

by Donna Oakley
Laura Dunaitis

Seniors! Remember the order you placed a month ago for Calling Cards, well they will be in the first week of May.

April 14th marked the day of the students receiving report cards. To some it was day of joy to others it was a day of sadness. This last card marking period, you must really do your best and raise those grades.

There will be a Senior Class meeting on May 3 during first hour. The discussion will consist of Prom news, commencement night and the honor assembly. June is growing near you know!

A Spring assembly will take place on May 9. All students who handed in petitions now will have the opportunity to speak their piece to their fellow students.

The cast members of the play, different committees and the band had a grand closing party after the last night for the presentation of the play "Anything Goes." A hall had to be rented in order to have room for all. The party was the first of its kind and a success for the Thespians.

Say SENIOR BOYS are you on the ball?? June 10 marks the date for the SENIOR PROM, so you better get busy and find the girl of your choice for an evening of enchantment.

Congratulations to the Shop-mores on a job well done on April 21. It was a huge success.

Sylvia Wayne, from the Channel 2 T.V. News, recently spoke to Mrs. Helveston's and Mr. Lowry's English and journalism classes. She discussed the make up of the 6 o'clock news report and how such a program is conducted.

Don't forget the junior class paper drive at O.W. Best tomorrow. The drive starts at 9:00 and all students who want to help are invited.

In Memoriam: Mark McFarlane

The students and faculty of Lowrey High School were saddened by the death of Mark McFarlane on Sunday, April 17, 1967. He was a sophomore at the United States Air Force Academy.

Mark graduated from Lowrey in 1965 with a long list of honors. He was the recipient of the Gold L; departmental awards in science, music, debate; and a scholarship to the United States Air Force Academy. At the Academy Mark had a fine academic record and continued his interest in music to the extent that he was one of the cadets invited to appear on an Ed Sullivan telecast last fall.

All of his friends extend their deepest sympathy to the McFarlane family.

HARVEY H. LOWREY HIGH SCHOOL

April 28, 1967

LOWREY HIGH SCHOOL, DEARBORN, MICHIGAN

Vol. 33, No. 16

More News On Staff "Phase Out"

Mr. Rice and Mr. Hipkiss are leaving Lowrey after this semester because of the student phase out next year. The following are interviews with these two well known teachers.

"Lowrey High School is the greatest school in the world. I love the place and I feel very badly leaving it. I'd love to stay here."

This is a statement which was made by Mr. Rice, an English teacher, and coach of thirteen years at Lowrey. Mr. Rice is one

Mr. Rice

of our tremendous teachers who is being transferred at the end of this semester to Dearborn High because of the "phase-out."

A graduate of Western Michigan University, Mr. Rice began his work at Lowrey in 1954 as both an English teacher and assistant basketball and baseball coach. After six years of assistant coaching, Mr. Rice became head coach. At this time, he is the head coach of basketball; assistant coach for football.

