March 7, 1966

LOWREY HIGH SCHOOL, DEARBORN, MICHIGAN

Volume 32 No. 10

Bits . . " Pieces

by Gloria Ellerhorst
and Chris Allen

Dr. Seavitt urges all seniors not to sit back and take it easy now that graduation is only one semester away.

Attention athletes! There will be practice on all early dismissal days. One coach will go to the teacher's meeting and one will stay for practice.

Mrs. Hemker, commercial education teacher, is taking Mrs. Sturges place for the rest of the semester. The concert band and dance band will present a one hour musical program for the student body on Friday March 11.

New Student Teacher at Lowrey Mrs. Henke Miss McBride

Mrs. Kathy Henke is Mrs. Vance's new student teacher. She is here every Monday, Wednesday, and Friday. Mrs. Henke is a speech correction major and a psychology minor. She will be graduating from

Mrs. Henke

continue but is Central Michigan University in June with a Bachelor of Arts degree. She would like to continue but is unsure of her plans as her husband is in the Army and she is

hoping to join him in June.

Mrs. Henke was very active in high school and received a State Board Scholarship which paid tuition and fees for one year of college. In college she is a member of the Speech and Hearing Association, and the Child Education Association. Her hobbies are dress designing and singing where she has won many district competition shows.

Her first impression of Lowrey is that "the children are very cooperative."

-BULLETIN-

Lowrey's cagers were defeated by Fordson 67-50 in the state district basketball playoffs held at Dearborn High School on March 3. The Bears were down three points at half time but turnovers, missed free throws and a perked up Tractor offense were too much

Fall Schedule

Dr. Seavitt, Mr. Boatwright and Mr. Evans met and discussed the coming fall schedule, in order to arrive at the best possible time schedule for the fall semester. The decision was to have no zero hour. The disadvantages outweigh the advantages. The first disadvantage is the small number of teachers willing to take a zero hour class. Second, it is hard to get substitute teachers to come that early in case of an illness. Third, the buses are unable to pick up students an hour early and it would be a disadvantage to students to get up an hour early. Also, the classes would have to contain at least fifteen students and this causes scheduling problems for those willing to take a zero hour. Dr. Seavitt added that it may take place in the future but not as far as the fall schedule is concerned.

Student Teacher mcbride-1

Student teaching speech classes with Mr. Lowry and Mr. Salowich is Miss Shelia McBride from Central Michigan. She is majoring in speech and minoring in English.

