

## Bits 'n' Pieces

Congratulations seniors! The sale of senior class pins was wonderful. There were some 260 pins sold by homeroom representatives in the last week of October.

✓

On November 10th the Seniors High G.A.A. started Volleyball. This will last for four to six weeks. We hope to see a big attendance! Come girls, let's get out and get in some exercising.

✓

You have only one more night to see Blithe Spirit. The outcome last night was great! It is being put on by the Thespian Troop 215 and being sponsored by the Junior Class. Let's see the rest of Lowrey's student's at the Little Theater tonight.

✓

The Senior class of 65' has donated a beautiful new crown to Lowrey High for all Homecoming events. This year it was used for first time in the crowning of Carol Karpetoff, 1964 Homecoming Queen, by the 1963 Homecoming Queen, Carol Smolinski.

✓

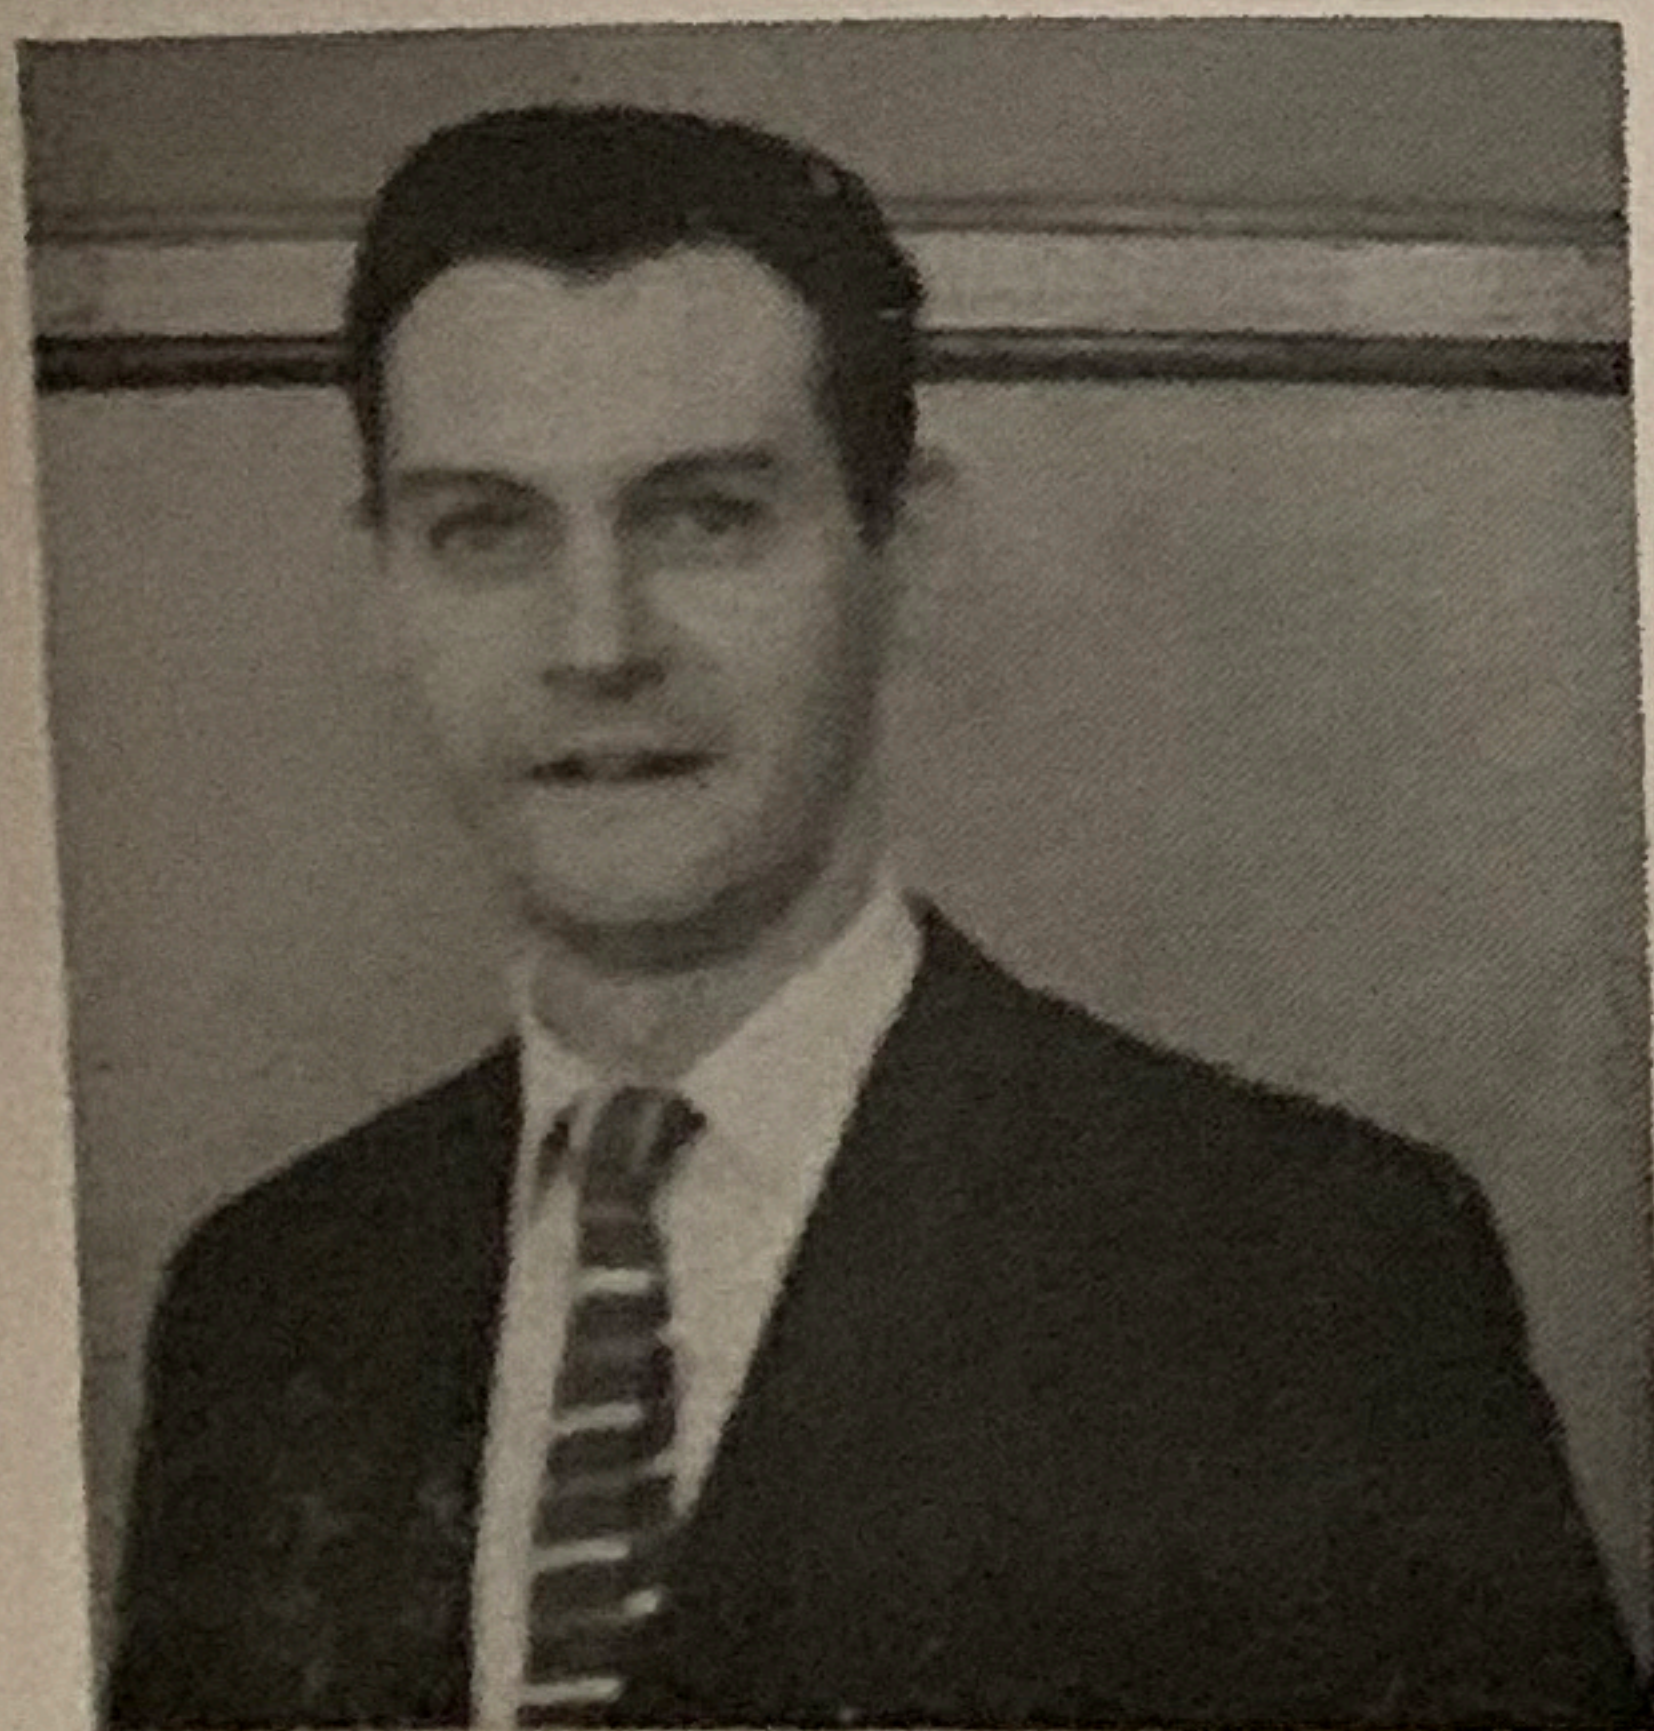

Members of the Junior Class met for the first time on November 10th for the Junior Spong Dance that is scheduled for November 20th. The participation was great! Keep up the good work Juniors!

