Scholarship

HARVEY H. LOWREY HIGH SCHOOL

LOWREY HIGH SCHOOL, DEARBORN, MICHIGAN

October 26, 1965

Vol. 32, No. 3

Left to right:

Bonnie Clark, Judy Franklin, Laureen Wegge, Queen Toni Sudut, Janet Stewart, Anne Miller, Janis Miron.

Royalty Reigns at "Blue Velvet"

The Queen and her Court reigned beautifully at the annual Homecoming Dance of the year, "Blue Velvet."

Queen, Toni Sudut and her court:

Seniors—Janet Stewart, 12B-12; Laureen Wegge, 12-13

Juniors—Judy Franklin, 11B-4; Ann Miller, 11B-8

Sophomores—Bonnie Clark, 10B-2; Janis Miron, 10B-7

All the girls looked ravishing as they walked the ballroom floor last Friday, October 15.

During halftime at the Homecoming game against Cherry Hill, the Queen and her court were escorted around the field by Russ Holland, Frank Ligi, Ross Helco, Mike Hanusik, Ray Berry, Phil Mathias, Frank Orban, Jim Frasure, Steve Leonard, Jan Ting, Bob O-Neil, Jim Williams, and Ed Babicz.

Prasies are due to the members of the Homecoming Court for their charm, poise, and contribution for making Homecoming 65-66 successful.

Memoirs 65 - 66 Play is Under Way

The 65-66 Futorian promises to be better than ever, especially since all of our activities have begun so successfully and are sure to continue in that manner.

The yearbook will have 136 pages; it's a steal at only \$2.75 with an activity book and a bargain at \$4.50 without. How can students afford this give-a-way? The reason is the great result of the successful paper drive held October 2.

We must sell 700 annuals or the staff will be forced to cut down on the number of pages. This goal would hardly seem a noticeable barrier with 920 patriotic students. But, even here at Lowrey H.S. we may find some recalcitrants. (See dictionary.) So don't be on the "out" get 'in' and buy an annual.

Annual sales begin October 25, but due to circumstances beyond our control, it must be concluded in just 5 short days. So don't waste time! (Quit chewing your nails.) And order your Futorian at this outstandingly low-low price and SAVE MONEY!

If you happen to pass a girl or boy muttering about some six foot white rabbit, don't call in reinforcements. Chances are it is only a member of the "Harvey" cast memorizing his lines. Every Monday and Thursday night you will find him hard at work in the Little Theatre. But is this enough for the Harvey cast? No! They want to practice Wednesday nights too. With that kind of dedication they can't go wrong.

Who are these people? The cast is listed below.

Myrtle Mae Simmons

Michelle Goder, 10B-3

Veta Louise Simmons

Sallye Herndon, 11B-5

Ruth Kelly, R. N.

Carol Lanczynski, 10B-5

Duane Wilson John Angelos, 12B-1

Lyman Sanderson, M.D.

Jim Masterson, 12B-8

William Chumley, M. D.

Frank Queen, 11B-9

Betty Chumley

Nancy Sterling, 11B-11

Judge Omar Gaffney

Randy Smith, 12B-11

E.J. Lofgren

Dave Brill, 11B-2

Et Tu, Brute

Some of Lowrey's seniors attended the production of *Julius Caesar* at the Stratford Festival Theater in Stratford, Canada, on Tuesday, September 28. Amidst these seniors were two editors of the Lowrey Light. Both of us will never forget the experience, and so we would like to share it with you, step by step.

The seniors who attended the play were on hand to board the luxurious Greyhound bus in front of O. W. Best at 7:15 a.m. After all had been accounted for, we went to Fordson and picked up some their seniors.

The balance of the bus trip (which was four hours there and four hours back) took us over the Blue Water Bridge at Port Huron, and then north to Stratford.

The bus trip was a joyride, loaded with singing, radio-playing, talk, and school cheering. You can imagine how frenzied the cheering got with two rival schools on one bus

When we got to Stratford, every one seemed to fall into two groups. One group went to a Chinese restaurant expecting to eat exotic Chinese food only to end up with hamburgers and cokes instead. The other group spent most of its time wandering around looking at the various buildings and buying re-

(continued on page two)

Bits 'n' Pieces

by Gloria Ellerhorst
and Pam Peterson

Open house for Junior and Senior High will be held on November 10, 1965. Lowrey school hopes to see a large turnout so ask your parents to attend.

The annual Sponge Dance, where girl-ask-boy and pays for everything, takes place on November 12. For a fun-filled evening, join in the excitement and laugh it up in the Lowrey Ball Room.

For those who are interested, the Yearbook sale began on October 25, Monday. Let's support Lowrey School and have the biggest sale in Lowrey's history.

The book is \$2.75 with an activity book and \$4.50 without an activity book.

We would like to congratulate the sophomores, juniors and seniors in their decoration on the homecoming cars. They were a grand show.

The junior class won the spirit jug contest at the Homecoming game. Their voices were carried through the field. Great show, juniors.

News For Mother

For those who are not in the know, the following sample copy will be sent to your parent or guardian if you are failing or in danger of failing a class.

RE:

Date

Dear Parent or Guardian:

The Lowrey Junior and Senior High School will issue report cards at the end of every ten weeks. Our first report card will be issued the week of November 15.

This communication is an indication that your child is currently:
Failing In danger of failing

Subject

Improvement in the areas checked below would help considerably.
Class Work Homework

() Attendance

() Quality

() Attitude

() Completeness

() Effort

() On time

() Attentiveness

() Doing all assignments

() Test scores

Comment of Teacher:

Usually, best results are achieved through a cooperative effort. Closer supervision and direction from parents often result in better school achievement. If you feel that a conference would help, or if you have any question regarding this matter, please call the counselor at Lowrey School.