Miss McBride

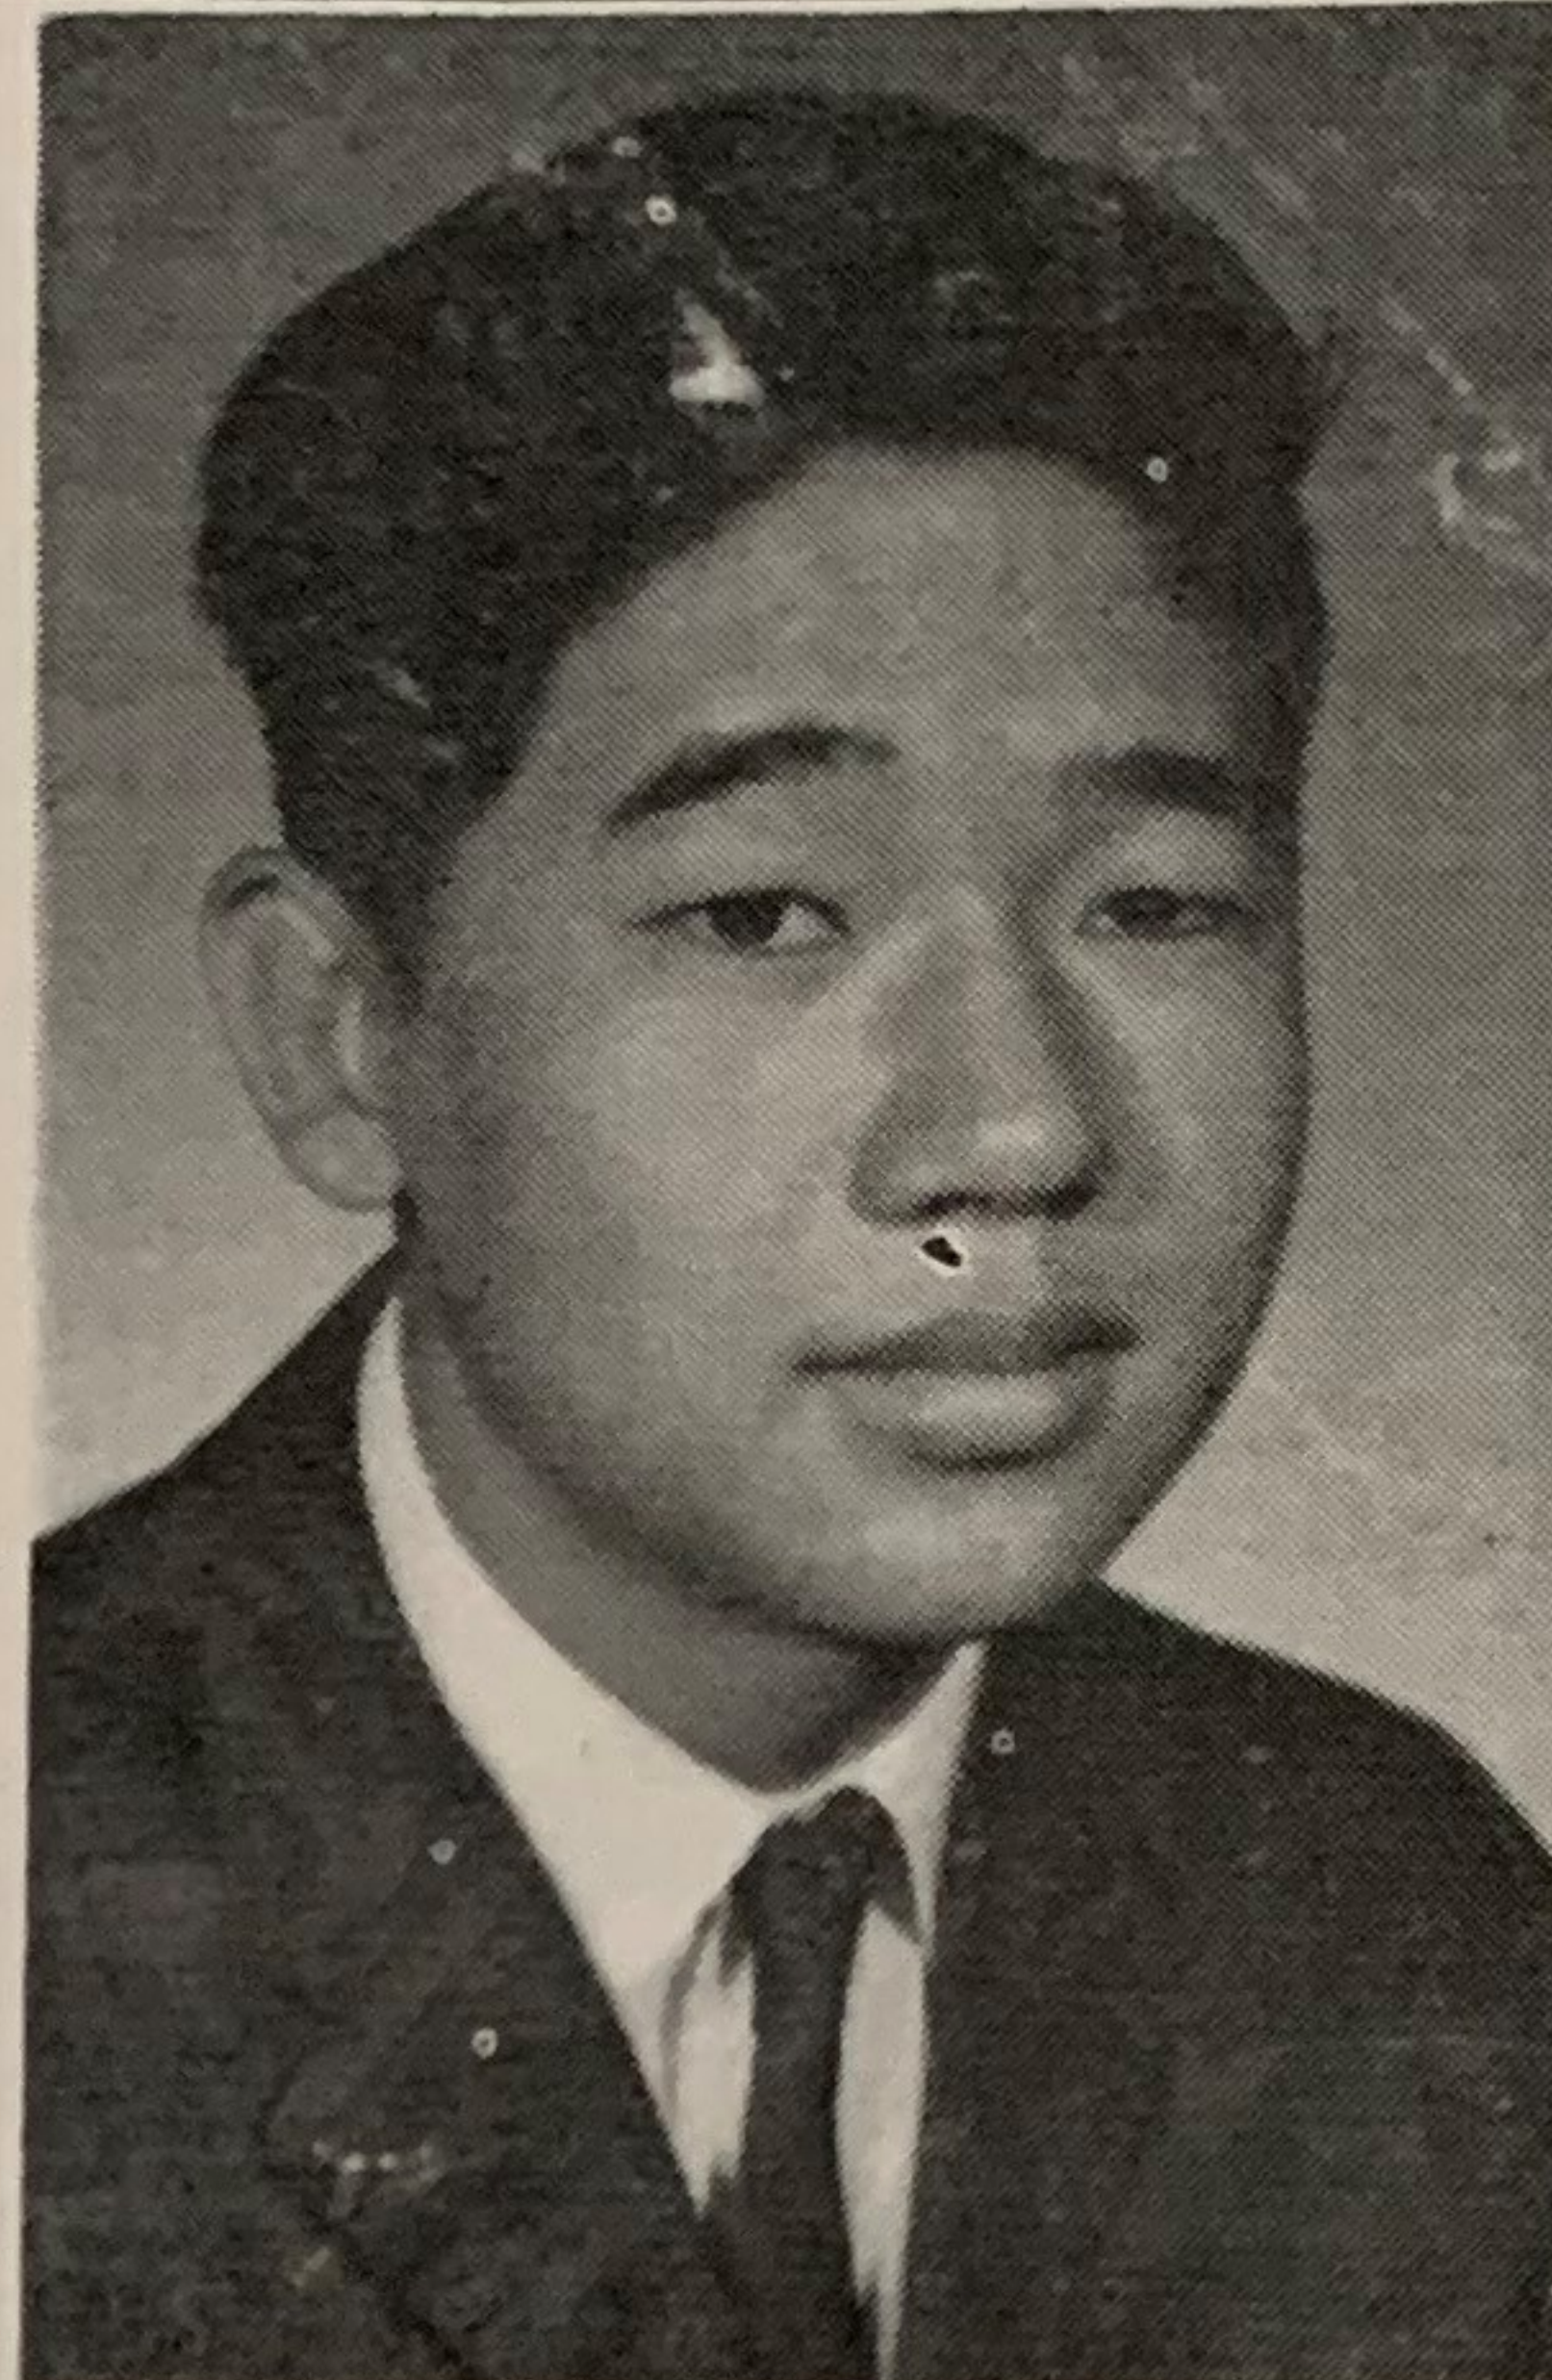

Miss McBride will be graduated next January with a B. A. degree and she hopes to teach in a suburb of Detroit.

