

The library has received some new books since the beginning of the year. These books will soon be on the shelves and cover a variety of topics. The titles of the books are: "Vietnam Diary" by Richard Tregaskis; "Nefertiti" by Evelyn Wells; "A History of the World's Classic Cars" by Richard Hough and Michael Frostick; "Portrait of Myself" by Margaret White; and "Buying the Wind" by Richard Dorson.

Members of the senior class recently received a contract from the Veteran's Memorial for the Senior Prom which will be held on June 12, 1965. The executive board is planning to go downtown to see the ballroom so that they can plan for the decoration, parking, and other necessities. More details will be published at a later date.

The Booster Club has purchased and made a new Polar Bear suit. We would like to thank the Booster Club, and Billie Erway, our first wearer of the new suit, for their enthusiasm.

## Parents' Meeting

The decision to assign busses to Lowrey High students in the morning and in the afternoon was announced by Mr. Romanow, December 15th, at the second meeting of the Lowrey High Parents' Club. He explained to the parents present that previous plans for only afternoon bus assignments had to be cancelled when four more seats were slashed by a few Lowrey students on a D.S.R. bus.

Mr. Romanow and Dr. Batsakis told the parents that in addition to assigning of busses, there will be much stricter enforcement of the rules for good bus conduct. Upon entering a bus, all students must show their bus tickets stamped with the correct bus number. The bus drivers will not permit smoking or any roughhousing. Because the number of students per bus will be limited so that almost everyone has a seat, there will be no reason for aisles crammed with students. It is hoped that the new restrictions and precautions will help to curb the bad reputation which Lowrey has been receiving.

The Parents' Club is now off to a good start and is already accomplishing its purposes of helping parents of Lowrey High students to understand what is happening at Lowrey. When there are no urgent issues such as the bus situation to discuss, other interesting topics will be brought up. It was suggested that a counselor could come in and tell the parents about opportunities for students after graduation, or perhaps to invite a math teacher to discuss new trends in mathematics as taught at Lowrey. The future meeting, however, will depend on

