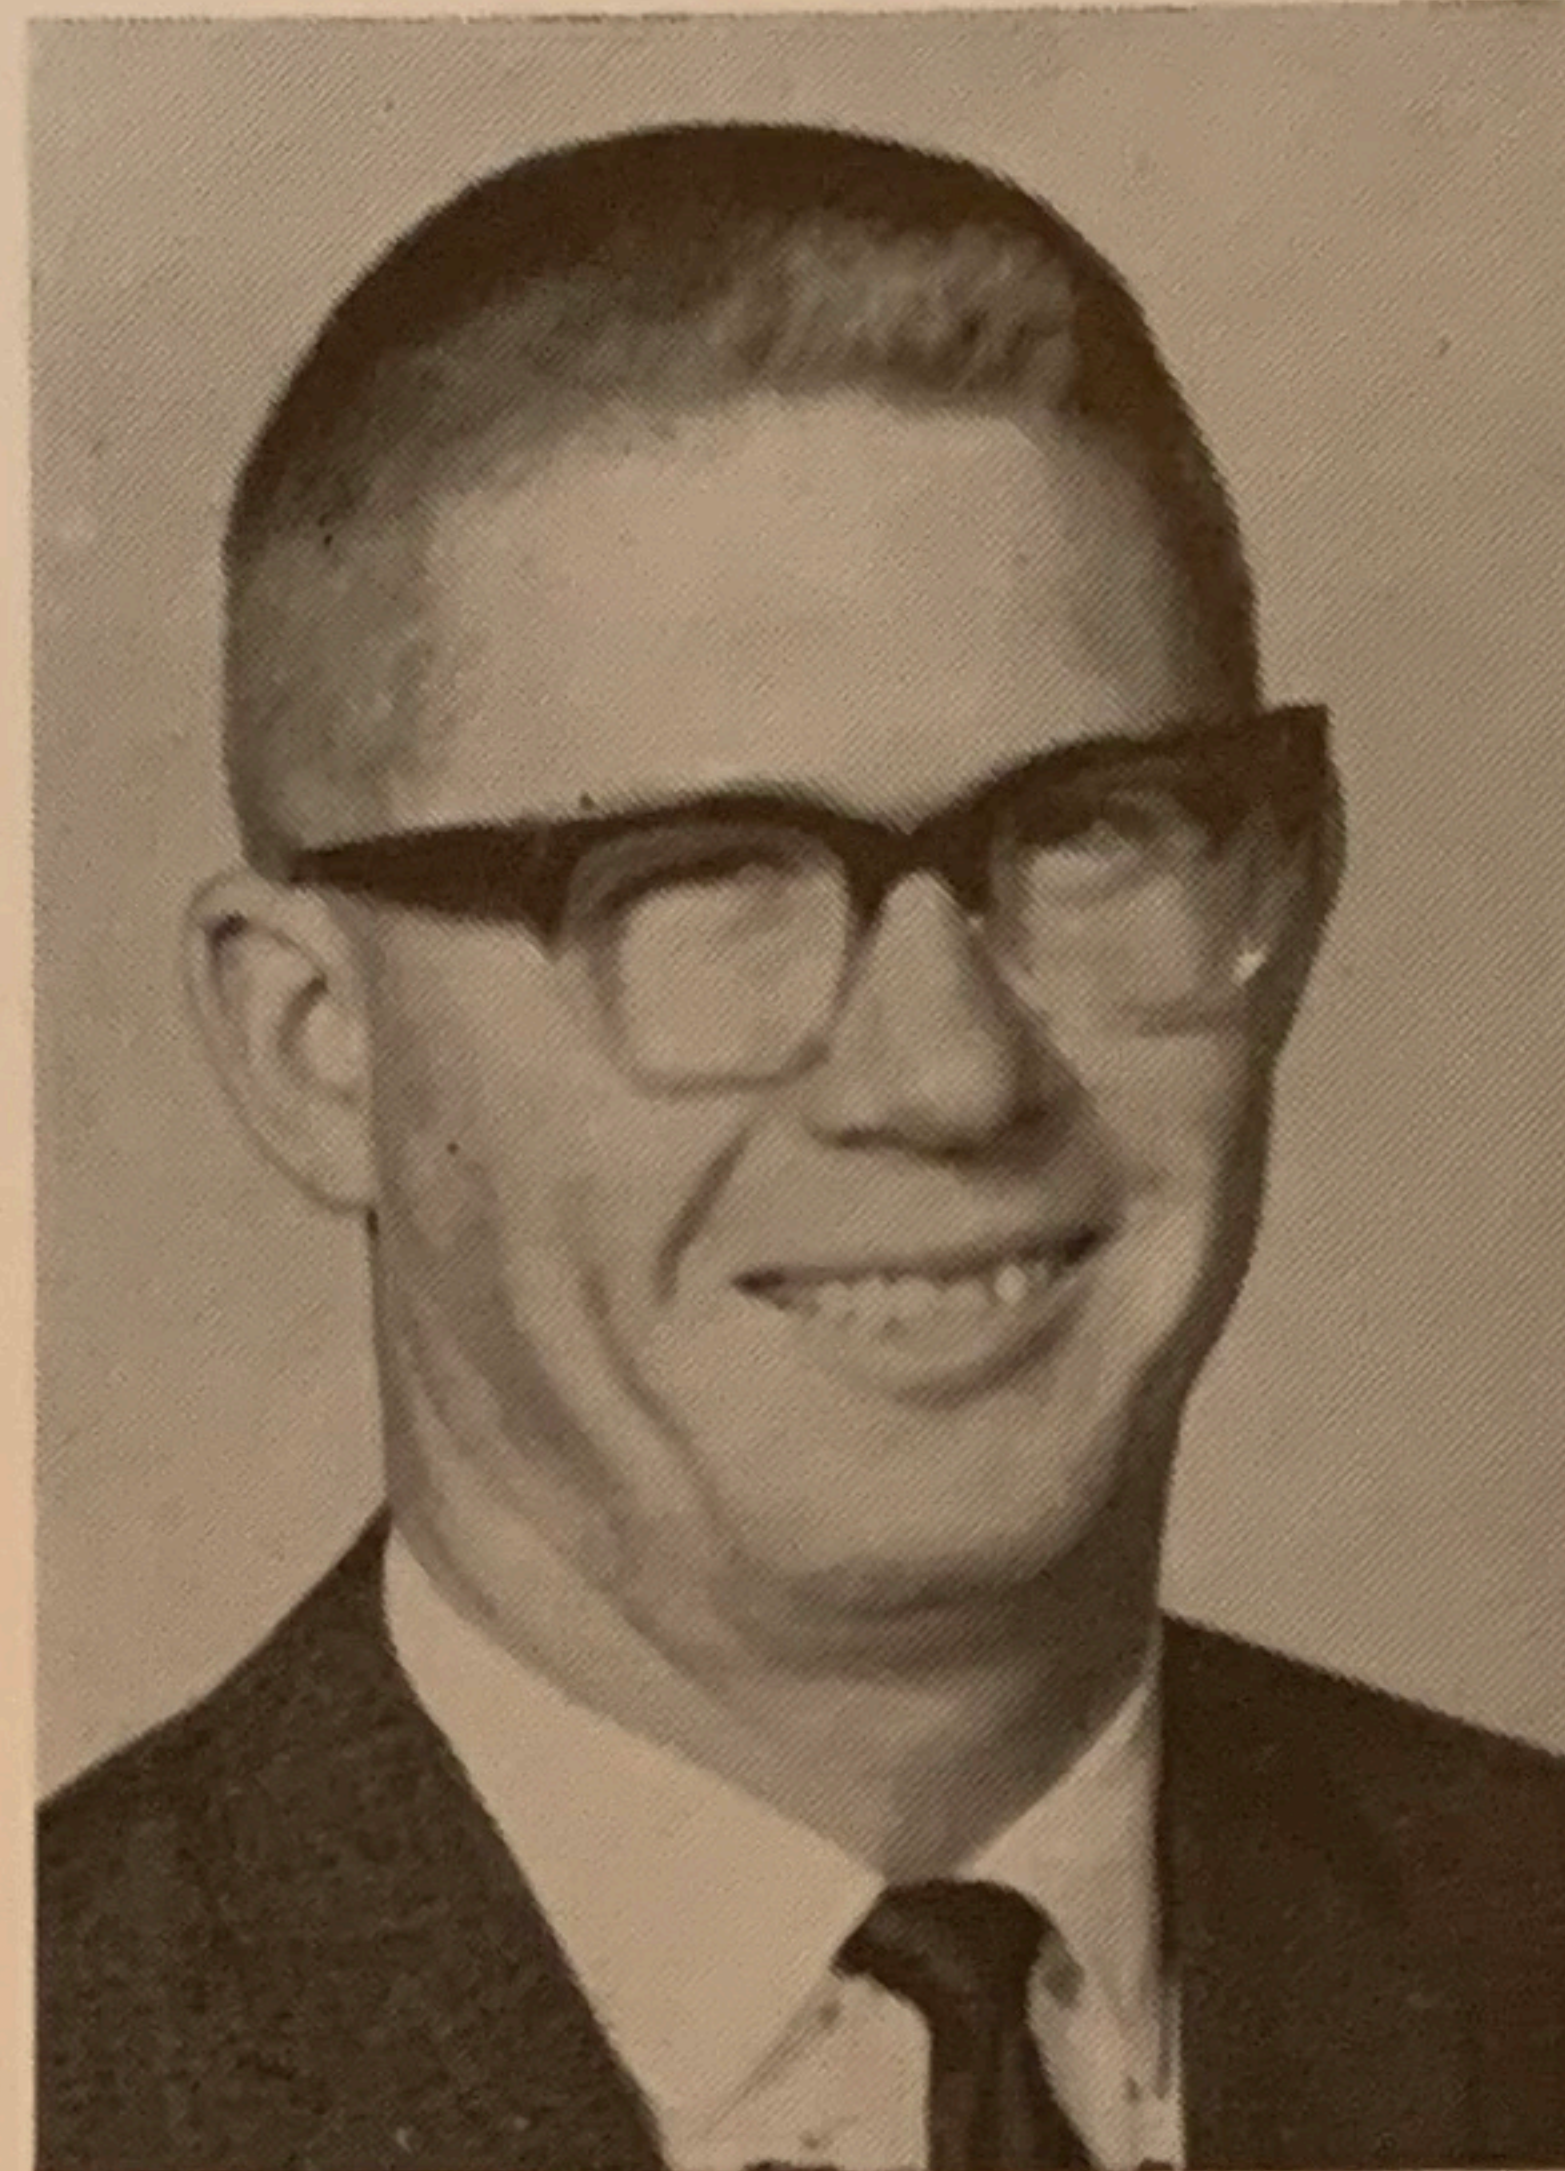

Welcome to Lowrey High School. We, at Lowrey, are very happy that you are joining us for the next three years and expect many fine things from you. In this modern-day world we deal in split seconds and outer space, electronic computers, and rockets to the moon. Every minute counts—competition is tough—there is no place for you without an education. You must have an education and Lowrey is the place for you to get it. It's all yours—it's all up to you. Whatever you do at Lowrey in the next three years will do much to shape your adult life. Select the program best suited for you and then make the most of it. Make your stay at Lowrey a fruitful and happy one.

—John P. Romanow  
Principal

## Asst. Principal Welcomes New Students

I hope that each of you will take advantage of the wide range of activities open to you throughout your three years here at Lowrey High School. Teachers, counselors, club sponsors, coaches, and administrators are ready to assist you in choosing and completing a balanced worthwhile program.

In order to have a successful high school experience, considerable effort is required. We are willing to do our part. How about you?

—J. Boatwright  
Assistant Principal

## Homecoming

This year's Homecoming Dance, which is sponsored by the Seniors, will be held on October 30, 1964 in the Lowrey Ball Room. The time will be announced some time in the near future.

The Homecoming Queen and her court will be announced at the football game with Haston, preceeding the dance. The queen will be crowned at the dance by the captain of the football team. She will be a Senior and her court will consist of two Seniors, two Juniors, and two Sophomores.

There will be a parade with a convertible for each member of the court and the queen to ride in.

The tickets cost two dollars per couple with one activity ticket or two dollars and fifty cents without an activity ticket.

## Student Welcome

As a representative of the student body of Lowrey High School, I would like to extend a warm welcome to all of the new 10B's. We hope your years at Lowrey will be worthwhile and enjoyable.

