Seniors. For those who didn't get a chance to see the senior high art showcase before it was taken down, it said "You're in the home stretch, stay in the winner's circle." Let's just see if we can't keep that in mind.

There's a new addition to the basement corridor. A new bulletin board. The money for this board was supplied by the profits from the noon movie.

Report cards will come out the week of April 4. Easter Vacation is early this year.

So far in the soap drive for the civilians in Viet Nam, Mrs. Hoffenbacker's 12A-12's and Mr. Coedy's 12A-8's have contributed 100% to the collection. Let's get some groups on the band wagon.

Counselors Sound Off

sent to parents of students who are dropping slowly in their grades. The purpose of this notice is to inform the student and parent how well the student is doing. It gives the student an opportunity to raise the grade and pass the class with flying colors.

When the counselors were asked their opinion, they were as follows Mr. Kraai "One of the best things we've ever done because we have better contact with the parents. Mr. Rigotti "Good idea. More warning they get it's better for the students and parents."

Mr. Kosster "Parents are informed. Students know exactly why they are failing and given a chance to bring it up and teachers must write down the reason for the students failure. It is a way of asking the parents to help the counselors in doing their job."

Mr. McBride "Good thing. The students are able to pick up the grades and his way there are fewer failures at the end of the semester."

This system has only been in effect since September and we hope it is just as well liked by the students as by the counselors.

Seniors Measured For Caps and Gowns

Seniors were measured for caps and gowns on March 10, 1966, by the Willsie Cap and Gown Company. A total of 265 seniors paid and were measured. Nineteen seniors were absent. That makes 234 seniors out of a possible 297 for the whole senior class that are measured.

March 10, marked as measuring day, brought graduation day closer to many seniors. Typical of what most seniors felt, Liz Johnston, 12A-6 remarked:

"Getting measured for caps and gowns today made me realize how near the 'big day' really is. It started me to think back over my 3½ years at Lowrey and all the wonderful times I've had. It makes me a little sad, to, because now I'll have to leave them to the next group of seniors to think back on when they get measured for their caps and gowns."

Pictured above is Bonie Boitke-12A-2, being measured by Mr. James Scott of the Willsie Cap and Gown Company.

Counselors Schedule 345 New Students

Members of our counseling staff recently met with and advised 345 ninth grade students from Oakley W. Best who will be in the fall class of tenth grade students at Lowrey School.

The students were given a tour of the building by their counselors. Then the counselors met back at Best and talked to each student individually and discussed his schedule for the fall semester.

This class will be one of the last tenth grade classes to graduate from Lowrey as there will be a new high school built in the near future in Dearborn Heights.

Pictured here are representatives of the groups which have contributed to the soap drive. Left to right: Michelle Erway—6th grade, Richard Etke—7th grade, Special Education, Pam Narloch—Future Nurses president, 12A-9, Sandy Hicks—12A-5, and Steve Girardin—7th grade.

Lowrey Students Come Clean

During the two weeks of March 7-18, Future Nurses Club have been gathering all kinds of soap. The reason for this? Soap is the best disinfectant there is and the civilians in Viet Nam need disinfectants. Thus, we are gathering soap. It is to be understood that the soap is for the civilians of Viet Nam; not the soldiers.

Pam Narloch, president of Future Nurses, says, "The senior high have really been surprising for they are doing a real good job in bringing in the soap."

So far, the Future Nurses Club have obtained 1,000 bars of soap. As far as they know, Lowrey School is the only school in this area running this campaign.

Lowrey Forms New Folk Club

The Society of Folk Music had its second meeting on Wednesday March 11. At this meeting the constitution was ratified and members were elected for various positions. Allen Huls was elected chairman, secretary, Linda Nagel, corresponding secretary, Naomi Eros.

The club, dedicated to the singing, study and forming of folk music is fairly new to Lowrey High. There has been already an enthusiastic response to this new club on the part of Lowrey students, with 27 students at the first meeting and 39 at the second. The club, for all 9th through 12th grade students, meets every other Wednesday from 3:45 to 5:45.

Lowrey is not the first to have a club of this kind, for Crestwood and Fordson High have also started a folk singing club. Plans of possible correspondence between schools and participation in the spring talent show will be consid-

Homemakers Enjoy Latest Styles

Mrs. Dotson's fifth hour home-making class observed a hair styling and make-up demonstration by representatives of the Virginia Farrell Beauty School on March 16.

Subjects discussed included:

1. Current hair styles.
2. Hairstyles for school and formal wear.
3. Care of nails.
4. Proper make-up for school and evening.

A question and answer period followed.

Mrs. Devlin was the speaker and talked of the styles and make-up as they were being demonstrated.

ered if students continue to show interest in this newly formed club.

The next meeting will be March 23. Mr. Mys, club sponsor, invites all high school students interested in folk music to come out.