## Futorian Staff Selected

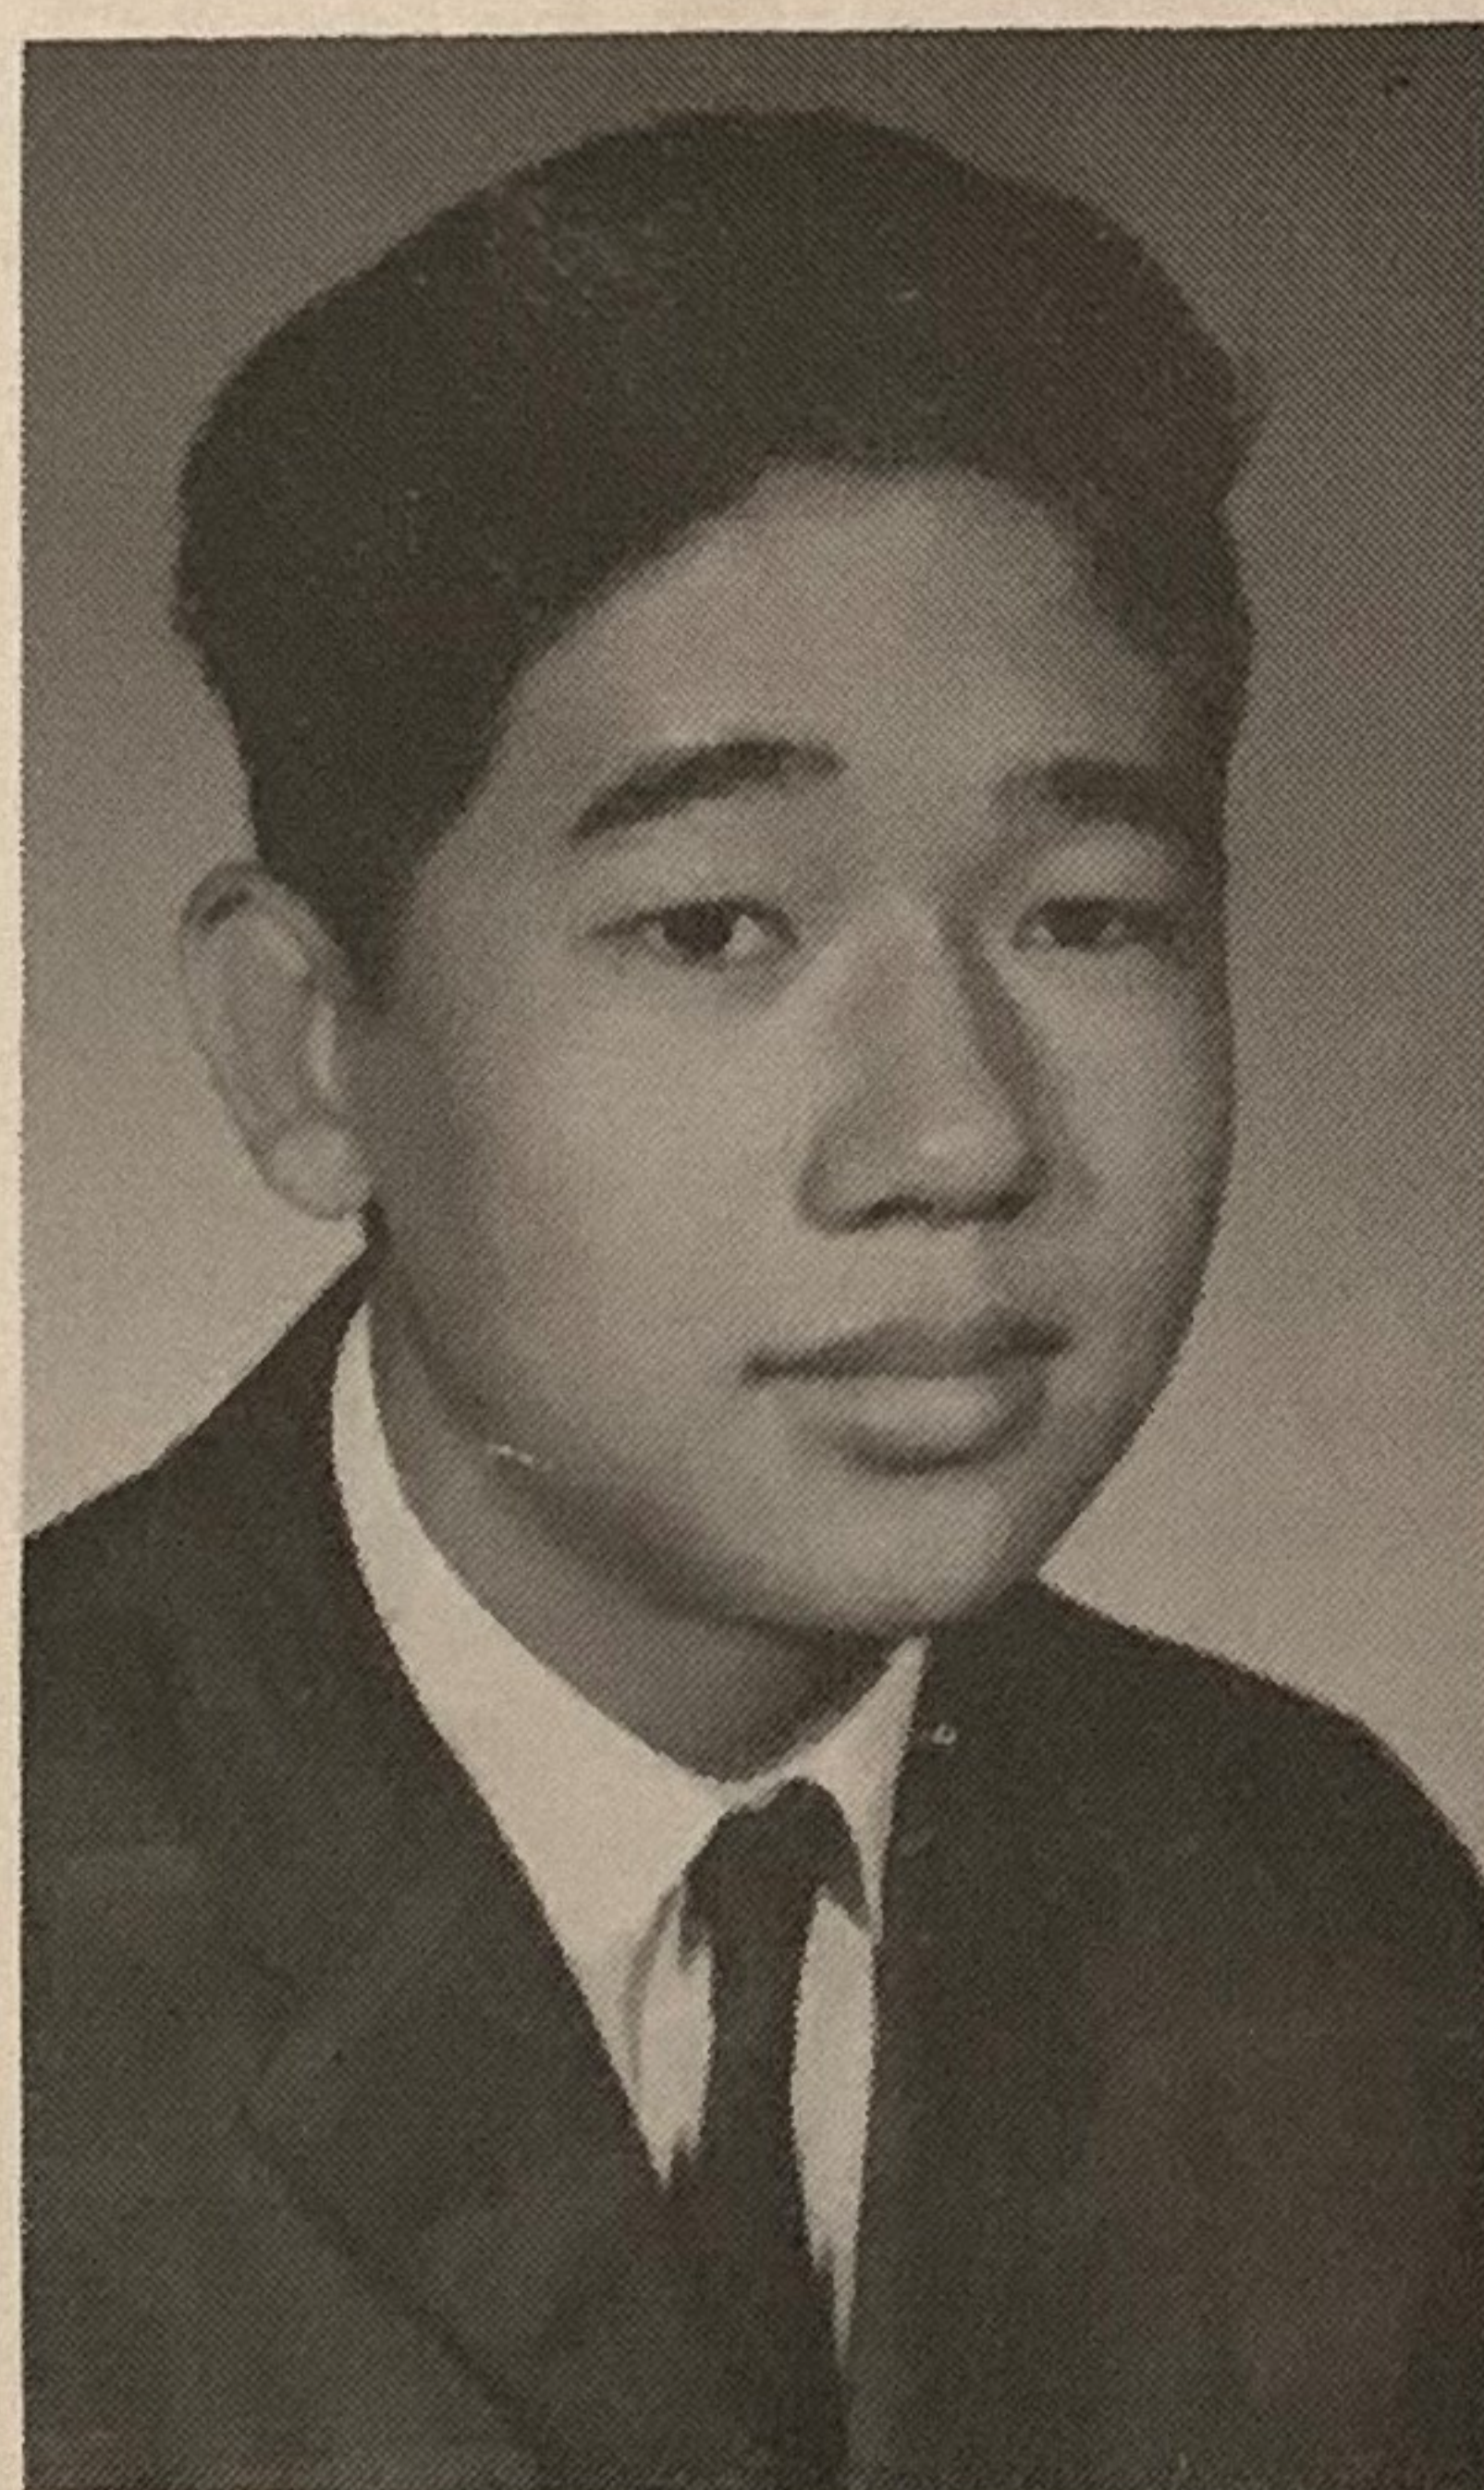

Senior Mike Kay, editor, now has the help of the two recently named co-assistant editors, Juniors Dennis Pysz and Jan Ting, to work on this year's annual. They will be working along with Mr. Falvo, sponsor.

When asked what the editor thought about this year's annual, Mike Kay replied, "I believe that with the cooperation of the Futorian staff, this year's annual promises to be a fine tribute to a fine class."

When asked the same question

Mike Kay

Jan Ting

what the parents wish to discuss.

These meetings are both informative and interesting and all parents of Lowrey High students are urged to attend.