Your three years here at Lowrey are probably three of the most important years of your lives. What you accomplish within this time is entirely up to you.

As students in any high school, our main purpose is to learn. Whether you desire to become a nuclear physicist, electrical engineer, teacher, nurse, or retail clerk, you can find courses here to suit your tastes and ambitions.

We hope you will take advantage of the extra-curricular activities offered in our school. You should be able to find clubs to suit your interests among our many worthwhile organizations.

We hope you may be able to find many friends among the students and faculty. If you combine

work and fun, your years in high school will be very memorable.

Good luck and work hard.

—Anita Day

President

# Student Activity Books Now on Sale

Lowrey High School is selling student activity books which are used for athletic events, dances, plays, and the school yearbook. The activity book sales will be from the 10th of September to the 18th of September only. An activity book will serve two main purposes: (1) to get you in as cheaply as possible, (2) a reduction in the price of admission is possible when a large volume of books is sold.

We urge you to buy your activity book as soon as possible, because the first event is the Kick-Off Dance which will be held on September 25. There will also be a football game against Willow Run soon. The activity book can be purchased from your homeroom teacher for \$2.50. It is well worth the money because it is used for activities the entire year and entitles you to a large discount on the School Futurian. When a student purchases an activity book, it helps pay for the cost of athletic expenses, the activity banquet, student visits, assemblies, and many other activity expenses.

Student paying the full admission charges to these events would pay over \$25.00. These are the events of the year and what they would cost you if you don't buy the activity book.

## FINANCIAL STATEMENT OF ACTIVITIES

No student tickets sold at gate or door for any of these events.

SEE YOU AT THE EVENTS ! ! !

## Hall Rules

One of the first rules you will have to learn here at Lowrey is concerning the use of the hallways.

There are certain halls that cannot be used. As you walk into the main doorway, located on the Jonathan Avenue side, the three hallways you see are not to be used. The hallway ahead of you is the orthopedic hall. The hallways to the left and right are elementary hallways.

If this rule is obeyed along with the other rules at Lowrey we are sure that your high school years will be successful.