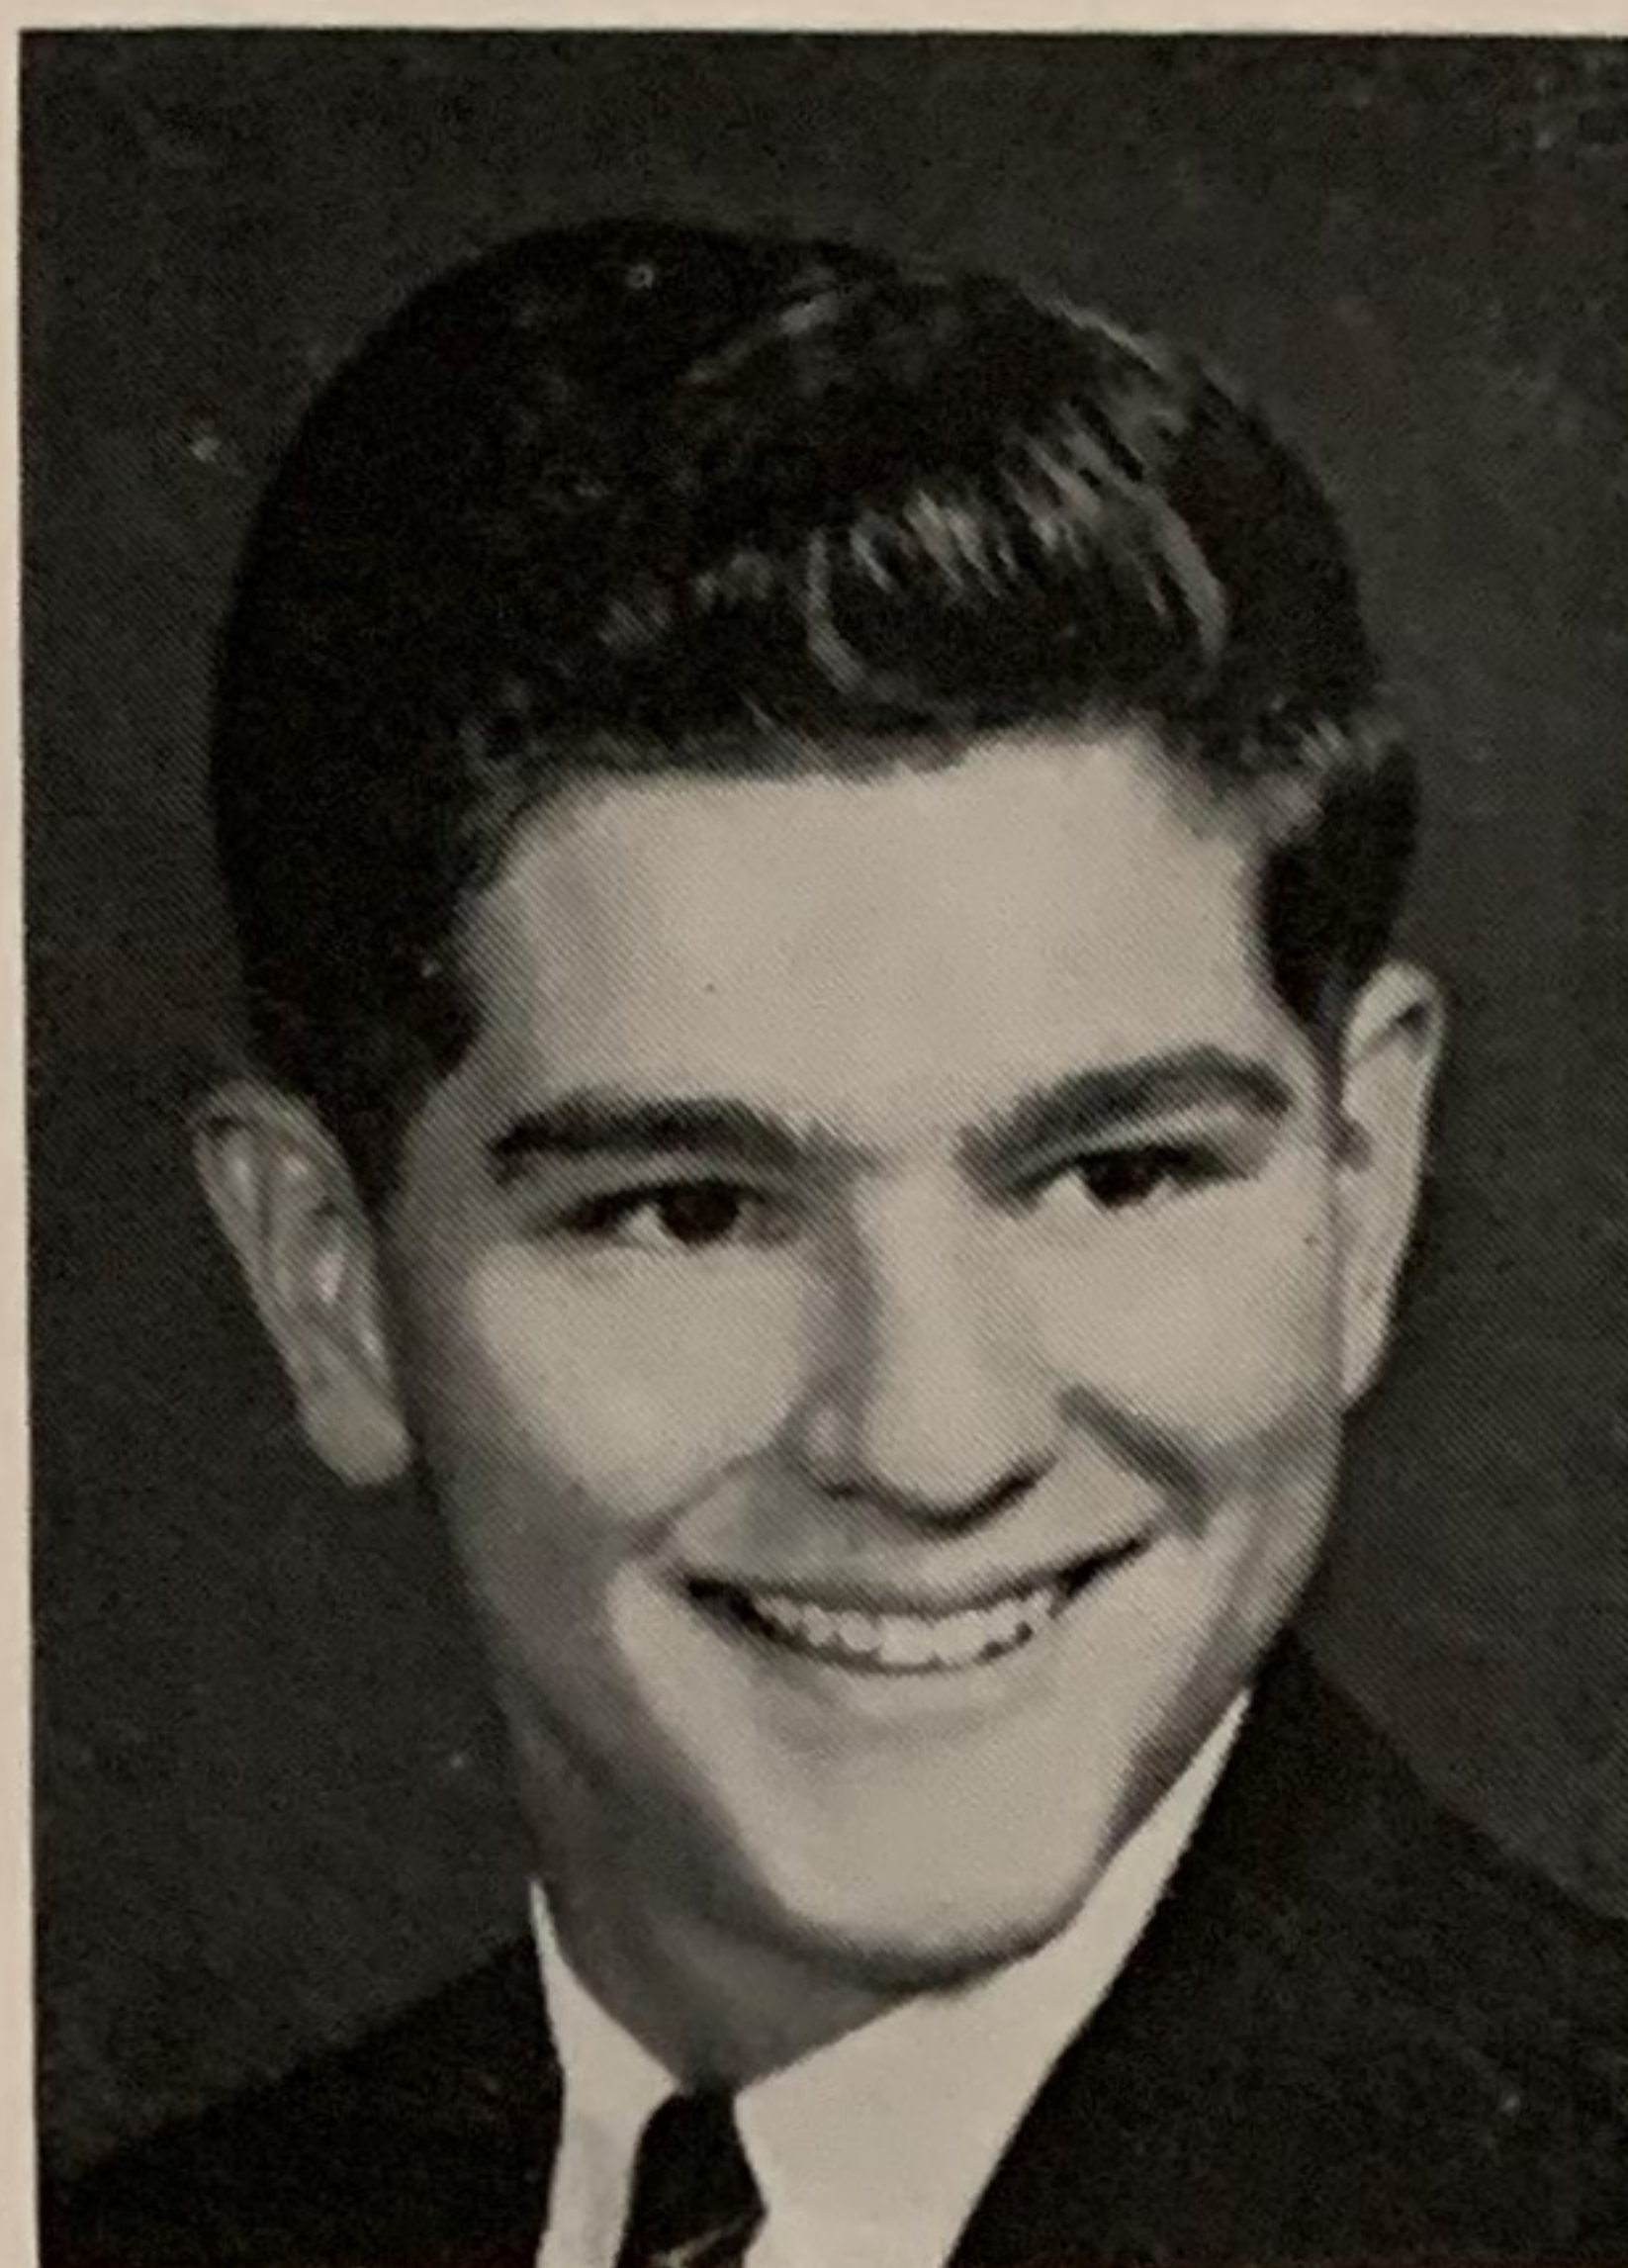

He said that we won four baseball championships. These championships were won while we were members of the Twin Valley League as well as the Tri-River League.

When asked to state his opinion of Lowrey's English program, Mr.

John Luchini Wins Honor

Senior Awarded Top Scholarship

John Luchini

John Luchini is one of the seventy two high school seniors in the nation to receive a Ford Scholarship to attend any college in the nation.

John's academic record and personal qualifications indicated to the Scholarship Board that he will benefit from a college education and will develop into a well-rounded adult capable of constructive work and responsible citizenship.

The scholarship award will cover his full tuition and customary fees and a portion of his living costs until he receives his bachelor's degree. A \$500 grant is also given to the University of Michigan, the college John has chosen to attend. He plans on going into physics

while attending the U. of M. After he receives his Bachelor of Science Degree in Physics, he would like to teach for a few years then go into industry.

To be eligible to compete for a scholarship, one of John's parents had to be employed by the Ford Motor Company for at least two years.

John's many extra curricular activities, plus having a 3.6 average and ranking seventh in the class have helped him to receive the scholarship. He is very active in the Folk Club, the Fizz-Kem Club, and he has had leading and supporting roles in many of Lowrey's school plays.

"John is a very deserving winner," remarked Mr. McBride. "He has worked hard for his high scholastic average and he has also taken part in many after school activities."

When John was asked to give a statement, he replied, "I am very grateful to have received this honor. I would like to thank Mr. McBride, Dr. Seavitt, my parents, and all my teachers without whose help I never would have been able to get this scholarship."

Cheerleaders Chosen For 1968