Student Group Offers Travel

Do you enjoy traveling? Seeing new places? Meeting people? Is enrichment your cup of tea? Read on. We recently came across this correspondence and passed it on for your information.

"Only 500 more young people (17½ to 40) from the U.S. and Canada will be accepted for participation in the 1966 Summer JOBS ABROAD program, it was announced today by ISTC Executive Director, Francis X. Gordon, Jr.

ISIS (International Student Information Service, Brussels) and ISTC (International Student Travel Center, NYC) are non-profit organizations devoted to securing overseas jobs for young people sincerely interested in expanding their horizons by working and living abroad for a summer or longer.

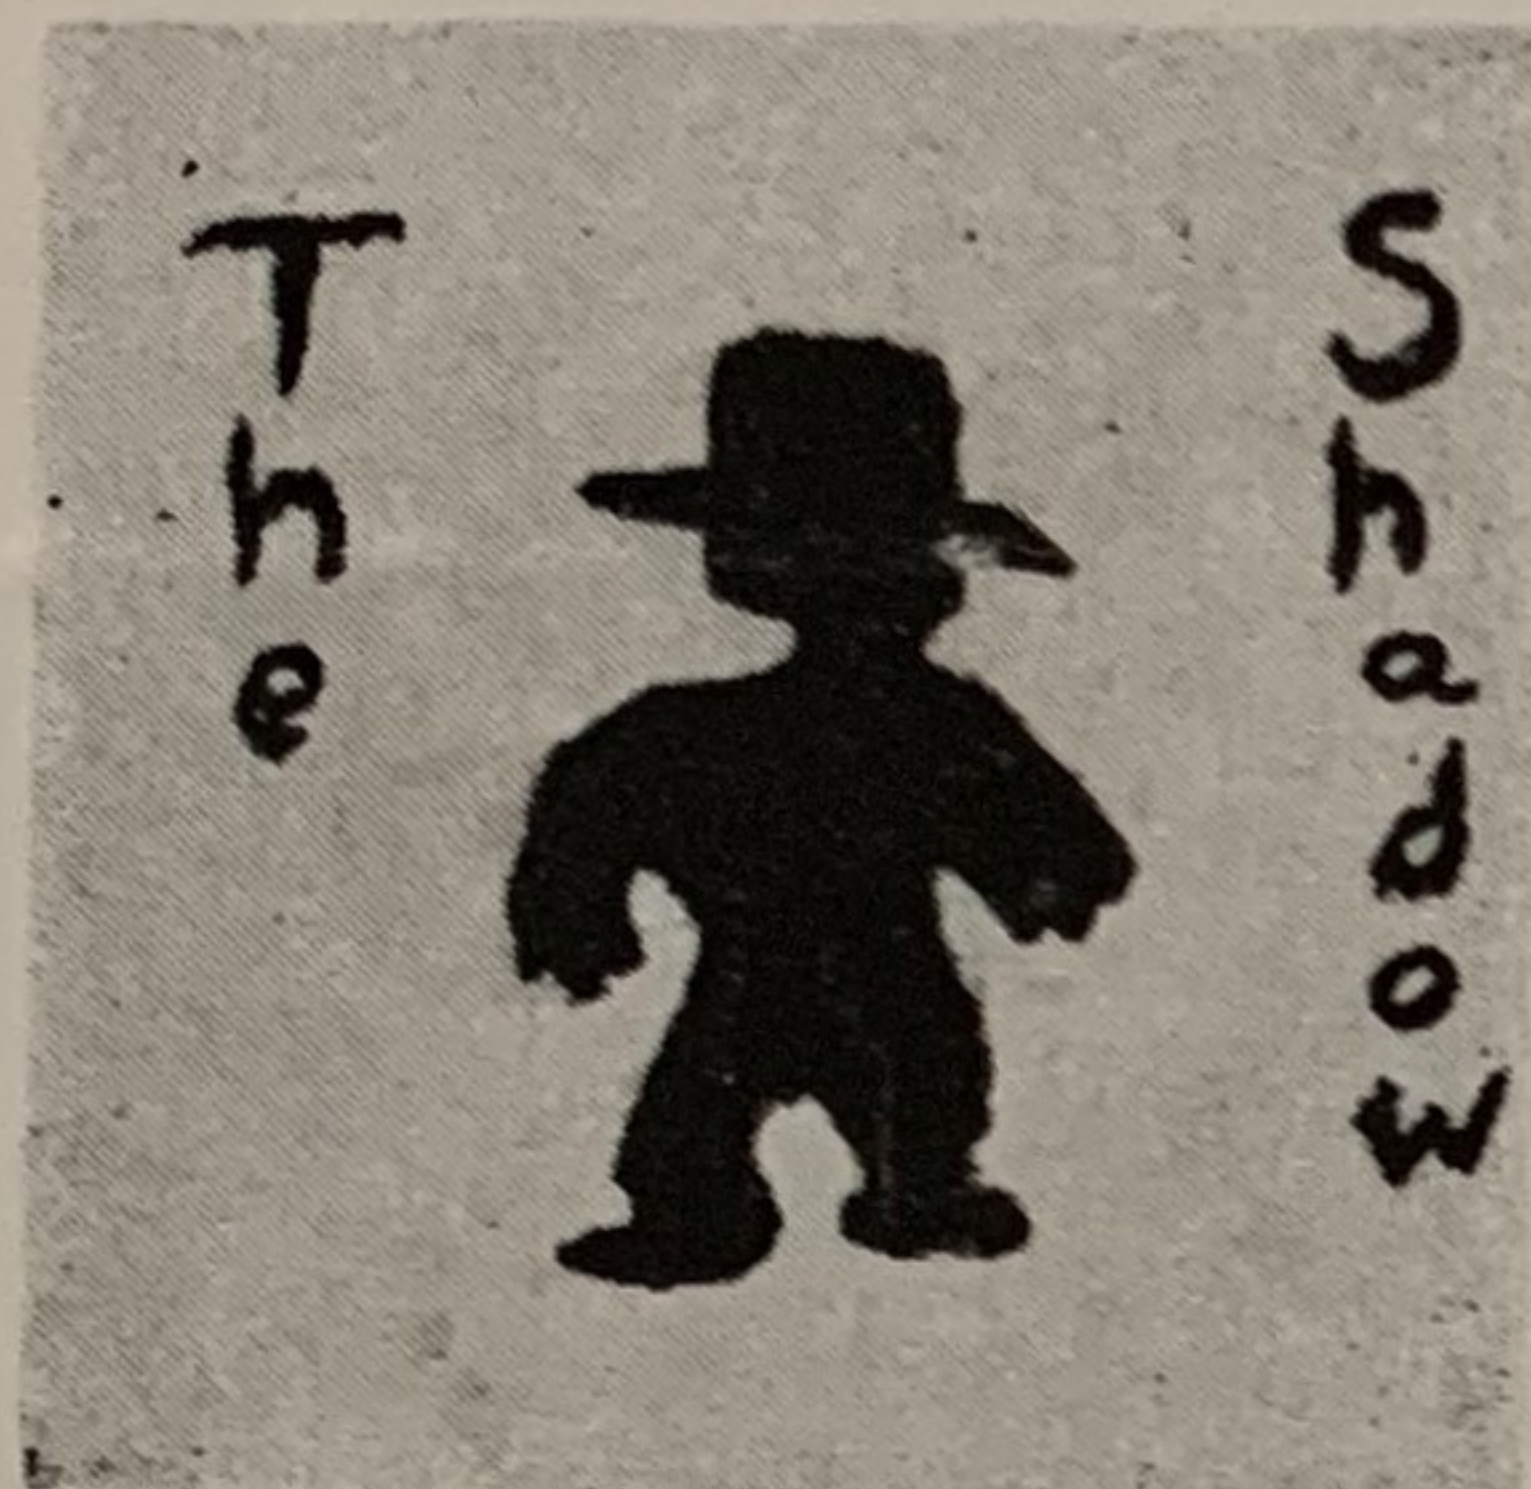

The jobs available are similar to what you would find at home during the summer. There are nine basic work categories ranging from Camp Counseling and Construction to Child Care, Office and Resort Hotel work.

The countries traditionally in demand are divided into four language areas: English (Great Britain and Denmark), French (Belgium, France, and Switzerland), German (Switzerland, Austria, and Germany), and other (Spain, Portugal, Italy, Africa, etc.).

Naturally the customs and living conditions abroad are different. The pay is lower and the hours longer, but instead of spending money traveling with other American tourists, you earn money side by side with the local citizens. The cultural and fun opportunities are unlimited. More than 35 participants from 1965 are going again in 1966.

ISTC and ISIS are the only two international organizations which absolutely guarantee a job abroad to accepted members. Some 6 months participants request and receive three different job assignments in three different countries. In addition to securing the job, ISIS and its North American affiliate, ISTC, provide a multitude of services to all members while they work, travel, and study abroad. May 1 is the deadline for June work applications.

Dance Band

With numbers ranging from "My Wild Irish Rose" to "The Breeze and I," the Lowrey jazz band put on a very successful performance at the Dearborn Youth Center on Thursday, March 17.