## School Mascot

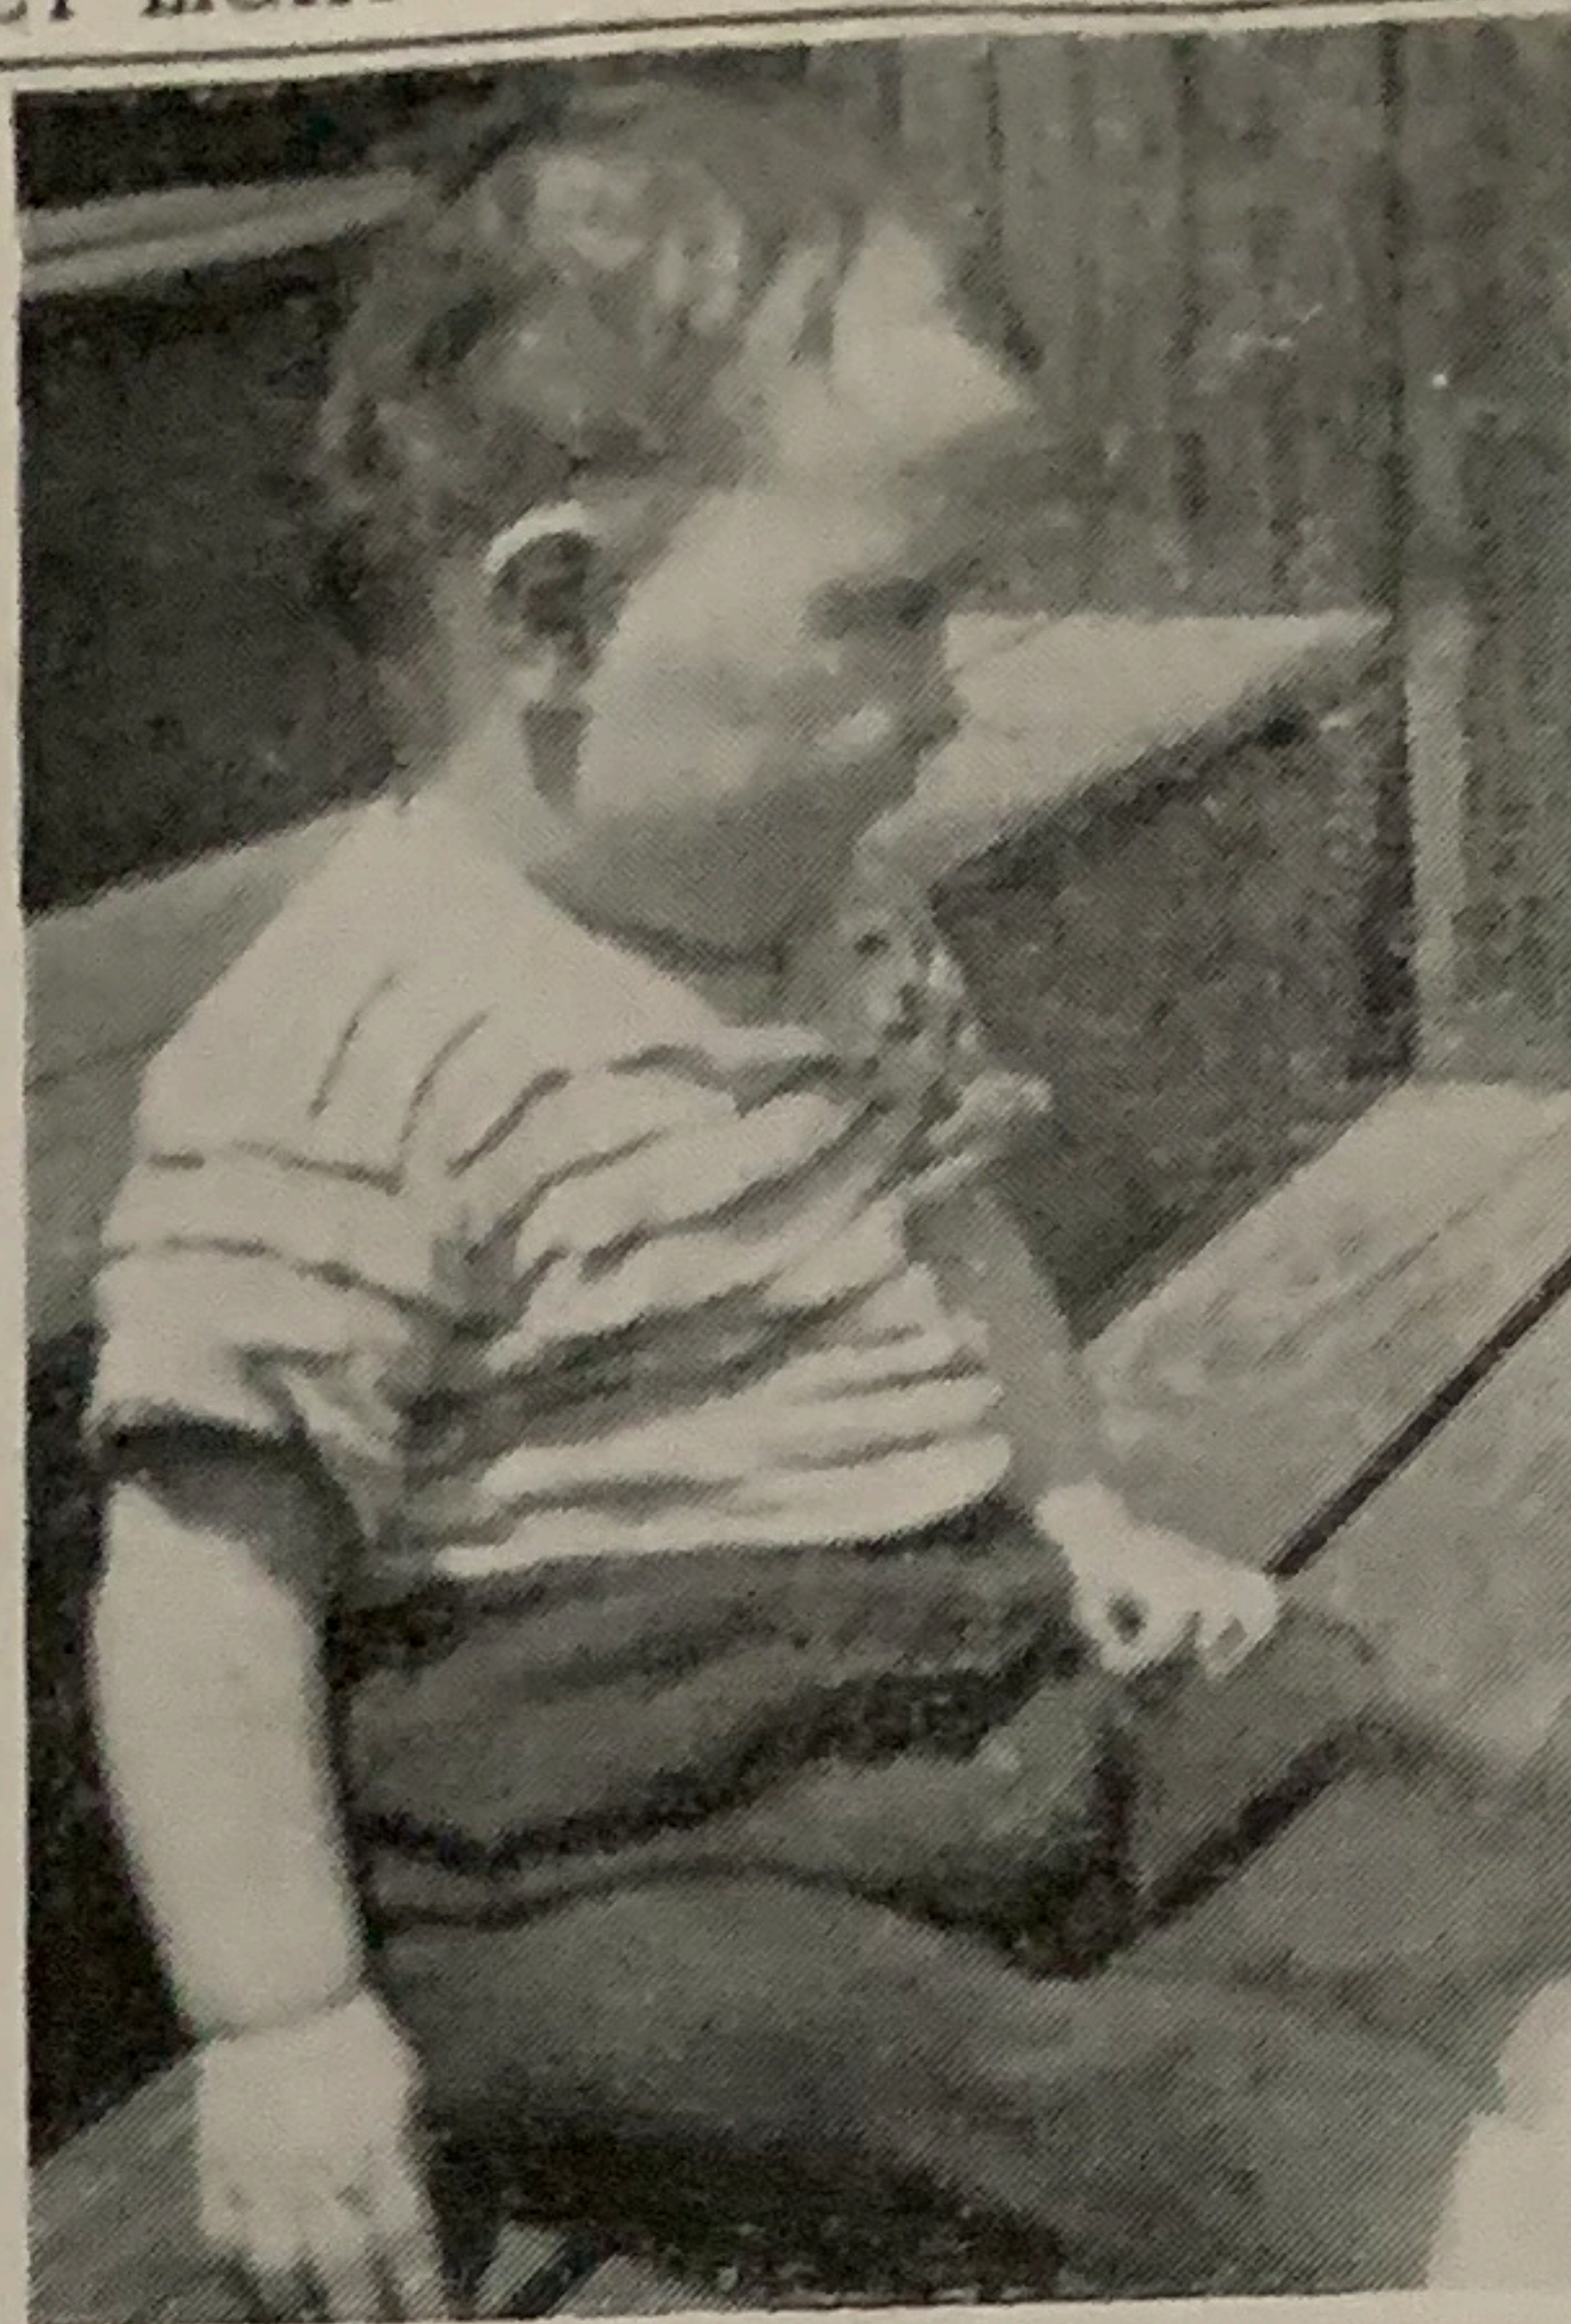

The polar bear was adopted the official mascot for the high school in 1946. It was formerly the mascot of the junior high.

The polar bear statue, which stands in the second floor main hall, was a project of the W.P.A. (Works Project Administration) during the depression. It was a part of the government's effort to create jobs for artists who were out of work. When it was completed, it was donated to the school by the government.

For quite a few years, the statue stood in the study hall, but was then moved to a corner of the main hall by the stairs. In April of 1961, it was moved to the middle of the main hall so that every Lowrey student could see it easily. You can show your respect for the polar bear by not leaning or writing on it.

## Donuts To Be Sold Again

Last year Lowrey's Student Council began selling donuts in the cafeteria before school each morning. The student body co-operated very well, and because of this co operation, the sale of donuts will be carried on very soon this year.

## Guess Who?

Can you guess who this is? He is one of our new sophomores and his favorite sport is track. He has grown a little and isn't as chubby, but he still has the same dark hair and eyes.

If you still don't know who it is, turn to page 4 for the answer.

## Order Your Futurian Now!

The School Futurian is an encyclopedia for a specific school year. It contains students in clubs, homerooms, and many school activities. The main purpose of the annual is to give the seniors a souvenir of their last year in school. The book is offered to all the students because everyone is in it and you will find it something to remember that particular school year.

Last year's annual was ninety-six pages long and Mr. Falvo said, 'If we can sell over a certain quota, we can increase the number of pages in the Futurian each year.'

So the staff urges everyone to be sure to buy and support the Annual when you buy your Activity Ticket.

## Eternity-Only A Second Away

Let me tell you what happens in the first fatal second after a car going 55 mph hits a solid object.

In the first tenth of a second, the front bumper and grille collapse.

The second tenth finds the hood crumpling, rising and striking the windshield as the spinning rear wheels lift from the ground. Simultaneously, fenders begin wrapping themselves around the solid object and although the car's frame has been halted, the driver's body is still going 55 mph.

Instinct causes the driver to stiffen his legs against the crash and they snap at the knee joint.

During the third tenth of the second, the steering wheel starts to disintegrate and the steering column aims for the driver's chest.

The fourth tenth of a second finds two feet of the car's front end wrecked while the rear end still moves at 35 mph and the driver's body is still traveling at 55 mph.