Last week 14 new Senior high cheerleaders were chosen for next year. They are Dandi Beattie, 10A-1, Cathie Dishong, 10A-3, Karen Festian, 10A-4, Pam Gaddes, 11A-3, Debbie Greenwell, 10A-5, Coleen Halstead, 10A-5, and Arlene Harrell, 11A-4. Also selected were Sue Keleman, 10A-7, Sally Kinzer, 11A-5, Elaine Kochoff, 10A-7, Maureen Marcenko, 10A-8, Dolores Morris, 10A-9, Nan Parieau, 10A-10, and Pam Zambo, 10A-13.

These fourteen girls were selected from 37 others in the semi-finals. Mrs. Burton, Mrs. Hodder, Mrs. Natkowski, and Miss Lamera-to, cheerleading sponsor, were the judges of this competition. These girls were judged on ability and execution, stunts such as jumps, synchronization as shown by voice, pep, and facial expressions, over-achievement. They also must maintain a "C" average.

Seven girls will be picked for reserve and varsity squads during the week of May 1.

180 Sign For Stratford Trip

Well, it's that time of the year again, and plans for the Stratford trip are underway. Stratford, a peaceful town in Ontario, Canada, 175 miles from Detroit, will be invaded by 180 seniors from Lowrey next October.

The group will see one of two plays which will be announced sometime in May. "Antony and Cleopatra" is one possibility and Christopher Plumber, star of "The Sound of Music" is featured. "Richard the Third" is the second possibility.

The 3½ hour bus ride to Stratford will begin 8:30 a.m. at O. W. Best Jr. High and the group will return about 9:30 p.m. There will be 10 sponsors accompanying the students. So far Mr. and Mrs. Boatwright and Mr. Beesley are going. Mr. Beesley exclaimed, "If I could not go, the trip would be cancelled!"

As a reminder to those who signed up: Don't! We repeat: Don't forget your last \$5 deposit is due by June 2! And then enjoy your trip!

Boosters Elect New Officers

During a recent Booster Club meeting, elections for the coming school year were held. The results are as follows:

President: Candy Gary
Vice-President: Sue Gary
Secretary: Mary Kay Vadnais
Treasurer: Carol Jones

Congratulations, girls!

