LOWREY HIGH SCHOOL, DEARBORN, MICHIGAN

Vol. 33, No. 2

Bits 'n' Pieces

by Donna Oakley
and Jeanette Timlick

Attention all co-op students—don't forget your meeting Tuesday morning before homeroom in the Little Theater.

Be sure to check in your daily bulletin for meetings of your favorite clubs.

The Senior Class would like to give their thanks to Mr. Beasley for his effort and time put into the Stratford trip.

If you missed the "Get Acquainted Dance" you're beginning to lose the excitement of your years at Lowrey. Why not make up for it by attending the Homecoming on October 14.

Nancy Littrell

Friends of Nancy and Dick Littrell will remember that they began their teaching at Lowrey a few short years ago. After a brief teaching career, Nancy resigned to devote her time to her family; Dick resigned a few years later to accept a teacher's position in Alpena. While she was here Nancy's warm personality and wonderful relaxed smiled won her many friends. She had no quarrels; no enemies.

We were saddened at the news of her untimely death after a brief illness on Sept. 15. We have lost a friend.

The faculty and staff of Lowrey School extends its deepest sympathies to the friends and relatives of Nancy Littrell.

Senior Class News

A hayride and the construction of a float are the events the seniors are planning for the near future.

The float is for Homecoming this year and every senior helped to make flowers. Steve Gnewkowski, senior class president, announced at the seniors' first meeting that there will be a hayride on November 5th. No details were given yet concerning the hayride, but they will be soon.

The senior class was well represented at their paper drive last Saturday at O. W. Best Junior high. Four sections were each given two hours of work, but many finished with time to spare. They are sure their float and their hayride will be just as successful.

Senior Enjoys Summer In France

Judy Jubenville

Judy Jubenville, a Lowrey senior, toured France during the past summer months under a scholarship program. She first spent two weeks at Mt. Herman, Massachusetts, a campus town. In her group there were 19 girls and 7 boys. During these two weeks the students got to know each other before their trip abroad. They attended classes three hours a day and six days a week. The classes were taught by a native Frenchman and the students spoke only French during the whole two weeks.

On July 13 the group left for Boston and flew to Paris. Immediately after getting off the plane, the group boarded a bus that carried them south to LePuy where they met their French families whom they were to stay with for two weeks.

The father of Judy's French family was a veterinarian. She had three French brothers, 15, 19, and 20 in age, and a 22 year old sister who was her main companion for the two weeks. During her stay at LePuy, she had classes four days a week and went sight-seeing quite often in the afternoons.

She watched TV quite a bit in the evenings with her French family and thought it was interesting seeing the French version of "Bewitched" on television. The meals there are very interesting, Judy said. Each meal takes approximately 2½ hours. You are served one food at a time and there is always cheese and soup at every meal.

Judy went with her group touring the northwest and north coasts of France. She visited many chateaux along the way including the famous Chateau de la Loire. The group then returned to Paris where they attended classes every morning and went sight-seeing and shopping every afternoon.

Large Senior Turnout Cheers "Twelfth Night"

A record number of Lowrey students recently attended a performance of Shakespeare's hilarious "Twelfth Night" at Stratford, Ontario. Seniors from all Dearborn high schools were in the audience on September 22, and Lowrey was represented by 170 of the finest.

The hilarious comedy begins with Orsino, Duke of Illyria, imagining himself in love with the Countess Olivia. She and her household, including Sir Toby, her drunk uncle, Maria, her maid, Malvolio, her steward, and Feste, her jester, are in mourning for the death of her brother, therefore she does not return the Duke's affection. Viola is shipwrecked on Illyria and fearing the death of her twin brother, she disguises herself as him and takes a job in Orsino's court. She falls in love with Orsino, and strangely enough he is attracted to her but sends her to Olivia as an ambassador of love. Meanwhile, Sebastian, Viola's brother lands in Illyria and goes to Orsino's court. Soon the questions of identity are solved and Sir Toby and Maria, Orsino and Viola, and Sebastian and Olivia are married.

Some of the reactions expressed concerning the outing were as follows:

Moonlight & Roses Theme For 1966 Homecoming Dance

Moonlight and Roses is this year's semiformal homecoming dance. The Paul Meceri Quartet will be featured at this event. The dance will be held October 14, from eight o'clock to eleven o'clock in the Lowrey Ball room. Tickets will cost \$3.00 per couple without the activity ticket and \$2.50 with one.

The homecoming queen and her court will preside at the homecoming game against Garden City West on October 14. The court includes two senior girls, two junior girls and two sophomore girls. There will also be a senior float for the queen which will be paraded around Lowrey grounds before the game.

Nominations for the homecoming queen were made today during homeroom, and the election for the queen and her court will be held on October 7.

Plan on attending the Moonlight and Roses dance. The queen and her court always radiate beauty. The music is lively, and it's wonderful to see the old grads back here.

She also met other students from all over the world. She tasted food oddities and delicacies such as snails which she said "weren't bad."

Judy thought that her last night there was one of her most memorable ones. The entire group attended a huge dinner or banquet with the "works": champagne and all sorts of delicacies. They went for a cruise on the Seine and didn't get to the hotel until 2 a.m. when they packed. They left Paris on the plane for home the next morning.

Concerning France, Judy said, "It was beautiful!"

Mr. Beesley- I'm very happy everyone brought food, because I gained 12 lbs.

Jerry Chemela- It was very interesting. I never knew Shakespeare plays could be so much fun.

Bruce Borum- If I ever get another chance to go I will surely take it and highly recommend the trip to all underclassmen.