In the fifth tenth of a second the driver is impaled on the steering column and blood rushes to his lungs.

The sixth finds the impact built up to the extent that feet are ripped out of tightly laced shoes. The brake pedal breaks off. The car frame buckles in the middle and the driver's head banks into the windshield as the rear wheels, still spinning, fall back to earth.

In the seventh tenth hinges rip loose, doors open, and the seat breaks free striking the driver from behind. But he does not mind because he is already dead, and the last three tenths of a second mean nothing to him.

## This Year's Cheerleaders

Last spring 5 new Senior High Cheerleaders were chosen for this year. They are Marsha Brisbin, 11B-2, Dorothy Thompson, 11B12, Carole Lake, 11B-7, Joan Sawicki, 11B-11, and Donna Daley, 12B-2. There are also 3 returning cheerleaders. They are Sharon Char, 12B-2, Jean Sawicki, 12B-9, and Colleen Mack, 12B-6.

These eight girls were selected from 16 other girls in the semi-finals. Beginning this year, a new rule will become effective. All girls desiring to be cheerleaders will be judged competitively, including the eleventh grade girls that are already cheerleaders.

The girls that were chosen must live up to the cheerleaders' code. This consists of no smoking, no drinking at any time, and no swearing. The girls must wear moderate hair-dos and make-up, and they must wear red lipstick while cheering. They were judged on:

1. Ability and execution.
2. Stunts such as jumps.
3. Synchronization as shown by voice, pep, and facial expressions.
4. Average appearances.
5. Scholastic achievement. They must maintain a "C" average.

Miss Joyce Weaver is the Cheerleading sponsor.

Martha Brisbin

Joan Sawicki

Donna Daley

## Fizz-Kem

One of the most interesting and profitable clubs at Lowrey is the Fizz-kem Club, which is sponsored by Mr. Keiffer. Anyone who has a "C" average in science subjects, has taken at least one semester of chemistry and physics, and is planning on minoring or majoring in science is welcome to join.

During the school year, the Fizz-Kem Club is active in many things, including field trips to many places of interest in the Detroit area, and individual projects. The club also stimulates interest in science fairs and institutions.

Of the many benefits of the clubs, the most important is the opportunity to explore science beyond the classroom.

## Booster

The Booster Club is one of Lowrey's most active clubs. It works to boost school spirit. Some of its activities are to sell candy, popcorn, programs, emblems, pompoms, and other such things at games.

The club meets every other Wednesday after school for about an hour. Mr. Fedoruk is the club sponsor.

This year's Booster Club officers are:

President \_\_\_\_\_ Sue Olenik  
Vice President \_\_\_\_\_ Chris Hines  
Secretary \_\_\_\_\_ Donna Daley  
Treasurer \_\_\_\_\_ Linda Borum

All students interested in joining the Booster Club are welcome.