Miss Lamarato, club sponsor, said that she has great faith in next year's officers even though the officers this year, because of their outstanding performance will be hard to replace. Kathy McGreevy, outgoing president, commented, "Booster Club, along with our fast-moving teams, have made these past three years here at Lowrey extremely active and enjoyable for me. I have learned a great deal by presiding over the club and I will regret handing the position over to Candy even though I know she will do a fine job next year. I wish to thank my official officers, Billie Sue Erway, Mary Kay Vadnais, Debbie Fountaine, and Pauline Magiera for their help and also my two 'unofficial' helpers, Laura Dunaitis and Chris Attard, was pre-occupied.

I hope the club prospers even more next year and I hope they can cheer all to "V-I-C-T-O-R-Y."

TV 2 Reporter Visits Lowrey

"Women can go farther than men because women are eye catchers," stated Miss Wayne visited Mrs. Helveston's English classes and Mr. Lowrey's journalism class Friday, April 7.

Miss Wayne, who is 23, attended Cass Tech and is currently a student at Wayne State where she will graduate this June with a Bachelor of Arts degree in journalism.

Previous to her job with TV 2 Miss Wayne worked for the Michigan Chronicle and the Free Press. When asked why she went into television reporting, Miss Wayne said "Television is much more of a challenge, it gives more exciting than newspaper reporter."

She does not have any certain beat to cover. She is assigned an interview when she goes to work in the morning and together with a camera and sound man she sets out to do the story. The most interesting and exciting interview Miss Wayne has ever had was with Jimmy Hoffa at Cobo Hall. She stated that Ray Girardin is her favorite interviewee because he is so easy to talk to and so polite. Reading is among Miss Wayne's hobbies.

Miss Wayne was overwhelmingly accepted by the classes. The Students found Miss Wayne to be friendly, interesting and a pleasure to interview and exchange ideas with.

Volunteers Needed For Hospital Work

Would you like to do volunteer hospital work that will be rewarding, interesting and beneficial to many people? Then consider these questions:

Volunteers give service . . . Do you realize that they are not paid?

Your summer plans should be considered . . . Will you have the time?

Volunteers are expected to serve at least 50 hours during the summer . . . Will you have 50 hours?

There may not be a volunteer job near your home . . . Are you willing to take a bus once, perhaps twice a week?

Agency programs start as soon as school is over . . . Can you be ready to start then?

Once you have agreed to volunteer . . . Can you be dependable, prompt, faithful, willing and actively interested?

Now . . . after thinking it over, do you want to offer your assistance to an agency?

Are you 16 years of age, will your parents consent? Do you understand what you have to do, assist in simple office, routines blood donor programs, registration, typing, filing, food service? Is your answer still yes? Wonderful, you are needed, write or call today!

Chorus Teacher Plans Concert

May 12 will be another first for Lowrey High's vocal music department. The choir, chorus, glee club ensemble, and the Wanderers will present a concert for your entertainment. The program will feature all types of music from Haydn to Ray Coniff. Accompaniments will be provided by a combo of Mr. Brickle on piano, Steve Gnewkowski on guitar, Toni Nelson on bass and Jim Gnewkowski on percussion.

A highlight of the evening will be a finale performed by the combined choir, chorus and the Lowrey brass sextet.

According to Mr. Brickle, "This year's concert will also have a lighter side. The Wanderers will provide some first class folk music, including a sing along."

More specific information will be announced in the daily bulletin.

Are the teen-agers of today spoiled? Why or why not?
 Donna Johnston, 12A-6: No because I have to work hard for my money.
 Lolli Thompson, 12I-11: Only if they have a sister like mine.
 Chris Korte, 12A-6: Yes, because I get everything I want within reason.

Linda Burklou, 12A-2: Yes, because they have more freedom.

Carol Scannell, 10A-11: No, because they're not treated like it, I guess.

JoAnne LeMond, 11A-6: Yes, Bob's spoiled. He gets his way too much.

Mary Leitner, 11A-6: Most of them are, because Lynn is.

Lynn Berjeski, 11A-1: Definitely, because they always get their own way.

Pat Stankiewicz, 10A-12: Yes and no, because some are and some aren't. It all depends on their home life.

Janice Scikoski, 11A: Some are and some aren't, because what's good for one may not be good for the other.

Karen Sinks, 120A-10: Most of them aren't, because most teens know what time to come in at night and they know their responsibilities; the ones that are spoiled do anything they want and they are over-protected.

Barb VanAsshe, 11A-10: I refuse to generalize but I know I am.

Jan Goucher, 11A-4: Some are, because their parents give them everything and they don't have to work for anything.

Brenda Goich, 12A-5: No, I do not, just because they are different in their ideas and what they want to do, that doesn't make them spoiled.

Future Secretaries Visit Ford Offices

The following girls attended the trip to the Ford Motor Company on Monday, April 17.

Mary Bobrick, Sharon Bokkon, Wendy Boutin, Jan Carlson, Jerry Lee Chmela, Cherie Coveyou, Karen Fauer, Nancy Fithian, Lynda Frederick, Irene Hunter, and Donna Janes.

Also attending were Louise Kunert, Pauline Migiera, Sharon Nicholl, Helen Sargent, Charlene Sherlock, Janet Stanford, Fay Stuart, Karen Sudut, Barb Szaley, Kathy Titus, and Cherry Ward.

These girls are all taking secretarial practice here at Lowrey. The trip was designed to acquaint the girls with the type of work which is expected in a large office. Mrs. Hemker, and Mrs. Burton accompanied the girls on the trip.

-THE SHADOW-

Our Shadow in this issue of the Lowrey Light is following a sophomore girl. Trace the following clues and see if you can guess who she is.

Drawing exciting pictures is what you'll most likely find her doing in Mr. Jones' art class first hour.

Listening intently to Mrs. Elliot is what you'll find her doing second hour.

Happily running errands for Miss MacKenzie is what she does third hour in library training.

Eating like a horse is what you will find her doing fourth hour as she sits in lunch.

Staring at Mr. Leslie's beautiful blue eyes is what she does in English fifth hour.

Sixth hour she is continually getting on Mr. Brickley's nerves as she sits in chorus class.