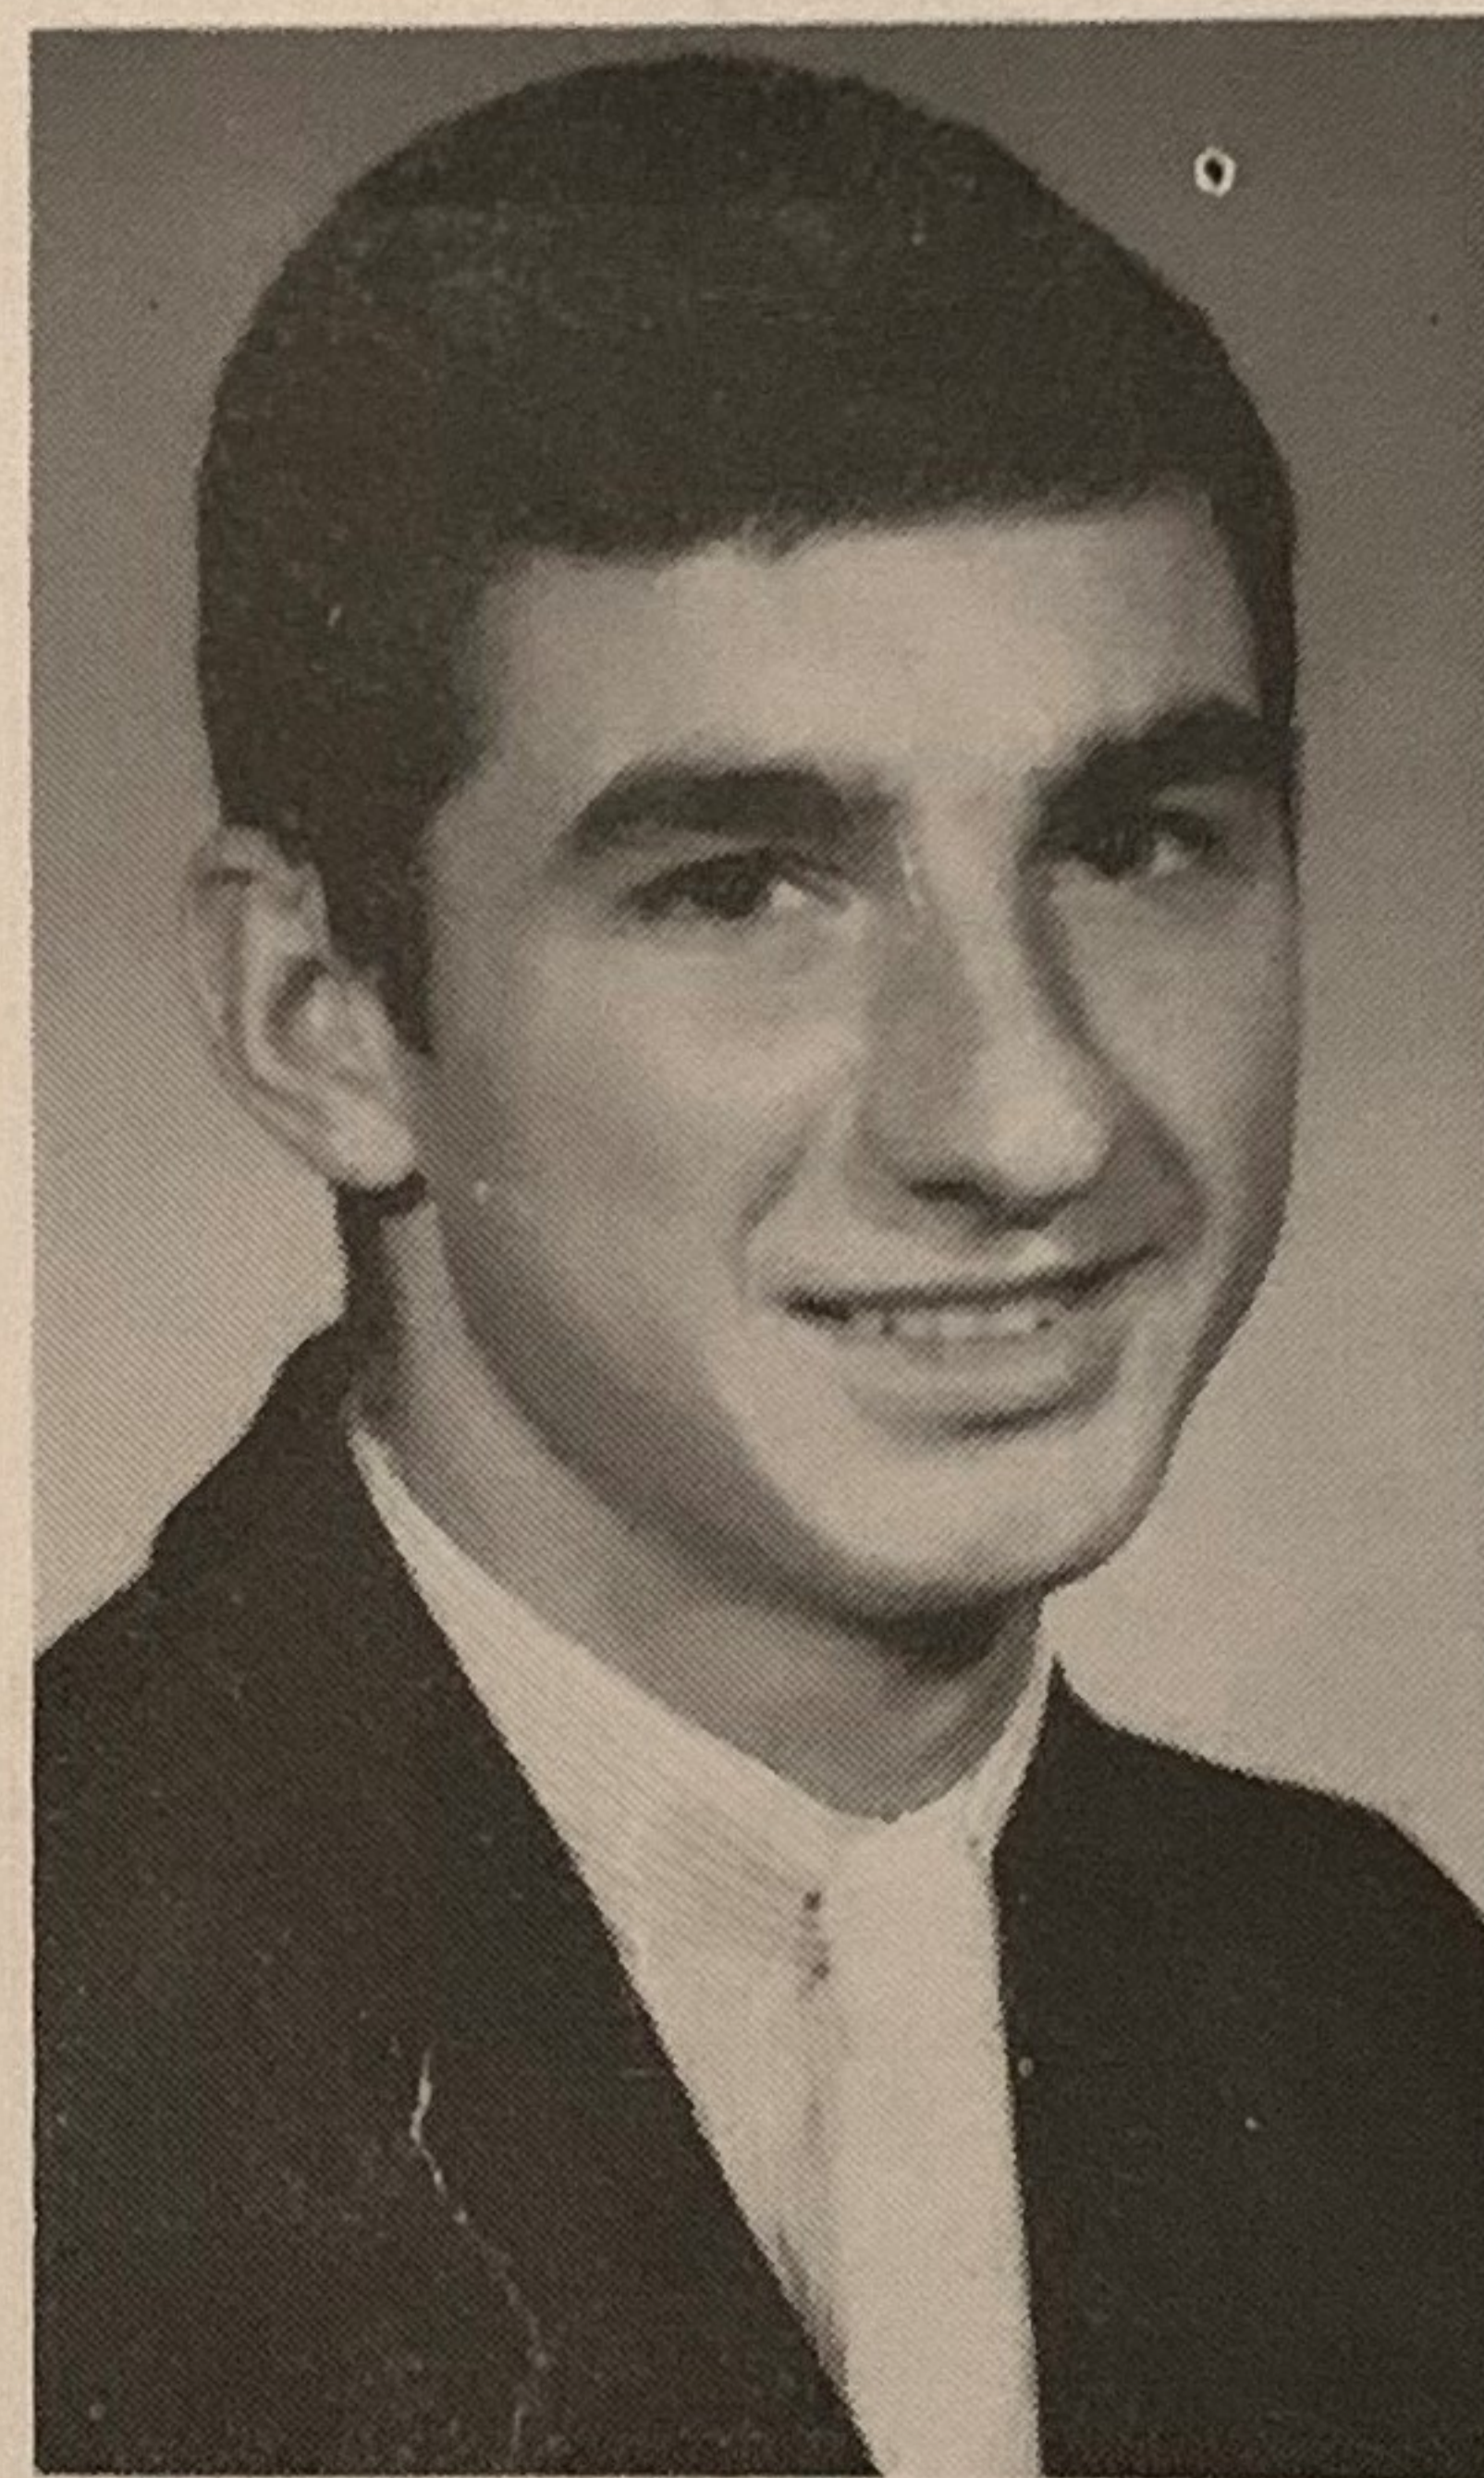

of one of the co-assistant editor, Jan Ting replied, "I look forward to and enjoy preparing the year-book. I feel that it is a valuable and rewarding experience as well as a service to the school."

At the meeting on December 10, the staff was shown the year-book cover which had been voted in as the students' choice. The committee chairmen received a list of those students assigned to help them.

The committees and their chairmen are:

Activities	Linda Wilkinson
Faculty	Margaret Macika
Sports	Paul Ray
	Larry Kubitz
Homecoming	Linda Borum
Underclassmen	Renee Vadnais
Division Pages	Susan Lustig

The big problem facing the staff now is the ONE day drive in Janu-

Dennis Pysz

ary. A big push to sell at least 60 more annuals is underway to enable the Futorian to be bigger and better.

If the drive is successful, this year's Futorian will contain 112 pages, giving more room to all the classes, sports, and clubs. It will contain a tribute to the late Mrs. Weaver, who was the Senior Class Sponsor before she was taken ill.

The book will also carry out a theme of nostalgia in activity pictures dealing with the song "Halls of Lowrey."

The staff is enthusiastic and they are getting ready to start work on the biggest annual in Lowrey's history.

## We Inaugurate A President

Sometime this month, Lyndon Baines Johnson will repeat the oath for the office of President of the United States of America, which he recited on that tragic day a little over a year ago.

It is reported that he will attend this important affair dressed in a plain dark suit. Quite a difference from the 1700's when George Washington took this same oath attired in blue velvet knee pants with a gold vest, and long, white silk stockings.

And how about Abraham Lincoln? He sported his traditional long black coat and trousers and a stove pipe hat.

Pictures revealed F.D.R. in a stunning dark suit with wide lapels and a white shirt. However styles have changed and people must go along with the styles.

Styles are not the only things that have changed in this solemn ceremony occurring every four years. Locations have changed. Although a majority of these inaugurations have been held on the east portico of the Capitol, others have not. The first was held on Wall Street in the Federal Hall. Others have been held in such places as the Senate Chamber, Congress Hall, and the House of Representatives.