✓

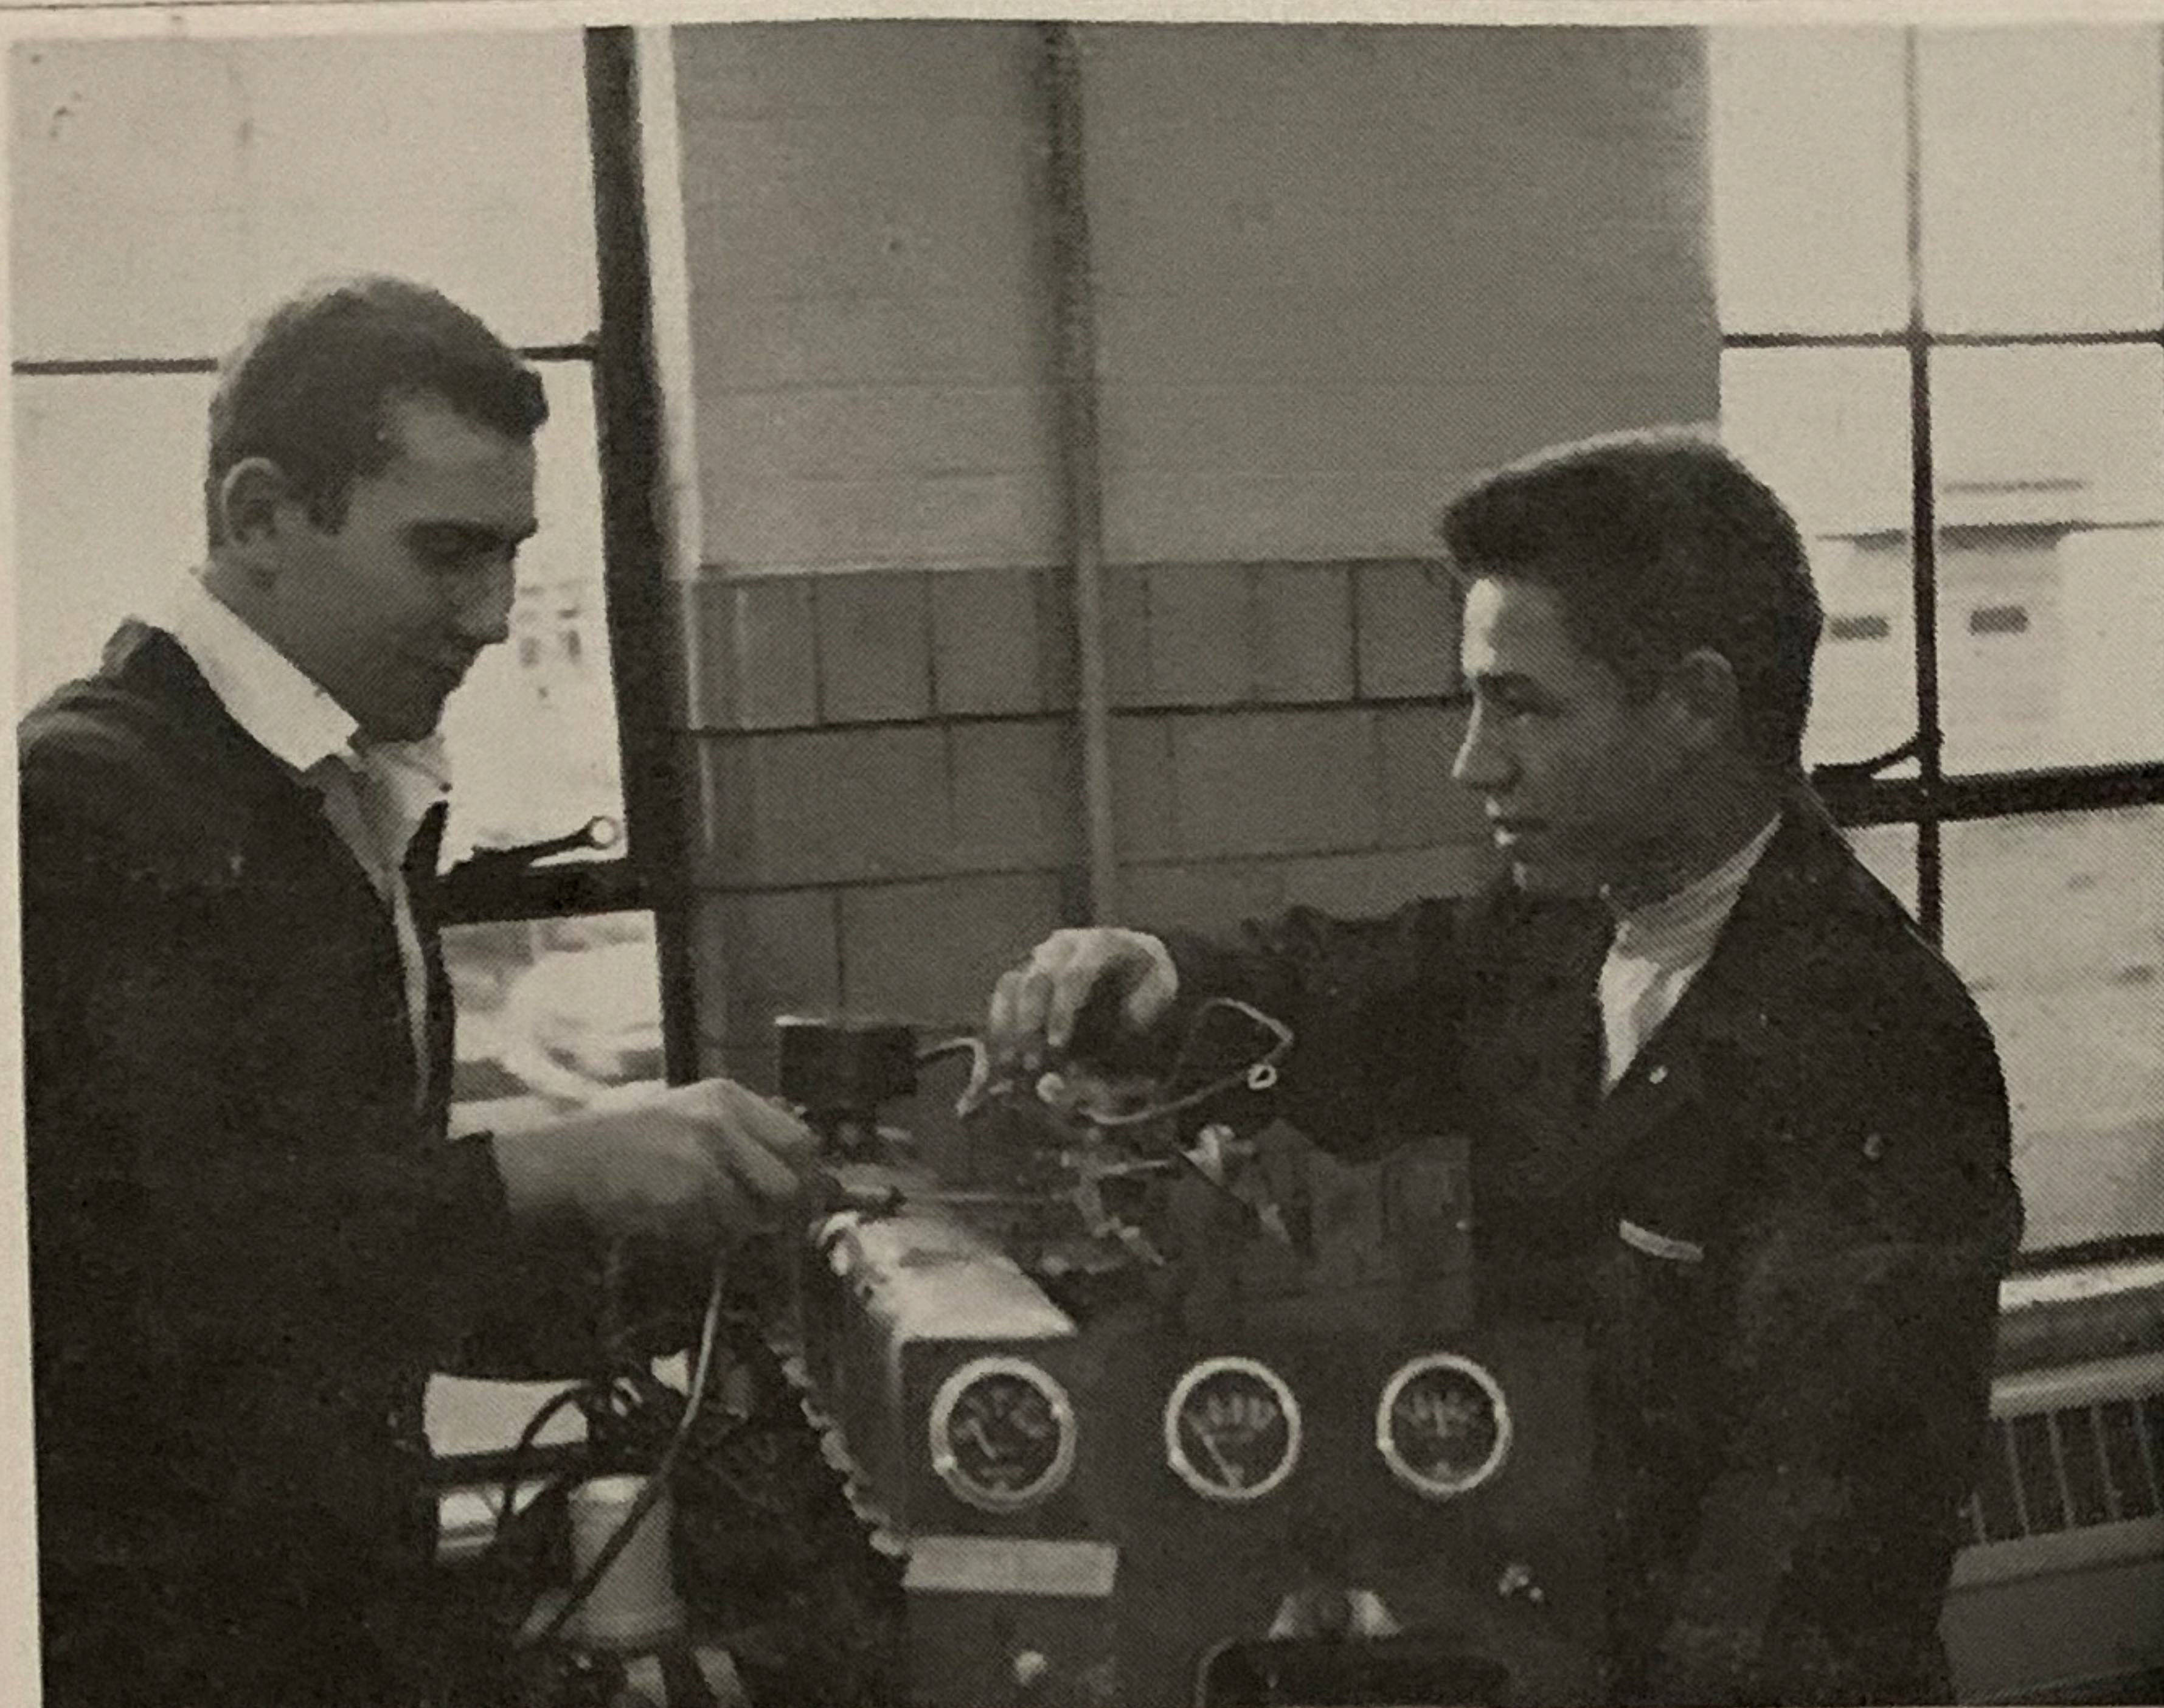

Homecoming Day turned out to be an enthusiastic day for the Seniors. They won the spirit jug. Underclassmen-try again next time!

## Sweet Tooth Filled

The people in Lowrey School received a treat on Tuesday, November 3, election day, when the Parent Teachers Association held their annual bake sale which turned out to be a huge success. Students and teachers as well as voters bought the delicious sweets.

Mr. Leslie  
Literary Club Sponsor

Dan Lukaschewski, 12B, and Herman Beaver, 12B, are shown here working on a 1962 Falcon engine that has recently been added to the Auto Shop. For further information on the other new equipment, read the following story.