Watching the clock slowly move is what she does seventh hour in Mr. Frosthofel's history class.

If you still don't know who the Shadow is following look on page four the answer.

Committees Set For City Contest

The city of Dearborn is having a window display contest, for students in retailing classes, which is sponsored by the Chamber of Commerce. Mr. Pearson, has chosen two committees to represent Lowrey in the contest. The members of the first committee are: Marietta Austin 11A-1, Larry Cisllo 12A-3, Cindy Hassen 12I-5, and Johanna Miliunas 12A-8, from the first hour retailing class. The members of the second committee, from the third hour retailing class are: Linda Bessaga, 12A-1, Dolores Fillinger, 12A-4, Fred Horvath, 12A-6, and Bob McClinton, 11A-7. What windows the committee will decorate has not been decided yet.

The windows will be decorated during Michigan Week, May 22 through the 27th. The students will trim the windows on May 18 and 19, the Thursday and Friday before Michigan Week.

The windows must relate to Michigan. They must show something which makes Michigan good and an enjoyable state to live in.

The windows will be judged by impartial businessmen around the area. The school that wins first place will get a gold cup. There will also be a \$1,000 scholarship given to the most deserving student in retailing.

All the students that participate in the contest, will be invited to a breakfast at the Golden Griddle after the contest is over.

Mr. Pearson feels that Lowrey has a very good chance of winning the contest.

Mr. Gallagher Student Teacher In History Classes

Another addition here at Lowrey is Mr. Forsthofel's student teacher, Mr. Gallagher.

Mr. Gallagher is a student at Wayne State University. He is majoring in history with minors in social studies and French.

"I have been favorably impressed with all aspects of Lowrey. Most impressive I think is the friendly and helpful attitude of both students and faculty. Everyone seems eager to be helpful and I certainly can use all the help I can get." Mr. Gallagher remarked.

He also added that he felt very fortunate to have Mr. Forsthofel as his critic teacher. Mr. Gallagher feels he has learned a great deal in his first two weeks here at Lowrey and that he is sure his stay will be very rewarding.

Upon graduation next December, Mr. Gallagher plans on teaching history in either high school or junior high.

Away from school he is a sports enthusiast with football being his favorite. Mr. Gallagher also takes a great interest in politics and enjoys listening to jazz music.

As a final comment Mr. Gallagher added, "I think the Polar Bear is a unique and as it is the school mascot I'm sure it deserves a prominent spot in the senior lobby".

Misery Is

Being a senior and not having a date for the prom.

Finding out you flunked co-op. Losing your contact lense in the hall between classes.

Dropping your book in a puddle of mud on your way to the bus. Getting kicked out of school five days for fighting.

Forgetting your folder assignment that was due for Mr. Betzing. Getting to school and finding out you forgot to put your eye make-up on.

Being the last one in the lunch line.

Sitting in study hall with nothing to do.

Eating lunch with someone who combs her hair at the table.

Sitting in school and not being able to hear music all day.

Having a bus check and getting your bus card taken away because it's torn in half.

Being assigned a boring story to read.

Sitting with a bunch of clowns at lunch who make you laugh while you're trying to eat.

Having a test and forgetting to study.

Falling asleep in a class and missing all the notes you need for a test.

Walking to the bus on a humid day and having your hair fall.

Students Urged To Start Own Library

Teen-agers on a small budget can easily, and inexpensively, build their home libraries with paperback books. Some recent ones, published by Dell and of particular interest to students:

"*Idylls of the King and Camelot*," edited by Allan Knee (\$.50). A comparison of the ways in which two writers of different eras treated the legends of King Arthur, including selections from Alfred Lord Tennyson's 19th century cycle of poems, "*Idylls of the King*," and Lerner and Loewe's musical, "*Camelot*."

"*The Human Comedy*" (\$.60). William Saroyan's captivating story of an American family facing the heartbreaks of wartime.

"*The Complete Peace Corps Guide*" by Roy Hoopes (\$.75). Written with the full cooperation of the Peace Corps, this book presents a wealth of practical information and gives a full picture of the challenges and rewards of Peace Corps life. "*Poetry Festival*," edited by John Bettenbender (\$.50). Anthology containing 150 long-time favorites, such as Longfellow, Whittier, Keats, and Shelley.

"Soul" Sound Big With Teen Ager

Some new, exciting, wild and soul records are in the Detroit area. Here are just a few of them. Dead End Street-Lou Rawls, Psychedelic Used Car Lot-Southbound Freeway, Day in a Life-the Beatles, Creeque Alley-Mamas and Papas, When I Was Young-Animals, and Friday On My Mind-Easybeats.

So if you are an avid record fan be on the look-out for these records because they're coming up fast.