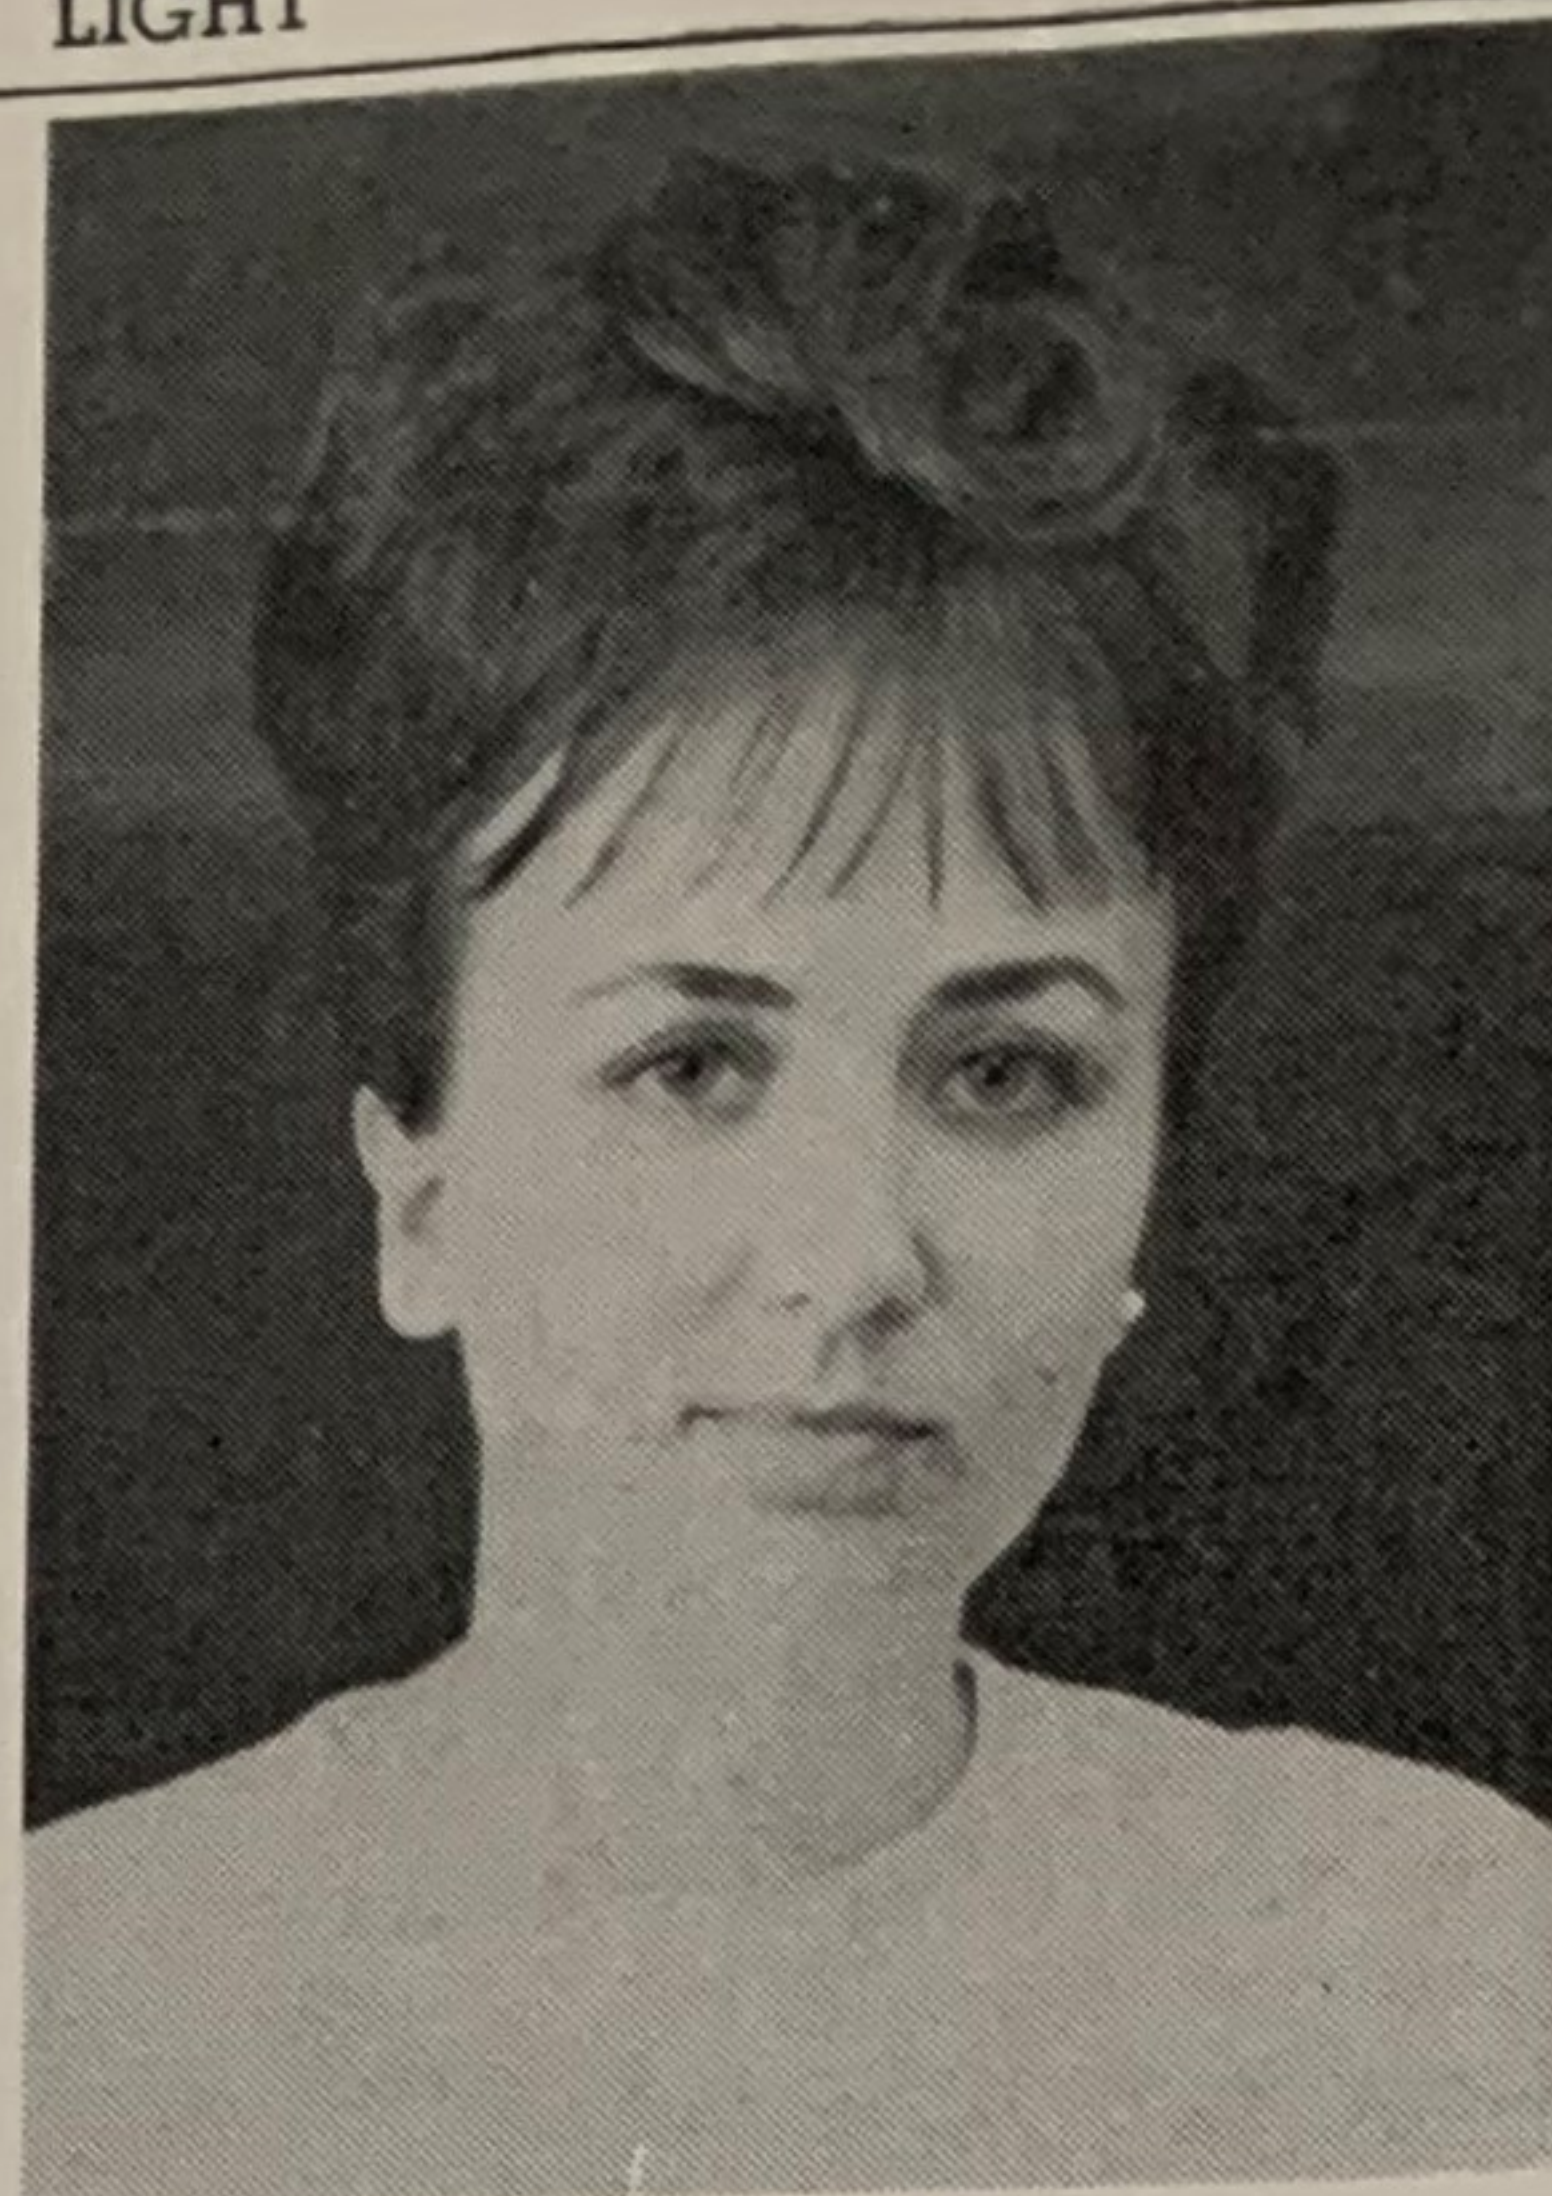

Mr. Keranen directed the band in a medley of ten popular songs. To go along with "My Wild Irish Rose" and "The Breeze and I" there were two classics, "I'll Never Smile Again" and the "Nearness of You." There were also two very popular jazz songs entitled "Sunny Side of the Street" and "Basin Street Blues." Even the great old time musical, "The Wizard of Oz" had one of its songs worked into the program, "Over the Rainbow." The jazz band also honored the Beatles with "And I Love Her."

The members of the band played the theme songs of two of the most famous movies to ever hit the screen, the themes from "Lawrence of Arabia" and James Bond's great spy thriller, "Goldfinger."

Musical Poll: Guitars Win Out

Next to reading, and watching TV, music-making is the nation's most popular leisure-time activity. Last year there were 37 million amateur musicians in the country. Piano-playing was still in first place; but one-third of all musical instruments sold were guitars.

Future Drivers Read This!

Lowrey students applied for summer driver education classes during the week of March 7-11. To be eligible for an application the student has to be at least 16 years old by October 1, 1966.

The classes will be held at three of the Dearborn high schools: Fordson, Edsel Ford, and Dearborn High (in two summer sessions). The first session will begin on June 20 and end July 15 and the second course will last from July 18 to