Miss McBride has a great many interests. She has been in charge

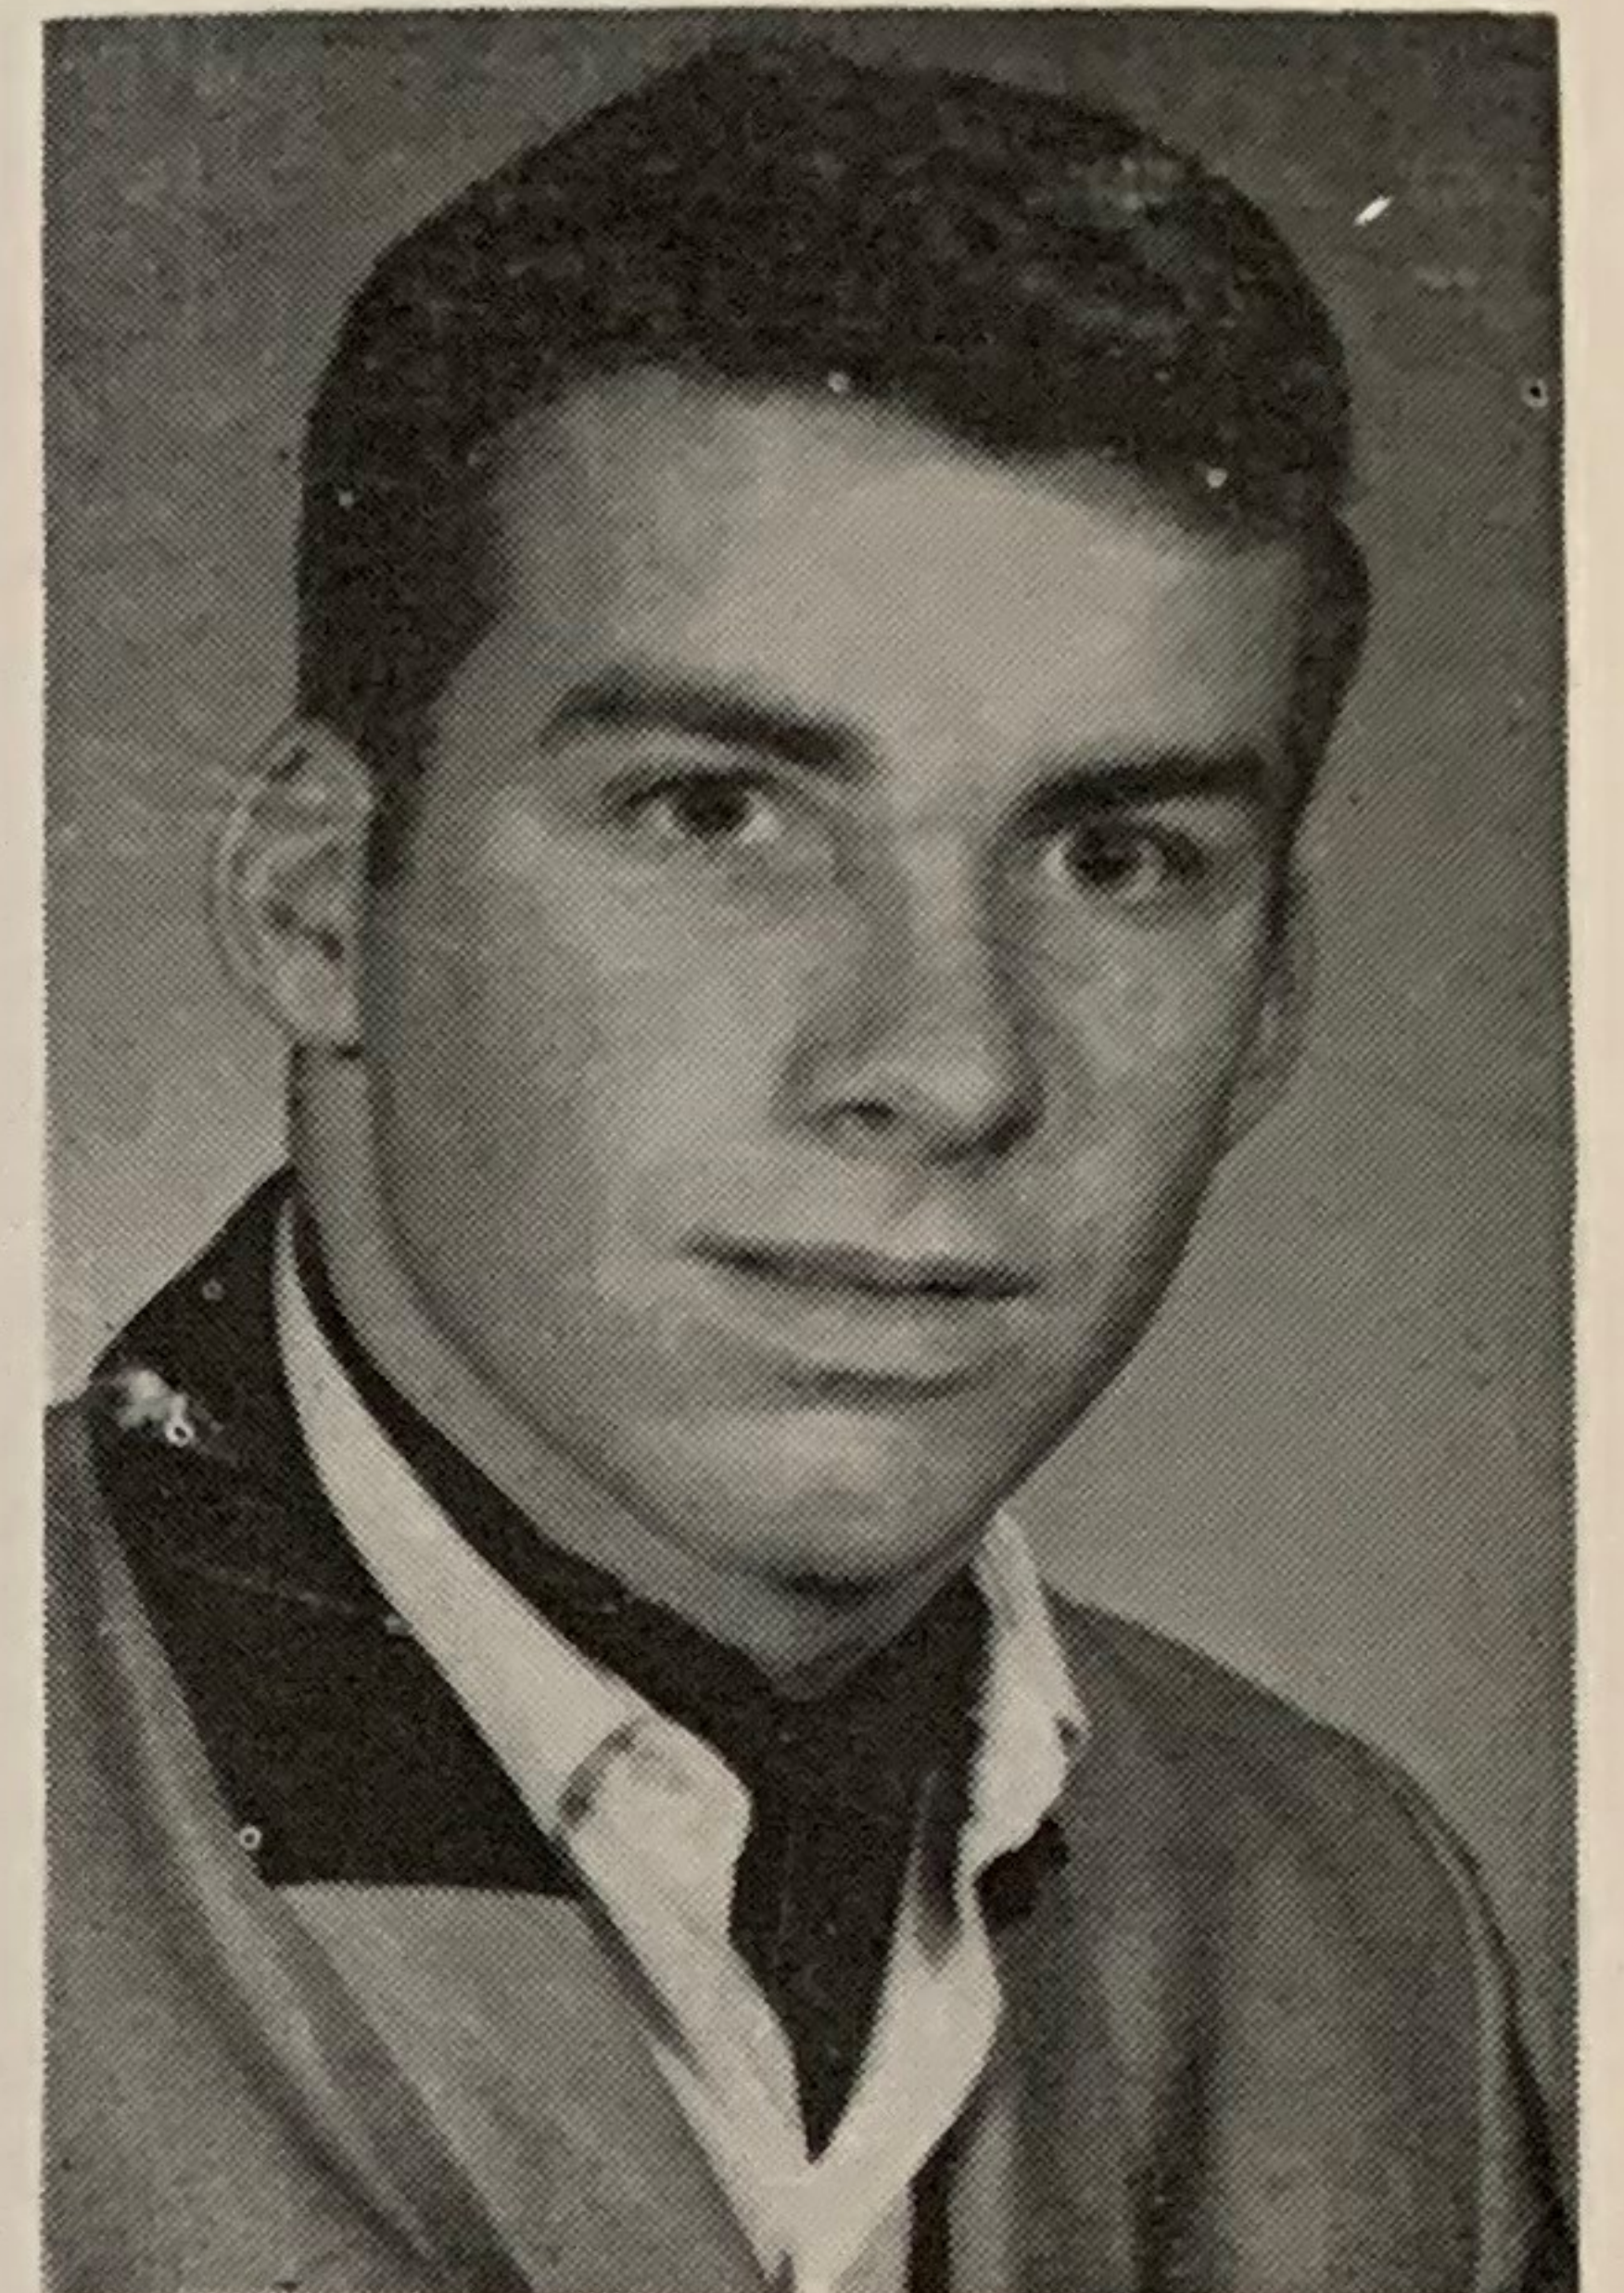

of props and/or costumes during some of the recent student productions at Central Michigan. She is a member of the dormitory council at college. This is comparable to our student council. Miss McBride plays the piano and last summer she participated in a music festival. She is an avid reader and occasionally she enjoys sewing as a form of relaxation. In the cold winter months she enjoys ice fishing. Our future pedagogue is also an enthusiastic sports fan.