## New Equipment Improves Auto Shop

Classes in auto shop this year should be better courses for the students in Lowrey because of the new equipment and the new two hour class schedule. This new equipment has cost about \$2,000. Here is a list of some of the new equipment and its uses.

1. The new coil condenser tester is used to see if a coil can operate under different temperatures and if it can stand high voltage.
2. An exhaust fan system is used for getting the carbon monoxide gases out of the Auto Shop while the engines are running.
3. An overhead chainfall pulls up and replaces rebuilt engines.
4. A Battery charger is used to recharge the car batteries that have run down.

5. An automatic transmission model is used to gain a better understanding of the transmissions of newer cars.

6. A T.V. oscilloscope shows a picture of the ignition timing and the points.

This equipment will make our Auto Shop a better place to work and build our knowledge of the automobile world.

A comment from Mr. Oswalt, the Auto Shop teacher, was: "The new two hour program is working out very well. The boys have the chance to get a lot of work done during this time. The new equipment is helping us a lot. We are equipped to give the students many meaningful learning experiences."

## Literary Club Added to Lowrey

Mrs. Helveston and Mr. Leslie have formed a Literary Club here at Lowrey. The purpose of the club is to publish a magazine written entirely by Lowrey students.

A magazine of this nature will give Lowrey her chance to show her talent in the literary world.

The first meeting of the Literary Club was held on October 29 and was a first class success. In all 70 people showed, up and it's expected that more may show up next time.

Mrs. Helveston had this to say, "This club gives students who are talented in the writing of prose or poetry and those who are skilled in the field of art a chance to really make use of it."

Mr. Leslie added, "We are happy to be able to bring this opportunity to the Lowrey students. Remember the magazine will be for everyone in the high school. It will not be necessary to belong to the club in order to write for the magazine, nor must the club members write."

Then Mr. Leslie stated, "The enthusiasm and interest of students so far indicates an exciting venture in the coming year."

The staff members who will be chosen by petition this week will, through their work on the magazine, be given experience not only in creative writing, but in management and in organization.

The positions available in the club and a brief idea of what each does are as follows:

1. Editor-in-chief: General overseer of all departments and will have

(continued on page two)

## Final Curtain for Blithe Spirit

Last night the curtain went up on the first of the two evening performances to be given of "Blithe Spirit." This production is the first play of this school year and it makes a delightful, fulfilled evening for everyone. The Junior High performance was presented on Tuesday, November 10.

This play welcomes newcomers to the Lowrey stage:

Hugh Gallagher, 12B-4

Diana Koon, 12B-5

Mark MacFarlane, 12B-6

Eve Brill, 12B-1

Don't miss out on the dramatic highlight of the season. See "Blithe Spirit" in the Lowrey Little Theatre tonight. Curtain time is 8:00 p.m. Tickets are fifty cents with an activity ticket, one dollar without an activity ticket, and all tickets purchased at the door will cost \$1.00.

Congratulations to the entire cast and the many crews that worked so hard to make the first performance a success!

See you tonight . . . you will be glad that you came!

## Sales to Begin

This year's Futorian, the school annual, will be sold starting next week between November 16 and 20.

Mr. Falvo, the sponsor once again, has talked with the publishers about the book. They stated that if we can sell more pages added. This means more room for pictures of the classes and for various activities.

The price of this year's book is \$2.75 with an activity ticket and \$4.50 without. It will be sold every period, by Student Council Homeroom representatives.

Mrs. Helveston  
Literary Club Sponsor

## Superstitious?—Today Is The Day!

Are superstitions a big part of your life? Are you absolutely sure that you are free from superstitions? Do you know what superstition is?

Superstition is a belief which is not based on logic and is inconsistent with the knowledge of today. Many years ago there were several mysterious events and circumstances that troubled and frightened man. He believed these events were caused by good or evil forces and felt that they could be controlled if one only had the power to do so. A common source of superstition arises from a real or fancied resemblance between objects, persons, or events.

Most every one knows the common superstitions such as: breaking mirrors, black cats, walking under ladders, throwing spilled salt over a shoulder, knocking on wood, and opening umbrellas indoors. Did you know that there are many other uncommon superstitions? For instance: if a cow moos after midnight there will soon be a death in your family; or if you drop a knife you will be in a fight; After you buy a new pair of shoes do not put them on a table because if you do they will not fit; running bare headed in the rain on May Day will guard you against headaches for the rest of the year. Here in Michigan some people that if you carry a double cedar knot in your pocket it will cure your rheumatism.

SO BEWARE!!! today is Friday the 13th.

## Homecoming Big Success

The Homecoming Dance of 1964 was a very financial and social success. The money made from the dance will be used for the Senior Prom and other expenses of the Senior Class.

Mrs. Dotson and Mr. Kraai are the Senior Class sponsors.