Weather, too, has refused to follow a set pattern. How would you like to promise to help your country while standing in nine inches of snow? Taft did it.

What is an inauguration without an acceptance speech? The average number of words used in a speech of this nature is 2,499. William Henry Harrison, however, did not believe in going along with the crowd. He gave a speech, during a snowfall, that consisted of 8,445 words. This was almost twice as long as any other inauguration speech ever given. Quite a talker most people would say, or maybe he was just grateful.

Whether or not Lowrey will produce a man to occupy the White House only time will tell. If one of our people makes it, will he wear velvet or bermuda shorts? Will he say thank you from the east portico or the swimming pool? In just one word, "Thanks!", or 10,001? In mud puddles or snow drifts—only time will tell. Just in case one of you fellows has your eye on that great white dome (or one of you girls) you had better memorize this:

"I do solemnly swear (or affirm) that I will faithfully execute the Office of President of the United States, and will do the best of my ability, preserve, protect and defend the Constitution of the United States.

## Inquiring Reporter

Several requests by students prompted the Inquiring Reporter to dig into the dictionary and come up with this question: "What would you do if you saw an Ichthyosauria?"

Here are some of the answers we received:

**Dennis Pysz, 11B-10:** Run up to it and give it a big hug and kiss.

**Liz Johnston, 11B-6:** I'd give it to Ray Berry for a birthday present.

**Rich Titus, 12B-10:** I would take it and give it to Margaret.

**Dave Zajac, 12B-10:** I'd give it to Mr. Lowrey because he needs it.

**Mike Braund, 12B-1:** I'd shoot it, clean it, stuff it and mount it in the living room.

**Pat Chepan, 12B-2:** Take it home and give it to Vic.

**David Dobrotka, 12B-3:** I would use it for protection against Mr. Martin because Lynne has asked me to answer this question in the middle of his class.