Lowrey Senior In HFCC Play

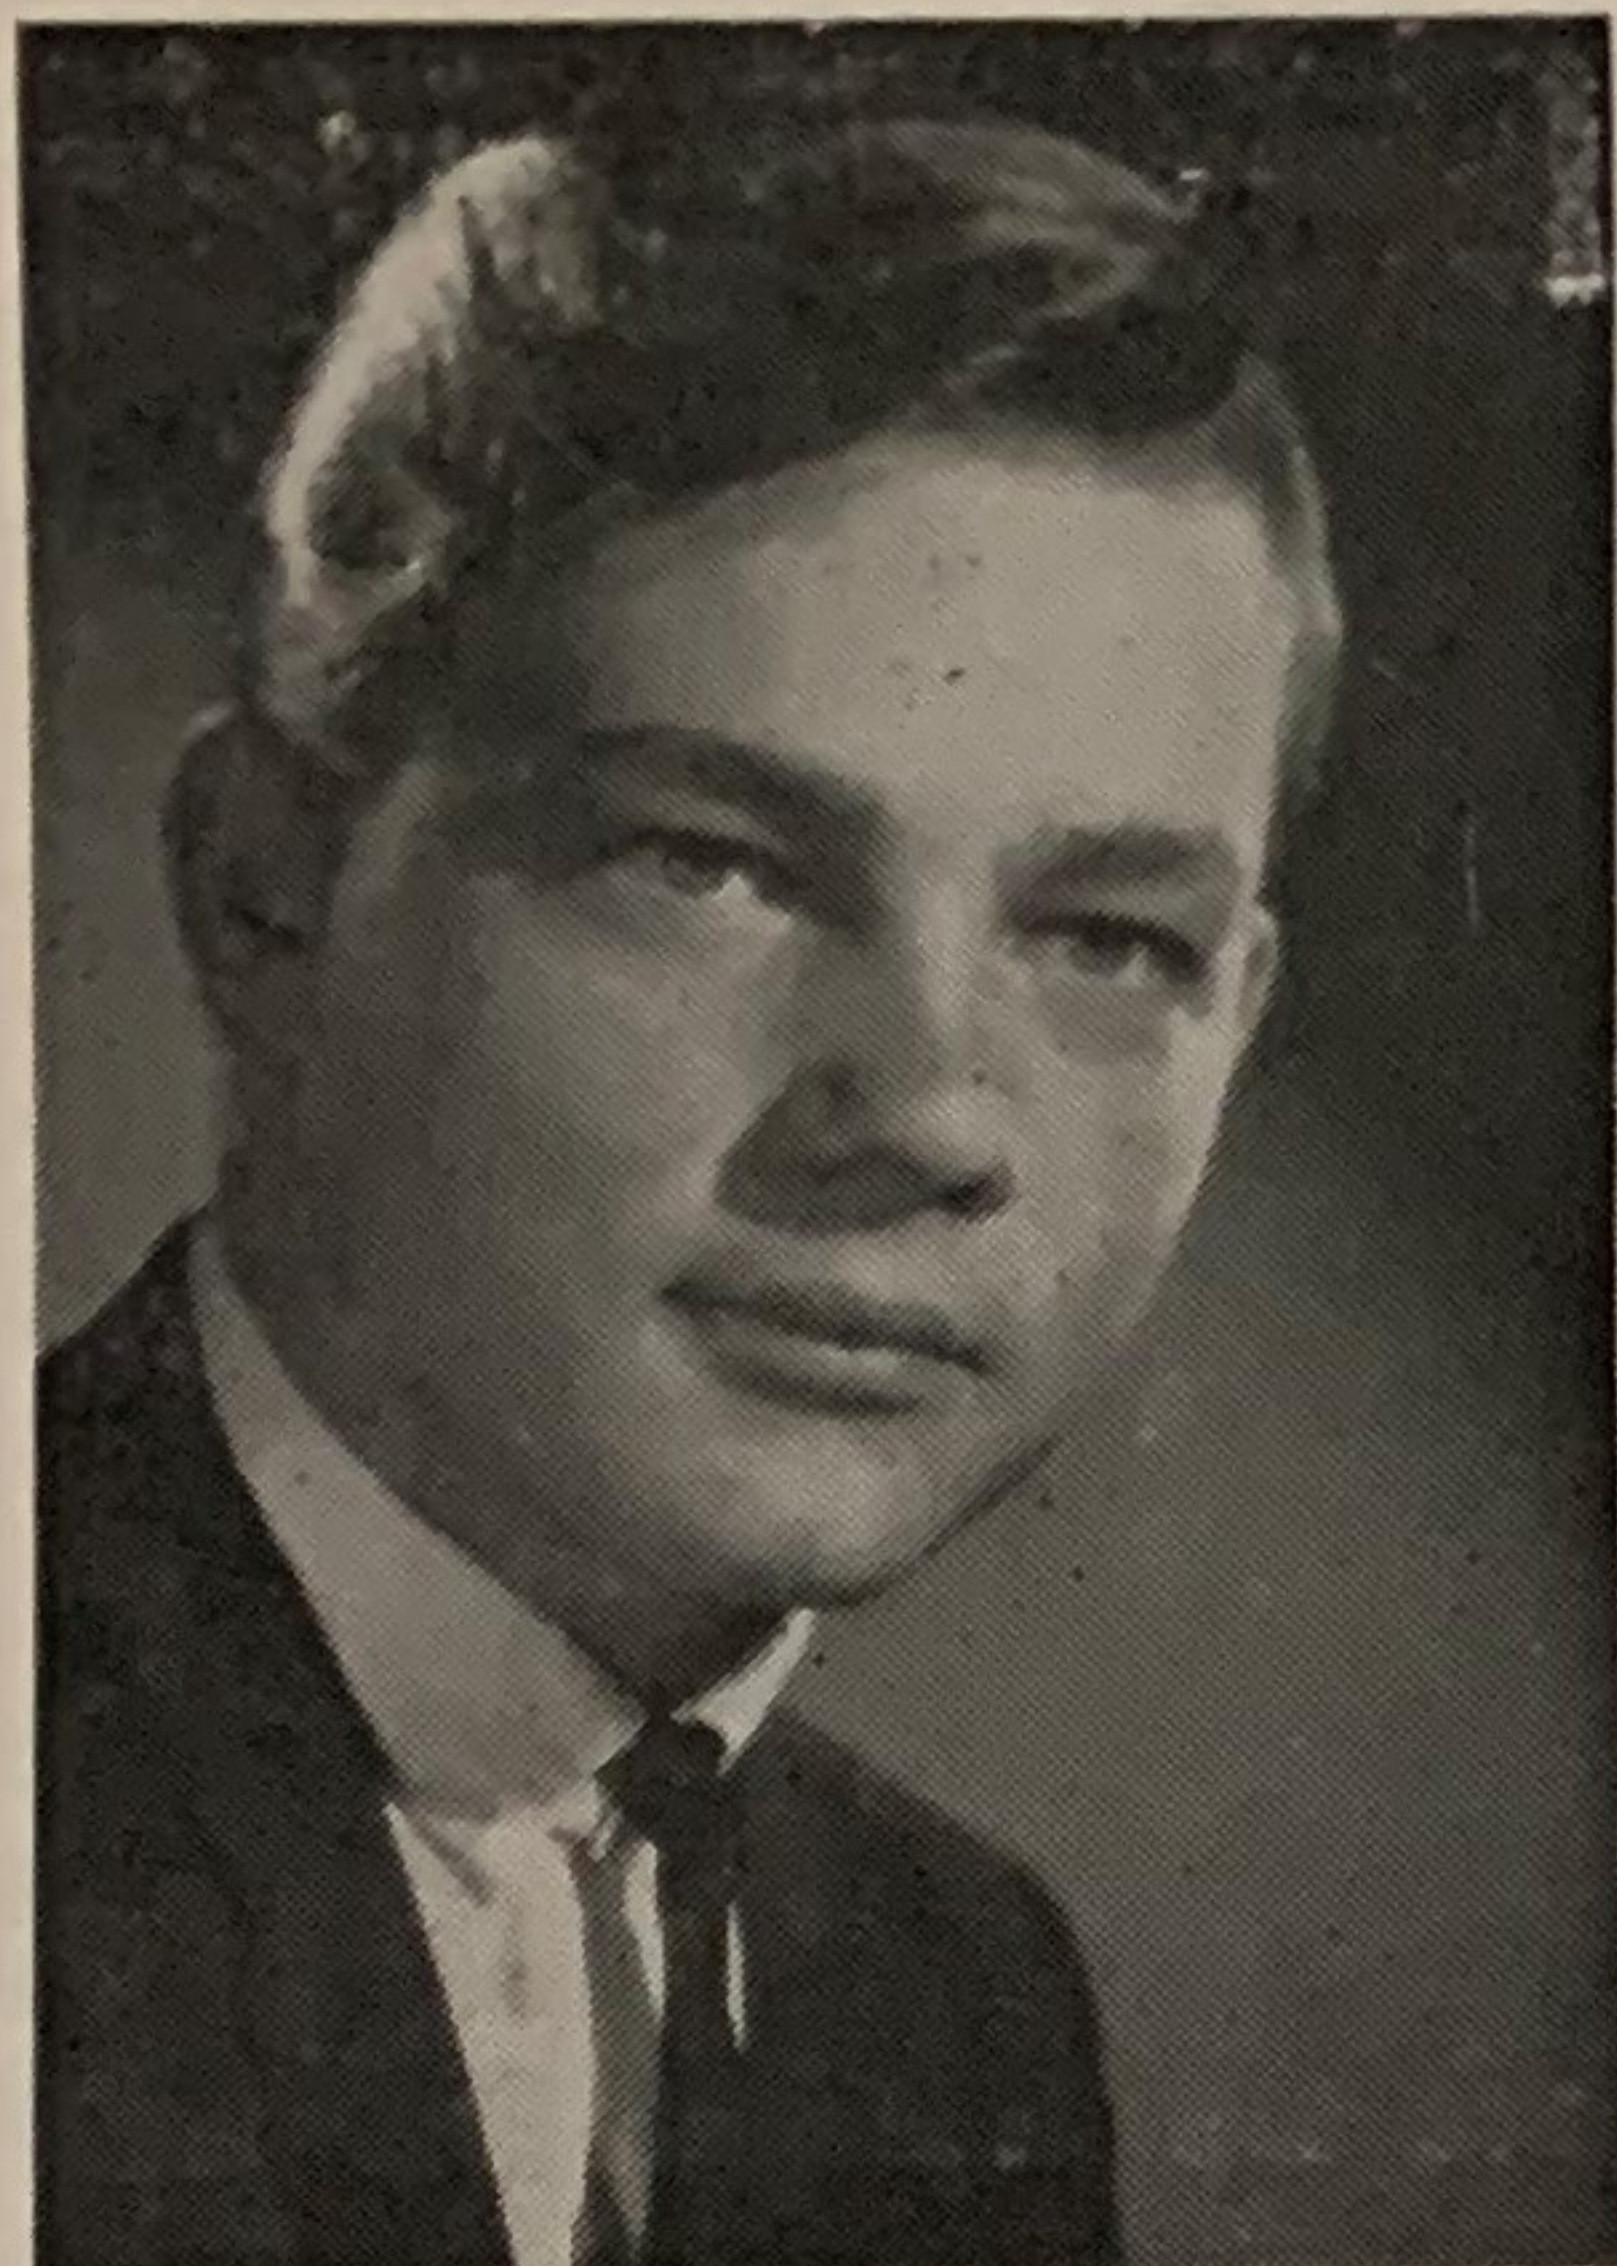

Lowrey senior, Bruce Borum, has been selected as a cast member for the musical "Do I Hear a Waltz?" The play will be produced by the Collegiate Players of Henry Ford Community College and will be staged at Stout Junior High School on May 19, 20, and 21.

Bruce is quite excited about the play and his role in it. Thirty amateur actors, most of whom are not students attending Henry Ford, auditioned for ten roles. A veteran amateur actor, Bruce is a member of the Lowrey Thespians and has participated in two plays here as well as acting with the Dearborn Civic Theater. When asked about his role in "Do I hear a Waltz?", Bruce said: "I enjoy acting because it leaves so much room for expression and I really appreciate the opportunity for this acting experience."

Sports Spotlight

Our sports spotlight for this week is the Norman Cash of the Lowrey Polar Bears Rick Shaw. Rick is a senior and this is his second year on the baseball team.

Rick is a B-student and plans on gong on to Wayne State to

Richard Shaw

major in business administration.

On the baseball team Rick is looking forward to the team taking the Tri-River League Championship. He feels that Steve Gerych is the key to this year's team. When asked what he would like to hit this year he said, "I would like to hit in some runs, not hit for an average."

Rick's favorite player in the major leagues is Norm Cash. It's no wonder, they are almost identical twins. They are both pudgy, slow and left-handed. They are both always smiling and exceptional hitters. Who knows, Rick might follow Norm Cash's example and make the all league team. He has a good chance and we sincerely hope he does so.

Fordson Squad Reserves Beat

Giving up only six hits and three strikeouts, Ken Balcom gave our reserve baseball team an opening game victory by defeating arch-rival Fordson 7-2 on Tuesday, April 18, at Hemlock Park.

Balcom pitched a strong game as he had a four-hit shut-out going until the last inning. Somewhat tired, Ken allowed two hits and two runs in the final inning. He gave up only four walks.

A balanced hitting attack could be described for Lowrey's offense. They pounded Fordson pitchers for eleven hits. Leading the Polar Bear attack was Jim Arnold and Don Richardson, who smashed three hits apiece.

Lowrey reserves made only one error in the contest which was in the first inning. This was not costly, and from then on they played a sound defensive game.