An inelegible college football player is one who can run and kick But can't PASS!

## G. A. A.

The girls also have a club for sports, the G.A.A. The Athletic Association is a club whose goal is to promote sportsmanship and to provide enjoyment. G.A.A. is sponsored by Mrs. Natkowski, who is in charge of the girls' athletic department. There are many sports offered by the G.A.A.

Swimming  
Basketball  
Badminton  
Baseball  
Fencing  
Volleyball  
Ping Pong  
Archery  
Bowling—offered through Bowling Club  
Soccer

If you belong to G.A.A. for two years and have participated in three team sports and two individual sports, you will receive a school letter.

The club is usually held on Thursday from 3:45 to 4:45 p.m. It is open to all Senior High Students and ninth grade students.

## Band

Some of the activities a student can enjoy in band throughout the year are: Half-time shows at all home football games, a trip to Ann Arbor for the annual University of Michigan Band Day, some time in October, a Christmas Concert with the band alone.

By being in band, a student can have more enjoyment, and receive the same amount of credit as in a regular class. Let's see more students in our band this year!!

Anyone interested in music has an opportunity to study this subject in the Lowrey Band. No previous musical experience is required. At the beginning of the school year, a musical aptitude test is given. Those students with the highest ratings are notified by Mr. Keranen, the director. Even those students who do not as well on the test may join Intermediate Band.

Both uniforms and instruments are provided by the school. Each semester, a fee of \$3.00 is charged for the rental of an instrument.

## Fu'ure Teachers

A very interesting club is the Future Teachers (F.T.A.). The members assist teachers here at Lowrey in taking care of their classes, take trips to various universities in Michigan, sponsor car washes and other money-making activities. The sponsor of the club is Mrs. Dotson. All tenth, eleventh, and twelfth grades are invited to join. Meetings are held the first and third Tuesdays of the month.

The club's officers are:

President \_\_\_\_\_ Linda Wilkenson  
Vice-President \_\_\_\_\_ Anita Day  
Secretary \_\_\_\_\_ Roselyn Ish  
Treasurer \_\_\_\_\_ Chris Hines

## Thespians

The Lowrey Thespians are a group of students who are interested in dramatics. They perform single and double act plays during the school year. The meetings are held after school.

The actors, actresses, stage crew, prompters, make-up, and costume designers are all important in the field of acting.

The Thespians welcome all 10th, 11th, and 12th grades who are interested in the theatre. More information about meeting time and dates will be published later.

## School Traditions

This year's Senior class will be the second to have a full year use of the Senior fountain. The fountain was installed May 29, 1963. It is located in the Main Hall of the top floor of Lowrey under the bulletin board. The money for the fountain was donated by the class of "62" and "63".

The fountain is for seniors only.

In the Main floor at the top floor of Lowrey, there is an "L" which should not be walked on. The polar bear, the school Mascot, is setting next to the Lowrey "L".

The "L" is a symbol of our school which should be treated as such; not walking on the "L" is also a school tradition and it would be nice if everyone would try to keep this tradition going.

## Majorettes

Last May two new Majorettes were chosen. They are Sharon Cayley, 12B-2, and Carol Evanchuck, 11B-4. Cynthia Ganski, 12B-4, was also chosen as alternate. There are five returning Majorettes. They are: Dorothy Calvin, 12B 2 (Captain), Sue Bydlowski, 12B-1, Becky Dagenhardt, 12B-2, and Joan Houle, 12B-4.

These girls were selected on poise, personality, marching and strutting, and actual twirling. Each girl must also make up her own routine and perform it to music. Mr. Keranen is the Majorette sponsor.

The Majorettes usually furnish their own uniforms, but the school buys them their hats.

Majorettes march at football games, some basketball games, the winter concert, the Memorial Day parade, and Band Day.

## Cross-Country

Lowrey's Varsity Cross-Country team is going to start practice very soon. According to Mr. Sande, coach of the cross-country team, all boys who are interested in going out for the cross-country team are urged to come out. In case some of you do not know what cross-country is, it consists of a two mile course in which the top seven boys to finish place for points. There are seven boys who make the varsity team. The captain of this year's team is Rick Adis, 12B.

Here are this year's returning lettermen:

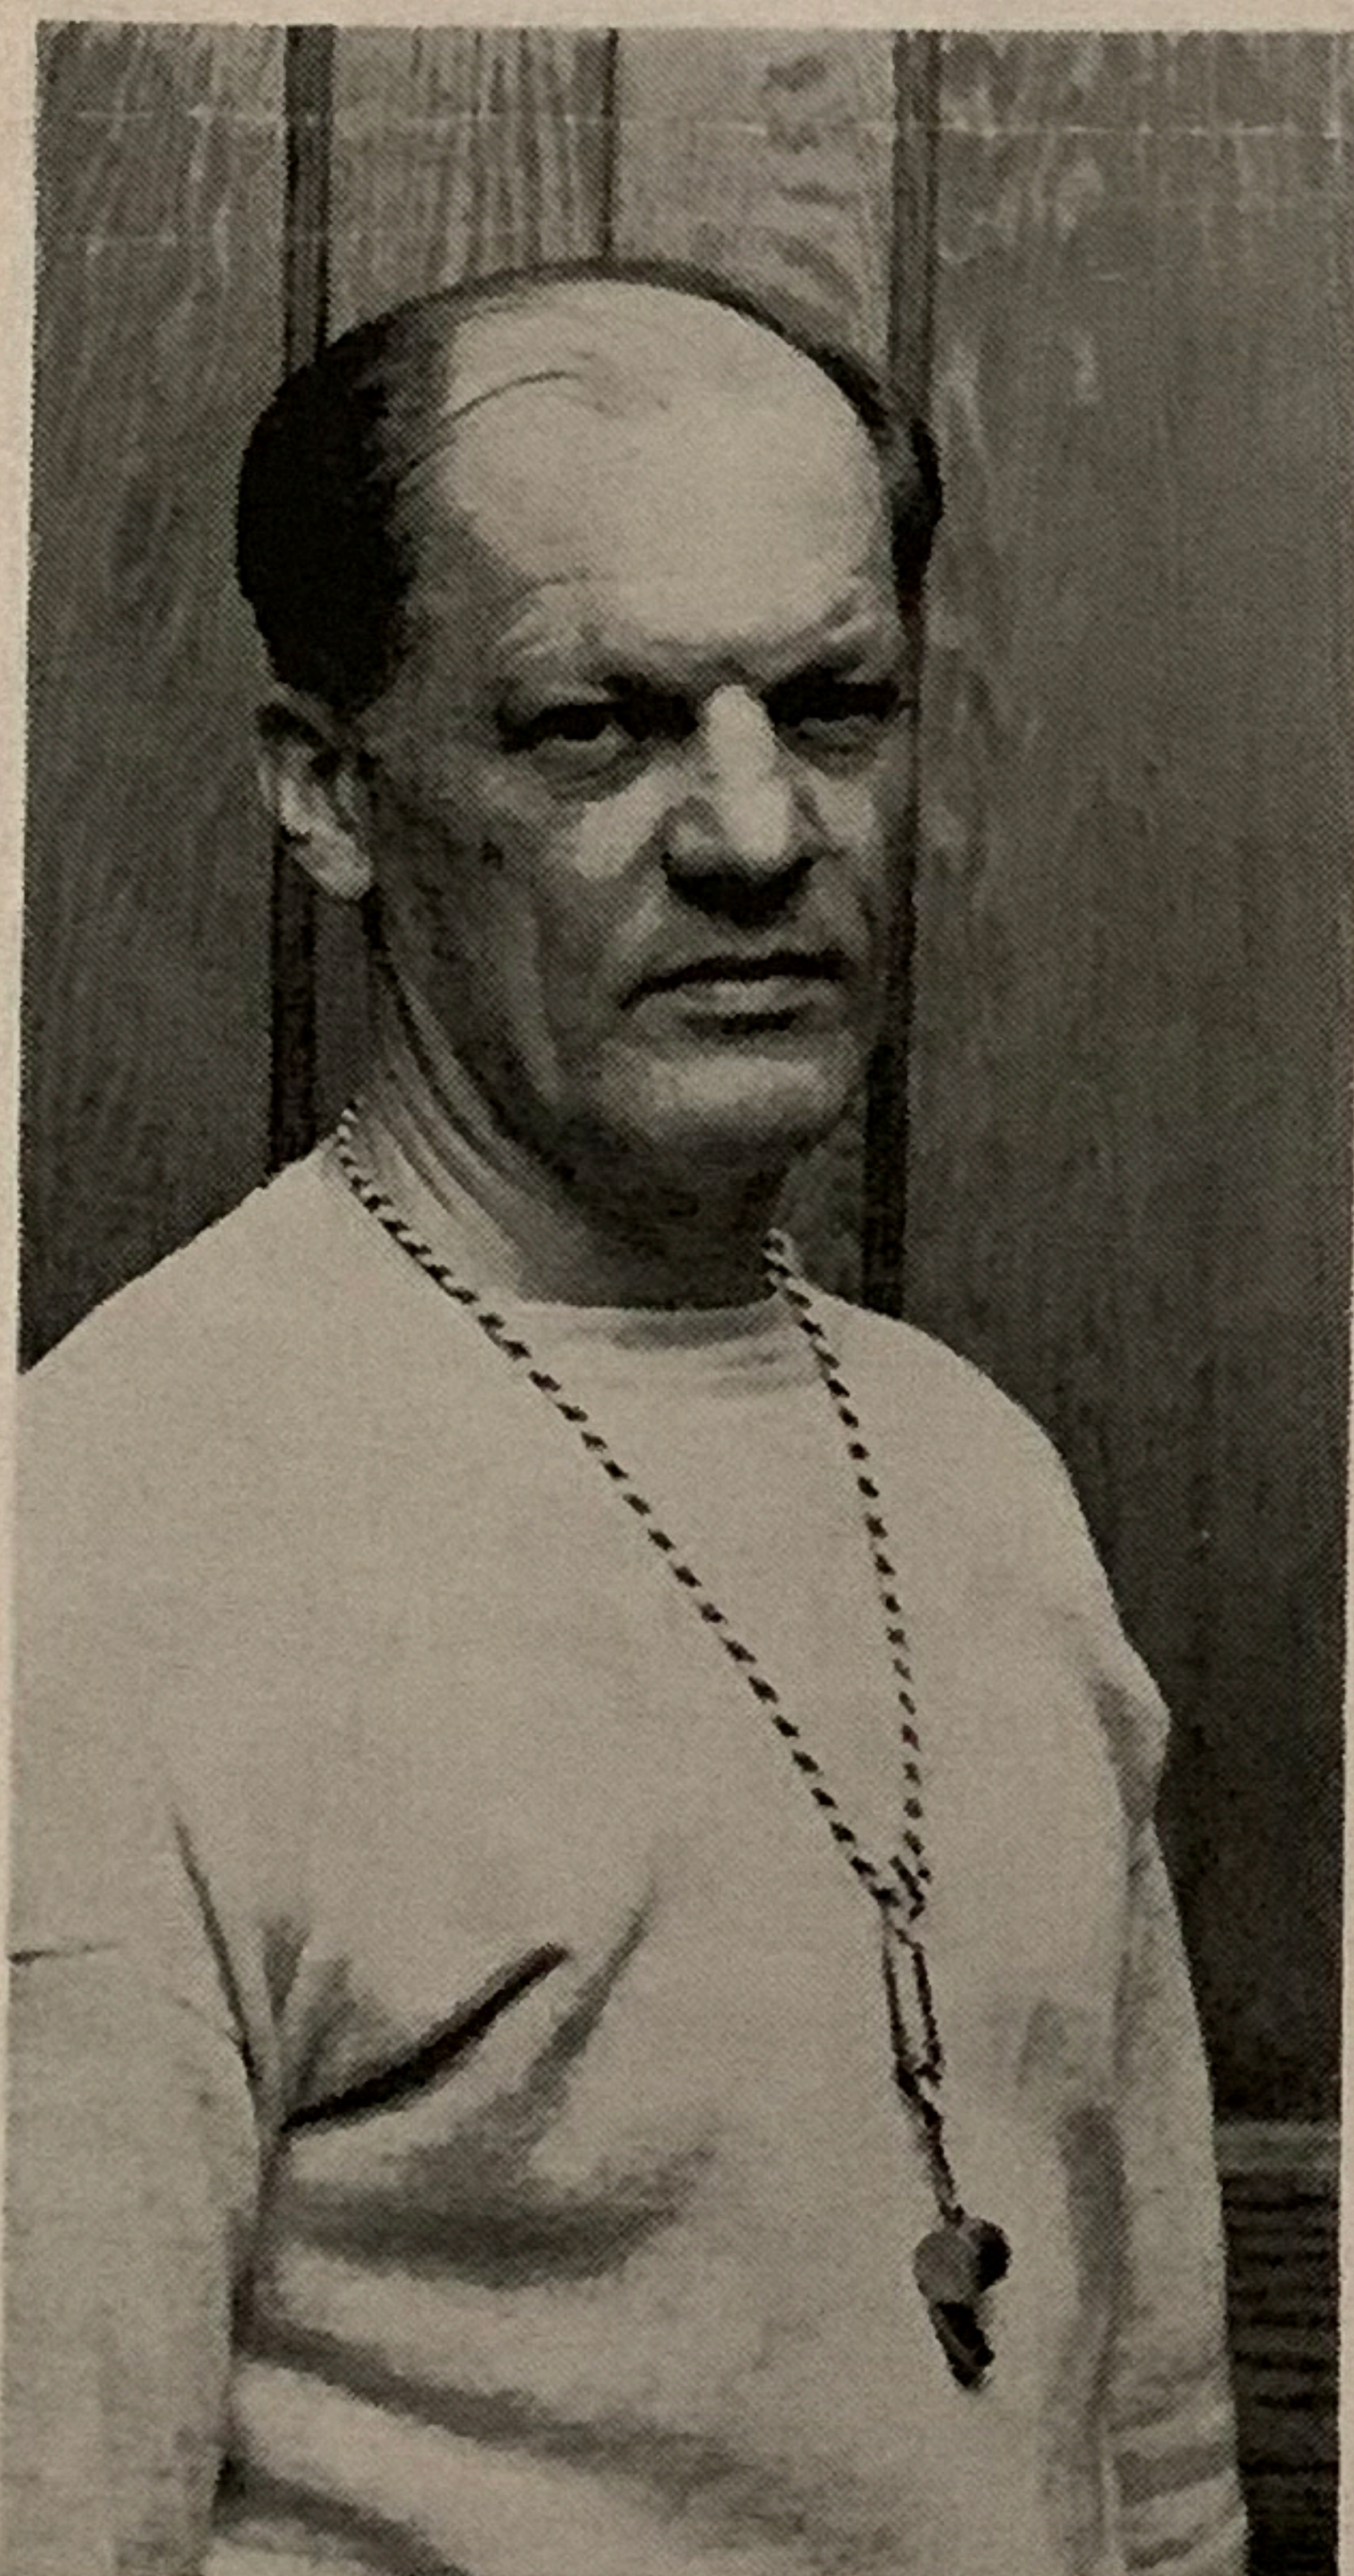

Rick Adis, 12B  
Bob Fritz, 12B  
John Halstead, 12B  
Ken Hughes, 12B  
Frank Ligi, 11B  
Doug Davenport, 11B  
Ralph Maurer, 11B  
Frank Orban, 11B

This is only Lowrey's third year in cross-country and second year in the Tri-River League which consists of Riverside, Southgate, Haston, and Cherry Hill. This is Cherry Hill's first year in cross-country.

It should be noted that this is the third varsity year for Rick Adis and Bob Fritz.

All interested 10th graders are encouraged to go out for the cross-country team. Last year four sophomores made their varsity letter.

According to Coach Sande the

team to beat this year is Riverside.

Lowrey's home meets are held at the Warren Valley golf course.

## Laugh a Little

A proud 16-year-old turned into the family driveway at the wheel of the family car. His father sat beside him. Several younger brothers converged on the scene.

"I passed my driving test," shouted the happy driver. "You guys can all move up one bike."

—The Wall Street Journal

## Football

All students who are planning to go out for football should notify one of the football coaches immediately. The varsity coaches are Mr. Bach, Mr. Bodary, and Mr. Flee. The Reserves are coached by Mr. Gretzner and Mr. Rice.

Last year Lowrey wound up in a tie for the Tri-River League championship with Riverside. We would also like to add that the reserves also won the league championship. The loss of many players through graduation leaves many spots open for sophomores.

A Homecoming Dance will be held near the end of football season in honor of the players.

The following boys won letters in football last year and will be back this year:

Herman Beaver	12B-1
Donald Bogotaj	11B-1
Doug Cole	12B-2
Frank Perri	12B-9
Louie Seymour	12B-9
Tim Malyszek	12B-6
Rich Titus	12B-10
Bradley St. Andrew	12B-8