**Rebecca Andrews, 12B-1:** Throw it away.

**Art Laverdier, 12B-5:** Fill up the bathtub, throw it in, and see if it could swim.

**Emery Rentscher, 11B-10:** I'd beat it, hollow it, stuff it, give it to Ron to give to his Grandma.

**Mark Lollo, 11B-8:** I'd scream.

**Ron Aitken, 11B-1:** Take the hook out of its mouth and cook it.

**Ross Coe Helco, 11B-5:** I'd add it as another member to the Daytonas to take Ron and Emery's place, and then RUN.

**Barb Katterman, 11B-6:** If it was real horrible, I'd give it to my sister, Gail.

**Grace Sanlor, 12B-9:** Run and hide.

**Kathy Denton, 12B-3:** Cry!

**Sandra Downs, 12B-3:** Send it to Paul, C.O.D.

**Susan Lustig, 12B-6:** Send it back to Edsel Ford for Ted.

**Richard Fritz, 11B-4:** Give it to Donna Oakley and let her figure it out.

## Join Friends For Breakfast

Have you stopped to realize that only a small percentage of our students are taking advantage of one of our worthwhile privileges the school offers in the morning? If you haven't, why not join your friends in the cafeteria every morning for a refreshing change? The Student Council offers donuts and milk for the sum of ten cents for all Lowrey students.

According to Mr. Peters, Student Council sponsor, there are a few problems that are slowly being overcome. Student Council members are posted in the cafeteria to serve as a reminder for those who have not been depositing their empty milk cartons in the containers provided in the west wing. The west wing has been designated for use

# Are You Guilty?

Put your collar up, and zip your black leather jacket halfway. Dangle a cigarette from your lips, and swear as you pass your friends. That's how it's done, I've heard. Laugh, Lowrey's students have hit rock-bottom.

What has happened to those who took pride in their school and wanted it represented with distinction? Where were they when so many destructive actions were taking place? The D.S.R. has reported seats being slashed, loaded snowballs and eggs thrown, even bricks, causing broken windows and injuries to passengers. A solution? . . . . . what would you suggest?

Our principal, Mr. Romanow, gave this comment, "95% of the student body is made up of good, respectable, and honest people, but it is the others that seem to be representing our school."

Are you one of "Muscle-Man's" followers, defacing property and destroying that which is not your? . . . or, are you the quiet one with eyes open, yet closed, and ears listening, yet deaf? Keep telling yourself over and over, "I'm not the least bit interested in my school, or the fact that mud has been thrown on its name." Let the gangs grow larger and the minor offenses mount into much serious ones, or . . . . put a stop to it, now . . . .

—Ashamed

as an eating area, while the center and east wings are designated only for socializing and not for eating.

Students are becoming aware of these rules and are keeping this privilege for the student body.

## Christmas Assemblies Held

In celebration of the Christmas season, an assembly was held for the student body on December 22 in the boys' gym. The program featured all of the vocal and instrumental music departments of the school.

The elementary and junior high bands were directed by Mr. Crumrine, Lowrey's new instrumental music teacher. The elementary choir was led by Mrs. Anderson. The junior high choir was led by Mr. Mys, who in addition to being choir director is also one of our math teachers. The senior high choir was led by Mr. Coedy, and Mr. Keranen directed the band.

For the finale, the audience and the performers combined talents in a carol sing which included several of the more familiar carols.

Plans are being made to make this assembly an annual affair.

This year two assemblies were presented in an effort to prevent the crowding that occurred last year.

## + Calendar of Events +

**January 8**—Home basketball game against Cherry Hill

**January 11**—Early dismissal for Junior High

**January 13**—Jr. High swimming meet at Woodworth

**January 14**—High School swim against Robichaud

Jr. High basketball at Bryant

**January 15**—High School basketball at Riverside

**January 19**—High School basketball against Garden City at Best

**January 20**—Junior High swimming meet against Smith at Lowrey

**January 21**—Book check for Junior and Senior High

High School swims against Ecorse  
Junior High basketball against Woodworth

**January 22**—High School against Southgate

The world really isn't any worse—it's just that the news coverage is so much better.

## Lost and Found

The lost and found shelf in the office is again overflowing with articles misplaced by Lowrey students. Aside from the usual assortment of books, notebooks, and themebooks, these items were also turned in:

5 jackets

4 sweaters

1 white half slip

1 black purse

Yale University handbook

Lowrey handbook

2 pairs of shoes

1 pink hairbrush

8 gloves

1 cosmetic bag

index card box

3 pairs of glasses

St. Raphael medal

1 gold bracelet with Virgin Mary medal

boy's ring with red stone

Many of these articles have the owner's name on them and need only to be claimed.

Mrs. Steele said she would like to dispose of these articles but has not yet decided what to do with them.

## Drivers Ed. Starts

Driver's Training will finally start. The first Saturday of the course will take place tomorrow, January 9. There are 72 students from Lowrey who are taking the course. The classes will only take place on Saturdays and will last for 20 weeks.

All students taking driver education should not fail to attend tomorrow. If they don't show up they will be dropped from the course unless arrangements have been made beforehand for the absence.

## P.S.A.T. Results

Results of the P.S.A.T. taken last October by students in our school were recently received by our counselors. There were 56 Lowrey students who participated in this test, and eight of them, all juniors, were at or above the 90 percentile mark. These students were Susan Dworakowski, Sheryl Henderson, John Holbird, Jean Novack Rose Inn Pender, Dennis Pysz, Jan Ting, and Greg Tomczyk.

In the spring another test will be given. This is the National Merit Test. All juniors who wish to go to college and did not take the P.S.A.T. are urged to take the National Merit Test.

BY  
FORBSON HIGH SCHOOL  
DEARBORN, MICHIGAN

Here are Gail Medved, 12B-7, and Pam Narlock, 11B-9, sorting some of the toys given to orphanages by the Future Nurses Club.

## Toys Given to Orphanages

Seven boxes of toys were delivered to three orphanages, the Evangelical Home, Pendrickton Nursery, and Lapeer, a week before Christmas by two members of the Future Nurses Club. Delivering the toys were Mrs. Whiteing, co-sponsor, and Heather Clark, president of the club.

These boxes contained many different articles in very good condition. The toys were collected from the elementary children during the week of December 7.

At the meeting held on Tuesday, December 15, the girls sorted the toys according to condition. The girls then washed and repaired the toys that needed it.

In addition, five boxes of damaged toys were donated to the United States Marine Corps which repair these toys and then give them to charity.

When asked about the drive, Mrs. Whiteing said, "I was wondering how it would work out, but it was a real great success." When Heather was asked for her comment, she replied, "I am real glad the club decided to do this for a project, and I hope that the children who received the toys get as much enjoyment out of playing with them as we did giving them."

## Juniors Plan Prom

Plans for the Senior Prom for the class of 1966 were discussed at a junior class meeting, Monday, December 21.

Three possible choices for the prom are being considered. These are: Lovett Hall, Roma Hall, and Veteran's Memorial. Rental fee will be from \$175 to \$175.

The band will cost anywhere from \$175 to \$225 while catering of food will cost a little more than \$75.

Suggestions for other possibilities will be considered if any juniors know of other available places.

## Debate Team Loses

Although Lowrey's debating team tried valiantly to defeat Rosary High, December 21st, Rosary's affirmative and negative teams won.

Lowrey debaters considered this first loss a good learning experience. Debate demands hard work and lots of research. The experience of debate, whether won, lost, or undecided, benefits the participants.