Jerry Harington- We had a lot of fun on the bus and the play was well worth the money.

Steve Gnewkowski- The most enjoyable, educational, inspiration I've ever attended.

Linda Bessega- The whole trip was wonderful. The play was great.

Mary Andrews- It was a tiring trip, but I'm glad I went.

Wendy Boutin- The whole trip was really great, especially roaming around town.

Dianna Brock- The trip was an experience no one should miss. All students should try to attend a play at Stratford.

After the outstanding performance the students returned to the town where they visited various gift shops, went shopping, and ate. They returned to the bus at about seven o'clock and prepared for their long journey home.

The chaperones were pleased with the conduct of the extremely large group. The chaperones were Mr. Beesley, Mr. & Mrs. Boatwright, Mrs. Helveston, Miss LaMarca, Mr. Leslie, and Mr. & Mrs. Salowich.

Greyhound buses, which were equipped with air conditioning and plush reclining seats, made the long trip of 350 miles very enjoyable. Singing, joke-telling, sight-seeing, and eating were among the activities on the bus. Once the Seniors 'Landed' their activities included exploring the interesting town of Stratford and eating.

Lowrey Polar Bear Turns White

Many may have noticed that the Lowrey Polar Bear had been missing a few days at the start of school. The "lost" Polar Bear has been returned. Unfortunately, he is changed from last year.

For the sophomores who hadn't seen him when they visited us last year, the Polar Bear used to be gray with no painted parts on him. His position was the same as it is now.

For those who haven't seen him yet this year, the Polar Bear now looks like Tom Sawyer's whitewashed fence. He has received a manicure that makes his toenails stick out like sore thumbs! This wasn't enough, though! The "artist" who created this "masterpiece" decided that the toenails weren't enough so he painted the nose similarly.

As this "artist" stood back to look at his work, he decided it looked TOO good. So he tried to rub the paint off with a wire brush. All this accomplished was to scratch he paint!

The lost Polar Bear has been found. Or has it? Maybe this is an imposter bear who just looks like ours. Well, if you happen to see a gray Polar Bear walk by you, call someone! It's either ours or you've been working too hard!

Band Plans For All Hands

Mr. Keranen is now busy arranging the many activities the band will participate in.

One of the most important is Band Day on October 1 at the University of Michigan. There are 187 high school bands playing this year with a total number of musicians close to 13,000.

The bands will all play six pre-chosen pieces under the direction of Dr. Revelli, who is the director of the University of Michigan Band. This year the selections are: "Ceremony of Allegiance," "You're A Grand Old Flag," "Hymn of All Nations from Finlandia," "America, the Beautiful," "God Bless America," and "The Sound of Music."

In the past this event has turned out to be a most eventful time for the band and well worth seeing.

Mr. Keranen and the Band are also busy getting ready for the football games in which the band also marches. The first halftime show will be on September 30 when Lowrey meets Riverside.

Mr. Keranen is planning a good show and hopes everyone will come cheer the team and watch the show.

On October 14 the annual homecoming takes place and the band puts on various formations in keeping with the tradition. This is one of the outstanding events of the year and one you shouldn't miss.

Senior Represents Latin Club At Summer Convention

Marie Keleman, 12B-6, represented Lowrey's Latin Club at the annual Junior Classical League Convention held in Bowling Green, Kentucky this past summer.

Latin and Greek classics were discussed at the assemblies. The work included participation in the chorus which sang in Latin. Marie spent five days in Kentucky. While there she visited Mammoth Caves. When asked what she thought of the trip, she replied, "It was very interesting and enjoyable."

Junior Class News

The carnations for the Homecoming parade of cars were the first topic of conversation on the agenda during recent class meetings held by the Juniors. Pink flowers for the cars were decided on and the Juniors are enlisting as many students as they can to help make them. If you are interested in participating, contact either a class officer or your homeroom representative for the details.

Committees and themes for the upcoming Junior Sponge Dance, November 11, were also discussed at the meetings. Girls, start planning now for your date to the dance! There will be more about that in future issues of the Lowrey Light.

In regard to these meetings and what was discussed, Jerry Hull, Junior class president, said, "The other class officers and I would like to see as many students as possible participating in the flower-making for Homecoming and the coming Junior dance. All the kids who help will be helping to keep up spirit in the Junior class."

Science Club Elects officers

The Fizz-Chem Club elected officers at its first meeting of the year on Wednesday, September 14.

The new officers are: Bruce Borum, president; Steve Gnewkowski, vice-president; and Jan Carlson, secretary.

For the remainder of the meeting the members surveyed the various electrical, chemical, and physical apparatus available for club use.

The meeting closed amid cheers and excitement as Mr. Keiffer challenged the new president to a chess game. As the advantage changed from side to side, Mr. Keiffer finally won, finishing with only his king and one pawn left.

If you are interested in joining this club, the only requirement is that you have completed one semester of either physics or chemistry.

Mrs. Helveston

Literary Club Announces Plans

Attention! Mrs. Helveston and Mr. Leslie need YOU. Sometime during the third week of September Mrs. Helveston and Mr. Leslie will have their first meeting this year for the Asterisk. All old members, as well as new, will be urged to attend.

Many new and exciting trips are being planned. Once each month the members and sponsors of this publication will attend the Fisher, Bonistelle and Wayne Classic Theaters for a leading play.

The club will be divided into two sections, the editors made up of the president, vice-president, secretary, treasurer, chief editor, co-editor, the staff and general members. Something new this year in the way of treasurer will be a requirement of being a student of bookkeeping. Two students will fill this office.