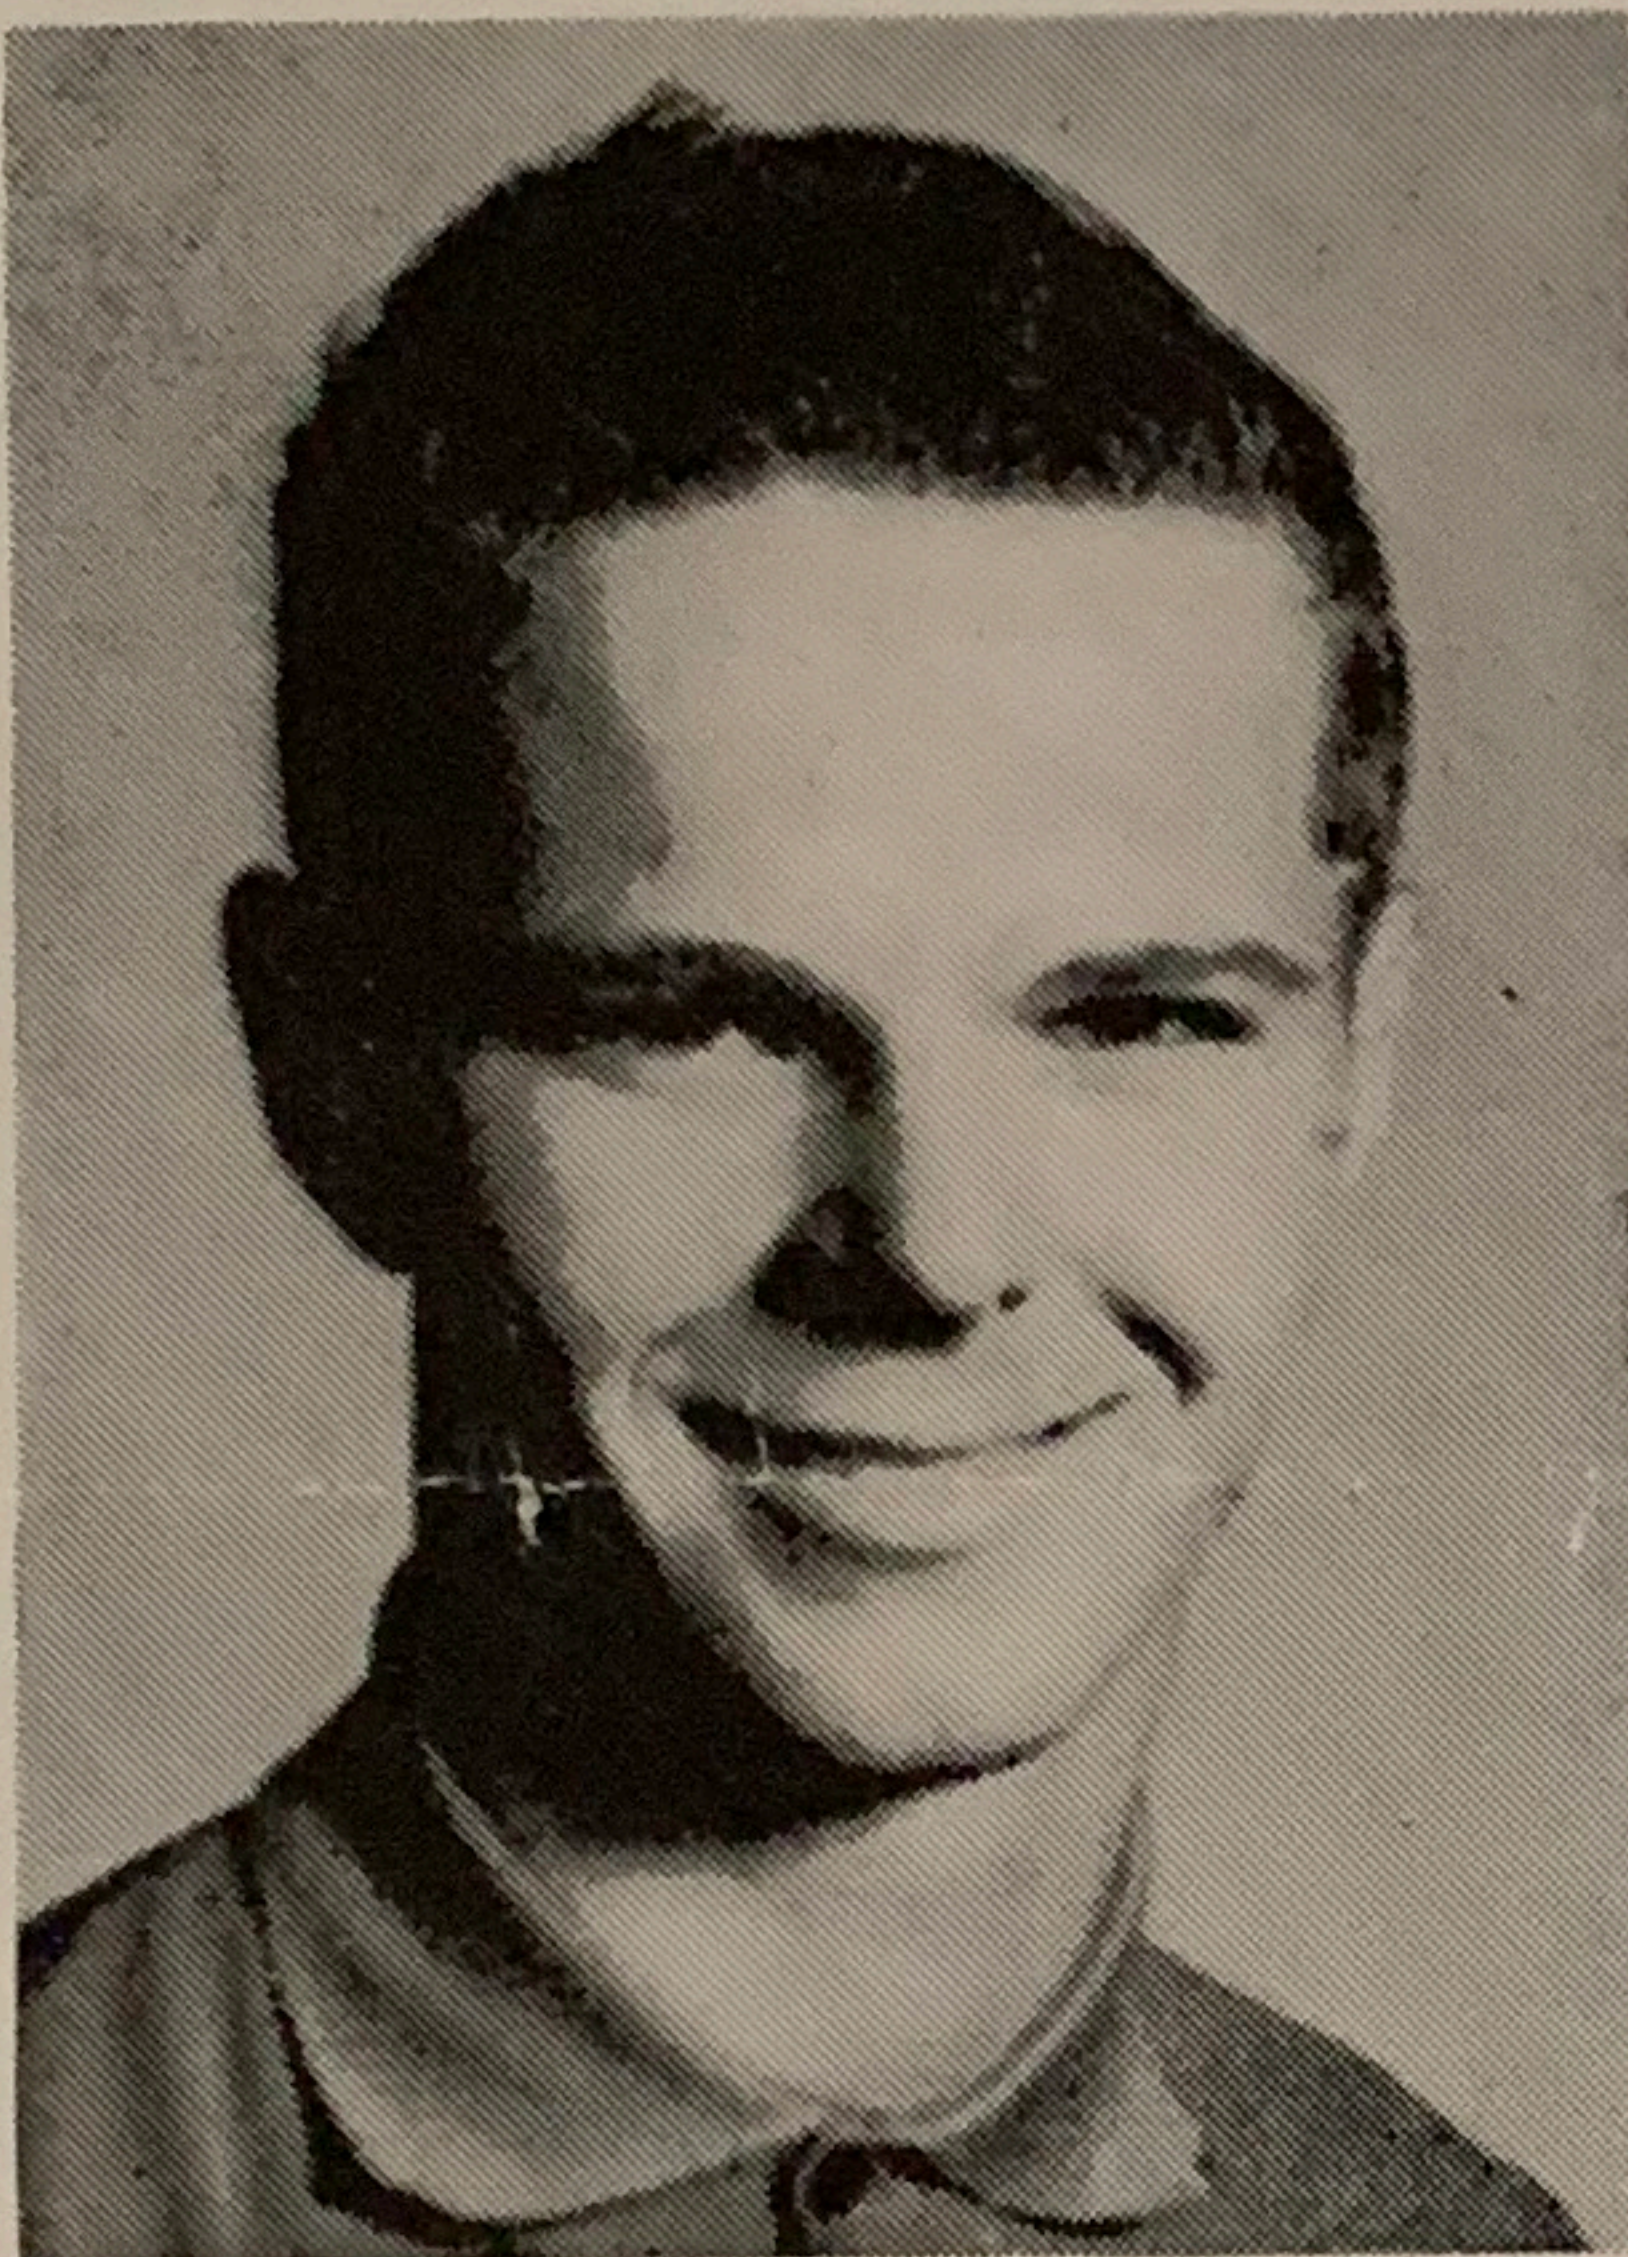

When asked about the turnout of the dance, Mrs. Dotson replied, "I thought the band was very good. We had a good turnout on refreshments; almost 35 girls brought cookies. The decorations were appropriate for the dignified occasion. And the conduct of the students was exceptional."

Mr. Kraai was asked about the success of the dance and he stated, "If it wouldn't have been for the hard work of the committees, the dance could not have been successful. I would especially like to thank the faculty members who headed various committees. Since this was such a success, there is no doubt that the Senior Prom will be a success."

Mark Schalte, the Senior Class President said, "One of the reasons the dance was a success was that the Seniors showed great committee spirit."

Mark also stated, "I would like to take this opportunity to express the class officers deep felt thanks to all the committee members and all the

faculty who helped us. We must not forget the underclassmen; without your support the dance would not have been what it was."

Mark Schalte  
Senior Class President

## Enrollment Figures

The present enrollment as of October 30, 1964, is as follows:

Kindergarten —	6	422
7—9		371
10		325
11		333
12		278
Special Education		73
<b>Total Enrollment</b>		<b>1802</b>

## LITERARY CLUB ADDED TO LOWREY (continued from page one)

- one voice as judge of submitted material.
- Assistant Editor-in-chief: Assists the Editor-in-chief and officiates
- Secretary: Plans activities; assist business Manager; coordinate club and Magazine; reports progress to club.
- Business Manager: Responsible for finances: Sales, budgeting, advertising of magazine and club.
- Essay Editor: will oversee essay department.
- Fiction Editor: will oversee fiction (short story) department.
- Poetry Editor: will oversee poetry department.
- Make-up and Art Editor: In charge of cover design and interior art materials; as well as advertising material.
- Exchange Editor: In charge of collecting, keeping, and distributing submitted materials.
- Staff: All other members who will elect to help one of the above officers.

This club is just starting out but could be a smashing success. If this sounds like something you would be interested in, join next week, it's not too late. For information on anything about the club, see Mrs. Helveston or Mr. Leslie.

## Thespians Future Looks Bright

Thespians are planning for the near future with a myriad of activities. One of the first things on the agenda is the trip to Michigan State University on December 5 to take part in Drama Day. During Drama Day, Michigan State students, now cast in forthcoming plays to be given at the university, will present scenes and demonstrate many aspects of play production for visiting high school students.

December also marks the time for the presentation of three one act plays. One of the plays that will be presented will be chosen in a play writing contest soon to begin among Lowrey High students. The one act play festival will be presented in the Little Theatre before Christmas vacation. Admission will be one toy which will be given to one of the children's Christmas charities. Keep your eye on the daily bulletin for more information about the play writing contest.

The writer of the winning play will be presented a prize and will have the honor of seeing his play presented on the stage. Remember that with three plays coming up casting will have to begin soon, so watch the daily bulletin for the posting of a date for try-outs to start.

Thespians may also be ushering at Wayne State University's Bonstelle Theatre in downtown Detroit this winter although this is not yet definite.

Monday is the new day for Thespian meetings in room 124 at 3:45 p.m. There's lots to do, so don't miss out on all of the fun!

## - Calendar Of Events -

Nov. 13: Friday, School play at 8:00  
Card Marking Ends.

Nov. 18: Wednesday, Report Cards come out.

Nov. 19: Thursday, Book Check.

Nov. 20: Friday, Junior Class School Dance, "Turnabout" from 8 to 11.