When asked what her first impression of Lowrey High School was, she gave this reply, "I like the school. The kids are very friendly but you get trampled in the halls. I also feel that here at Lowrey the students are given a lot more responsibilities than when I was in high school."

to overcome. Joe Gary played a strong game at both ends

Jan Ting

Jan Wissmuller

National Merit Finalists

Seniors Jan Ting and Jan Wissmuller are both finalists in the National Merit Scholarship Test. This is the first time that two people have ever represented Lowrey at the same time as finalists on the test.

Altogether, there are 14,000 finalists, including our two representatives, who remain in competition for the scholarships. The selection process is under way now and winners will be notified starting in late March. There will be more than 2,000 scholarships awarded this year.

Jan Ting is majoring in math, science, and English. In high school, he managed to maintain an A average. If awarded a scholarship, Jan would like to attend one of three colleges: Harvard, Oberlin, or Swarthmore. While in college, Jan would like to major in political science or psychology. After college, Jan is still undecided about what he would like to do. He would like to teach, or go into graduate school and study law. When asked what he thought about winning, he replied, "I was very happy, pleased, honored, and thrilled."

Jan Wissmuller is majoring in math and science while in high school. He, also, has managed to maintain an A average. If awarded a scholarship, Jan would like to attend the Massachusetts Institute of Technology where he will major in math and physics. "I consider it quite an honor, and I hope to get some money out of it," was Jan's reaction to being named a National Merit finalist.

Attention Seniors!

by Gloria Ellerhorst

Announcements for graduating seniors will be sold on March 7. Seniors will be given five announcements free by the Board of Education and each additional announcement will be sold at \$.09 each.

Now is the time to show our instructors that we are responsible people. Mrs. Marinelli tells me that we will have approximately a week and a half in which to get our announcement orders in. Mrs. Marinelli also tells me that she has been here for twelve years and during that time she has never received announcement orders on time.

Let's show her and others concerned that we are able to get our orders in on time. Let's not have to be reminded!

Correction On Dismissals

There were a few changes in the early release schedule made which will allow the teachers to attend meetings to improve the present curriculum. The new changes are as follows:

March 14	2:25
March 28	11:35
April 18	2:25
April 25, second half day	1:00
May 9	2:25
May 23	11:35

Also the same classes will not always be left out. There will be some arrangements made that the hours will be rotated and on half days we may have 15 minutes of each class in order not to miss the elective classes and necessary ones.

Seniors—Don't Let Up Now

Seniors! Time is drawing near and most of us are obtaining a touch of senioritis. Well, why shouldn't we? June is just four months away and the sixteenth of that month we, as seniors will walk up a stage and receive our diplomas. Look around you. Graduation surrounds you. March 7, we will order our Senior Pinsfw will order announcements for our graduation. March 10, we will be measured for caps and gowns. On March 24 and 31, people from Henry Ford Community College will be here and begin taking applications for our further schooling. Only the week of February 21 we ordered our senior pins. There it is, set before it.

But wait a minute! I forgot one little ingredient: YOU. Are you going to make it? Even though there are only four months left, it is very easy to louse it all up. I mean you still have classes and you still have favorable grades to obtain. Without them, your plans of graduating will be all washed up.

A few words from the wise should be efficient:

Dr. Sevvitt tells us that now is not the time for us to let up. It's so easy for us to get so involved in graduating that we ignore our classes completely.

Mr. Boatwright advises us to keep our mind on our business until the time comes to graduate. He warns us that he doesn't like to have to make seniors work.

Let's take heed of these few reminders and show our advisors that senioritis hasn't taken over.

Sophomores Plan Spring Dance

The long-awaited spring dance will be held on April 29th, according to the sophomore class student council representatives and officers. It was decided that the dance will be held in honor of the seniors of '66.

Class President Jerry Hull along with Mr. Kraai, class sponsor, generally organized the meetings and explained the function of each committee to the students. Following this, the homeroom representatives volunteered for the committee they could most like to be on and a chairman for each was chosen. The executive board and officers then volunteered to be vice-chairmen of whichever committee they prepared.

The dance will be held in Lowrey School. Sophomores are really coming up with a great many ideas and surprises for this occasion. It will be something to look forward to. Remember, it is the 29th of April! When more specific details are known we will report them to you in the Lowrey Light.

March Of Dimes Chairman Speaks For Today's Teens

The following editorial was written by Colette Daiute, who has been named National Teenage Chairman for the 1966 Easter Seal Campaign, March 1 to April 10, Easter Sunday.

"As a teenager, I would like to do my bit to reverse a modern trend—that of looking down on teenagers and pointing out all of the things that are wrong with us. I prefer to look up and live all of the things that are right with us.

"For instance, I have certain things which I like personally—Shakespeare, travel music, of all kinds, Italian food and boys with short hair cuts. My likes are not very different from other teenagers, I am sure, in that there is a big variety from one subject to another. This means, I think, that we are normal. We are gaining a well-rounded viewpoint on what is going on in the world around us.

"There are so many career opportunities open to prospective college students today. But, it seems to me have so much to offer as the ones that serve handicapped children and adults. There is a great national need for thousands of therapists and other trained personnel in related rehabilitation fields including psychologists, researchers, counselors and laboratory technicians. All of these careers offer the chance to help crippled children grow into self-sufficient adults, as well as assisting older people recover from the debilitating effects of strokes and diseases."

"I know there is satisfaction in achieving goals. But when we can achieve by doing things for others it makes us better people. Furthermore, have you ever realized how these professions are so universally admired?"

"And as I travel about the country this year as Miss Teenage America urging young people to drive safely, at the same time I am working for Easter Seals in the Society's national crusade to prevent accidents to school age children."

"There are ways you, too, can help crippled children right now before you even decide on a career—as a volunteer Easter Seal worker. Kids like you and I can serve as counselors at summer camps for crippled children, help with transportation to Easter Seal treatment centers, assist in nursery schools, or as aides to therapists."

"And you know Easter Seal programs depend a great deal on contributions from the public during the Easter Seal campaign, March 1 to April 10, 1966. Teenagers all over America will participate in campaign activities helping to raise needed funds by addressing and stuffing envelopes for the direct mail appeal to the public, organizing and running teen dances, or other types of benefits. They do these things so they can help those who need it.

Yes, we can be proud to join those who are already doing their best helping the crippled. I know when we work for Easter Seals we are working for those who need help and this is just one more way of looking up with pride so that others can't look down with prejudice.

Attention—Junior And Senior Boys

On Tuesday, March 15, 1966, a representative of the Armed Forces will be at Lowrey to administer a test to help determine your eligibility for service schools.

This test will enable the Juniors to help decide what classes they might want to take in their senior year to help make them eligible for the service school of their choice.

To be eligible to take the test, you will have to bring a note from your parents asking that you be pre-excused for the 7th hour on March 15 to take the service test.

The test will be over at approximately 4:30 and you will be able to take the activity bus home. THERE IS NO OBLIGATION WHATSOEVER ON YOUR PART AS A RESULT OF THIS—THE PURPOSE IS TO HELP YOU GET MORE INFORMATION TO AID IN THE PLANNING OF YOUR FUTURE.

If you are interested please bring the note to your counselor and sign up with him by Wednesday March 9.

Meet Miss Roketa

A student teacher is presently working in the homemaking department with Mrs. Dotson.

Miss Roketa, a student at Wayne State, will be with Mrs. Dotson until March 25.

Once out of college Miss Roketa would like to find a job in which she could travel.

Miss Roketa is interested in swimming, skating, plays, and Musicals.