For those students not familiar with our magazine, here is how it works. Students submit their poems, novels, and short stories to room 209 where the editors and staff members number each entry and then grade accordingly. If they like the material it is sent to Mrs. Helveston and Mr. Leslie for the final approval. Once passed it is set aside and typed for the Asterisk.

Students Represent Lowrey at Contest

Last semester four retailing students represented our school in Dearborn's Second Annual Chamber Of Commerce Window Display Contest. Marge Kalis and seniors Bob Irwin, Rich Hackett, and Diane Waldie participated on the decorating committee. The students trimmed Sims Department Store, Michigan Avenue, Dearborn.

The project began May 17, but many students started preparations months in advance measuring windows, calculating, and discussing among themselves different decorative arrangements. Lowrey rated 210 points out of a possible 300.

Testing Offered To Upperclassmen

Five tests are being offered this fall and winter for high school students who are planning to attend college.

The Preliminary Scholastic Aptitude Test (PSAT) for juniors and seniors will be held on Saturday, October 22, 1966, at Dearborn, Edsel Ford, and Fordson High Schools. The purpose of the PSAT is to help in college planning. It also gives experience in taking timed college admission tests as well as testing verbal mathematical ability. The fee is one dollar. Register at your counselor's office by October 3.

American College Testing program (ACT) for seniors is required for admission to thirty Michigan colleges. It is designed to measure your ability to perform the kinds of intellectual tasks required of college students. The registration dates are November 10, January 28, and April 22. For more information see your counselor.

The Scholastic Aptitude Test (SAT) for seniors is required by 800 colleges in the U.S. and 250 scholarship programs. Ask your counselor for information booklets and registration form.

Michigan Scholarship Examination for seniors is to establish scholarship eligibility. Registration form and fee must be mailed by October 8, 1966. For more information see your counselor.

If you are interested in any of these programs follow up on them now. Don't wait. It may be too late.

Your Two Cents

What was your first impression of Lowrey?

Barb Wencel, 10B-14: I don't think I should tell.

Jerry Nye, 10B: From the outside it isn't much, but from the inside it's pretty nice.

Cindy Parsons, 10B-13: Big!

Cathy Warner, 10B-13: With all those paintings on the walls, I thought it was a museum, or a castle or something.

Janet Huffine, 10B-6: I don't know about the school but the kids are great.

Tom Trapp, 10B-13: It was larger and more modernized than I expected.

Mike Broge, 10B-2: It was easy to get lost in.

Gil Nalepa, 10B: Really cool, but too many frats!

Janice Campell, 10B-7: It's all right.

Bob Guiles, 10B-5: Big and I like it
Marcus Goodpuster, 10B-5: A pretty good school, but I wouldn't like to stay.

Herman Borowski, 10B-1: I was impressed most of all by the lunchroom and the varsity locker room.

Bob Newlan, 10B-9: It is a large school with many confusing halls. It's old but with many modern facilities.

Candy Engman, 10B: Big!

Joan Sevestian, 10B-12: It's OK...I guess.

Maureen Marcenko, 10B-8: It was confusing, but the kids were real nice.

Dave Sobel, 10B-12: It's a pretty cool school.

Jim Gnewkowski, 10B-4: Big, old and traditional.

Chuck Guiles, 10B-5: Old, but pretty good.

Pam Zambo, 10B: Other than getting lost a lot, I think I like it. It's a cool school.

Nancy Yeager, 10B: I have to get accustomed to it.

Patty Bowers, 10B: Confusing!

Blanche Carrier, 10B: It was so big, so crowded. It's a big challenge and I'm proud to be part of Lowrey. Lowly sophomore or not!

Colleen Halstead, 10B: Looked like a church.

Pat Gallagher, 10B: Big!

Elaine Kochoff, 10B: It was a new and different experience for me.

Toni Green, 10B: It's a big school but I'm going to enjoy it.

Sue Keleman, 10B: Large and crowded.

Cathy Wesner, 10B-14: Huge!

Karen Festian, 10B-4: The best school I've been to following my freshman year.