August 12. Each course has 90 openings and six replacements. The rest of the students will make up a reserve list. If you are 16 by August 15, it is almost guaranteed that you will be able to take the course. If you were scheduled to take driver's education last year and did not attend classes for any reason without notifying the Board of Education, your name will be at the very end of the waiting list.

As a warning to those who do take the course, if you miss 10% of the classes, you will receive no credit. This really means that you are allowed no more than two days of absence from classes or you do

Asterisk To Be Out Soon

All the copy is over at the printer's. It won't be long until you receive your 1966 edition of our literary magazine, the "Asterisk."

This year's magazine is going to be really great. There has been a lot of really excellent material turned in this year. In fact, this year's issue is so promising that Mrs. Helveston is entering it in Columbia University's contest for literary magazines throughout the nation.

If you have not already purchased your copy of the "Asterisk," do not despair. The pre-sale is still on. You can purchase a copy of the magazine in the paperback bookstore for the low cost of \$.50 each. Buy your copy today!!

Mrs Hemker Is A New Teacher

Recently added to the Lowrey faculty is Mrs. Hemker, a commercial teacher. She has taken over Mrs. Sturges's typing classes for the year. Mrs. Hemker has her Bachelor of Science and Education degree. Currently she is making applications at various colleges to attend summer courses and work full time on her masters degree in Business Education.

Mrs. Hemker is originally from Chicago where she taught for two-and-a-half years. She says she enjoys teaching and is well pleased with this school in general. A typist who has reached a goal of a 110 words a minute, Mrs. Hemker would also like to teach shorthand some time in the future. Concerning Lowrey she said, "Yes, I like it very much."

She has a number of hobbies including tennis (her favorite), reading, sewing, and she enjoys learning how to knit.

Co-op Available For Fall Seniors

Attention all Juniors! If you are interested in co-operative training next semester, you should get your application by the end of March. There is no particular deadline, however, students who apply before April 1 will receive more consideration than those who apply in the fall, according to Mr. Pearson, job coordinator.

There will be many types of job open for co-op students. Mr. Pearson says, "As long as there is a learning process involved, the job is acceptable." The jobs offered are divided up into 3 main categories: trade and industry, office jobs, and retailing.

About the credits, Mr. Pearson says that any student who is out of school for two hours or more will receive two ½ credit units. If the student leaves the building after 6th hour, he receives only one ½ credit unit.