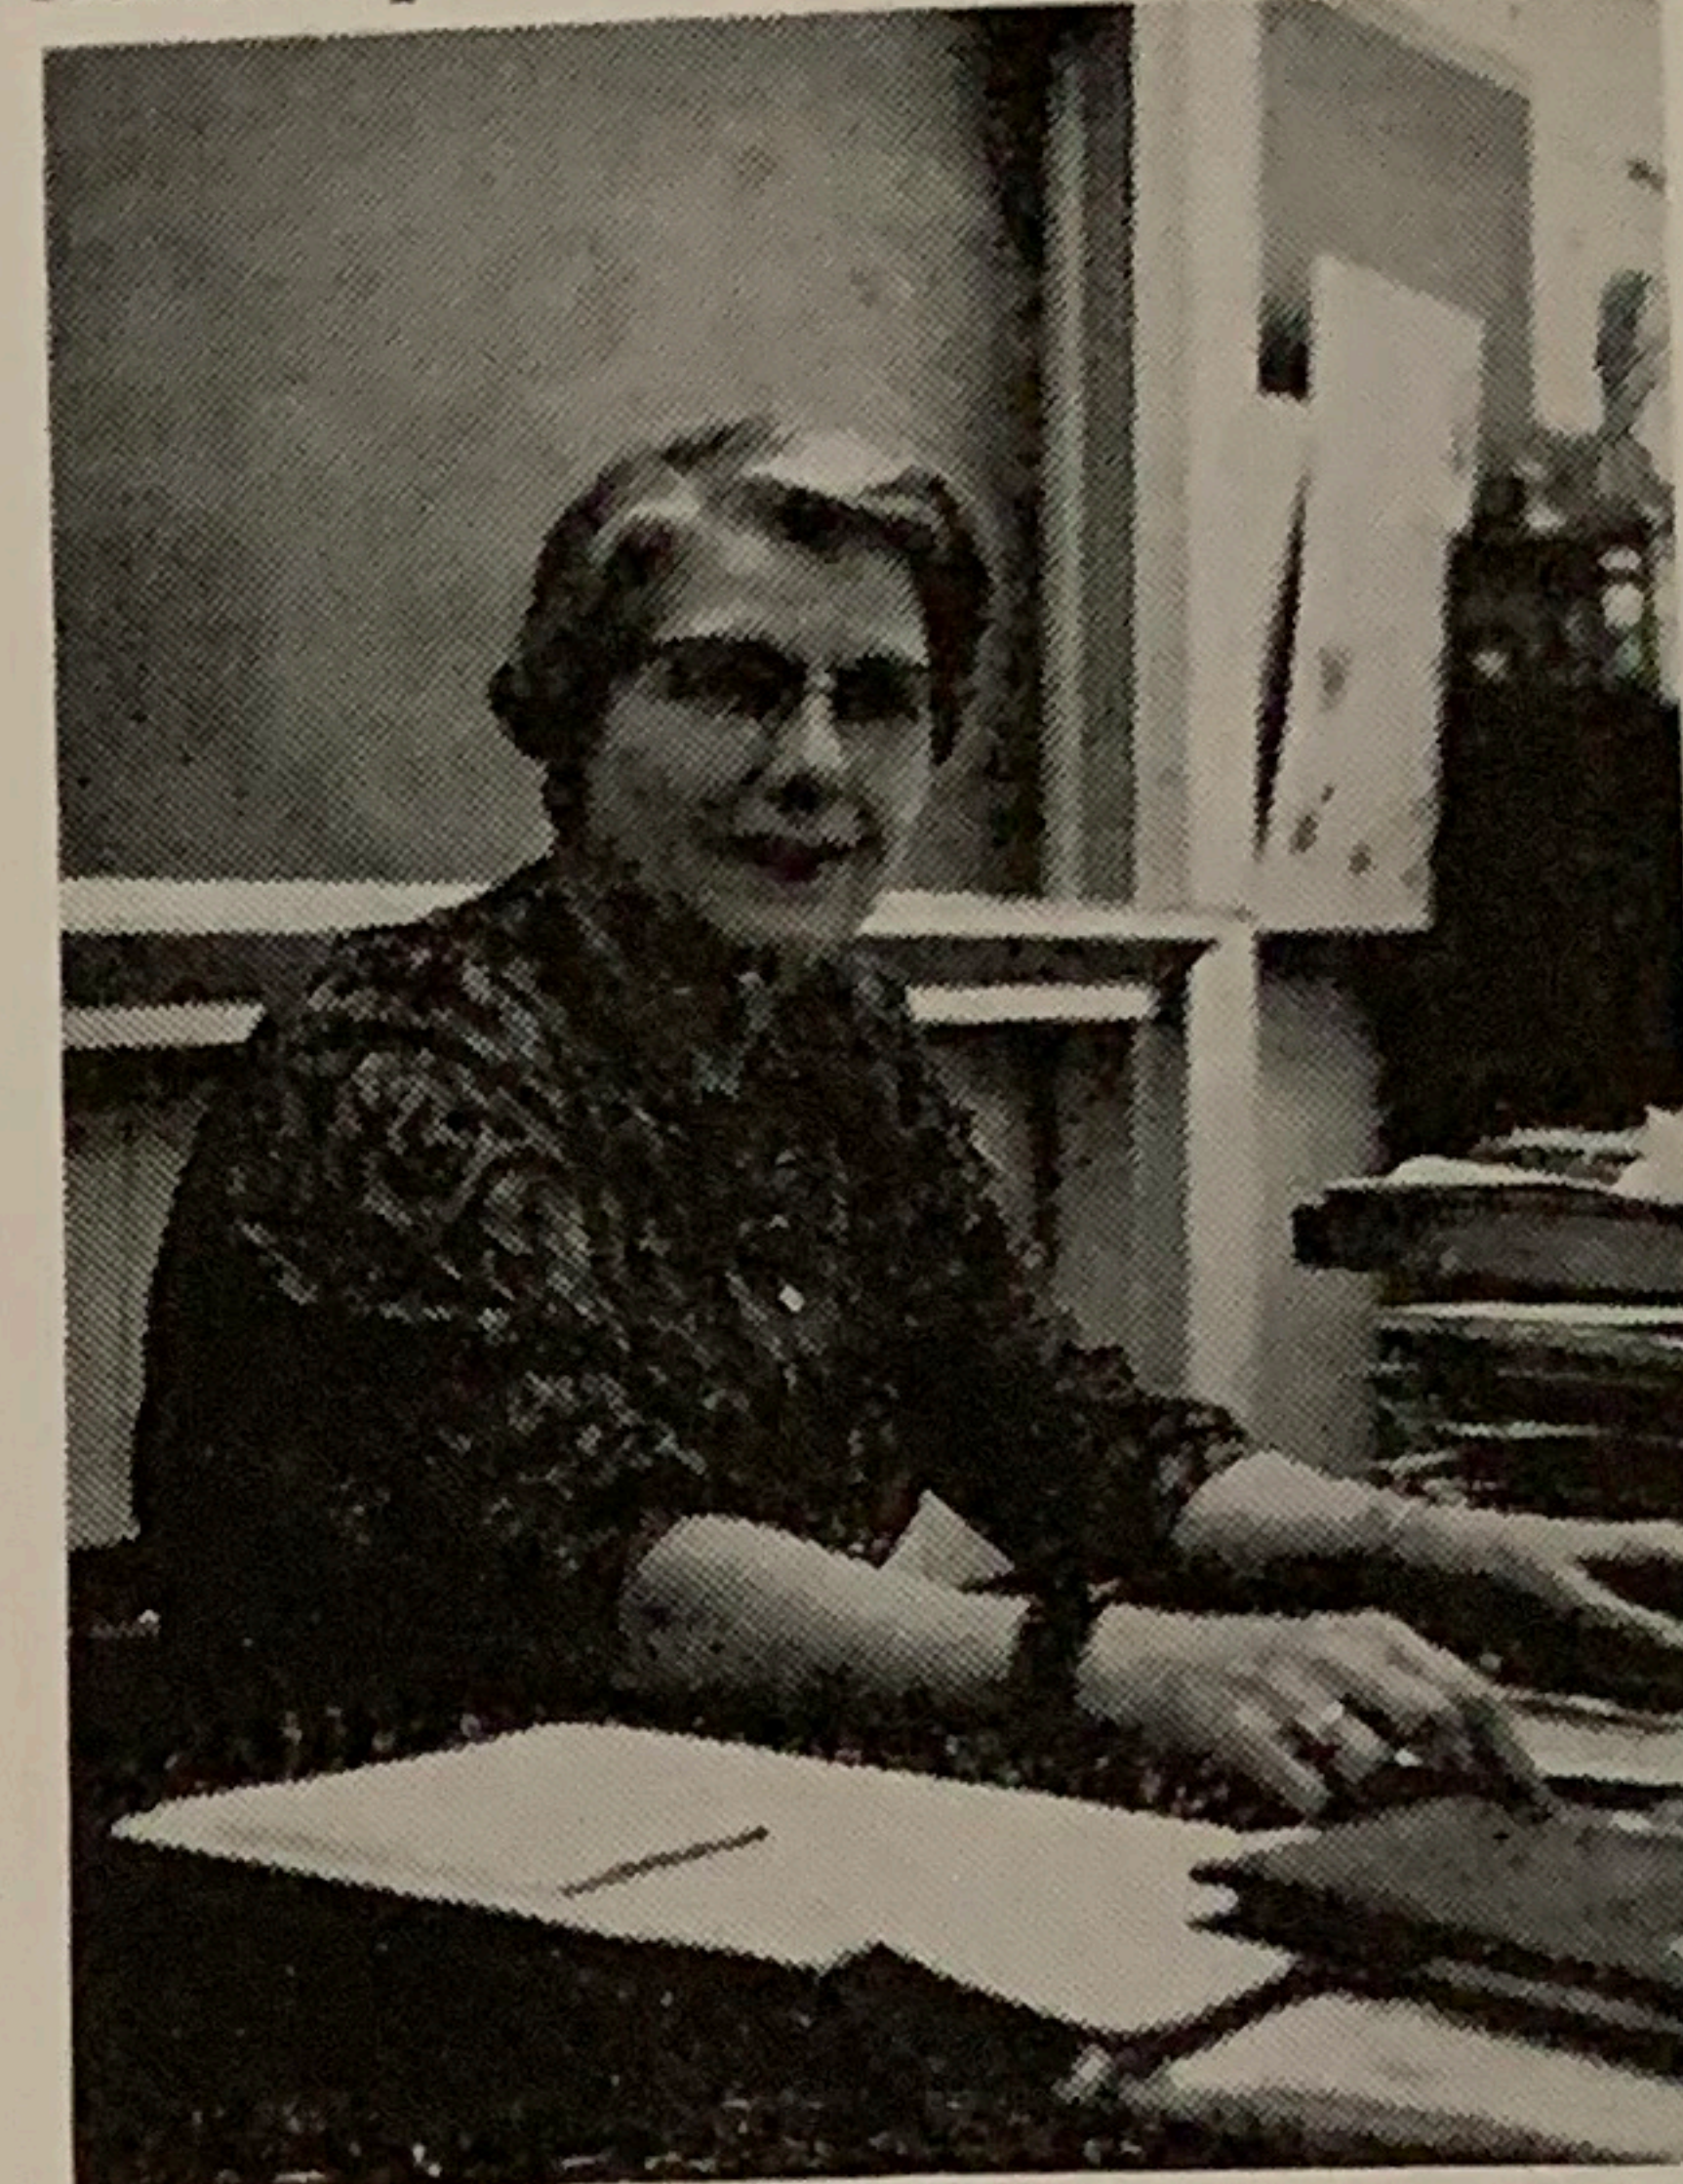

Nov. 23: Monday, Jr. Hi. early dismissal at 2:30.

Nov. 25: Wednesday, Schools close end of day for Thanksgiving.

## Juniors Praised By Sponsor

In this issue, we are introducing one of the Junior Class sponsors, Mrs. Elliott. For twenty years here at Lowrey Mrs. Elliott has taught everything from ninth grade science to senior high biology and chemistry. Before coming to Dearborn, and Lowrey, she taught for seven years in Kentucky.

Mrs. Elliott is a graduate of Kentucky Wesleyan and she received her masters degree from the University of Michigan.

Mrs. Elliott  
Junior Class Sponsor

ed her masters degree from the University of Michigan.

From her twenty years experience at Lowrey, Mrs. Elliott has formed many opinions of our student body. "Even though I've had many offers to teach at other schools I've turned them down," She said, "The kids here seem to have a true desire to learn and once they apply themselves most will excel in their work. I would stack all the kids here at Lowrey against any of the kids of any school in Dearborn and we would come out on top."

She added, "This year's Junior Class is the most energetic group of kids I have ever come in contact with. Our officers are all hard working individuals who can always be depended upon to get the job done".

She concluded that right now the Junior Class is working on their upcoming dance "Turnabout", this can be a huge success if the entire Junior Class will all pitch in and help, and do the job with the same energy and enthusiasm they have demonstrated in the past.