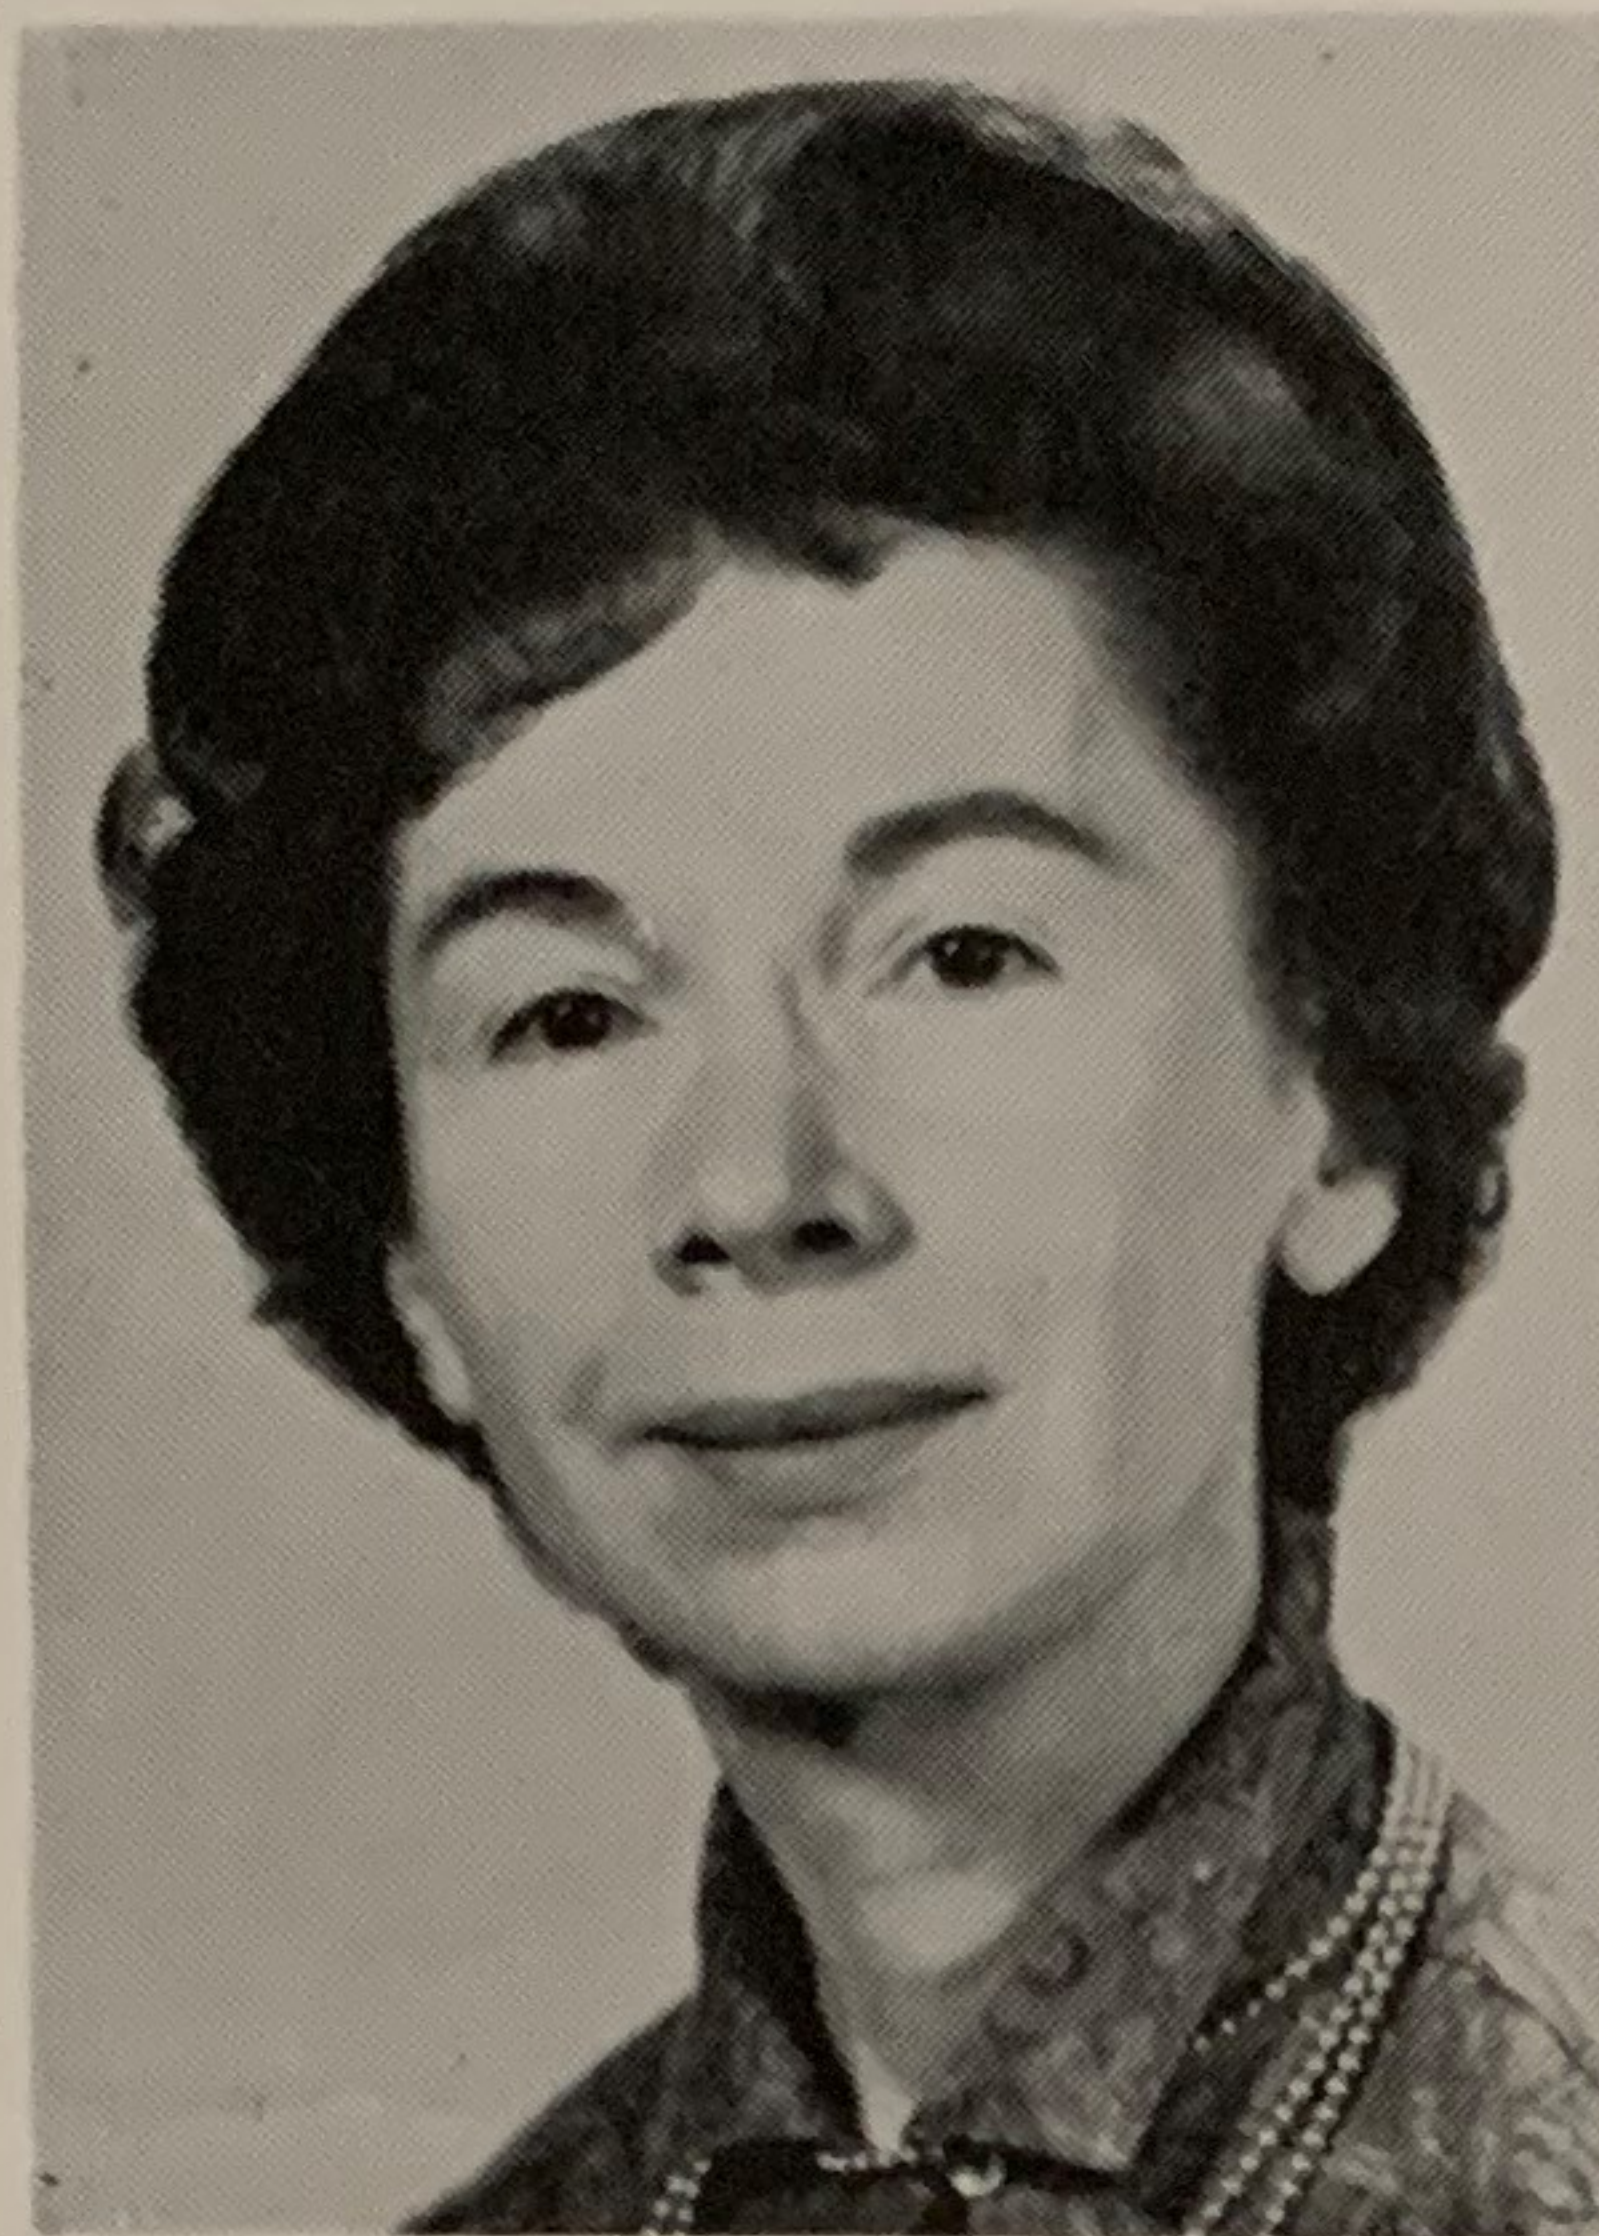

Brenda West, 10B-14: Prison!

Nanette Pariseaie, 10B-10: I'm lost!
Caral Panzik, 10B-10: Looked pretty old.

Jackie Telling, 10B-2: I didn't like it at first, but now I do.

Language Teacher Visits Mexico

Miss Romanow, one of Lowrey's language teachers, took a trip to Mexico over the summer months. She spent five weeks touring in and around Guadalajara, Mexico. She commented that the Mexican people consider Guadalajara their most beautiful city and, in her opinion, if it is not THE most beautiful it is one of the most beautiful cities in Mexico. She visited Lake Chapula, a large and beautiful inland lake outside of Guadalajara which is surrounded

Miss Romanow

by mountains. Miss Romanow also visited Guanajuato, a tiny Mexican colonial town.