Sincerely,

Teacher

Counselor

Why Students Should Be Futorians

With the sale of Lowrey High School's yearbook, The Futorian, just around the corner it would seem appropriate to list what we consider to be some excellent benefits to be obtained from your purchase of this book.

Members of the sophomore class frequently know many upper classmen. Their annual helps preserve these memories. An annual also helps sophomores identify with the school. Why be left out?

Members of the junior class usually enjoy a friendly rivalry with the senior class. The competition for annual sales arouses the school spirit and is a lively event. It is a healthy form of competition. The juniors also get their individual pictures published.

For seniors the last year in school is the best year. Their annuals recall pleasant memories of friends very frequently after graduation.

For all classes the annual is an interesting, accurate, pictorial history of the school year. Don't be LEFT OUT. Come on—get in there and buy your annual. The sale begins October 25 and will last for one week.

Let's make it the biggest and best this year.

Be You—You're All You Have

Years ago a character in one of Shakespeare's plays said "This above all else—to thine ownself be true." Good advice: We think this advice about people in our age might have some value also.

- (1) **Be Yourself.** Don't try to be your neighbor. Maybe on her long lace stockings, turtlenecks, Oliver caps, 'enry 'iggins hats—you name it maybe all kinds of mod, gear, even grotty styles look champ. On you some do, too; but maybe some others don't. So—use the ones that do, and only those. Rather than buy and wear stuff that doesn't suit you, keep your shekels in your jeans.
- (2) **Never belittle yourself.** Never apologize for being you. If someone praises you, your clothes, your accomplishments, don't smirk modestly and say, "Oh, I'm not really good at..." or "It's just an ole..." or "Oh, you can't mean it; I flubbed...". Say instead, "Thank you. Glad you like it!"
- (3) **Don't begrudge the Time Spent On Yourself.** (For cleaning, polishing, exercising, bettering.) You are the only person will ever own completely; the only body, hair, hands, eyes, teeth, skin, brain, and soul you'll ever have.

Treat yourself as you would a Rolls-Royce. You may not think you're worth it—but YOU'RE ALL YOU HAVE. And the better the care, the more attractive the merchandise!

Help Goes To All Tuberculin Test For Students

The Future Nurses Club, under the direction of Mrs. Whitening, held a drive for the collection of white sheets and pillow cases. The drive October 13, 14 and 15, was a success, with three boxes of bedding collected from the elementary students.

These sheets and pillow cases are ripped into squares 4" by 4", 5" by 5" and 6" by 6" by members during Future Nurses Club meetings. The squares are then made into bandages and given to World Medical Relief for missionaries and doctors overseas.

ET TU, BRUTU (cont. from page one) freshments at concession stands.

Promptly at 2:00 p.m., the play began. The play was "fantabulous" and everybody was on edge because it was so full of excitement. The end of the play came around 5:30 p.m. and we felt it was all too soon.

The play being over, we had one hour to ourselves.

At 6:30 the bus was loaded with pizza, pop and chips from a gas station, and loads of candy from a drugstore.

The trip home was filled with eating, drinking pop, singing, talking, and sleeping, for we were very worn out after the big day. The day was one we two will

Tuberculin tests were recently administered to Lowrey's student body by the Southgate Michigan Tuberculosis Detection Project, to detect whether you have any T.B. germ in your body. The P. T. A. health committee, under the direction of Mrs. Jean Caldwell, health chairman, helped Mr. Edwards with the program.

Of the 436 grade school children 367 received the test. With 387 students attending junior high, 309 took the test. 602 senior high students received the test out of an enrollment of 920. Of all the tests given, four of them were found to be positive. A positive result does not mean you have tuberculosis, only that some germs have entered your body at some time or another. If your health is good your body keeps these T. B. germs down. A chest X-ray after your test proves positive is only to make sure the germs have not done any damage. Tuberculosis spreads from person to person. If your health is checked regularly, you and everyone around you will have a better chance of staying free from T. B.

long remember as a very fulfilling and rewarding experience during our high school days.

Debate Team New Challenge

The Debate Team, now in its third year, is headed by Mr. Salowich. It is an organization which discusses past or imaginary government issues. A debate meet is an organized argument with a panel of pros and cons. Two timed speeches are given per person on each side. The first speech states your ideas and the second speech is your arguments. The speeches are judged by impartial persons on quality and persuasion. The winner is determined by judges on a point basis.

Lowrey is now in a debate league with five other schools including Kennedy and Taylor Center Willow Run, Romulus, and one other school which is not yet known. We are also in a state league which is managed by Mr. Irwin.

As of now, our debate team consists of six varsity debaters. The affirmative side includes Bob O'Neil Jan Ting, and Jan Wissmuller. The negative debaters are Sue Dworakowski, Cheryl Karoly, and Ray Berry. The issue they are arguing about is: "Resolve: That the federal government should adopt the policy of compulsory arbitration in legal management disputes in basic industries." If anyone is interested in this challenging club, see Mr. Salowich.

Mr. Salowich said, "I would like to build Lowrey as a debate school or rather build its reputation to a level that is respected throughout the state. We have been invited to attend a tournament in Battlecreek, Belleville, and many other schools around the state, but we cannot until we get enough qualified people." He also said, "We have been getting much support from our congressman, William D. Ford, A.F.L.-C.I.O. vice-president, William Marshall, our librarians and Dr. Seavitt."

Our first debate is with Kennedy at Kennedy on October 28.