### -SPONSOR-

M. T. Lowry

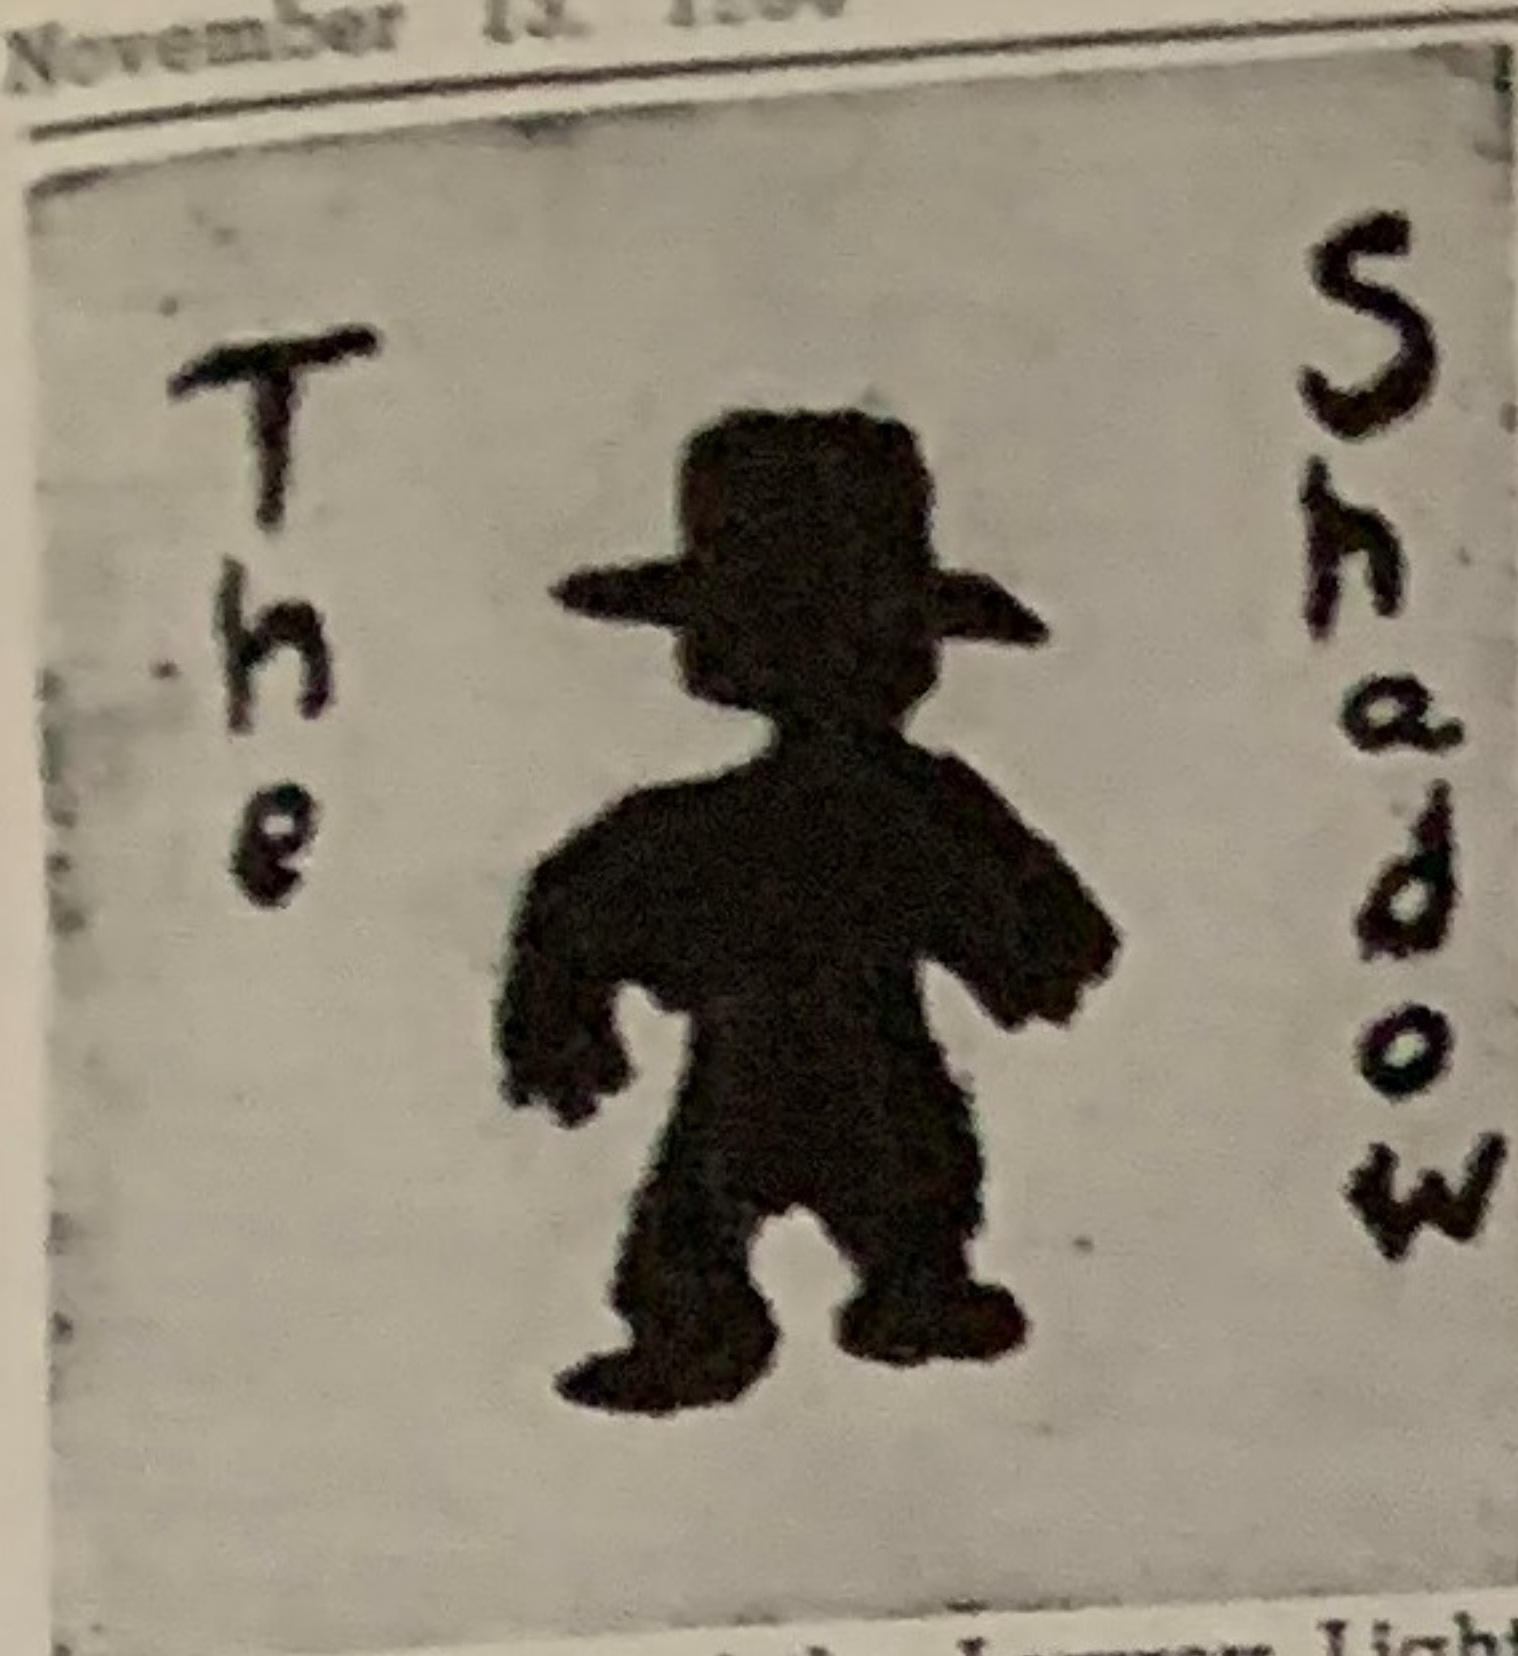

Mrs. Dotson  
Junior Class Sponsor

November 13, 1964

In this issue of the Lowrey Light, the shadow is following a senior girl. See if you can guess who she is.

First hour: She is in economics trying to learn how to manage her budget.

Second hour: She is in study hall doing her homework which she should have done the night before.

Third hour: She is in physics learning how to build up her energy.

Fourth hour: She is in the cafeteria eating her lunch.

Fifth hour: She is in art drawing a picture of her boyfriend.

Sixth hour: She is in trigonometry trying to figure an angle.

Seventh hour: She is in English sleeping.

## Driver Education To Begin Soon

January 9, 1965, will mark the beginning of driver's education. The winter program will be given in three Dearborn schools (Dearborn, Edsel Ford, and Fordson). Classes will start on January 9 and will end June 12. The times of the classes will be: 8 a.m.—11 a.m.; 11 a.m.—2 p.m.; and 2 p.m.—5 p.m. Classes will be given every Saturday for twenty weeks for three hours each.

Each student was given a choice of which school and time he would like but no guarantee was given that his preferences would be accepted and assigned to him.

The selection of students to participate in driver's education was determined on the basis of age. Lowrey was permitted a quota of 72 students.

Driver's education is given to students every winter and summer. The next program will start in June. Interested students will be given the opportunity to enroll in the program sometime in May.

## Credits Check

Mrs. Kay Marinelli, one of the office secretaries, recently completed the job of making sure that all Seniors had the right amount of credits to be graduated. She has commended the students on a good job of cooperating.

Mrs. Marinelli operated on a very tight schedule and she stated that "If the students would only realize how important the consultation slips were, and that they are all timed, it would be a help to everyone a great deal more."

She added, "All in all they went very well."

## Students Vie In Math Contest

Recently, fifty-seven students from Lowrey, both juniors and seniors, took part in the eighth annual Michigan Mathematics Prize Competition.

The main purpose of this test was to create a wider interest in mathematics and to bring attention to the fact that most professions require mathematical background.

To be eligible, the applicant must have been an attendant of a Michigan high school and been able to pay a fifty cent fee, to help with the costs of the printing, mailing, and the grading of the examination. Those who wished to enter registered at their high school and were required to complete the registration form and return it to Professor James H. McKay of Oakland University before October 8.

This examination is given in two parts. The first part was held on November 5, from 9:00 A.M. to 11:00 a.m., or during any two consecutive class periods. It was a multiple choice examination, designed to test the student's general knowledge.

The second part is to be presented on December 10, for the top 4% of the participants of Part I, and is designed entirely to measure the students' mathematical ingenuity.

The scores for Part I and Part II will be combined to determine the prize winners. Also, the state colleges will award some scholarships to the numerous students who qualified for Part II. The first place winner will receive a gold medal and about twenty second prize silver medals will be awarded.

## Flickers Fun

Here at Lowrey for the students' entertainment, color motion pictures are shown during the latter part of the students' lunch hours. These movies are scheduled to be shown throughout the entire school year. So far this year, attendance has been very good except for a couple of days when the weather was particularly nice.

The coming movies will include musicals, dramas and suspense stories.

Mr. Irwin is the sponsor of this project. When asked to comment on how they were getting along, he replied, "I would like to see more students enjoying our noon movies. We have attempted to provide excellent noontime entertainment, and increased attendance during the noon movie would insure continuation of the pictures."

## Correction

In the last issue of the Lowrey Light we stated that the Junior dance is being held November 24 which is a mistake. The dance is being held November 20.

There's not much point in priming the pump if the pump isn't sticking in a well.