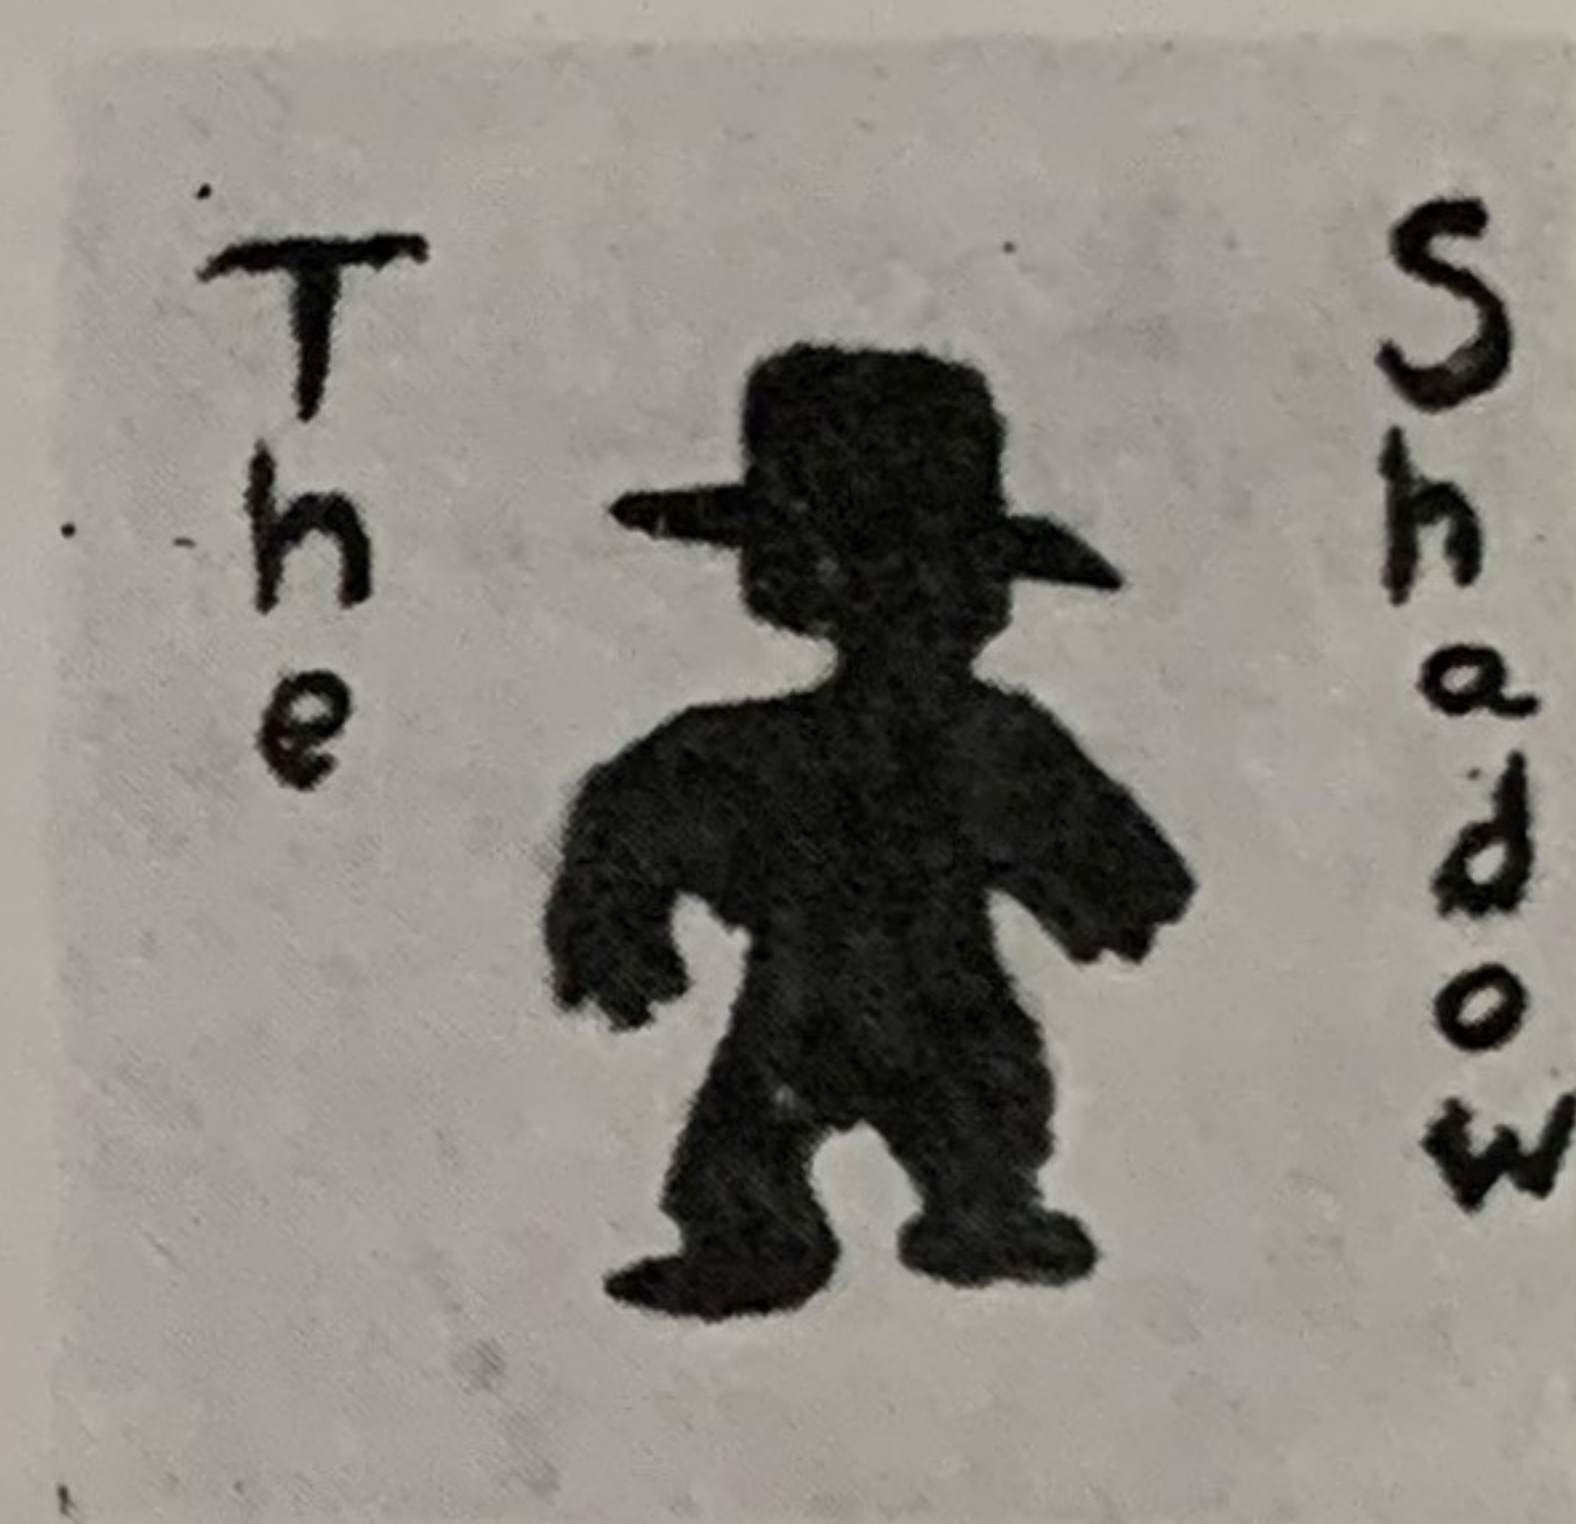

When asked what she thought of the students at Lowrey she replied "They are all very nice and friendly." She also added, "the most important thing a student should know is how to think for himself."

Coming Soon "Rebel Without A Cause"

Lost & Found Items

Once again the Lowrey Lost and Found is bulging with items students turned in and others forgot to check on. In case you don't know where the Lost and Found is: it is in the attendance office on the first floor. Some articles in the Lost and Found include: 5 wallets, 6 keys, 2 key-chains, 4 steno books, a pocket dictionary, and 3 library books. The items of jewelry are 5 bracelets, 3 rings, 2 watches, 2 rosaries, and 7 medals. There are a few pens and pencils, a pencil case, 2 safety boy's belts, a purse, a magazine, and crepe paper. Articles of clothing include a pair of dainty track shoes, a shirt, a sweater, a little girl's shift and a mitten.

If you think any of these items are yours, please check in the attendance office because these unclaimed items will be turned over to a charity in the near future.

This issue's Shadow is following around a junior boy. To help you on your way here are some clues.

In his first hour class he is desperately trying to make a decent project by piecing the metal together in metal shop.

Taking apart and putting together a carburetor is a might bit tough for him in Auto shop.

Third hour is so relaxing for him when he has an hour to sleep in study hall.

After sleeping third hour he works up quite a large appetite for his 4th hour lunch period.

Who signed the Declaration of Independence is a bit of a prob- to him in Mr. Davis's history

Advertising Offer Challenges

One of the most important decisions that a high school student must make is that of choosing a career. The questions he must ask are: "Is the field useful? Important? Growing? Does it call for the kind of work I would enjoy doing? Would I like the people with whom I would be working? Would I be able to develop my aptitudes and interests? What are the possibilities? All in all, is it a significant field in which I would be happy?"