When asked how many students would apply for co-op, Mr. Pearson replied, "Guided by the past, between 80 and 100 is the usual average."

Lowrey Bands Vie For Title Orators Compete

"We are hoping that 'The Battle of the Bands' dance will be the biggest and best dance that Lowrey has ever seen," said Bruce Borum, president of the Junior Class. The dance is going to be held on April 1 in the Lowrey Ball Room from 8 to 11 p.m. Admission is only \$.75 per person, and it is a come one come all affair.

The title of the dance, "Battle of the Bands," is exactly what is going to happen. Four "fabulous" and famous Lowrey bands are competing for the title of being the best band.

Here is a little information about each of the bands. The Heartbeats, under the direction of 12A John Angelos, have been together for two years.

Steve Gnewkowski, 11A, also has a group known as The Electras. The Electras have been together for two years and have found themselves some fame. They have appeared on TV, and they have also made performances at Berkley High School, with Bobby Green of WKNR, Keener 13.

The Dellcos is a group which has become popular in the short time they have been together. They have only been together ten months, and have already had engagements on TV, at Wick and Polk with J. Michael Wilson, and with Bobby Green at different schools and dances in the Detroit area. Sam Joannette, 10A, drummer of the group, says that there is a lot of work involved organizing and preparing their numbers but he is looking forward to the competition that will face The Dellcos on April 1.

The Sensations is another group who will be competing in the "Battle of the Bands." This group, with Jim Williams, 12A, on guitar, has been together for five months. They have had engagements at the Wayne Civic Center, the Pink Pussy Cat, and the K. of C. Hall.

Door prizes in the form of records will be given to people with the lucky number. There will be music going all the time. Each band will play for a limited time. Starting at 9:30, the voting will take place and by 10:00 everyone will know the results. From 10 to 11 the best band will play.

Advertising As A Career (Concl.)

This article is a continuation of the advertising story which appeared in the last issue of the Lowrey Light.

SALARIES

The salaries of beginners in agencies reflect the prevailing rate paid in competition for the available talent. By the time they are 28 to 35 years old, however, men and women who have proven their skills in advertising agency work are often making more money than their classmates in other fields.

In 1963, the average to start was \$3,500 to \$5,000 yearly. For the more experienced, the average yearly income was \$5,000 to \$10,000 and \$15,000 or more for copy chiefs. The pay is higher in agencies and lower in retail stores.

SIZE OF THE FIELD

Approximately 100,000 men and women are employed as specialists in the four areas of advertising, with 100,000 in related administrative and clerical activities. The 3,000 advertising agencies (including branches) employ a total of nearly 70,000 men and women. At present, the four branches of advertising probably need a total of 20,000 newcomers each year. Advertising agencies will absorb about 7,000 of these, including novices.

In conclusion, the field of advertising offers a gratifying life's work to young men and women who are interested in being at the core of business, in a position to help people live better, a wide variety of problems to solve, calling upon creative selling, analytical and managerial talents, the opportunity to work with thoughtful, imaginative minds in a stimulating environment, and substantial pay within a fairly short time for those who have the needed skills and the skill to apply them.

If you notice students around Lowrey talking to themselves, don't think they are nuts! They are the winners of the local forensic contest, and are practicing for the district finals, which will be held on March 30. The schools participating in our district are Cherry Hill, Wayne Memorial, and Romulus.

The winners of this district contest will go to the state contest which will be held sometime in April. Our entries in the contest are:

FTA News

life were discussed by the guest Roketa, and Mrs. Henke and members of the Future Teachers' Club at their meeting of March 9th.

Miss Roketa, who is with Mrs. Dotson, said that she prefers senior high school over junior high school because senior high school students are much more friendly and at ease with her than the junior high students.

Mrs. Henke said that she was very nervous the first few weeks until she became accustomed to it.

Mrs. Henke, who is a member of Tri Sigma sorority at Central, said that sororities are nice, but very time consuming. Miss McBride and Mrs. Henke, both seniors at Central agreed that, at Central at least, it is not necessary to belong to a sorority to get dates or to be active in school affairs.

YOUR TWO CENTS

What would you do if someone gave you some samshu?

Don Lonser, 12A-8: I'd give it to Mr. Keiffer.

John Anderson, 11A-1: Eat it.

Candy Gary, 10A-3: I'd throw it at my brother.

Lynn Berjeski, 10A-1: Drink it and have fun.

Darla Neusel, 11A-8: Eat it?

Tim McLeod, 11A-8: Polish my shoes with it.

Larry Hubbard, 10A-4: I guess I'd eat it.

Mike Rushing, 12A-11: Sell it to Tom McCann.

Clare Wirick, 11I-12: I'd give it to Bobby LeBar. He needs something.

Judy Johnson, 10A-4: I'd give it to Bob Irwin.