## Nurses News

"What are some of the duties of an operating room nurse?" This was one of the many questions answered by Miss Judy Dulz at the meeting held on Tuesday, November 3.

Miss Dulz is a registered nurse who works at Oakwood Hospital as one of the operating room nurses. Miss Dulz told the girls some of her various duties and some of the things that are most important in an operating room. She graduated from Providence Hospital School of Nursing and has worked at Oakwood for about two years. When asked what she liked most about her job she answered, "I like the surgery that is most difficult because it is more interesting."

At the Open House held here at Lowrey last Wednesday night, some of the members of the club stood at the entrances and handed out consultation slips to all parents. These slips invited the parents to visit the health room to screen their vision and hearing.

The Vision and Hearing Screening Program was presented by Mrs. Jach, our school hearing specialist, and Mrs. Edwards, our school nurse. This demonstration proved to be very successful and informative.

## Jr. High Activities

The Junior High Student Council sponsored its first dance of the year on Tuesday, November 5. Though the dance took place in the cafeteria, the Student Council decided that with a little imagination they could be "Dancing in the Streets." Larry Nassens, one of Lowrey's ninth grade boys, was chosen as disc jockey for this occasion.

Representatives of the Council served as guides to parents during Open House, which was held November 11.

On Monday, November 9, tickets went on sale for a matinee presentation of the high school play "Blithe Spirit." The play was given seventh hour on Tuesday, November 10.

## Mrs. Kable Visits Lowrey

Homemaking department classes, Clothing I and Clothing III, were visited by Mrs. Marcia Kabel from the McCall's Pattern Company on Wednesday, October 21.

Mrs. Kabel visits twice a year to let the girls know the new fads and fashions hitting the pattern companies most that year.

Some of these fads are big puffy sleeves, sailor collars, and all kinds of jumpers too. Big bows or little bows for all sorts of occasions, the low neck line is back, and those short skirts are still here, and will probably be here for a long time to come. But who's complaining?