Best of luck to the debating team in the new year.

~~~~~  
Answer to Inquiring Reporter:

Ichthyosauria was a prehistoric marine reptile, now extinct.

## Mid-term Change to be Limited

In a recent interview with Mr. Cady, he explained the main points of the semester change and the student scheduling.

For the first time at Lowrey High School, the programming of student scheduling is now on a yearly basis. Most of the English, social studies and math classes will remain the same, including the room, teacher and hour.

Due to the specialization of social studies and science teachers, there will be some changes made. The only exception to these changes will be the time of the class.

Individual program cards will be distributed at the beginning of the semester, February 1, 1965, to all students. Between 70-75% of the schedules, including teachers and classes will stay the same.

## Alumnus Honored

Ed Keeton, '64, was one of the 417 freshmen recently admitted to the highly select Honors Council Program of enriched studies at the University of Michigan.

## Teens And The Peace Corps

Today's issue of the Lowrey Light features the first of a series of articles on occupations available to high school graduates.

On March 1, 1961, President Kennedy signed the bill that created the Peace Corps to better United States foreign relationships by helping people to help themselves.

The more specific objectives of the Peace Corps are to promote world peace and friendship by making available to interested countries Americans who will:

1. Help the people of these countries meet their needs for trained manpower.
2. Help promote better understanding of the American people on the part of the people served.
3. Help promote better understanding of other peoples on the part of the American people.

An idea for an organization like the Peace Corps was first voiced by Democratic Representative Henry S. Reuss of Wisconsin. When Senator Hubert Humphrey heard of the idea, he proposed a bill to have a peace corps formed immediately, manned by trained young people. This issue entered into John Kennedy's presidential campaign and in March of his first year as President it was formed, and firmly established by September of that same year.

The list of available jobs is endless—conservationists, engineers, hygienists, carpenters, bricklayers, well drillers, bridgebuilders, surveyors, social workers, home economists, physical education instructors, and plasterers. Altogether, there are about 300 job categories available to corpsmen.

A Peace Corpsman is paid about \$75 a month plus transportation to and from the country he serves in. All of his living expenses are paid for him, such as housing, food, and clothing. Incidental expenses, such as cigarettes, toiletries, and entertainment, are also paid for by the Corps. This pay is received during the two to three month training period also.

Any high school graduate, 18 years old or older, who is a citizen of the United States is eligible to join the Peace Corps. No specific talent is needed. The first step is to obtain a Peace Corps questionnaire from your local post office, congressman, or a college in your area. You can also write to the Peace Corps, Washington 25, D.C. This questionnaire takes about 45 minutes to fill out. This questionnaire is also your application form as there is no personal interview before acceptance.

On the questionnaire is a place to state your area preference. Positions are open in Central and South America, Africa, the Near and Far East and in Southeast Asia.

Since it takes a while for applications to be processed, your application should be submitted at least 6 months before you can be available to work. Selection is made without preference to race, religion, or political affiliation.

When you are accepted by the Peace Corps, you are transported to a Peace Corps training site. After one to three months of intensive training, 78% of all applicants are accepted and sent to a country for at least two years. Training involves the language of the country you are going to, its history, culture and institutions, and a special development of each volunteer's area of skill. A short course on emergency first-aid is also taught. Complete physical and psychiatric examinations are also given during training.

The average age of Peace Corps volunteers is 25 years old. This shows that many teenagers and young adults have joined, so that if you join this worthy organization you will not be alone.

## "Popcicles Icicles"

Popcicles, Icicles, the dance sponsored by the Lowrey Junior High Student Council on Friday, December 11, turned out to be a big success. Mr. Ossenmacher, sponsor of the JHSC, stated that student participation in both the turnout and dancing was quite good.

Music was provided by records spun by David Meaker while Larry Naessens took over the duties of Disc Jockey.

The name of the dance, as well as the last dance sponsored by the council, was the name of a popular record. This was done to help promote student interest in the dance.

The council members are busy trying to stimulate the student sweet tooth and increase their treasury by selling candy during the junior high basketball games.

## Art Corner

This is a new column that the Lowrey Light is starting.

Art—what is it? You could say art is something you do to ease your mind. That it's a fantastic feeling one has in himself. The urge to do, create, and to make something. When you involve yourself in Art, you learn to express your emotions or feelings in your work.

Mr. Jones, the Lowrey Sr. High Art teacher, holds a night art class. It is a class that you come into and work in anything you want, at your own rate of speed. It's a class you come into with a free casual atmosphere, and where you don't have the pressure of school problems.

There classes are held on Wednesday's from 7-9 in the evenings.

~~~~~  
Chance favors the prepared mind.  
—Louis Pasteur

# Bears Top Knights For Third In Row

## Tankers Capture First Victory

Lowrey's varsity swimming team started the season in a great fashion by beating Garden City West on Tuesday, December 8, by the score of 59-46.

John Halstead, 12B, broke a school record in the 200 yard Individual with a time of 2:48.1. Congratulations, John, on a job well done.

The following is how the boys placed in their respective events:

- 200 yard Medley—Sain, 2nd
- 200 yard Free Style—Davis, 2nd  
Totia, 3rd
- 50 yard Free Style—Aitken, 3rd  
McPhee, 2nd
- 200 yd. Individual—Halstead, 2nd  
Stamp, 3rd
- Diving—Lukuschewski, 1st  
Malyszek, 3rd
- Butter Fly—Lukuschewski, 1st  
Stamp, 2nd
- 100 yard Free Style—Aitken, 2nd  
McPhee, 3rd
- 100 yard Back Stroke—Cagle, 1st  
Ortega, 2nd
- 400 yard Free Style—Davis, 2nd  
Halstead, 3rd
- 100 yd. Breast Stroke—Komrans, 3rd

When asked about the meet, Coach Sande said, "What we did isn't really such a great accomplishment when you figure this is West's first swimming team. We have a lot of improving to do."

## Swimmers Dealt First Loss

Lowrey's tankmen were handed their first setback of the year by Garden City East on Thursday, December 10, by the score of 56-49.

The following is how the boys placed:

- 200 yard Medley—Cagle, 2nd
- 200 yard Free Style—Davis, 1st  
Toth, 3rd
- 50 yard Free Style—Aitken, 3rd
- 200 yd. Individual, Halstead, 2nd
- Divin—Lukaschewski, 2nd  
Malyszek, 3rd
- Butterfly—Stamp, 1st  
Lukaschewski, 3rd
- 100 yard Free Style—Aitken, 2nd
- 100 yard Back Stroke—Ortega, 3rd
- 100 yard Free Style—Davis, 1st
- 100 yd. Breast Stroke—Bobicz, 1st  
Komraus, 2nd
- 200 yard Relay—Lowrey, 1st