Starting with this issue of the Lowrey Light, a career column will appear in each issue. Each issue will cover a different career. The first column will concern advertising.

WHAT IS ADVERTISING?

"The way to tell about a product or a service to the greatest number of people in the shortest time at the lowest cost per message has been found to be — advertising!"

Advertising tells about the products and services the world has to offer for their use. It introduces them to opportunities for the richer life these products make possible. Advertising encourages a man to risk labor and money in creating improved products because he knows that through advertising he will be able to let the public know about them.

The four main areas of the advertising business are: media, advertisers, advertising agencies, and supplies and special services.

A typical advertising agency is made up of: a board of directors, president, plans board, executive committee, marketing research, media selection, creative activity, account management, other activities, statistical staff, space buyer print, copy print-T.V.-radio, account executives, merchandising, business getting, field interviewers, time buyer for T.V. and radio, art and layout for T.V. storyboards, public relations, agency's own advertising, space buyer outdoor, print production, office personnel, T.V. and radio production, training, traffic, finance, and accounting.

What about girls? Perhaps many of you think this is only for men. On the contrary, many women have found satisfying careers in advertising agency work, especially on accounts such as food, fashion, costumes, cosmetics, textiles and home furnishings. Women are active in copy, media, research, fashion counseling, and in the account executive areas. More and more women are being listed as vice-presidents of agencies as well as heading agencies.

Music Contest Results

Musicians from our high school captured four second division ratings and one third at the Solo and Ensemble Contest at Highland Park High School on Saturday, February 12.

The possible ratings ranged from a first division ratings to a fifth. Each Bandsman played his prepared solo in the presence of a judge. The judge based the ratings on the way it was played.

Lowrey was represented by the following people:

Mike Bandy	Clarinet	"Scherzo in c Minor"	2nd div.
Bruce Borum	Trumpet	"Carnival of Venice"	2nd div.
Mark Lollio	Baritone	"Bolero"	2nd div.
Sharon Magdowski	Clarinet	"Introduction and Tarrantella"	2nd div.
Emery Rentschler	Trombone	"Capricio Andantino"	3rd div.
Jim Smith	Trombone	"Capricio Andantino"	3rd div.

Mr. Keranen commented, "I would like to see more interest in this type of an activity during the high school years. The participants this year, especially the seniors, wish they had gone during their sophomore year. I believe these festivals are the highlights of the experiences available for students."

Sharon Magdowski and Emery Rentschler, both 12A's, offered their comments. Sharon said, "I thought it was a very exciting experience and I wish I had gone in my sophomore and junior years." Emery said, "It was interesting to meet many good high school musicians."

Junior Class News

The Junior Class has been busily preparing for their prom which will be held on June 10, 1967. On February 22 they voted for their theme, flower, color, and motto. They are as follows:

Colors: Midnight Blue and Ivory
Motto: Time Lost is Lost Forever
Flower: White Rose

Theme: Enchanted Evening

They also have been looking around for a building in which to hold the prom. They are looking at the Henry Ford Community Col-

WERE YOU BORN IN MARCH?

If so, (from Feb. 19 to Mar. 20 your sign of the zodiac is Pisces, fish. Your ruling planet is Neptune, god of rivers and seas. Your birthstone is amethyst; your color, Navy blue. If born Mar. 21 to April 19, you come under Aries, the lamb. But your ruling planet is not at all lamblike; it is Mars, god of war. Your birthstone is bloodstone; your color, red.

lege Activity Building, the Veterans Memorial Building, and Lovett Hall.

Forensics Call For Help

Now that debate is over, Mr. Salowich is looking for students to participate in spring Forensics. There are many openings for students who are interested. Here is a list and description of some of the openings.

Declamation is open for ninth and tenth graders only. It is a reading a student must memorize which was written by someone else.

Serious interpretative reading is a cutting from a list of authors. You are required to have three readings prepared by three different authors. A list of authors can be obtained from Mr. Salowich.

A humorous interpretative reading is a selection the student selects. You can get the list of authors from Mr. Salowich.

A radio news commentary is an interpretation of a news tape provided by the state manager of Forensics.

Extempore speech is a difficult job. A person will have to know a great deal of information about three topics. The three topics concern an international problem, a national problem, and a state problem. When the person is ready to speak he will draw from these three topics, and speak on the one he picks.

Multiple reading is an interpretative reading involving three to eight people. It is usually a dramatic reading.

Original oratory is an original speech written by the student reciting it. It can be no longer than 1200, and it has to be memorized.

These are the basic topics that can be picked for participating in Forensics. It takes time, and work, but it is rewarding and highly competitive.

Mr. Salowich

"Rebel" Cast

Daneen Csicsila and Bruce Borum have been cast by Mr. Salowich for the leading roles in the Spring play, "Rebel Without a Cause," in an after-school meeting held on Friday, February 11. The following students were chosen for the play:

Judy Brown	Daneen Csicsila
Jim Stark	Bruce Borum
Mrs. Davis	Pam Peterson
Mrs. Stark	Carol Lanczynski
Belle	Janet Masterson
Helen	Linda Chrapek
Millie	Carol Shevlin
Miss Hanning	Sue Dworakowski
Lecturer	Betty Radley
Mrs. Brown	Donna Oakley
The Man	Andy Kurta
Buzz	Dave Williams
Officer Mullen	Tery Carver
Plato	John Angelos
Ray	Blake Austin
Mr. Stark	Dave Brill
Mr. Brown	Dave Bydlowski
Officer no. 1	Bill Baker
Officer no. 2	Dave Hixson
Crunch	Mike Hurst
Goon	Jim Oeftering
Moose	Randy Smith
Assistant Directors	
John Luchini	Jim Masterson
Technical Director	
	Randy Merrow
Choreographer	Frank Queen

So What's 35 Percent

by Lana Presley

At the Student Council meeting—oh, excuse me—social gathering on Monday, February 21, the topic to be discussed and voted on would have been the "lousy" attendance accompanying each of the last few meetings.

You might ask why I say social gathering. That Monday's meeting (?) was an excellent example of the poor turnouts for Student Council meetings. As you probably know, 66% of the homeroom representatives or alternates is needed before the Student Council is able to vote on any topic. At this meeting, thirteen homerooms were not represented, so only 65% of the students of Lowrey were represented.

So what's a mere 35%?? you might be thinking. Those kids who represented that 35% probably had something much more important to do—a trip to Matey's or McDonald's or Blazo's, for example. Or appointment to keep with a favorite girl or guy. Aw, come on now, don't tell me that all this is more important than a meeting! Don't you representatives get any satisfaction out of the fact that there is a whole homeroom counting on the information you bring back from each meeting?? If you would rather take the 3:45 bus home and if you consider the trip to the local hamburger joint or that appointment with your special one more important, then I have one solution for you—get out and let a responsible person replace you!!!

I suppose there will always be people who would rather take the 3:45 bus home than stay and devote one short hour of their precious time to a worthwhile cause. But then, these people have more important things to do. They'd rather gripe!!!

Lowrey Freethrow Nips Chargers

J.V.'s Win Again

Lowrey's reserve cagers extended their winning streak to five games as they trounced the Cherry Hill reserves 65-49. The game was played at Cherry Hill on February 8.

In the first quarter Branton, Fritz, and Fox teamed up to score all of Lowrey's points as they left the court with a 16-12 lead.

In the second quarter Mroz hit on five of six freethrows and Branton scored six more points from the floor as Lowrey ended the half with an 11 point lead, 36-25.

In the third quarter Fox scored half of Lowrey's 14 points and the period ended with the Bears ahead 50-38.

In the final quarter Lowrey played more or less a defensive game as they held Cherry Hill to 11 points and scored 15 themselves.

The scoring for the Bears went as follows:

Bill Branton	17 points
Chuck Fox	17 points
Terry Fritz	12 points
Dan Henson	11 points
Gary Mroz	5 points
Skip Raspbury	3 points

Mr. Schultz, the reserve head coach, commented: "Mroz and Bran did real good jobs on the boards and Branton had a good night on the field hitting 8 for 9. Good team effort, good team play."

J.V.'s Red Hot

Our red hot reserve are still on the run as they breezed to an 85-69 won over the Sabers of Southgate on February 18.

They held a safe lead all through the game, leading at half-time 42-35. This victory was very impressive for Coach Schultz and the boys as it was their seventh in row and their eleventh win fourteen games.