Bobby McAlpin, 11A-9: I'd drink it, and forget all my troubles.

Terry Nideffer, 12A-9: I'd save it for a rainy day.

Sandy Powers, 12A-10: I'd eat it.
Phil Peterson, 12A-10: I'd give it to Terry.

Pat Yeager, 12A-13: I'd give it to Pat.

Carol Keezer, 10A-4: I'd wrap it up and give it to Ray.

Mr. Hipkiss: I'd return it to Mr. Beesley.

Sharon Wyman, 11A-12: Send it to Edsel Ford and have certain boy drink it.

Bill Wilson, 12A-13: Save it for all those great graduation parties.

Dave Williams, 12A-13: I'd chew it until it got sour and then give it to Mr. Rigotti for a going away present.

Miss Groce: Give it back — in a hurry.

Alex Burns, 10A-1: Kill it.

Jerry Lee Chemla, 11A-3: Send it into the Hamtramck Mama Contest.

Cager Statistics

With the regular season over, the varsity cagers of Lowrey have had a successful season winning 10 games and losing 5. Coach Rice said, "At times the boys played as well as anyone in the league but they were too inconsistent and had to settle for third place."

The following is the total scoring for each player.

NAME	GP	TPS	AVG
B. Fob	15	221	14.9
Gary	14	198	14.1
Miller	15	201	11.5

New Tennis Coach

Lo and behold and duck your head! What does this all mean. Exactly this, Mr. Sande, who has replaced Mr. Martin as tennis coach, started unofficial practice for Lowrey's tenth grade tennis team on March 18. The whole squad was called to an official practice on March 21 and fun and games were soon under way. Mr. Sande plans to improve upon last year's 2-13 won-lost record. He is putting most of his hopes on Eddie Riley (12A) and Bruce Borum a junior. Bruce won only a sophomore then.

This years netters will play 15 matches; one non-league and 14 league games. They play twice one home and one away.

Baseball Workouts

The long winter wait was ended for quite a few juniors and seniors as varsity baseball practice began for the pitchers on Tuesday, March 15. The catchers will begin practice on Monday, the 21st of March. Then, finally, latter in the month, the whole squad will join in for a full scale workout and practice.

Mr. Shultz, who has taken over the manger's reins from Mr. Rigotti has had very little to say so far. He knows Kennedy is the team to beat if Lowrey is going to win the championship this year. Their whole team will be returning this year after helping put two losses on the Bears 5-10 1965 record.

The players Mr. Shultz is counting on this year are John Flanigan, Steve Gerych, Joe Marchetti, and Mickey and Gary Malyszek, all returning lettermen. Bob Fox has won two varsity letters, one in his sophomore year. Mr. Shultz is also counting on Rick Shaw and Paul Comross. The remaining lettermen are Mick Jacek, Ray Guericki, and Marc Lollo.

Mr. Schultz

Knocked Off In First Round

After winning five of their last six league games, Lowrey was defeated by their arch-rival Fordson 67-50, in the first round of the district tournament.

In the first quarter all five Lowrey starters combined to outscore Fordson 13-11. Mitchell and Miller scored four each.

In the second quarter, Fordson outscored the bears 19-14 and the half ended with the Tractors holding a slim 30-27 edge.

By the time the third quarter ended, Fordson had pulled out in front of Lowrey by 13 points, 49-37. In the final quarter Fordson added the finishing touches and won 17 points.

Joe Gary	18 points
Moe Miller	11 points
Bob Fox	7 points
Ed Wigley	5 points
Richard Mitchell	5 points
Gene Ellefson	2 points
Bill Opp	2 points

At the same time Fordson was eliminating Lowrey, Edsel Ford was on their way to a hard fought one point victory over Robichaud.

Reserves Slip By

The Lowrey reserves closed the season in a fashionable way as they beat Crestwood for their eighth consecutive win 61-58 at Crestwood High

Without much difficulty, Lowrey breezed to a 34-22 at halftime. The start of the third quarter saw a determined Crestwood team come out fighting with a half court press, and cut down, the lead to three.

During the fourth quarter Lowrey settled down, and eventually won 61-58. Our reserves ended up with an impressive record of 12 wins and 3 defeats.

The scoring was as follows:

Terry Frits	22 points
Bill Branton	10 points
Chuck Fox	10 points
Dan Henson	7 points
R. T. Muncy	5 points
Gary Mroz	4 points
Mike Schwab	3 points

Coach Schultz stated that the season was very successful, with the boys showing good team spirit and determination. He was very pleased with the tenth grade boys.

Tankers Dunked

Taking only 3 out of 11 events, our Lowrey tankers bowed to Ecorse on Friday 25, by a score of 63-42.

The three events that Lowrey captured were the 100 yard freestyle, the 100 yard backstroke, and the 100 yard breaststroke. Both teams took at least one point in each event.