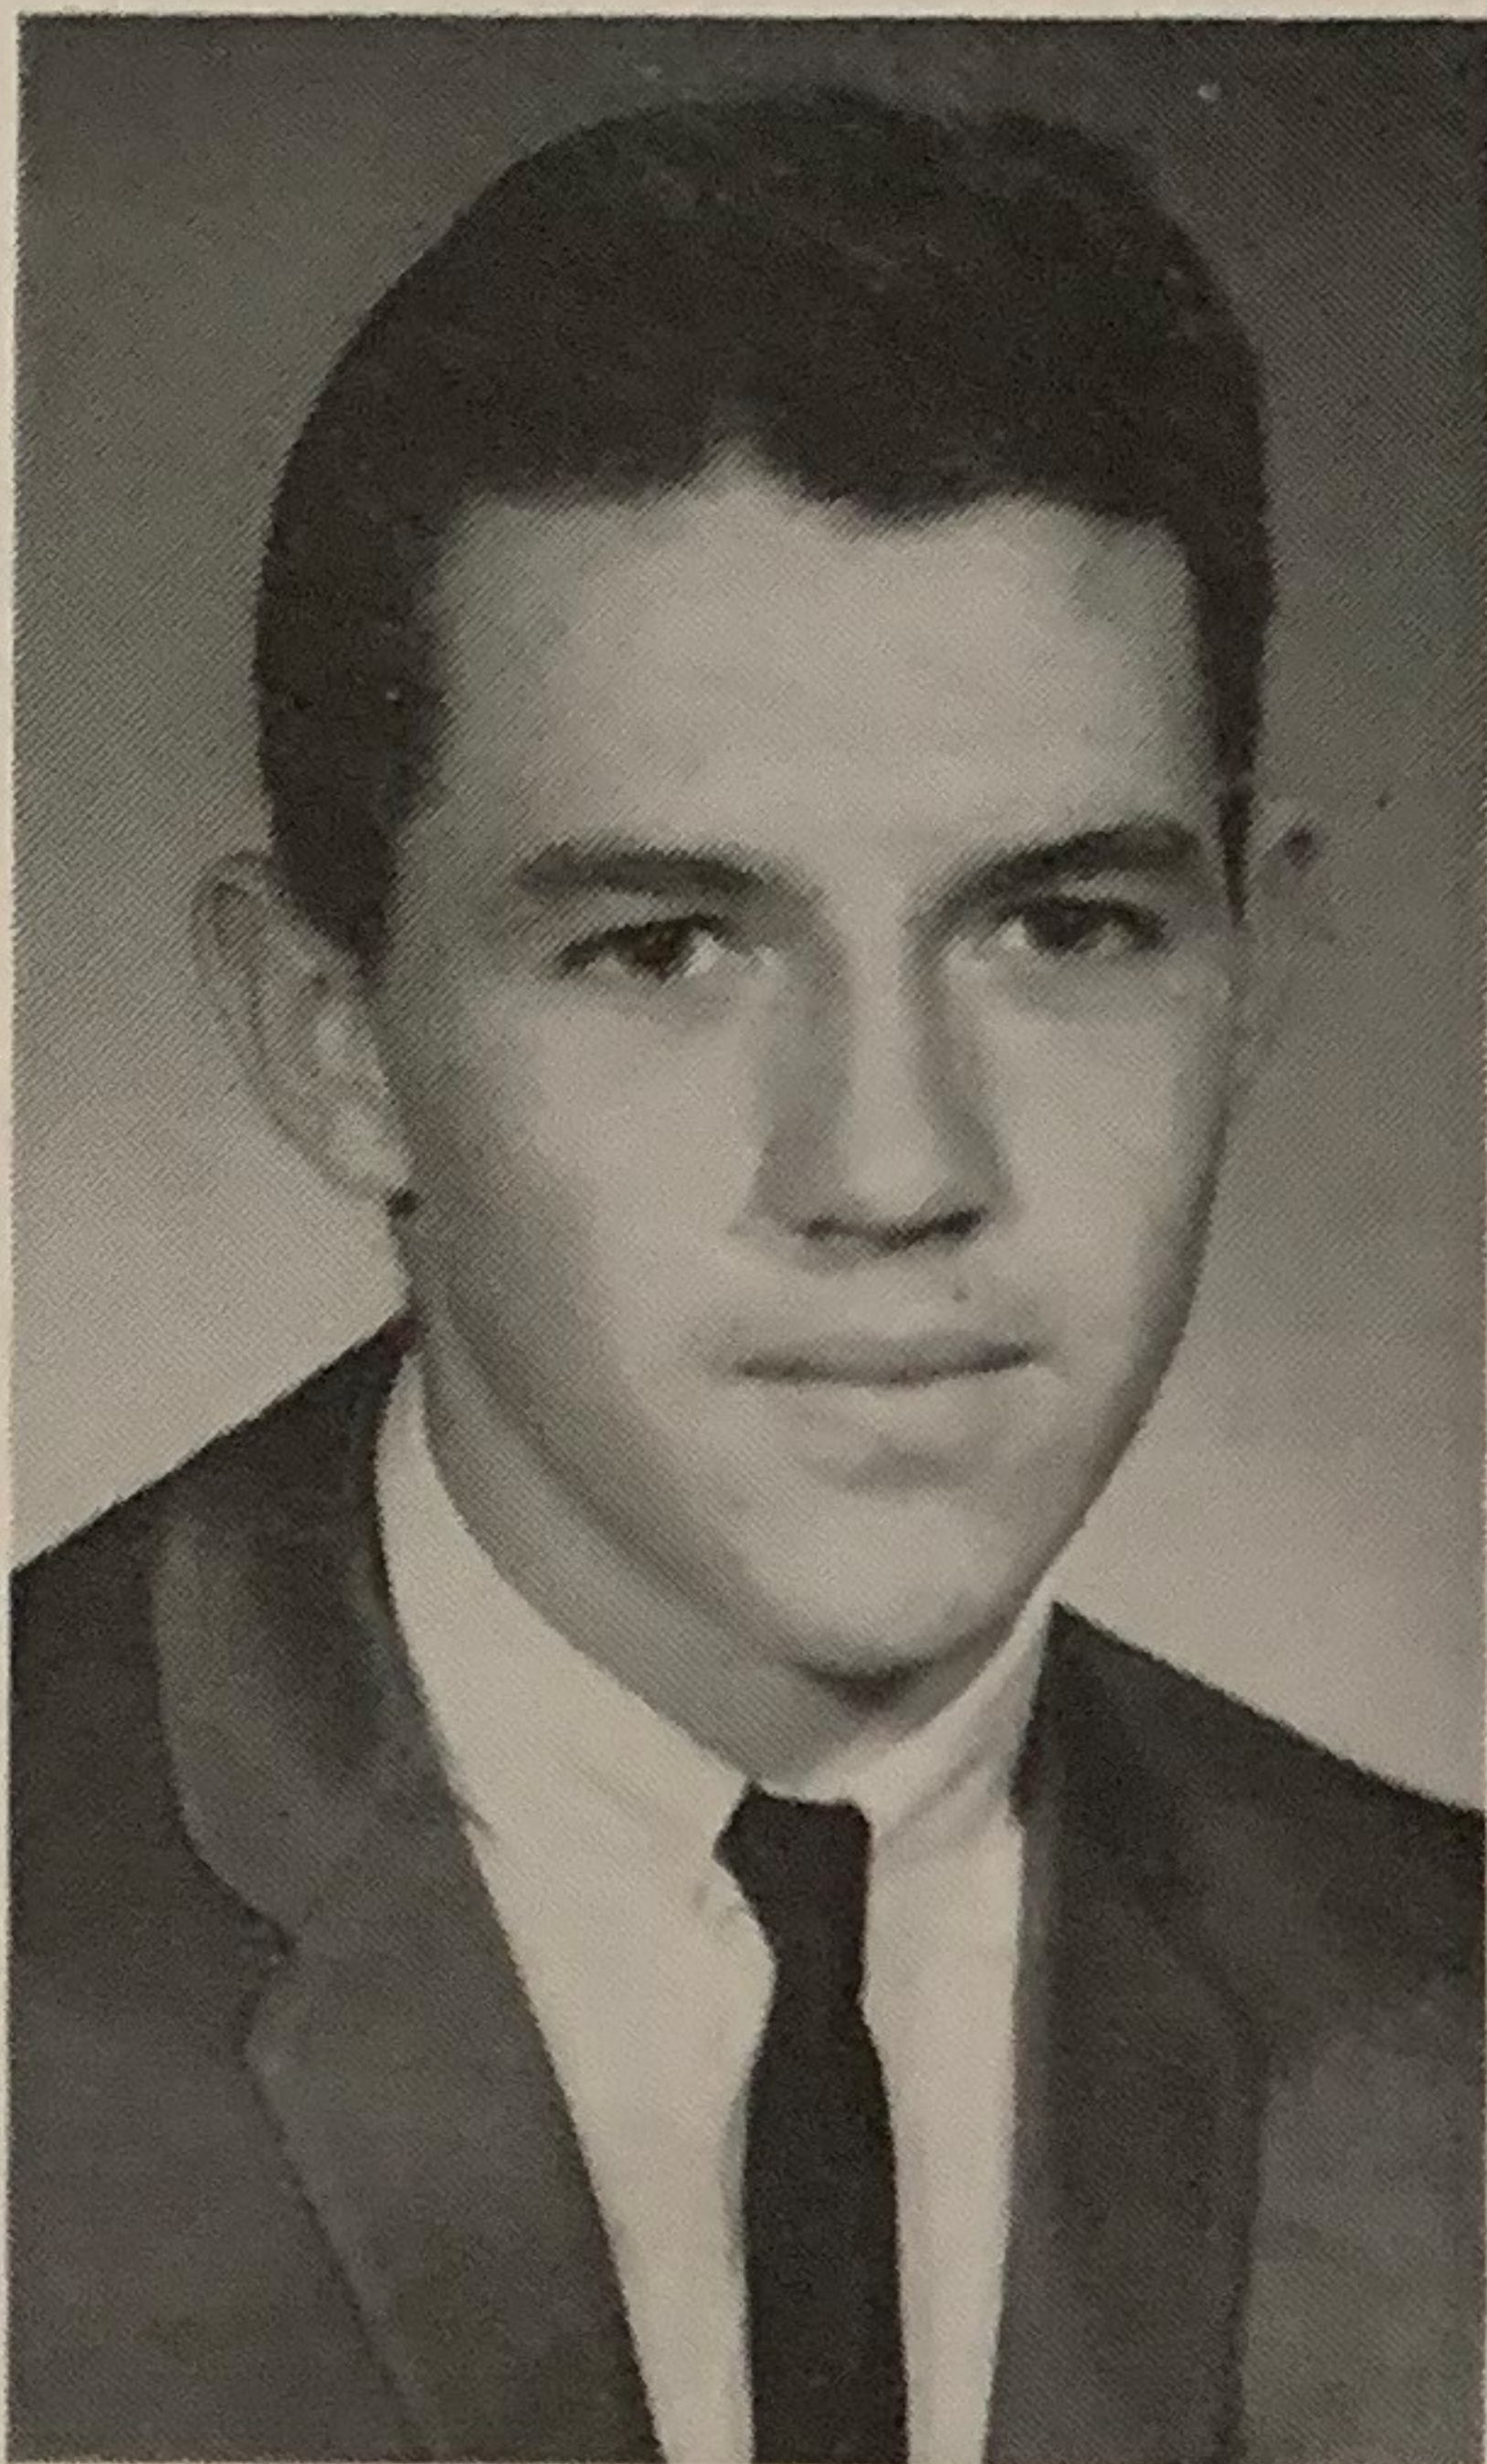

When asked to comment on the meet, Coach Sande said, "The breaks were just going against us."

## Sports Spotlight

A two-sport letter winner is the subject of the Sports Spotlight.

Bob Fox, 11B-4, has lettered in baseball, and football and is on his way to another right now in basketball.

He plays shortstop in baseball, end in football, and guard in basket-

Bob Fox

ball, showing great capabilities in being an all around athlete.

Bob, who is on a commercial course and is majoring in science, plans to go to H.F.C.C. and take up physical education after he graduates.

His favorite sport is basketball and his hobbies are swimming, tobogganing and shooting pool.

Someday Bob has the ambition of being a football coach.

When asked what has been his greatest thrill, Bob replied, "Earning a varsity letter in my sophomore year at Lowrey."

## Swimmers Beat Rouge For 2nd Win

Lowrey's varsity swimming team defeated River Rouge on Thursday, December 11, by the score of 54-46. The victory evened Lowrey's record of two victories and two defeats.

Here are how the boys placed in their respective events:

Event	Swimmer	Time	Place
200 yard Free Style	Halstead	2:14.3	1st
	Davis	2:22.0	3rd
50 yard Free Style	McPhee	.26.0	1st
	Aitken	.26.8	2nd
200 yard Individual Diving	Halstead	2:53.	1st
	Lukaschewski		1st
Butterfly	Malyszek		2nd
	Lukaschewski	1:17.0	2nd
100 yard Free Style	Stamp	1:18.1	3rd
	Aitken	.62.2	2nd
100 yard Back Stroke	McPhee	0:64.2	3rd
	Ortega	1:16.0	3rd
400 yard Free Style	Davis	5:14.3	1st
	Schmidt	5:56.0	3rd
100 yard Breast Stroke	Babecz	1:19.0	1st
	Komraus	1:21.0	2nd
200 yard Medley	River Rouge		

When asked to comment on the meet, Coach Sande replied, "I'm very pleased of the fact that the team can come back to win after losing to Garden City East."

## Bears Surprise Romulus, 81-64

Our Polar Bears won their second game of the season by beating favored Romulus by the score of 81-64 on Friday December 11.

Lowrey showed much spirit and poise throughout the first quarter, but were equally matched play for play by a very determined Romulus team, as the score 14-12 in favor of Lowrey at the end of the quarter indicated.

Then the Bears lowered the boom on their opponents. Sparked by the rebounding efforts of Jerry Wood and Joe Gary, Lowrey controlled both boards and thus took a commanding lead before the half time intermission. The 41-24 score gave the Bears a 17 point margin at this stage of the game.