The first five Lowrey starters all Fox leading them along with 25 the double figure column with Chuck points, followed by Terry Fritz's 18, and Dan Henson's 15 points, R. T. Muncy had 14 points, while Gary Mroz scored 10. Mroz did an excellent job of rebounding as he pulled down 24.

Varsity Standings

Final standings for the Tri-River League:

Riverside	13	1
Schafer	10	4
LOWREY	9	5
G.C. West	8	6
Southgate	7	7
Kennedy	7	7
Cherry Hill	3	11
Crestwood	1	13

Tankers Win Third

In one of their better performances of the season, our Lowrey tankers had a come from behind victory at River Rouge on Tuesday, February 11, 62-43.

Lowrey was losing after the first six events, but Rick McPhee and Ron Aitken placed first and second respectively in the 100 yard freestyle. This put Lowrey out in front to stay in gaining their third victory of the season.

The following are the results of Lowrey's scoring:

200 yard medley—1st—Ortega, Br	bicz, Davis, McPhee
200 yard freestyle—2nd—Sain	
50 yard freestyle—1st—Aitken	
Diving—1st—Bonnici	
100 yard freestyle—1st—McPhee	2nd—Aitken
100 yard backstroke—1st—Ortega	2nd—Stoner
400 yard freestyle—2nd—Davis	
100 yard breaststroke—1st—	B. Malyszek
400 yard free relay—1st—Yonish,	Kelly, O'Gorman, Grettel

Coach Sande had a comment after the meet: "Very satisfied with the sophomores; the tenth graders are improving tremendously."

Girls' Sports

Captained by Arlene Harrell, a sophomore team of Debbie Fontaine, Carol Jones, Sally Kinzer, Anne Marie Kurzak, Nancy Lango, Barb Van Assche, and Lyn Warzin emerged as champions of the G.A.A.'s basketball activities for this year. Approximately 65 girls participated in the sport and it was great for competition and exercise.

As for ping pong, Joanna Miluinas, a junior, won the championship of the ping pong singles out of 24 contestants.

G.A.A. volleyball and ping pong doubles were started on February 15, and they are scheduled for Thursdays and Tuesdays, respectively. Twenty-four girls are now participating in the ping pong activities which will last for three weeks. The teams for volleyball have already been chosen and the competition will last for six weeks.