Band To Perform At Cobo Hall

Lowrey's High School Concert Band has been invited to perform at Cobo Hall, for the Teachers' Institute on Thursday, November 4 at 1 p.m. The band has 70 instrumental musicians participating in this program. The listening audience will consist of approximately 6,000 teachers from the metropolitan area.

Mr. Keranen and the band members feel that it is a rare privilege to perform at Cobo Hall.

The program will last a half hour with the band playing five numbers. They are:

Hall of Fame
Cathedral Canyon
Porgy and Bess
Beguine Festival
Exodus

Science News

The Atomic Energy Commission had been wondering what would happen if a nuclear reactor should suddenly go out of control and commit atomic suicide.

Reactor builders have termed the accidental exploding of a reactor as highly unlikely, but the A.E.C. still wanted to be sure.

On Nevada's desolate Jackass Flats, scientists loosened the controls of a reactor and let it explode.

The reactor was a Kiwi, an outdated experimental nuclear rocket engine. It was set on a railroad car and surrounded with test equipment. The scientists then went to the control building two miles away to wait for a northeast wind the blast away from Nevada's pop to carry any fallout produced by pulated areas.

When in operation, Kiwi was kept in check by elaborate control systems and cooled by liquid hydrogen. In the test the reactor was given no cooling and its control systems were set so that in a fraction of a second they could be removed to allow the reactor to explode.

When a northeast wind finally blew across the flats, the control removal button was pushed. A ground, with a ball of flame at its grey cloud of smoke rose from the center. Observers heard a loud explosion and felt a minor shock wave.

As the cloud dispersed, three Air Force planes flew into it collecting air samples. Meanwhile, on the ground, men wearing full safety suits walked to within 200 yards of the explosion site. The only thing left on the seared site was the railroad car, smashed into pieces.

The reactor itself was completely gone. Its graphite moderator and several hundred pounds of uranium fuel had vaporized in the 8,000 degree heat, which is very near that of the sun's surface temperature. The power generated in the second of explosion was millions of times greater than that of Hoover Dam.

This test showed that a reactor may, when out of control, vaporize itself and its surroundings. It was not entirely successful, though, in that by no means did it show what would happen if a big civilian power reactor should exploded in a populated area.

Scholarship Time: or Let's Burn The Midnight Oil

Scholarship For Seniors

This year, more scholarships than ever are available to Lowrey seniors. Generally, anyone who is on a college prep course and maintains a "B" average is eligible for a scholarship, although some scholarships are available for "C+" students. If a student is planning to go to college, he or she should take some type of scholastic aptitude test.