In the third period Lowrey took over right where they had left off in the previous eight minutes. At times opening up leads of more than 20 points, Coach Rice thus went to substitute freely. It was at this point that senior forward Jerry Wood injured his ankle, but was out of the game only momentarily as the injury was not serious. At the end of the quarter Lowrey was ahead 63-38.

But the game changed face in the fourth and final period. A determined Romulus team began to fight back. Coach Rice did not seem worried, until the Eagles cut Lowrey's lead to 10 points. Then for insurance he put the first string back in to ice the victory. They brought the final score to 81-64 in favor of Lowrey.

Here is how the scoring went for the Lowrey cagers: Wood, 26; Cole, 22; Gary, 13; Fox, 9; Wigley, 5; Poole, 2; Wojtas, 2; and Ellefson, 2.

## League Opener A Good One 63-56

Our cages extended their winning streak to three by whipping Haston on December 18 by a score of 63-56. This was Lowrey's league opener and proved to be a real struggle.

Right from the first minute of play, the Bears made mistakes which Haston capitalized on. This brought the score to 17-9 in favor of the Knights at the close of the quarter.

Lowrey dominated the next quarter. The Bears uncorked 24 points compared to 9 for their opponent and led by a score of 33-26 at half time.

Play was even in the remaining two quarters with Haston threatening many times. But Lowrey hung on to win the game by a score of 63-56.

The following is a breakdown of Lowrey scoring.

Player	Points
Cole	26
Wood	17
Fox	8
Wigley	7
Gary	5

Coach Rice's statement on the game was, "We will have to go a lot to beat Riverside for the championship."

## Reserves Split

Lowrey's reserve basketball team divided its last two non-league games. On Friday, December 4, they defeated Garden City West by the score of 66-58, and on Friday December 11, they lost to Romulus 51-32.

In the game against Garden City West, the Bears played a very strong first quarter, they were leading 21-10. But in the second quarter the Tigers came back to out-score the reserves 20-13. The score at halftime was 34-30 in our favor.

In the second half it was a see saw affair with both teams making basket for basket. Each team managed to score 12 points and the score at the end of the third quarter was 46-42.

In the last quarter, the Tigers put on a press, hoping to pull the game out;; but Lowrey managed to hang on to win the game 66-58. It was a well played game with the Bears getting strong scoring performances from Chris Korte and Jon Hull.

The following is a break down in scoring:

Korte	21
Hull	18
Korte	8
Mathias	6
Malyszek	6
Hull	4
Bolash	3
Ordus	2
Holbird	2
Opp	1