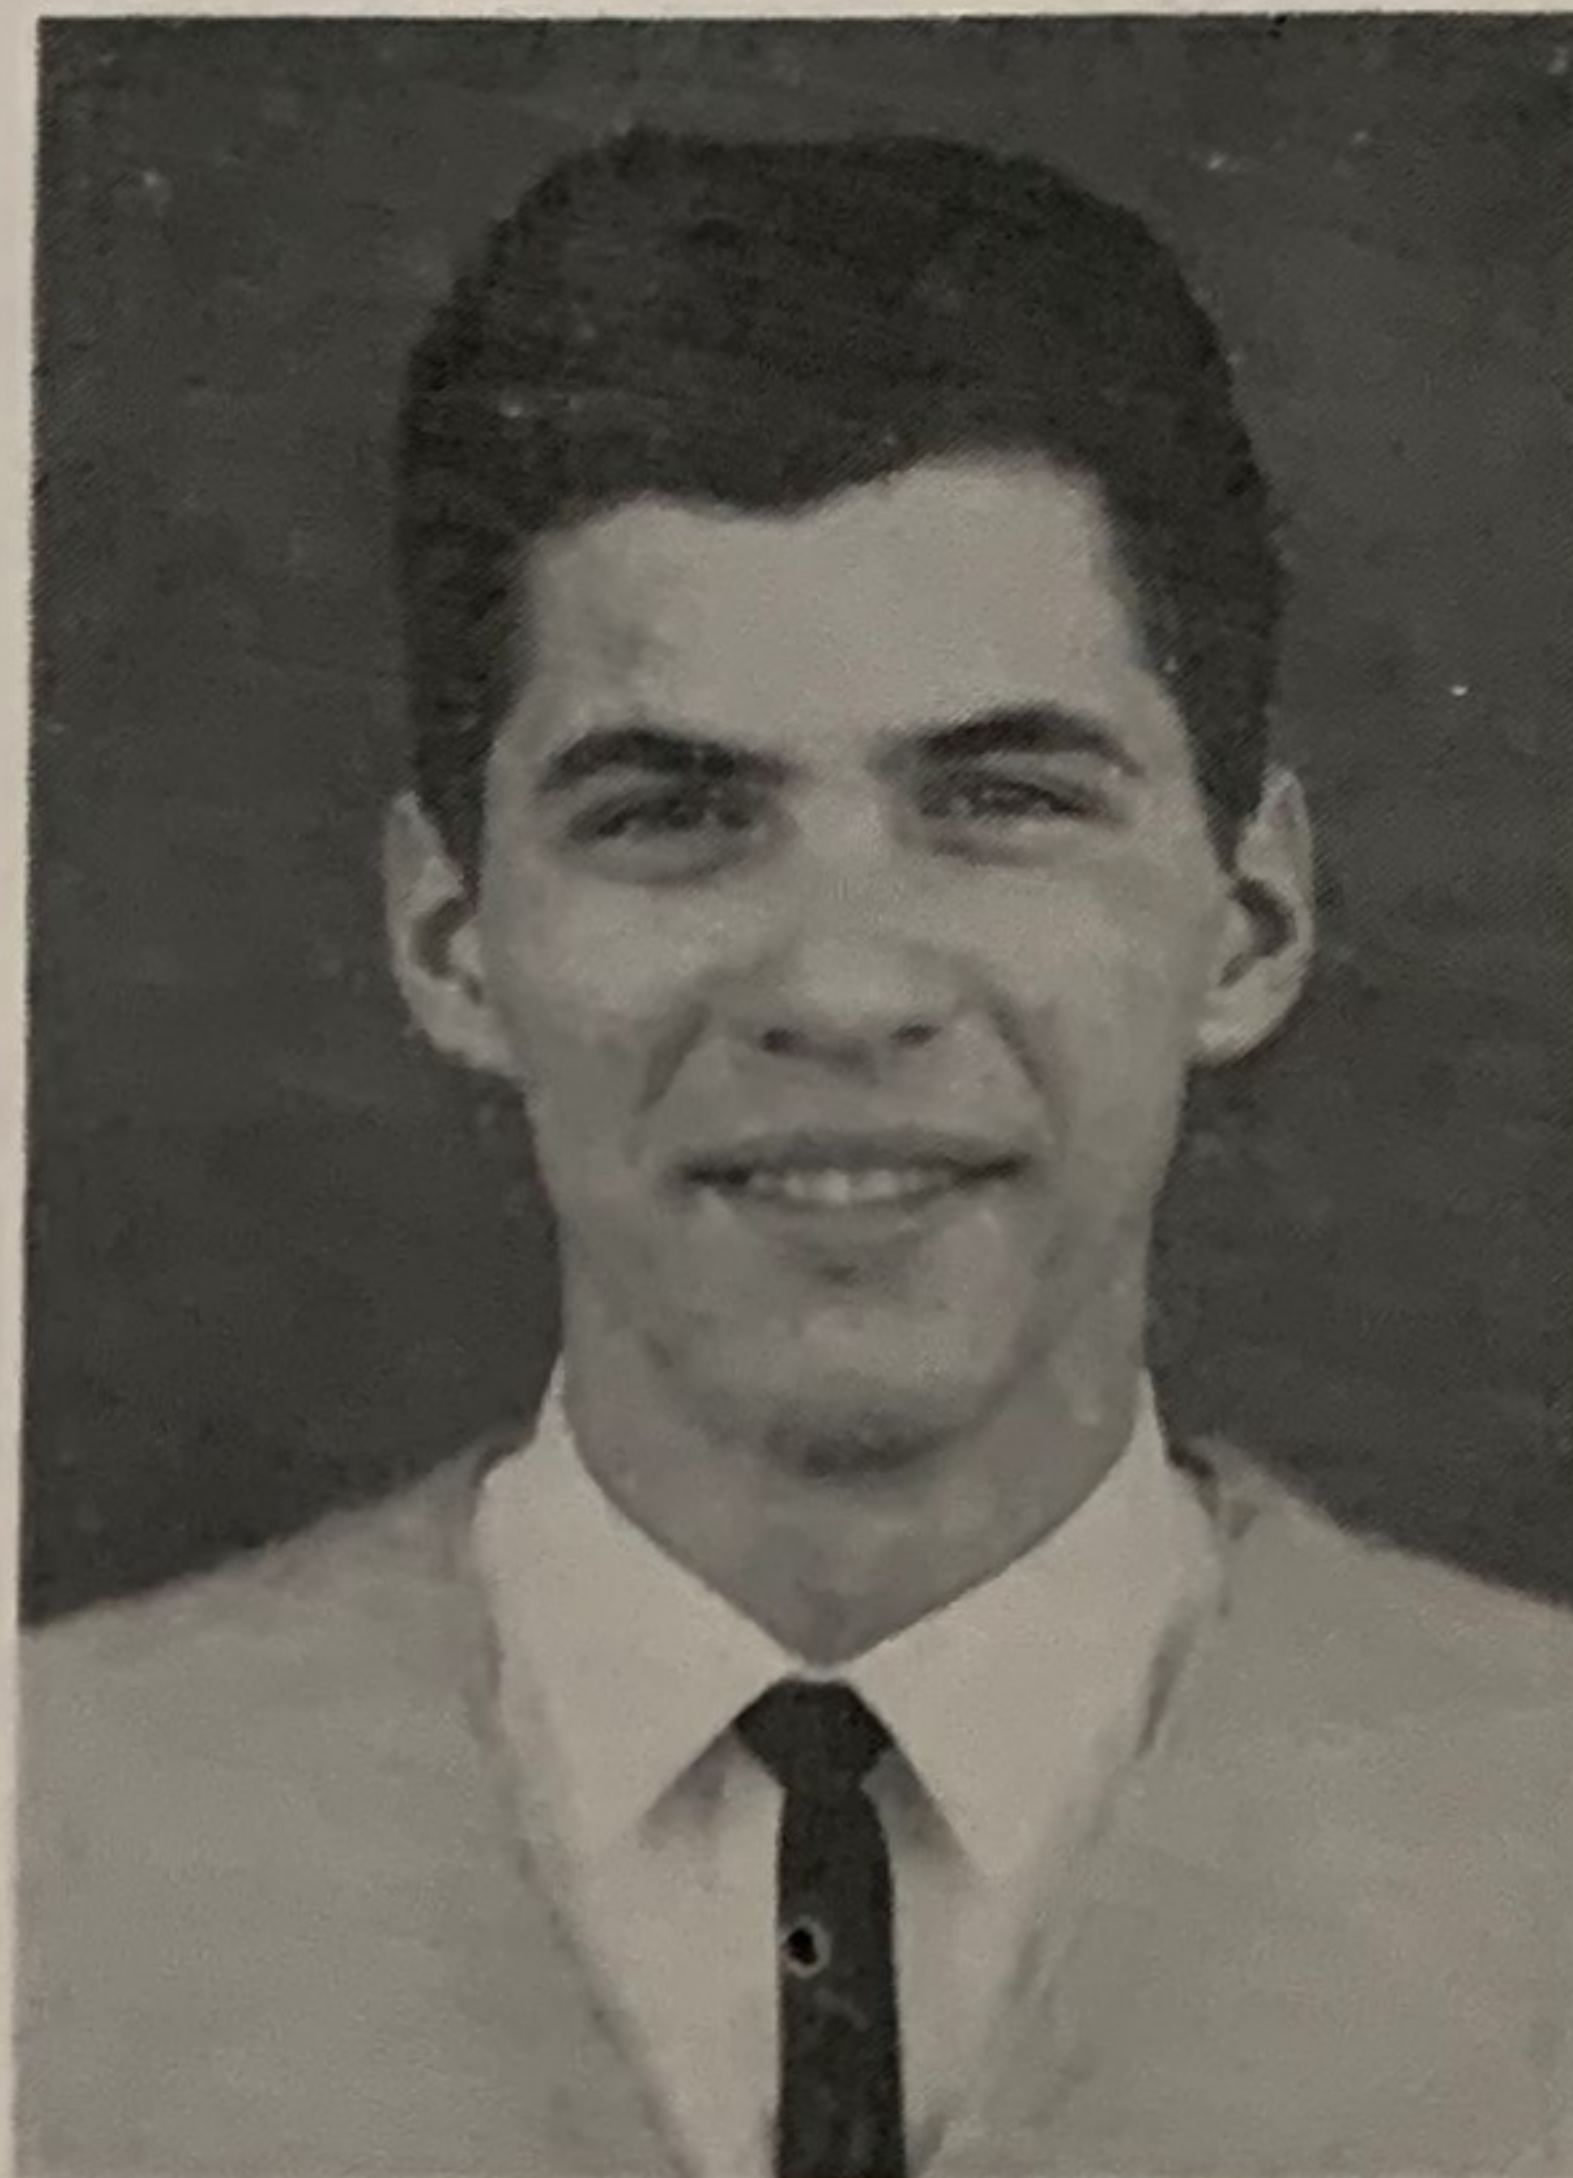

In the future, for the three remaining weeks after the ping pong doubles are over, badminton doubles will be played on Tuesdays until the volleyball activities are over. In the spring, you can look forward to playing softball.

The answer to this week's SHA-DOW is Bobby McCaplin, 11A-9.

Senior Spotlight

Our spotlight for this edition is focused upon 6'6" senior Joe Gary, 12A-4. In basketball, big Joe centers for our team, averaging 14.1 points per game, and leads the team in rebounds.

In class Joe's favorite subject is

art, and after he graduates from Lowrey Joe plans on attending H.F.C.C. In the future he hopes to become an automotive engineer.

When asked by the Lowrey Light staff what his biggest thrill at Lowrey was, Joe replied, "Beating Riverside in 1965 for the co-championship."

Track Begins

Spring track practice has started for the 1966 Lowrey thinclads, in the boys' gym.

The first meet will be held in East Lansing on April 2, 1966, (The Spartan Relays). The first dual meet will be held the following week. On April 30 the team will travel to Jackson where they will participate in the Eagle Invitational.

The returning letterman and the events they are expected to participate in are as follows:

1/4 and 1/2 mile—Bill Holbird (12A)	Dennis Pysz (12A), Dave Byd-
lowsbi (12A), Darryl Campbtl	(12A)
Sprinters—John Ordus (11A), Dave	Zuk (12A)
Shot Put—Richard Mitchell (12A)	Don Bogataj (12A)
Milers—Jerry Mathias (11A), Ed	Green (10A)
Hurdles—Brian Mertz (11A), Dan	Hines (11A), Ed Gabrys (11A),
Doug Anderson (12A)	
Pole Vault—Emery Rentschler (12A)	

Some of the tenth graders who are expected to help the team out are Tom Preston, Rick Luden, Reg Gelica, and Larry Van Doren.

Mr. Weller, the new head coach, commented, "With any support from the 10th graders it should be a successful season."

Anyone else interested in join-

ing the team is urged to contact Mr. Weller or Mr. Bach, the assistant coach. The best and most convenient time would be before or after school.

With just 27 seconds left on the clock, Bob Fox dropped in a free throw to put Lowrey ahead of Crestwood 46-45. Then with some timely stalling and good defensive play, the Polar Bears held that one point lead for the remainder of the game.

Both Lowrey and Crestwood played sloppy ball in the first quarter and the Chargers held a 14-10 lead when the period was over. Then, in the second quarter, the Polar Bears scored 15 points. The Bear defense held Crestwood to seven. When the half ended Lowrey led 25-21.

In the third quarter Joe Gary and Bob Fox scored eight of Lowrey's ten points and the Bears had a two point lead, 35-33, to protect in the last period.

Fox scored all eleven Lowrey points and the Bears scored 12.

The scoring was as follows:

Bob Fox	18 points
Joe Gary	12 points
Gene Ellefson	7 points
Moe Miller	4 points
Richard Mitchell	3 points
Ed Wigley	2 points

Coach Rict said, "The boys were terrible."

Reserves Squeak By

Jumping to a 4-0 lead before the game was a minute old, the Lowrey varsity cagers were never topped as they defeated Southgate 84-70 in a home game on February 18.

In the first quarter, the Polar Bears outscored the Sabers 23-16 as Joe Gary and Ed Wigley combined for 14 points.

Bill Opp hit on five of six free throws in the second quarter and Scott Neusel hit on three of four as Lowrey upped its lead to 42-35 over Southgate. Eleven of Lowrey's nineteen points came on free throws.

In the third quarter, Moe Miller and Joe Gary combined for ten of the Bears 16 points. The defense held Southgate to 16 and the Bears went into the final quarter with a seven point lead.

Then the Lowrey guns went to work and popped in 18 points from the floor and 7 from the free throw line as their defense stopped the Sabers at 19. The final tally showed Lowrey on top by 13.

The varsity scoring was as follows:

Moe Miller	22 points
Joe Gary	16 points
Richard Mitchell	11 points
Bill Opp	9 points
Bob Fox	7 points
Gene Ellefson	6 points
Ed Wigley	6 points
Scott Neusel	5 points

ing the team is urged to contact Mr. Weller or Mr. Bach, the assistant coach. The best and most convenient time would be before or after school.