Miss Romanow had taken trips to Mexico previous to this last trip for touring and to study. In the past she has gone to Mexico City and attended three bullfights that she called interesting. She likes Mexico and raves there because she feels that by going there she can get background and learn more about the Spanish language which she teaches.

THE SHADOW

In this issue of the Lowrey Light, the Shadow is following a Junior boy. See if you can guess who it is.

First hour you can find him in Mrs Helveston's English class, trying to figure out her complicated method of story report form.

You can find him asleep in Mrs. Fogle's study hall second hour.

In Mr. Hipkiss' third hour history class, you can find him trying to learn about things that happened before he was born.

Fourth hour, you find him in Concert Band trying to think up an excuse to get out of playing his trombone in the marching band.

Better stay out of his way fifth hour, if you don't want to get knocked over while our guy is on his way to the lunch line. Nothing stands in his way.

In his sixth hour class we find him listening (?) to Mr. Flee sound off in Algebra 3.

One of his favorite classes is Mr.

Sherry Vadnais — attending Eastern Michigan University.

Co-op For Seniors

Once again our senior students are learning something about the financial facts of life. There are approximately fifty students on the co-op program, sponsored by Mr. Pearson. Many of the positions now being held by seniors are in Bell Telephone branches, banks, portrait studios, finance companies, service stations, hardware stores, budget centers, and department stores. This program is open to seniors only. According to Mr Pearson there are fifty-two students on co-op presently, therefore no more will be permitted to join.

Keiffer's seventh hour Chemistry I. You can find him trying to find a concoction to blow up the school.

Well, here you have the clues. If you still can't guess, see the answer on page four.

Finland is Modern Says Band Teacher

Mr. Keranen, Lowrey's senior high band director, spent most of his summer touring his parent's homeland of Finland.