Thinclads Good In Pre-League Warm-Ups

Lowrey's Track Team has shown some exceptional strength in the hurdles and some surprise shot-putting in its pre-league warm-ups.

Of the four meets thus far, the harriers have won two. One being a surprise victory over a heavily favored Lutheran West team, 59 2/3 to 58 1/3.

In all four meets our hurdling trio of Ed Gabrys, Brian Mertz and Dan Hines has been spectacular. In the high hurdles they have lost only one event when Dan Hines failed to place. They have been somewhat less successful in the low hurdles. Ed Gabrys has finished first in every match with Brian Mertz taking two seconds and a third. Dan Hines has taken one third place.

In the shot put, sophomore Ken Cornell is picking up the slack of the now graduated Richard Mitchell and Don Bogataj. Ken has taken a first in all four meets.

In other field events, John Hull has been doing a good job in the broad jump. John has taken a first, a second and two thirds. He is supported by Dave Bydlowski who has taken two thirds.

Dan Hines has shown some fine high jumping as he has taken a first and two thirds.

Senior John Ordus is giving the track team a great lift with his speed. Of the four meets he has taken a first in all the 100 yard dashes and 220's.

In the distant running, sophomore Jim Yakes is doing well in the two mile. He has taken three seconds and a third. The showing in the mile run has been poor thus far. Star miler Jerry Mathias has been out with a cut foot and blood poisoning. He is getting better, though.

In the half and quarter miles senior Dave Bydlowski and sophomore John Chmela have good records. Dave has a third and two seconds in the quarter, and a third in the half. Chmela has a second in the quarter and a first and second in the half.

Over all, the team has looked very promising. On any given day they should be able to beat any and all teams in the league. Let's hope they keep up the good work.

Teacher Phase Out Continues

Continued from Page 1

Rice replied, "I think it reaches all the students the college-bound as well as the low academic."

In his opinion, literature and grammar go hand in hand, and it is important for a person to learn to write.

"I will miss my friends more than anything else when I leave," concluded Mr. Rice.

Mr. Hipkiss, 10th and 11th grade history teacher, will be transferring to Edsel Ford High school after

Netters Suffer

Our Lowrey netters received their first loss of the season on Monday, April 17, to the Fordson Tractors in a non-league contest.

The Polar Bears won only two out of seven matches, giving Fordson a five to two margin for the win. Juniors Bob Kelley and Ken Mann each won their matches in the losing cause.

The scene was different, but the story was the same on Wednesday, April 19, as our Polar Bears were the victims of the Riverside Rebels.

Bruce Borum was the only winner of a match as all other players received losses.

The scoring went as follows:

Players	Sets
Mann	8
Riverside	12
Borum	16
Riverside	15
Marshall	2
Riverside	12
Lundgren	6
Riverside	12
Kelly, Luchini	7
Riverside	12
McAnally, Ryda	4
Riverside	12
Brunner, Press	2
Riverside	12

Coach Sande told the Lowrey Light, "Our boys played good but not good enough. We expect better results against Schafer on Friday."

Golf Team Drops First Two Matches

Our Polar Bear Golf Team dropped its first two matches of the season at the hands of Schafer and Riverside.

In the Schafer match a strong wind played an important factor as the Vikings defeated our Bears 193-219 at Carleton Glenn Golf Course. At Warren Valley Country Club the Riverside Rebels proved to be just a little too much as they downed our Bears 181-197. The scores were as follows:

Against Schafer: B. Gendron, 50; T. Svendor, 50; T. Braum, 59; M. Windiate, 60; G. O'Gorman, 63; and T. Trapp, 66.

Against Riverside: B. Gendron, 45; T. Svendor, 48; M. Windiate, 51; T. Braum, 53; B. Austin, 60; and M. Broge, 63.

this semester.

He received his Bachelor of Arts Degree from Wayne State University and then came to Lowrey to teach. While teaching he attended graduate classes at Wayne State and received his Masters Degree. He has taught at Lowrey for ten years.

Mr. Hipkiss is an avid reader and plays ping pong for relaxation.

When asked what he would miss the most at Lowrey he replied, "The students, and faculty."

Bears Win 3-2 9 Inning Opener

It took nine innings but our baseball team won its league opener 3-2 over Riverside in a real thriller. Steve Gerych started and went the distance, striking out 17 batters.

Riverside started the scoring with a run in the third inning, that held out until the sixth inning when Lowrey capitalized on two Riverside errors. Rick Shaw drove in the lead run with a sacrifice fly. In the seventh inning Riverside had two outs and the batter had two strikes on him; it appeared that the Polar Bears had it iced, when the batter hit a ball that got between Danny Henson and Rick Shaw. The next batter singled to left, the ball took a bad bounce from Gary Mroz and when he finally retrieved it the tying run was in and a man on third. Steve Gerych then retired the next man on strikes to end the scoring. Lowry failed to score and the game went into extra innings.

Neither team could threaten until the bottom of the ninth, when Ron Collins and Steve Gerych singled. Then Moe Miller, who was hitless in eight previous at-bats, singled up in the middle to score Collins with the winning run. The victory evened Lowrey's record at 1-1, but the important thing is that the victory was a league victory.

Track Team Downs Crestwood

The Lowrey Track Team opened its league meetings with an encounter against hapless Crestwood and came out on top of a 72-46 score. It was an encouraging meet as sophomores, junior, and seniors all contributed to the one-sided score.

Five sophomores took first in their different events. Coach Weller feels that this is the most encouraging part of the meet. Ken Cornell finished first in the shot put again with a toss of 45'13/4". Other sophomores taking firsts were Don Lee in the two-mile, Mark Goodpaster in the pole vault, Jim Yakes in the mile and John Chmela in the 880.

None too surprising, our hurdle trio of Hines, Mertz and Gabrys took a sweep of the highs in that order. Gabrys and Mertz finished one-two in the lows.

John Ordus finished first in the broad jump but finished second to Crestwood's Davey in the 100 yard and 220 yard dashes.

Over-all, it was a very impressive victory, as the score shows. If the boys continue to perform like they have, they can't help but take a first in the league.

Answer To Shadow

The answer to this week's Shadow is Janet Huffine 10A-6.