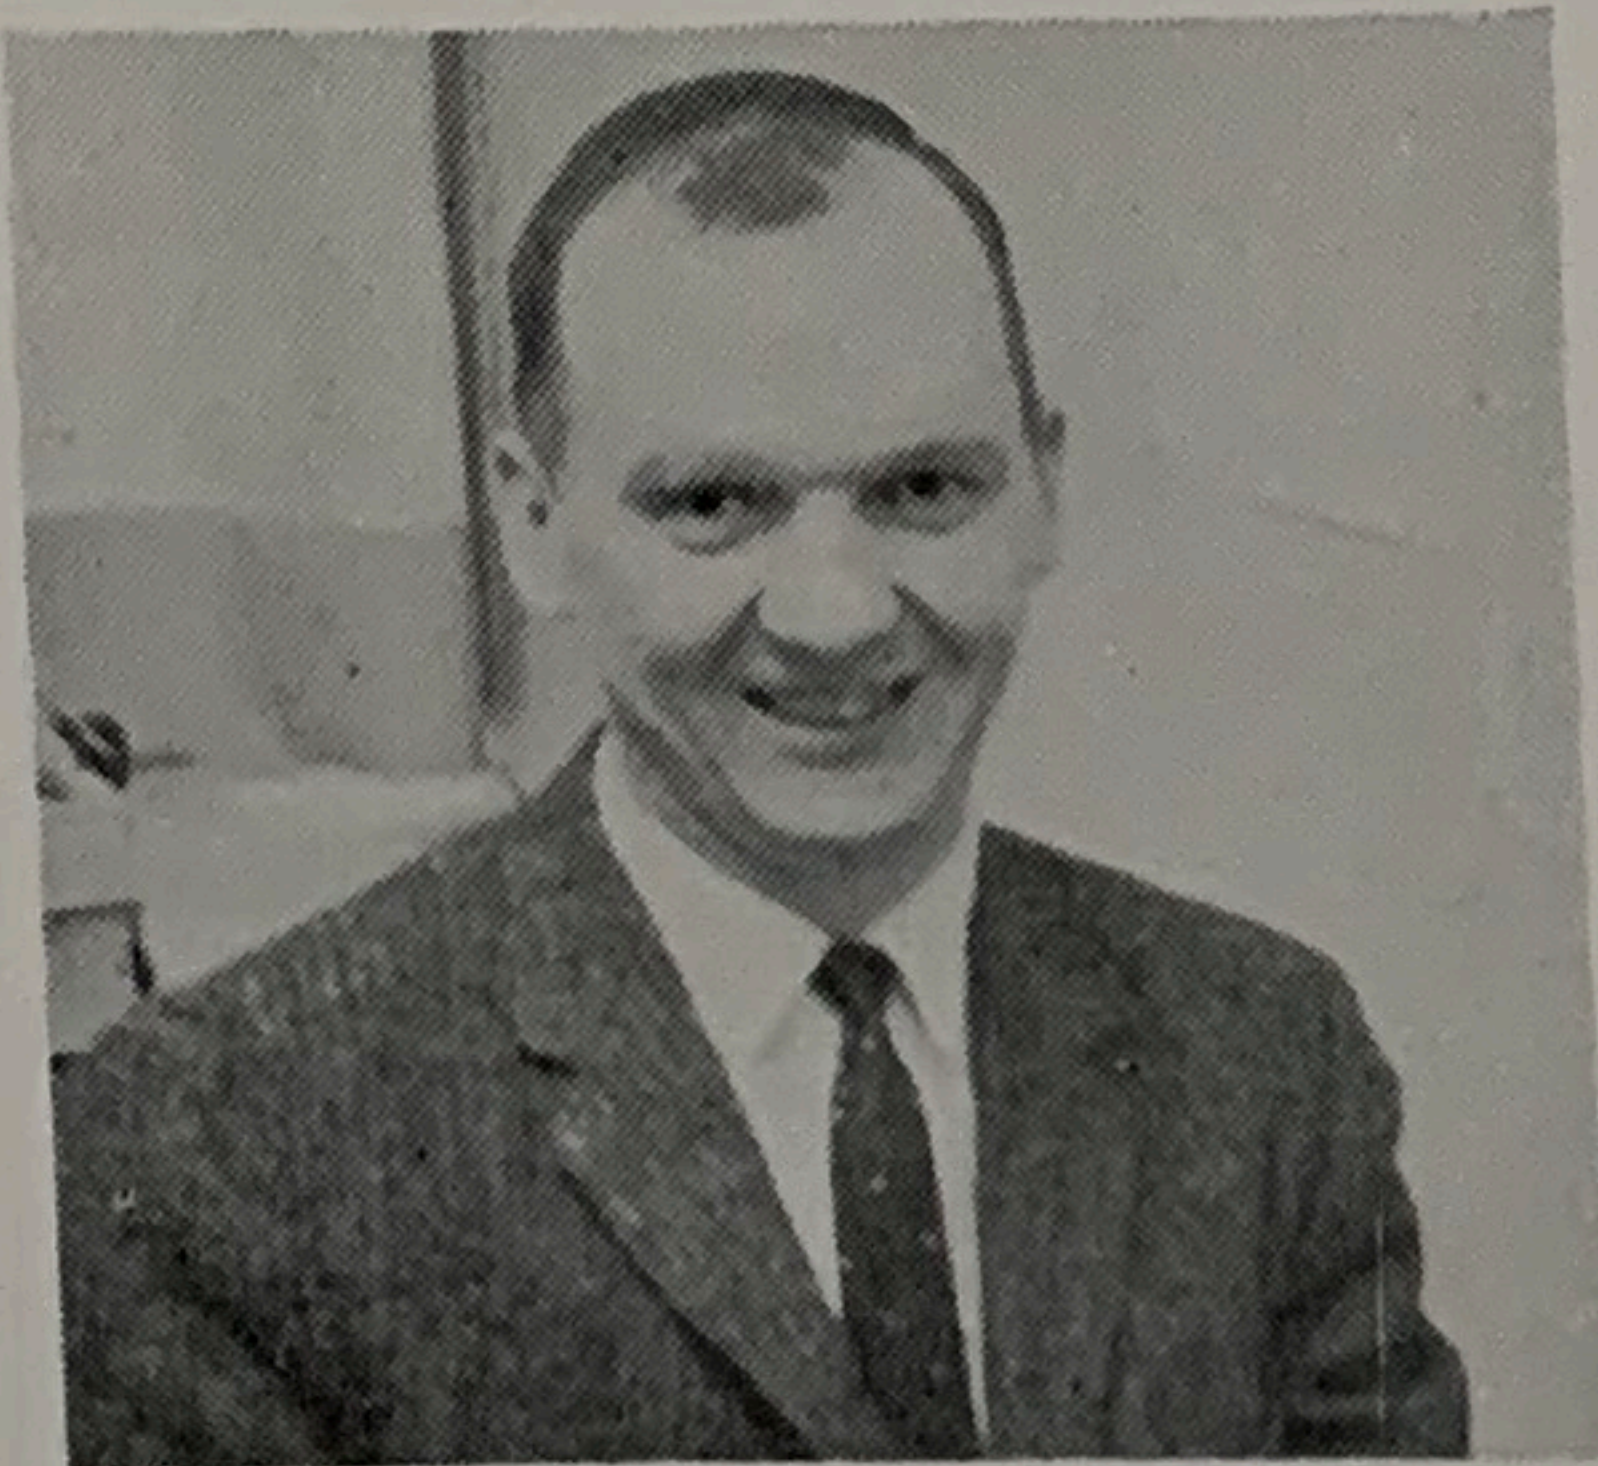

Some colleges and universities require some type of scholastic aptitude test for admission. These tests are helpful to the student determining what field would best suit him. It is also helpful in determining a college which would best suit the student's need.

On the senior high bulletin board in the main lobby there is information regarding scholarships, students loans, and dates when representatives of colleges and universities will be visiting Lowrey. Next to the auto shop there is a bulletin board concerning information on scholarships. For further information, contact your counselor.