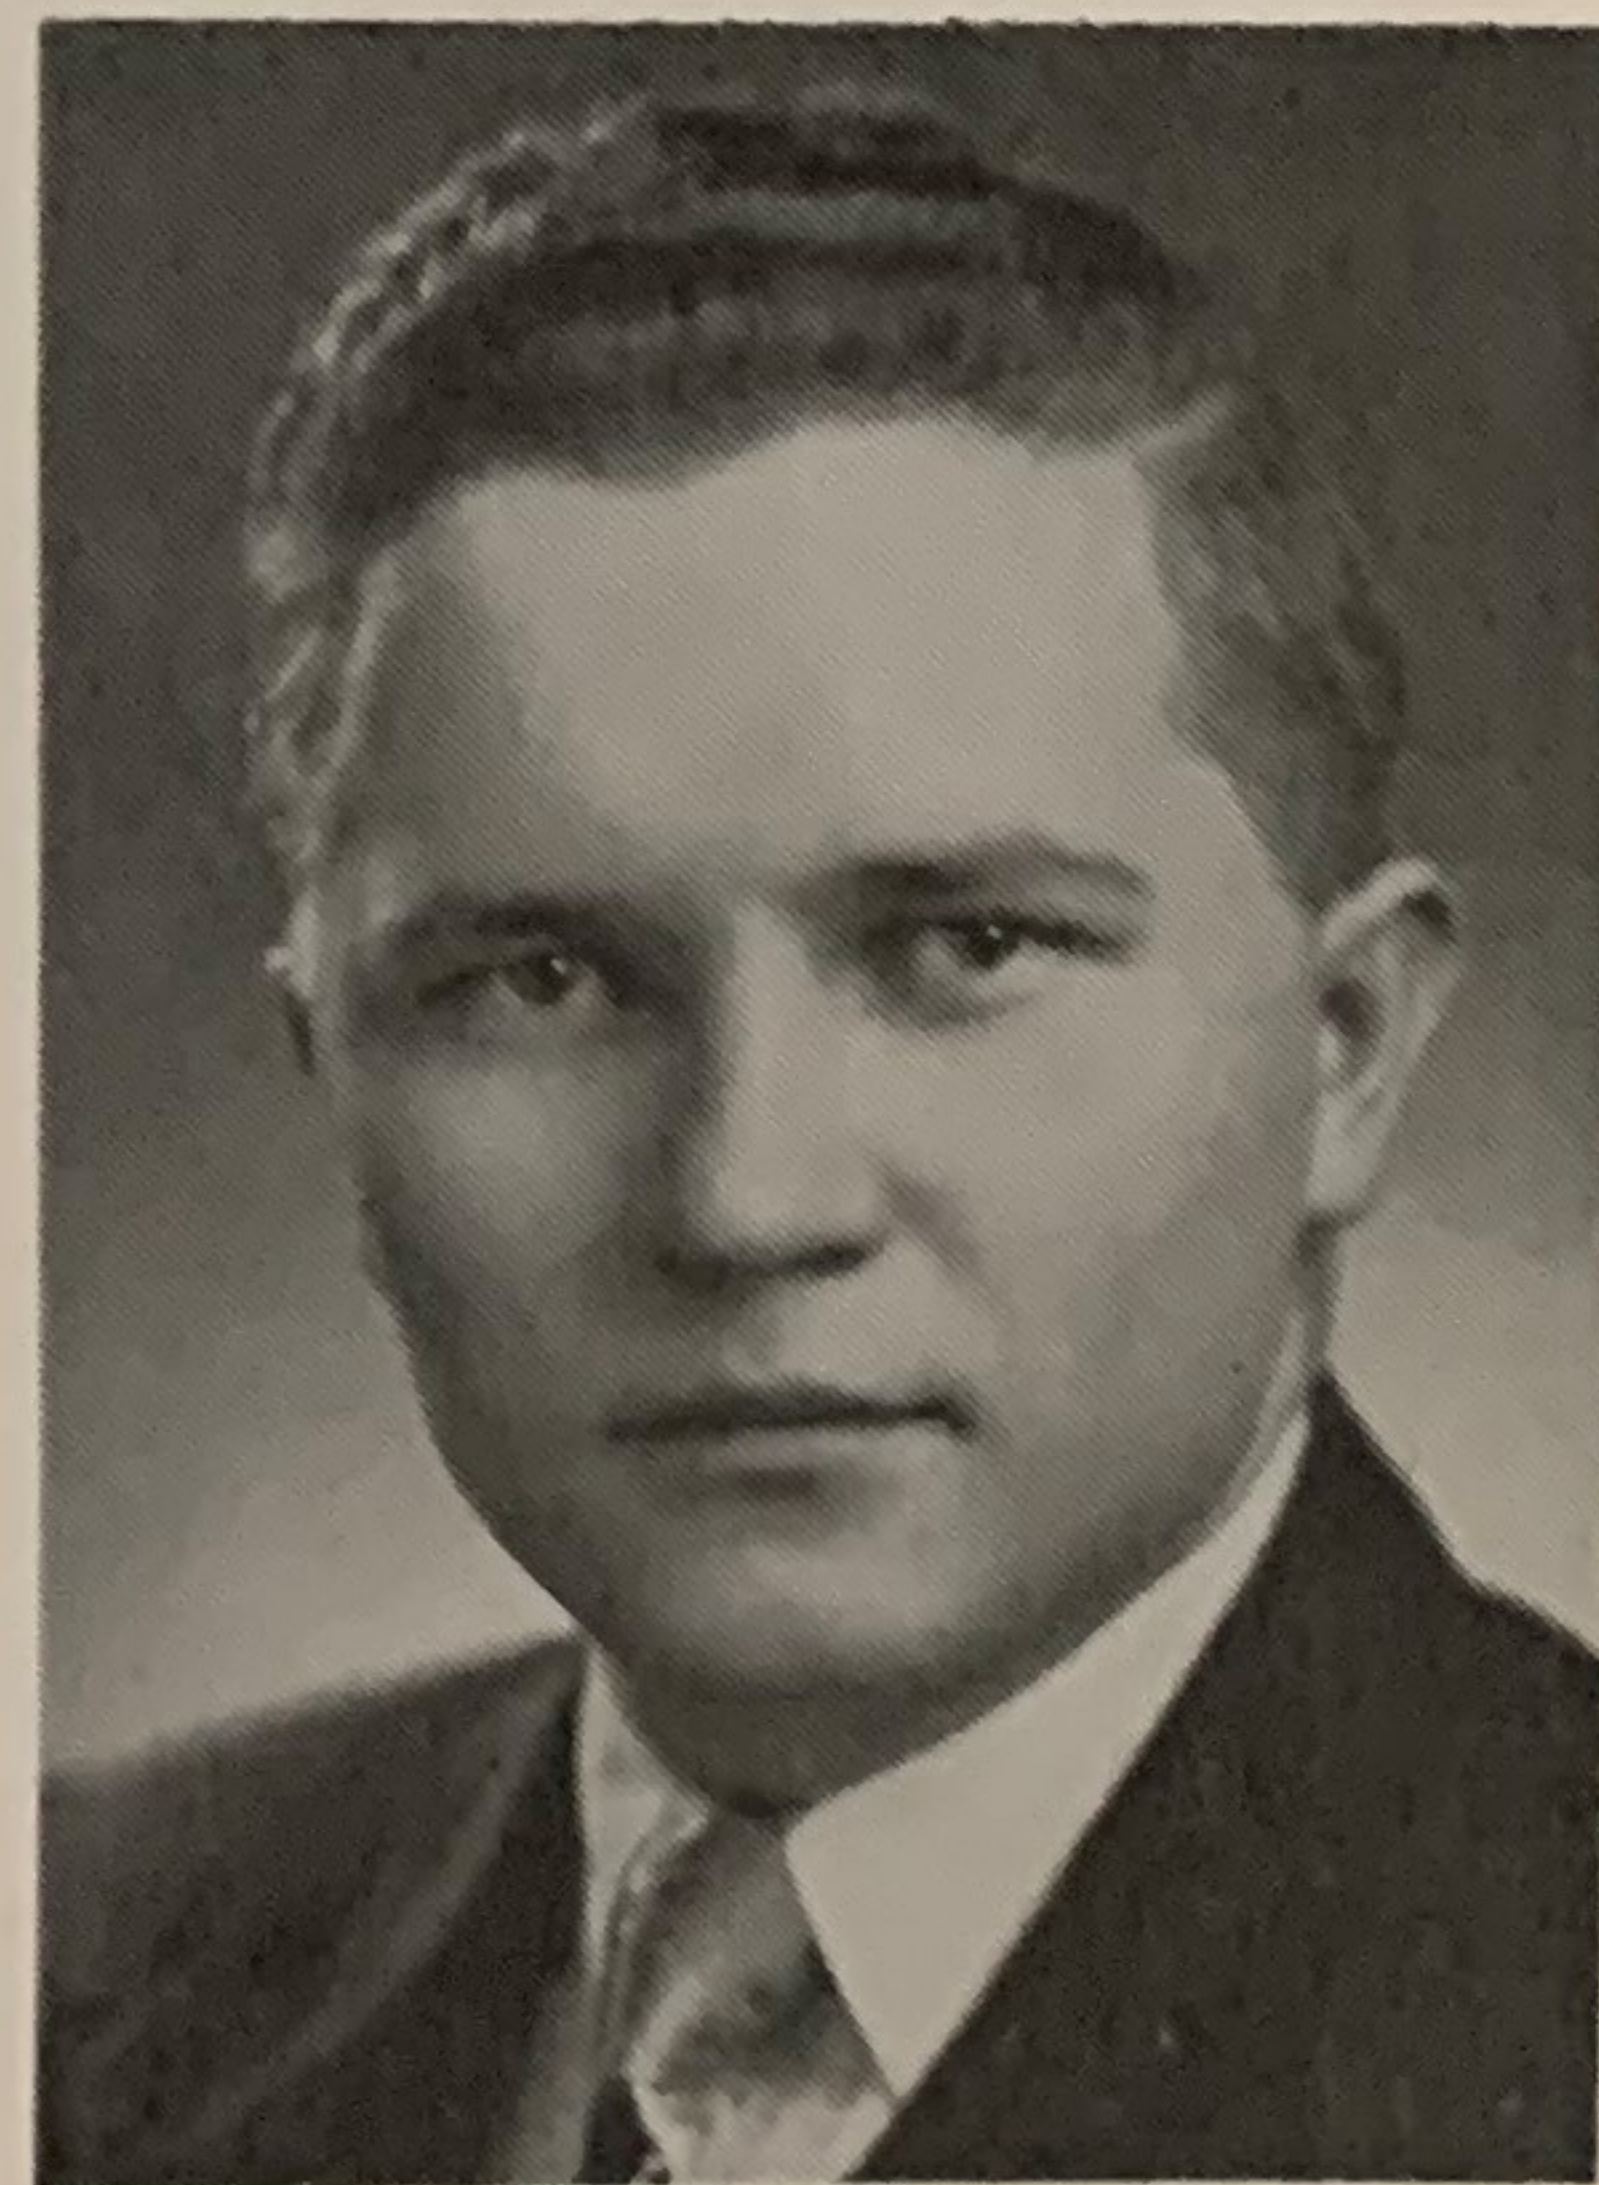

He, his wife, children, and Mr. Keranen's father, who had not been there in 58 years, left Metro Airport on June 28 and arrived in Helsinki, Finland, the same day.

Mr. Keranen, who planned on touring more countries other than Finland, was surprised when he had more relatives than he realized and spent most of his time in Finland.

When asked about the most enjoyable part of his trip, he said it was a relaxed three day boat trip to Sweden.

Mr. Keranen, though staying mostly with relatives, did spend some time at hotels and commented at how nice and complete in facilities they were. He also enjoyed most of the food but had difficulty in getting used to some of it. The bread was all hard and dry, and they ate dry sausage quite a bit. One thing very unusual was that in Finland they eat six different meals a day.

Mr. Keranen also found another thing very confusing and hard to get used to. While there he rented a Volkswagon for \$100 a week and found driving in Finland to be quite a scare. He said that you have to drive on the left and said it's quite a change. When people come over from Sweden they also find it confusing and there are many accidents

Mr. Keranen

when drivers are on the wrong side of the road.

When asked about the people he said that they were all very friendly and that almost all of them asked him the question "What do you think of Viet Nam?"

Over-all, Mr. Keranen enjoyed his trip very much and thought it was quite rewarding. He brought back with him five musical instruments, three kanteles, a mandolin, and a violin.

He returned to Dearborn on August 18 and said the trip was well worth the time and effort and that someday he would like to return.