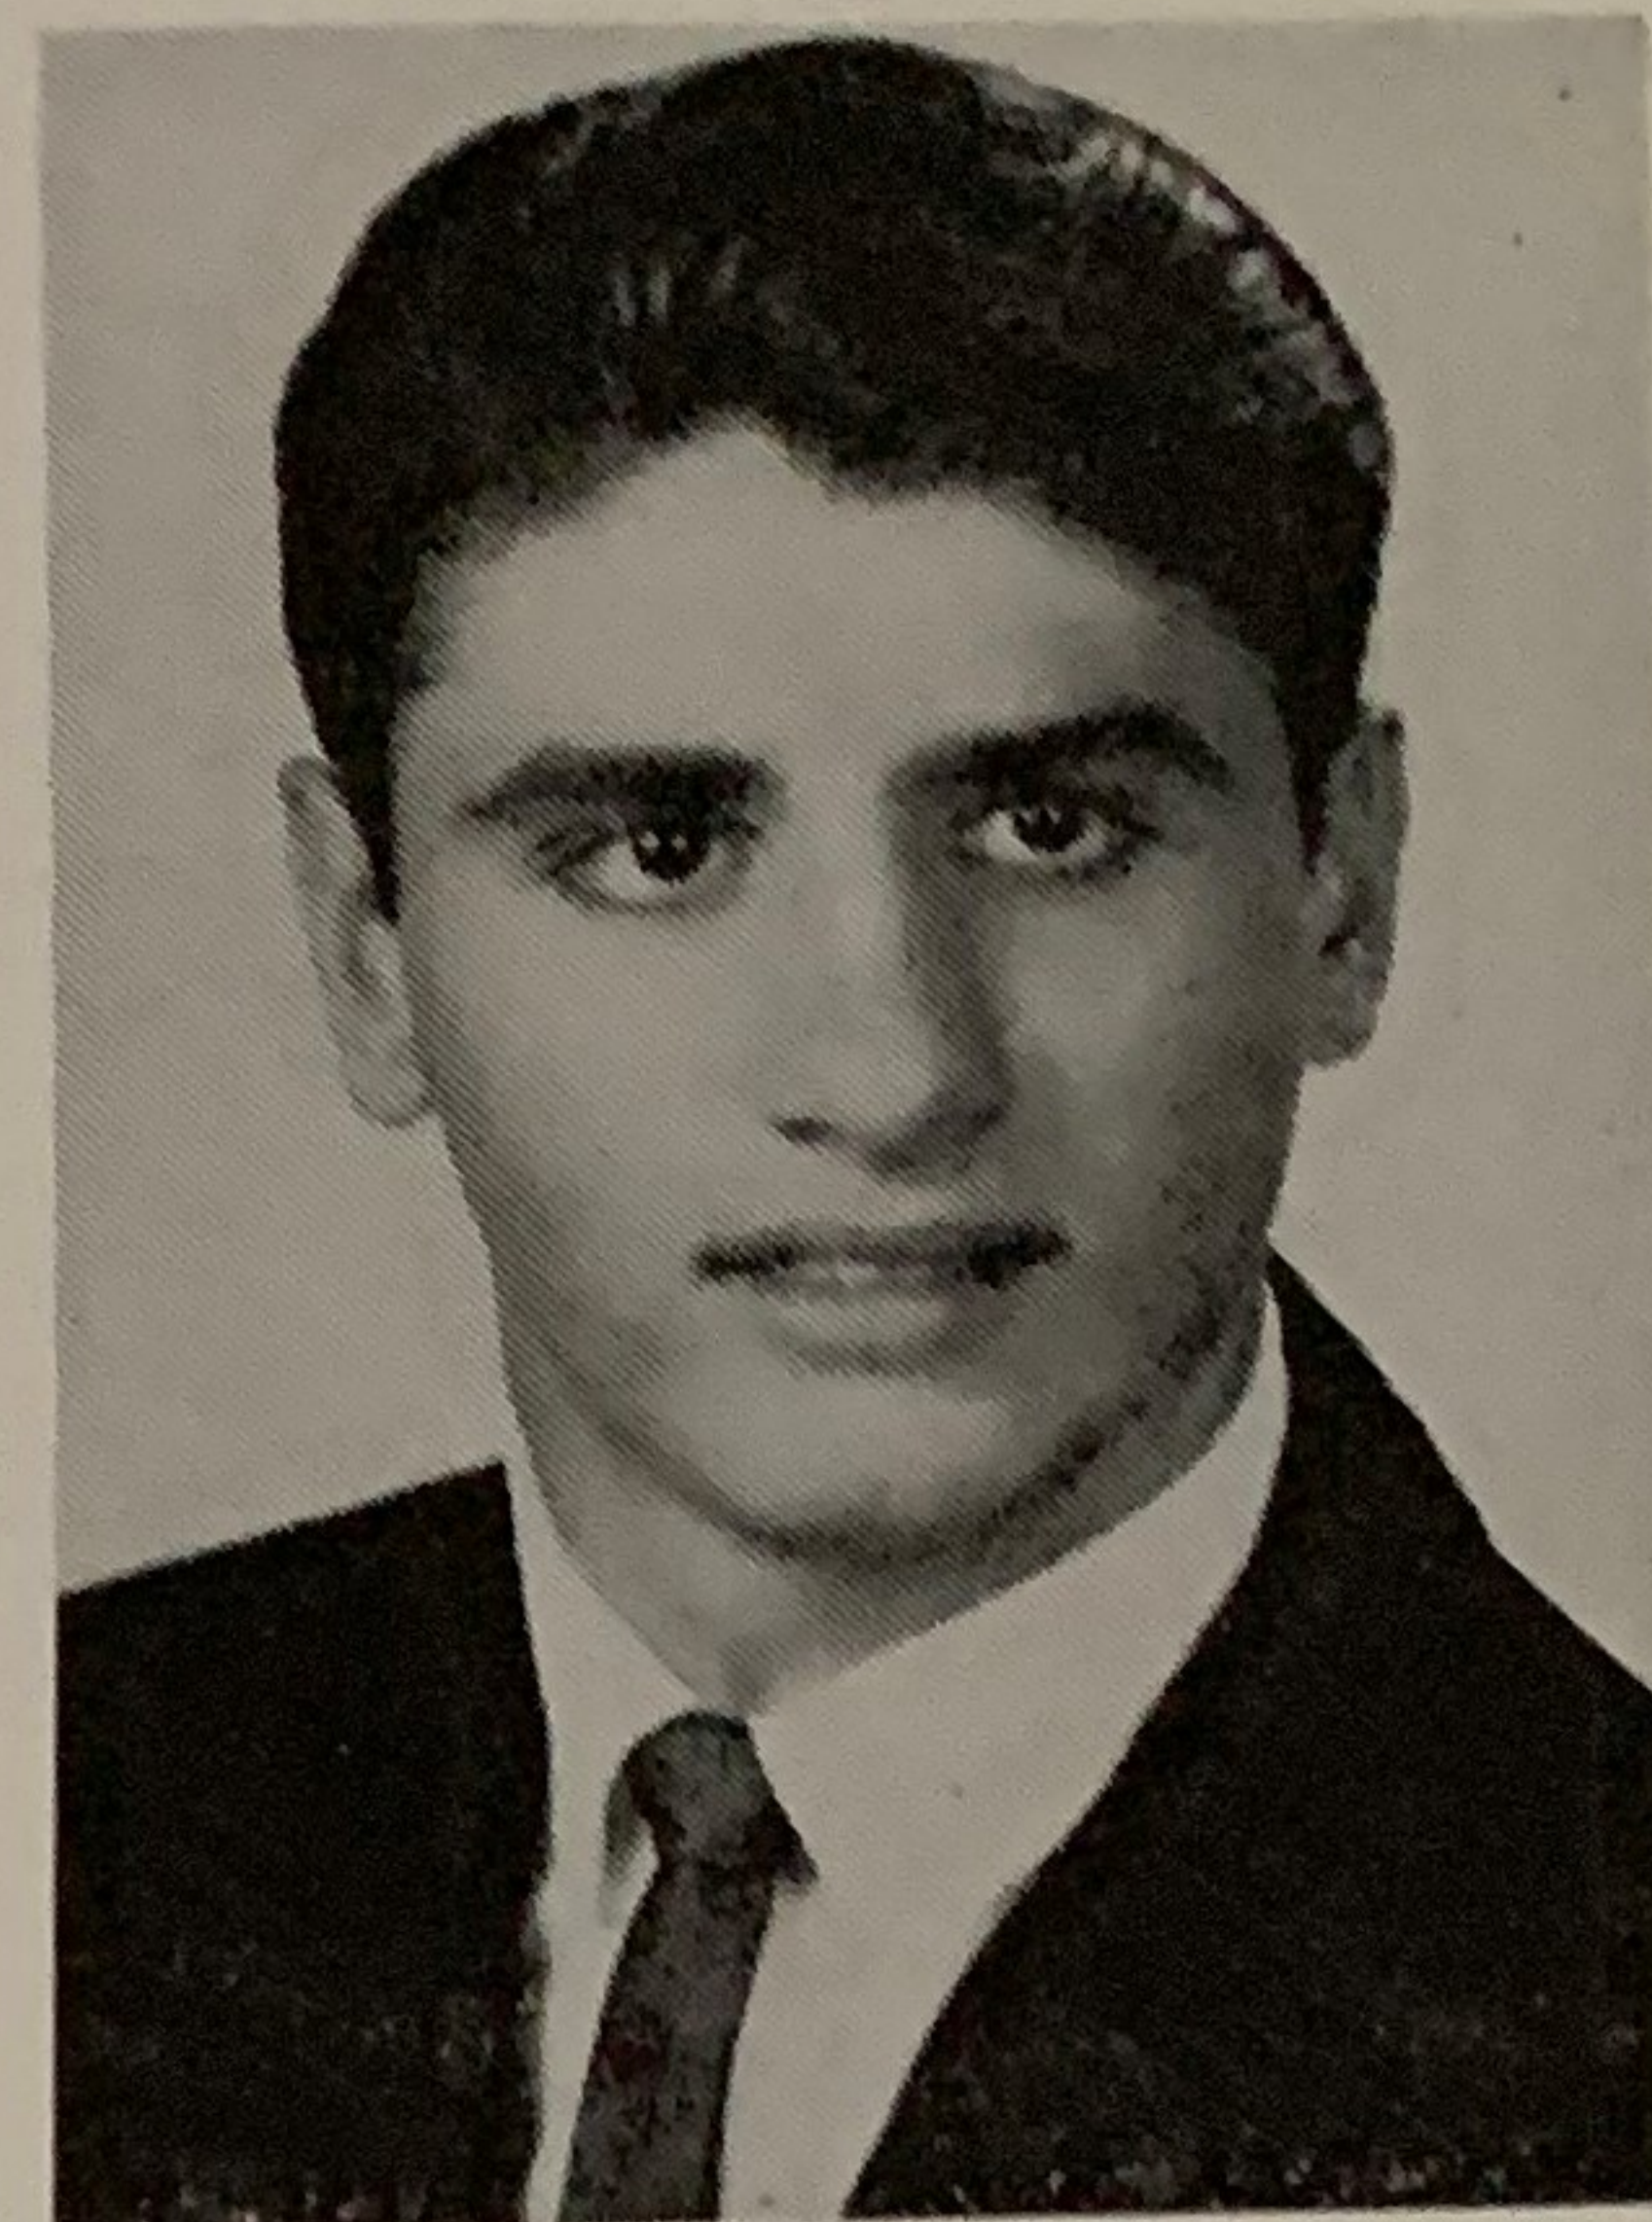

Mrs. Kabel also talked about linings and interfacing. This was mostly directed to the Clothing III classes for they will soon be working with them, if not already.

## Senior Introduced

A new addition has recently been added to Lowrey's Senior Class. His name is Tom Simo, 12B-9. He was transferred from Riverside to Lowrey.

Tom's main hobby is to gather as much information about airplanes and their functions as possible. He enjoys talking to the pilots at the airport.

Tom's future plans are to take

up flying commercially or else to go to a business school.

When asked if he looks upon Lowrey as he did Riverside, Tom commented, "I look upon Lowrey as a very nice school academically wise. I hope to accomplish much here. And I hope they beat Riverside in basketball and baseball; especially baseball, because I intend on playing it this year."

Tom said he likes the teachers and students here at Lowrey, and he looks forward to the rest of his senior year.

Welcome to Lowrey, Tom, and Good Luck

## Officers Elected By Latin Club

The members of Lowrey's Latin Club met on Thursday, October 22 for a very important purpose—the election of new officers for the year. The results are as follows:

Consul Primus — Ray Berry, 11B-1 (President)

Consul Secundus — Ray Goins, 11B-4 (Vice-president)

Scribe — Gail Medved, 12B-7 (Secretary)

Quaestor — Mike Hanusik, 11B-5 (Treasurer)

The last part of their meeting was devoted to a Latin baseball game in which Steve Ciccarella and Gail Medved scored homeruns. Refreshments were free because there was money left from last year's Latin Club treasury. At future meetings, however, refreshments will cost a dime per person.

At the meeting on November 4, plans were made for a possible field trip. Orders were also taken for Latin Club pins.

To join the Latin Club, a student must be taking Latin now or else have had a year of Latin. All eligible 9th, 10th, 11th, and 12th grade students are urged to attend.

# Garden City Nips Polar Bears 14-13

## Cross Country Wins First

It was a long struggle but Lowrey finally managed to win a cross-country meet on Thursday, October 24, by the score of 24-35. Rick Adis, 12B, and John Halstead, 12B, placed Lowrey with a first and third respectively.

The following boys placed:

Rick Adis, 12B, 1st, 11:28  
John Halstead, 12B, 3rd, 11:39  
Frank Orban, 11B, 5th, 12:05  
Frank Ligi, 11B, 7th, 12:31  
Ralph Maurer, 11B, 8th, 12:45

When asked to make a statement on Lowrey's first win, Coach Sande said, "I'm glad we finally managed to win a meet because, in all my years of coaching, I've never went through a season without winning at least one game."

## Thinclads Lose

Lowrey's cross country team continued to stay on its losing ways when they lost to Garden City West on Tuesday, October 27, by the score of 22-37.

Rick Adis, 12B, Lowrey's top runner, was sick just before the meet but he ran anyway and placed second. John Halstead, 12B, ran one of his slowest times of the year but still managed to finish fifth.

The following boys placed for Lowrey:

Rick Adis, 2nd, 11:10  
John Halstead, 5th, 11:46  
Frank Orban, 7th, 12:01  
Frank Ligi, 11th, 12:34  
Jim, Kochoff, 12th, 12:41  
Ralph Maurer, 13th, 12:51  
Dan Lukaschewski, 14th, 13:07

## Adis Sets Record

Lowrey's cross country team participated in an all-league cross country meet at Southgate on Tuesday, November 3.

The team results were as follows:

1. Riverside
2. Southgate
3. Lowrey
4. Haston

Rick Adis, 12B, broke the school record for the two-mile run with a time of 10:37. John Halstead, 12B, also broke the old school record with a time of 10:39. Congratulations to Rick Adis and John Halstead for their fine running.

The following boys placed:

Rick Adis, 12B, 10:37  
John Halstead, 12B, 10:39  
Frank Ligi, 11B, 11:34  
Mike Kochoff, 10B, 11:37  
Frank Orban, 11B, 11:45  
Ralph Maurer, 11B, 11:46  
Dan Lukaschewski, 12B, 12:04

When asked to comment on the meet and the season, Coach Sande said, "I'm real proud of the fact the boys finally got into shape, even if it was the last meet of the year. We missed Bob Fritz, who injured his leg. If he had run, we would have had more strength up front."

Shown here is Doug Cole, 12B, running for a gain in the Homecoming Game with Haston. The other identifiable Lowrey player is Jan Wissmuller, 11B, number 65.

## Homecoming Game Lost To Haston

Lowrey's varsity football team ended its league competition in a sorry note by dropping its Homecoming Game with Haston on Friday, October 30, by a score of 25-14.

The Bears got behind quickly as the Knights came down the first time they got the ball to score. They added another quick touchdown and the extra point and as a result led 13-0. This was the score at halftime, and after watching the first half, you began to wonder if the Bears would score.

During halftime, the crowd was treated to a fine performance by the Lowrey High Band. Also during halftime, the Homecoming Queen and her court were escorted around the field in some classy looking automobiles.

In the second half the Bears seemed more prepared. They scored a touchdown as Doug Cole returned a Haston punt 60 yards for the touchdown. Louis Seymour added the extra point and we now trailed 13-7. But Haston came right back with a touchdown and led again by two touchdowns, 19-7.

In the fourth quarter Lowrey scored a touchdown on a run by Ray Gierucki and with Seymour's extra point we trailed 19-14. The Bears then drove deep into Haston territory but lost the ball on downs. Haston took over and scored a touchdown as the game ended, and the final score was 25-14.

With the loss the Bears wound up in fourth place, which was lower than last year's standing.

The following is the list of the final league standings:

Riverside	4-0
Southgate	3-1
Haston	2-2
Lowrey	1-3
Cherry Hill	0-4

## Reserves Lose

The Lowrey reserves lost to Riverside on October 21, by the score of 19-12.

Lowrey scored first on a 50 yard reverse by Bob Holbird. The extra point was made and the score was 6-0.

Later in the same quarter Lowrey had forced Riverside into a punting position. The Rebels punted down to the Lowrey 5-yard line where the ball was fumbled and Riverside recovered. Four plays later Riverside went over the goal line and tied the score at 6 to 6.

The next time Riverside got the ball they threw a pass which was complete, ran 50 yards and gained a touchdown. Riverside scored the extra point to put themselves ahead 13-6.

Riverside again scored in the first quarter on a long pass. They missed the extra point and led by the score of 19-6.

The ball changed many hands during the second and third quarters but neither team could take it across the goal line.

In the fourth quarter Lowrey scored again, as Holbird went 40 yards around end. The score then came to 19-12 in favor of Riverside which was the final score.

## Jr. High Summary

The jr. high football team has completed another season, yet they did not finish in the glory that last year's team did. Even though lacking any great speed and size the team had determination and desire but this is not enough to win a ball game. Coach Currie put it this way, "These boys did as well as they could, but our record, 0-3-1, does not show it."

Mr. Currie also said, "I think we're going to have a greater number of participants in sports to hold

Lowrey's fighting Polar Bears lost a real heart breaker to Garden City High School, on Friday, November 6, by a score of 14-13.

This was the Bears last game of the year. We went into the game as heavy underdogs. This was by far the Bears best game. They held the Panthers almost motionless with a devastating defense.

In the first quarter, neither team was able to score. The Panthers did score a touchdown, an intercepted pass, but it didn't count because of a penalty.

In the second quarter, Garden City got a quick touchdown and with the extra point they led 7-0. The Bears came right back to score as quarterback Doug Cole hit Frank Perri with a beautiful touchdown pass. The extra point attempt was blocked and we now trailed 7-6. Just before the half ended, the Bears got another touchdown as Cole threw a touchdown pass to Bob Fox. This time Louie Seymour made the extra point and we now led 13-7 as the first half ended.

During halftime the fans were treated to a comedy show by the Lowrey Band, which was very enjoyable.

The second half turned out to be a good defensive battle. Neither team was able to move the ball past mid field.

It was the same story in the fourth quarter and it looked like the Bears were going to pull a major upset, but with less than two minutes remaining, the Panthers scored on a long run and this tied the score 13-13. The all important extra point was made and Garden City became the winners.

We congratulate the Bears defense on their greatest effort of the year.

The Bears ended their season with a dismal 2-6 record but let's hope this game is only an example of what next year will bring.

## Jr. High Loses

Lowrey's junior high football team lost to Woodworth on Thursday October 29 by the score of 20-6.

Lowrey played their best game of the year but they were overpowered by a strong Woodworth team.

This was the last game for Lowrey and they ended up with a 0-3-1 record.

The boys who played an outstanding game on defense were John Paryoff and Ray Washborn.

When asked what he thought of his team, Coach Currie said, "I'm real proud of the fact that the boys had the guts to come out week after week without complaining."

**ANSWER TO THE SHADOW**  
Jean Sawicki, 12B-9

our own."

Both Mr. Oswalt and Mr. Currie said, "We are proud of the boys who stuck the season out and wish them good luck in the future."