Last year's league contests saw Lowrey defeat Southgate 14-7; tie with Riverside 0-0; defeat Haston 7-0; and defeat Cherry Hill 21-7.

The following is a list of the final football standings for 1963:

	Won	Lost	Tied
Lowrey	3	0	1
Riverside	3	0	1
Southgate	2	2	0
Cherry Hill	1	3	0
Haston	0	4	0

At the end of football season there will be a football banquet for all the players who won letters in football.

We wish the team success throughout the coming year, and we hope to see you out at the games.

As our 17-year-old started out in the family car for a Saturday night date, I gave him the usual caution about the dangers of weekend traffic.

"Don't worry, Mom," he said reassuringly. "We'll park."

—Helen J. Tanner

## Cheers

We have many cheers at Lowrey that make our school spirit shine. Our school song, "The Champions", was written by a ninth grade boy, Ed Riewe, with the help of our chorus teacher, Mr. Coedy.

## Varsity Club

The election of the new officers for this year's varsity club was held last spring so that they will be prepared to start a new year. The officers are as follows:

President — Doug Cole  
V-President - Bradley St. Andrew  
Secretary — Frank Perri  
Sergeant at Arms - Herman Beaver  
Members at Large - Don Bogataj,  
Dan Lukacszewski, John Halstead

During the last year the varsity club started a new point system. The old system used to be that if you received a varsity letter in one sport each year you were allowed to stay in the club. The new system was set up to eliminate those members who don't participate in enough activities. The new system is as follows: Each member needs eight points a year. A member receives a point for helping at an activity such as being an usher at a basketball game or at school graduation. If a member does not receive the needed eight points he can't join the following year.

All students who receive a letter in a sport may come out for the club. We want you!