The following is a list of scholarship tests, the test dates, and the places where they will be administered:

CEEB TEST (COLLEGE ENTRANCE EXAMINATION TEST) including the SAT AND ACHIEVEMENT TESTS

TEST DATE	DEADLINE	PLACE
December 4, 1965	November 6, 1965	Edsel Ford High
January 8, 1966	December 4, 1965

August 6, 1966	July 16, 1966	
		Wayne State University

Mr. Rigotti

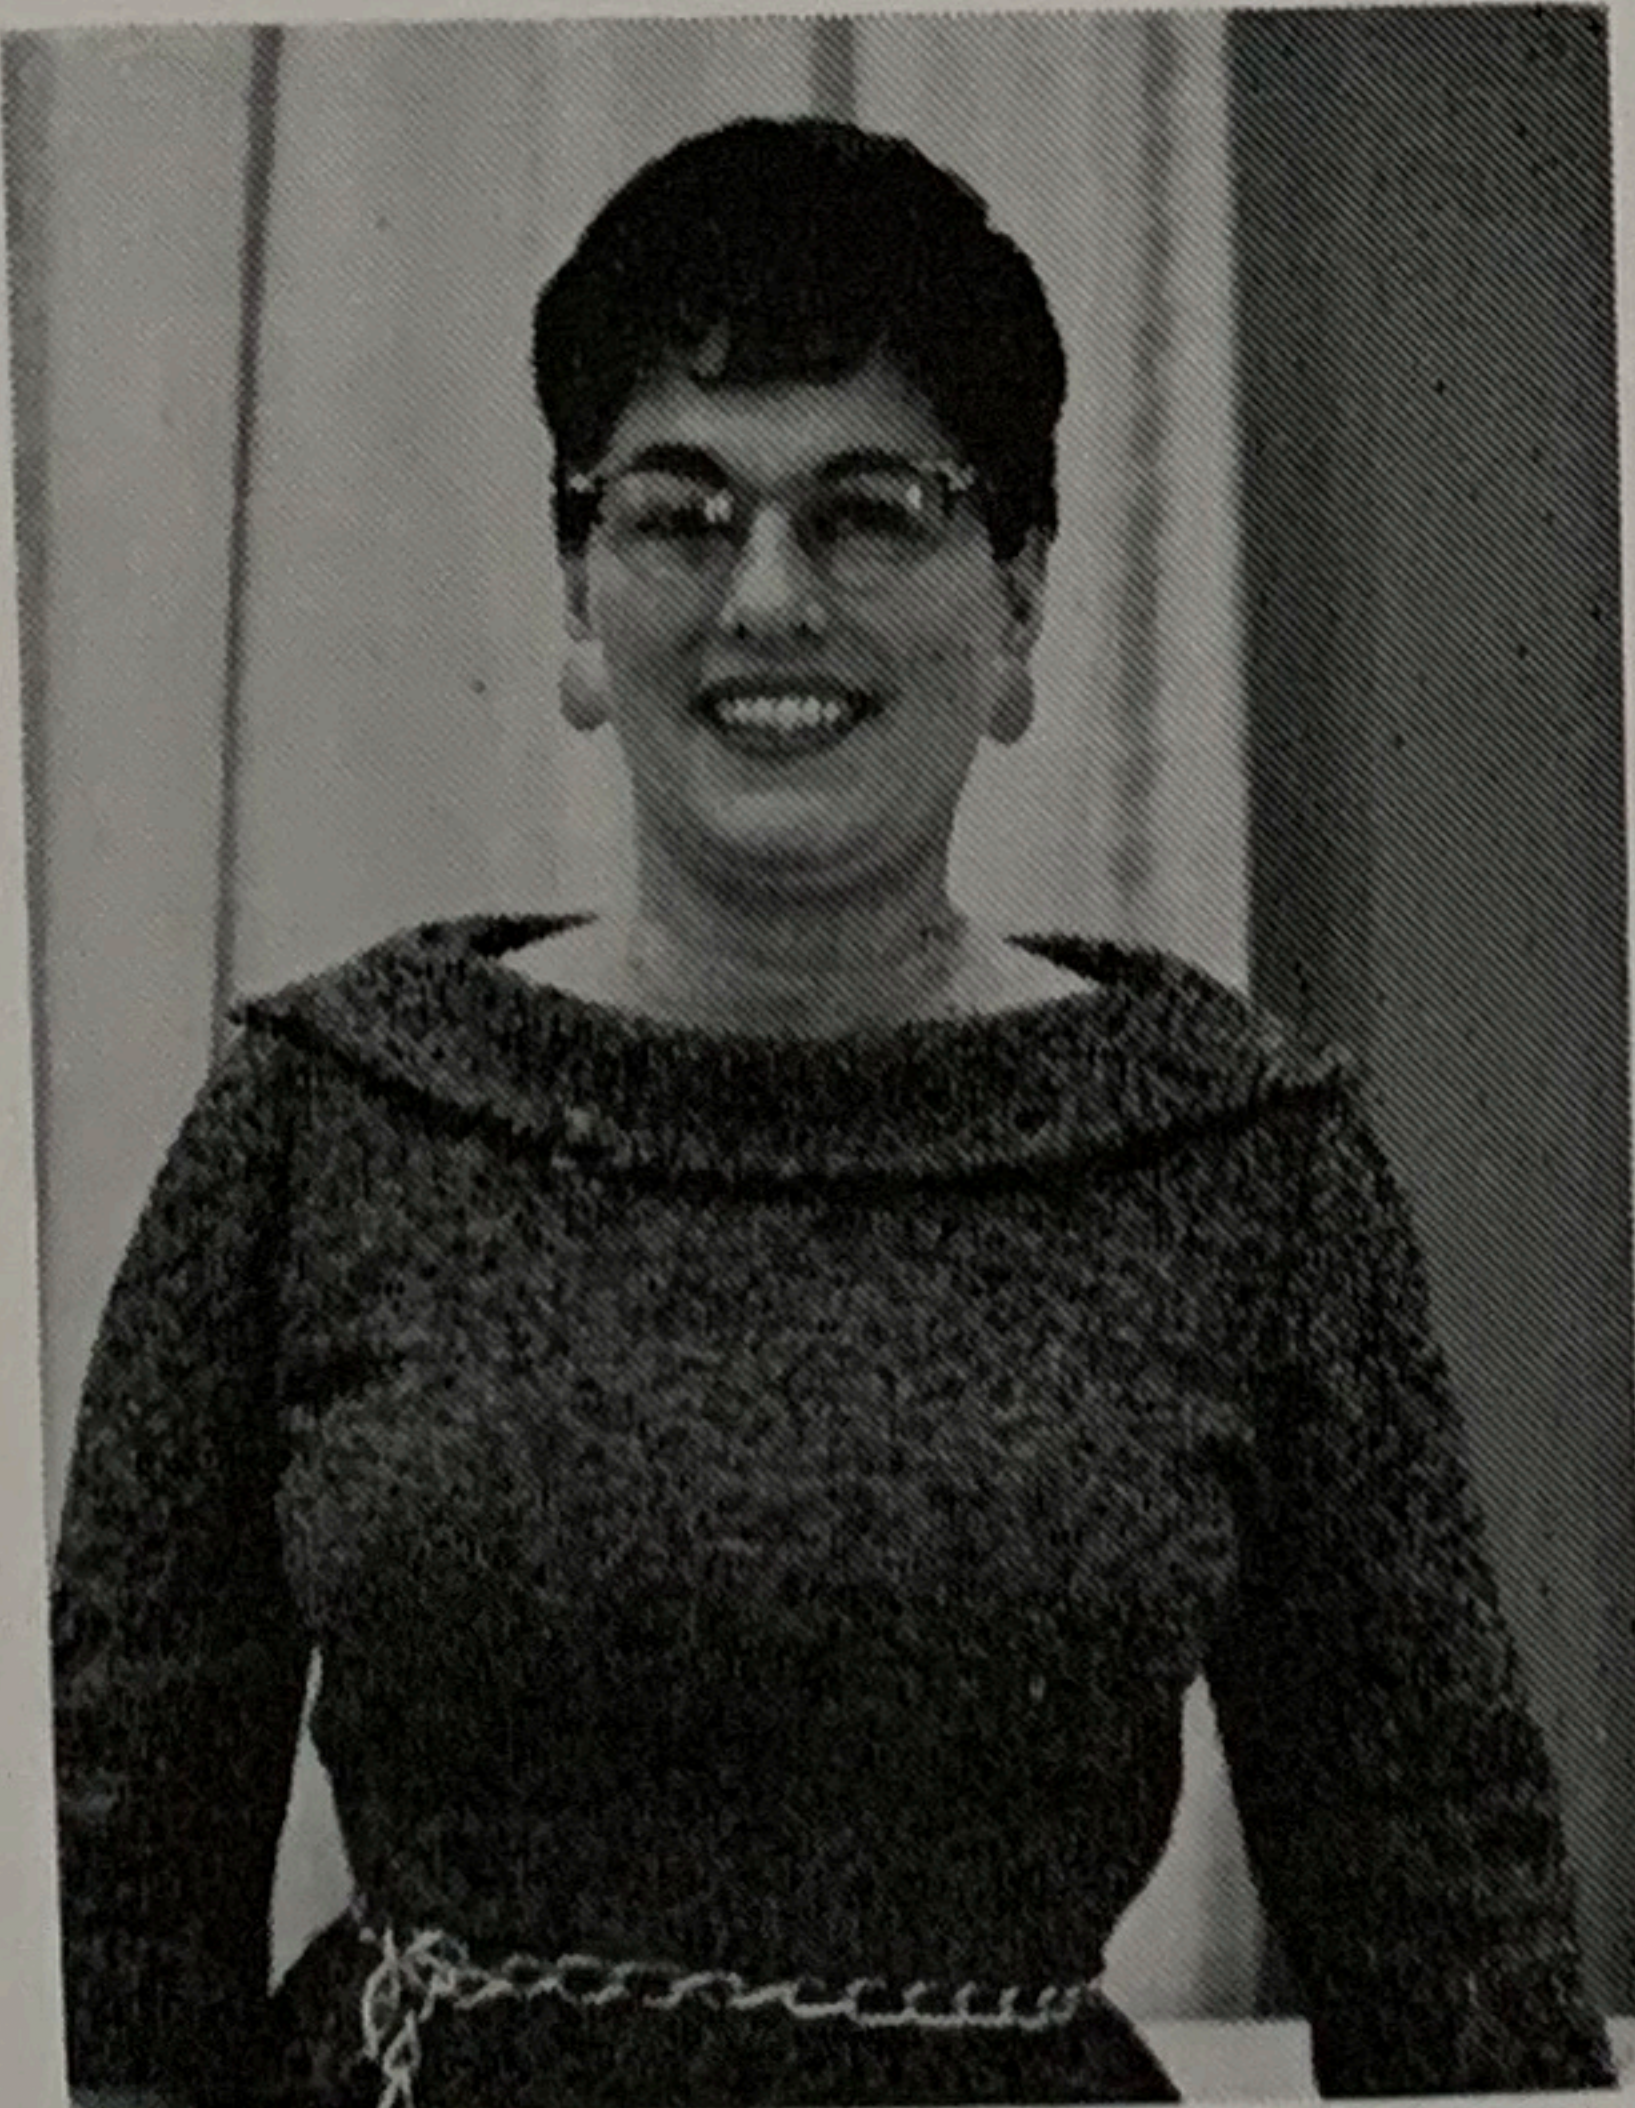

FUTURE TEACHERS

"Operation Headstart" was the title of a talk given to members of the Future Teachers' Club at their October 5 meeting. The guest speakers were Miss Pat Borg, a kindergarden teacher, and Miss Betty Wrixton, a first grade teacher

pre-school age children at Salina Jr. High School. 85% of these children came from families with an income of less than \$3,000 per year. The other 15% were referred to the group by the nurse or principal of Salina School. They had two groups, one in the morning and one in the afternoon. Both groups received a hot lunch each day. They learned to use crayons and scissors, and were introduced to the usual procedure of a kindergarden classroom.

Volunteers were accepted for the program. Some were paid and others gave freely of their time. It is excellent training if you are considering being a teacher.

As Miss Borg put it: "It was a most enjoyable experience."

Mrs. Dotson

YOUR TWO CENTS

Question: What one major improvement would you like to see done to Lowrey High School?

Sandie Melvin, 11B, "The teachers shouldn't give us so much homework."

Frank Ligi, 12B, "I would like to see Lowrey have driving for all seniors."

Margaret McKee, 12B, "Improve the movies by keeping the kids quiet."

Orlene Leviner, 11B, "I think they should rearrange the club meeting nights so you can join more than one club."

John Haksian, 12B, "Get better equipment for the metal shop room, such as a ban saw, a milling machine, and a new lathe."

Sherry Cooper, 11B, "More freedom for the kids."

Debbie Fontaine, 10B, "A new girls gym."

Jim Williams, 12B, "I think they should resume the donut sales."

Brad Anderson 10B "They should have a couple more buses. They are too crowded now."

Chris Yonish, 11B, "I'd like to see the outside look nice."

Linda Chrapek 12B "They should change some of the required subjects. Some of them are ridiculous."

Barb VanAssche, 10B, "The girls' gym should be aired out and disinfected."

Russ Holland, 12B, "The students should be able to wear their hair the way they want to."

Sue Casey 10B, "More time between classes."
"The Seniors should have a Coke machine."

Ken Johnson, 12B-5, "I think they should have some halfway decent clocks."

Stepping Out: or Let's Play Footsies

Girls, are you tired of having your feet stomped, smashed and mutilated by a guy with gun boats for feet? Well, here is the answer! Grab a guy with little feet and rush off to the Stepping Out Dance, which is being sponsored by the Junior class, and will be held in the Lowrey High Ballroom from 8:00 to 11:00 P.M. on November 12th.

Getting back to little feet. This year the secret is in the admission will be a certain price times the size of the boy's shoe. This will be measured at the door.

More information on this swinging affair will follow in the next issue of the Lowrey Light.

+Calendar of Events+

October

- 22 Friday—High School Football, Schafer, Away, 8 p.m.
- 25 Monday—Annual Sales Begin (10-12)

Just a Reminder

All Seniors who want to be pictured in the 1966 Futorian must provide a glossy picture. The glossy MUST MEET THE FOLLOWING REQUIREMENTS IN ORDER TO BE ACCEPTED: 1 7/8 x 2 3/8, full out print, 1" top of hair to chin, plain, dark grey background, single weight glossy paper NO GLAMOR poses, and NO PROFILES.

Boys are required to wear suit coats and ties. Girls should wear clothes with simple necklines. Plain, light blouses or sweaters photograph best. Jewelry also should be simple. HAIRSTYLES SHOULD BE CONSERVATIVE.

When you go to a studio, identify yourself as a Lowrey Senior and give the photographer the specifications for the glossy. If you choose a busy, popular photographer, you must allow one month from the date of your appointment until the completion of your pictures.

The following studios have been approved and have been notified of the specifications: Arella, 5069 Schaefer, LU-1165, Craines, 6941 Schaefer, TI 6-3900, Frabotta, 14458 Ford Rd., LU -1954, Edmonds, 2314 Monroe, LO 1-4561, Modernistic, 13020 W. Warren, LU 11276, and Tery Thurn, 23908 Michigan, LO 5-3066.

In order to appear in the Futorian YOU MUST BRING YOUR GLOSSY to room 250.

NOT ONE GLOSSY WILL BE ACCEPTED AFTER DECEMBER 6th.

IF YOUR GLOSSY IS NOT ACCORDING TO SPECIFICATIONS, IT WILL BE RETURNED TO YOU. THE PICTURE MUST BE RETAKEN AND SUBMITTED AGAIN.

Polar Bears Down Spartans 13-0

Support Wanted

The spirit of the sophomore class at the reserve football games has not been very good this year.

At the last home game on October 7, two sophomores were at the game watching Lowrey play Garden City West. The team wants, deserves and needs your support.

Inasmuch as the entire reserve football team is composed of 10th grade boys, it does not seem unreasonable to expect a much larger turnout than this.

For the rest of this season, let us see if the sophomore class can improve on this attendance at the games and give the players the moral and vocal help they need.

Harriers Downed

Lowrey's harriers were downed by Garden City West by the score of 26-30 in a meet played at Hemlock Park on October 7.

It was a disappointing loss for Lowrey as their record dropped to no wins and three defeats in league competition.

The last two meets have seen Lowrey edged by almost identical scores and Jerry Mathias has missed placing first in both of them by one second each time.

The following boys placed in the meet for Lowrey:

2 Jerry Mathias	11:14
4 Ed Green	11:33
7 Terry Fritz	11:50
8 Dan Hines	12:04
9 Dave Bydlowski	12:12

Reserves Tie

The reserve football team played their first league game against Kennedy on Thursday, September 30, battling to a 6-6 tie.

The game was played in the rain, making fumbling the main problem. There was no score until six seconds left in the first half when Kennedy scored on a pass.

The game stayed this way until the fourth quarter when Howard Elandt set us up on the Kennedy one yard line. Scott Neusel tried quarter back sneak and scored. They tried for the extra point but did not make it because of an off-sides penalty. The game ended in a 6-6 tie.

The starting lineup was:

Ends	Branton
	Mroz
Tackles	Villiard
	Mardowicz
Guards	McCurdy
	Luton
Quarterback	Neusel
Halfbacks	Rasbury
	Preston
Fullback	Elandt
Kicker	LeMaire

Basketball Near

Boys, even though football season is not over yet, it is not too early to think about basketball.

Coach Rice announced recently that practice for the varsity team will start on November 1. The varsity team is made up of 11th and 12th graders.

The junior varsity team will start practice on November 1 for all 10th grade boys. Mr. Schultz will be the coach.

Mr. Rice

JR. High Football

Lowrey's ninth grade junior high football team was beaten by undefeated Bryant by the score of 21-7 on October 13.

In the first quarter Bryant grabbed an easy lead, scoring two touchdowns; their extra points were successful.

In the second quarter Bryant added a third and final touchdown for themselves for the day. Their extra point attempt was good again. The half-time score was Bryant 21, Lowrey 0.

There was no scoring until the fourth quarter when Lowrey's fullback, Rich Poszywak, took a hand-off from quarterback Bob Williford on a six yard dive play for their only T.D. of the day. Poszywak dove through the middle for the extra point. The final score was Bryant 21, Lowrey 7.

Coach Currie commented that Bryant was one of the best junior high teams he has seen in years, and since playing a stronger team, his boys played a little better football in a losing cause.

CROSS COUNTRY

Lowrey's cross-country men ran to their second straight victory as they beat the Fordson Tractors by the score of 26-29 at Hemlock Park on October 18. Lowrey's team is improving rapidly and are looking forward to even up their record, as they have 2 wins and 4 defeats.

Coach Weller commented on the meet, "The boys showed real spirit in beating our cross town rival. It's always nice to beat Fordson."

The Lowrey Polar Bears have kept their winning streak going with a 13-0 victory over the Cherry Hill Spartans in a game played at Hemlock Park on Homecoming day, October 15.

The game was slow and sluggish throughout the first quarter with a number of punts on both sides. Lowrey once fumbled on their own 5-yard line but recovered to keep the game scoreless. After Cherry Hill got possession of the ball, they picked up quick five and 15 yard penalties to stop their drive from clicking into a score.

Early in the second quarter another 15 yard penalty stopped Cherry Hill from getting into Bear territory, bringing the ball back to their own 37. Later in the quarter Cherry Hill received another 15 yard penalty with Lowrey in possession of the football.

The first score was a Holbird to Fox pass of 8 yards. The drive had started with a pass to Fox which chewed up 30 yards to the Cherry Hill 13. A 5 yard penalty against Cherry Hill moved the ball on the 8. From here the touchdown made it 6-0 for Lowrey; the extra point attempt was no good.

In the third quarter, Cherry Hill had the ball on the mid-field marker and fourth down with two yards to go, but they refused to punt. On the next play they were stopped by Lowrey and they lost the ball to the Bears. Later in the quarter Cherry Hill recovered a Polar Bear fumble, but were once again stopped of a score.

The fourth quarter was the most active one of the game. Early in the quarter Cherry Hill had another 15 yard penalty for grabbing their opponents face mask. This brought the ball to the Spartan 38, but the drive ended quickly.

Cherry Hill had a drive going later, but on fourth down, John Hull intercepted a pass to choke off a possible threat. It seemed like this interception took the life out of Cherry Hill for the rest of the game.

Lowrey's final score started with a Marchetti run, a Gierucki run and a pass to Fox to put the ball on the Spartan 5 yard line. From here Ray Gierucki ran into the end zone to make it 12-0. The extra point kick was good and the final score stood at 13-0 for Lowrey.

Lowrey Downs G.C. West

Still undefeated and sharing first place with Crestwood and Southgate are our Lowrey Polar Bears. The Bears defeated Garden City West by the score of 21-6 in their first night game of the season played at the Garden City East field on Friday, October 8.

The game's scoring was started by Garden City West on two quick end sweeps covering a total of 65 yards making the score 6-0.

Lowrey came right back on a kickoff return of 29 yards by junior Ed Gabrys. A few plays later, Joe Marchetti fired a pass to Brian Mertz for another 26 yards to the Garden City West two yard line. From here, Ray Gierucki went in to tie the score. Richard Mitchell put the Bears ahead on an excellent extra point kick.

The second quarter was scoreless but the Tigers brought the ball down to the Lowrey 5 yard line. Lowrey's powerful defense stopped any scoring and the first half ended at 7-6 for Lowrey.

The third quarter was all Lowrey's. Taking a kickoff and a pass from Bill Holbird to Bob Fox, the Bears marched down field to Garden City West's one yard line. Bill Holbird went in to score the touchdown and the extra point was good.

Lowrey kicked off and, on the first play from scrimmage, senior Bill Meggison recovered a fumble on the Garden City 35 yard line. Nine plays later Doug Anderson went in to make the score 20-6 and the extra point was the final tally of the game.

Reserves Battle G.C. West

Lowrey's reserve football team won its second league game by defeating Garden City West by the score of 13-6. The teams battled through a scoreless first half.

In the third quarter Scott Neusel passed to Chuck Fox, setting the ball on their 30 yard line. Then Neusel passed to Krogulicki for our first touchdown. Krogulicki received a pass from Neusel for the extra point.

In the fourth quarter both teams scored. Garden City scored on a pass. When they attempted for the extra point, Jessen charged in and blocked the kick. Later, Howard Elandt took a hand-off and ran 70 yards for a touchdown for Lowrey. The extra point attempt was not successful.

The game ended on Garden City's four yard line. The final score was 13-6.

Coach Gretzner said that the defense played a good game.