Bears Push Back Chargers

13-6 In League Opener

Five Lettermen To Pace Squad

With a good turnout for cross-country this year, our harriers are hoping to find this season very rewarding. A total of 19 enthusiastic boys have greeted Coach Weller along with five returning lettermen. Seven boys are new to cross-country, including five sophomores.

The seniors on the team include: Jerry Angel, Len Boyer, Dave Bydlowski, Dan Hines and Jerry Mathias.

Representing the junior class are: Mike Cuipek, Terry Fritz, Reggie Gerlica, Ed Green, Ed Gribbens, Duane Mackey, Tony Nelson, Jim Shepard, and Rick Knebush.

The five sophomores are: Don Lee, Tom Svendor, Tom Schmerer, Jim Yakes, and Jerry Nye.

Coach Weller had a comment about the team this season: "With most of last year's team returning, we are anxious to begin this year's schedule. We hope to improve on last year's 500 dual meet record, and 4th place finish in the league."

Thinclads Beaten

On a rainy, windy, watery course, our Lowrey Harriers went down in defeat to Garden City East on Monday, September 21. The meet was held at Hines Park. This was the first meet of the season for our cross-country men, which was against a non-league opponent.

Garden City East was tough with their 1st, 3rd, 4th, and 7th place finishes; enough to beat our Bears. Lowrey placed as follows:

- 2nd—Jerry Mathias, 11:19
- 6th—Duane Mackey, 11:51
- 8th—Terry Fritz, 12:09
- 10th—Dan Hines, 12:25
- 11th—Dave Bydlowski, 12:35

Lowrey's reserve cross-country team was beaten also by Garden City East, but by a narrow margin of two points. We lost 31-29.

Lowrey's Jim Yates, Dave Schmerer, and Jim Shepard ran a fine meet. Yates took first place, Schmerer 2nd place, and Shepard took 5th.

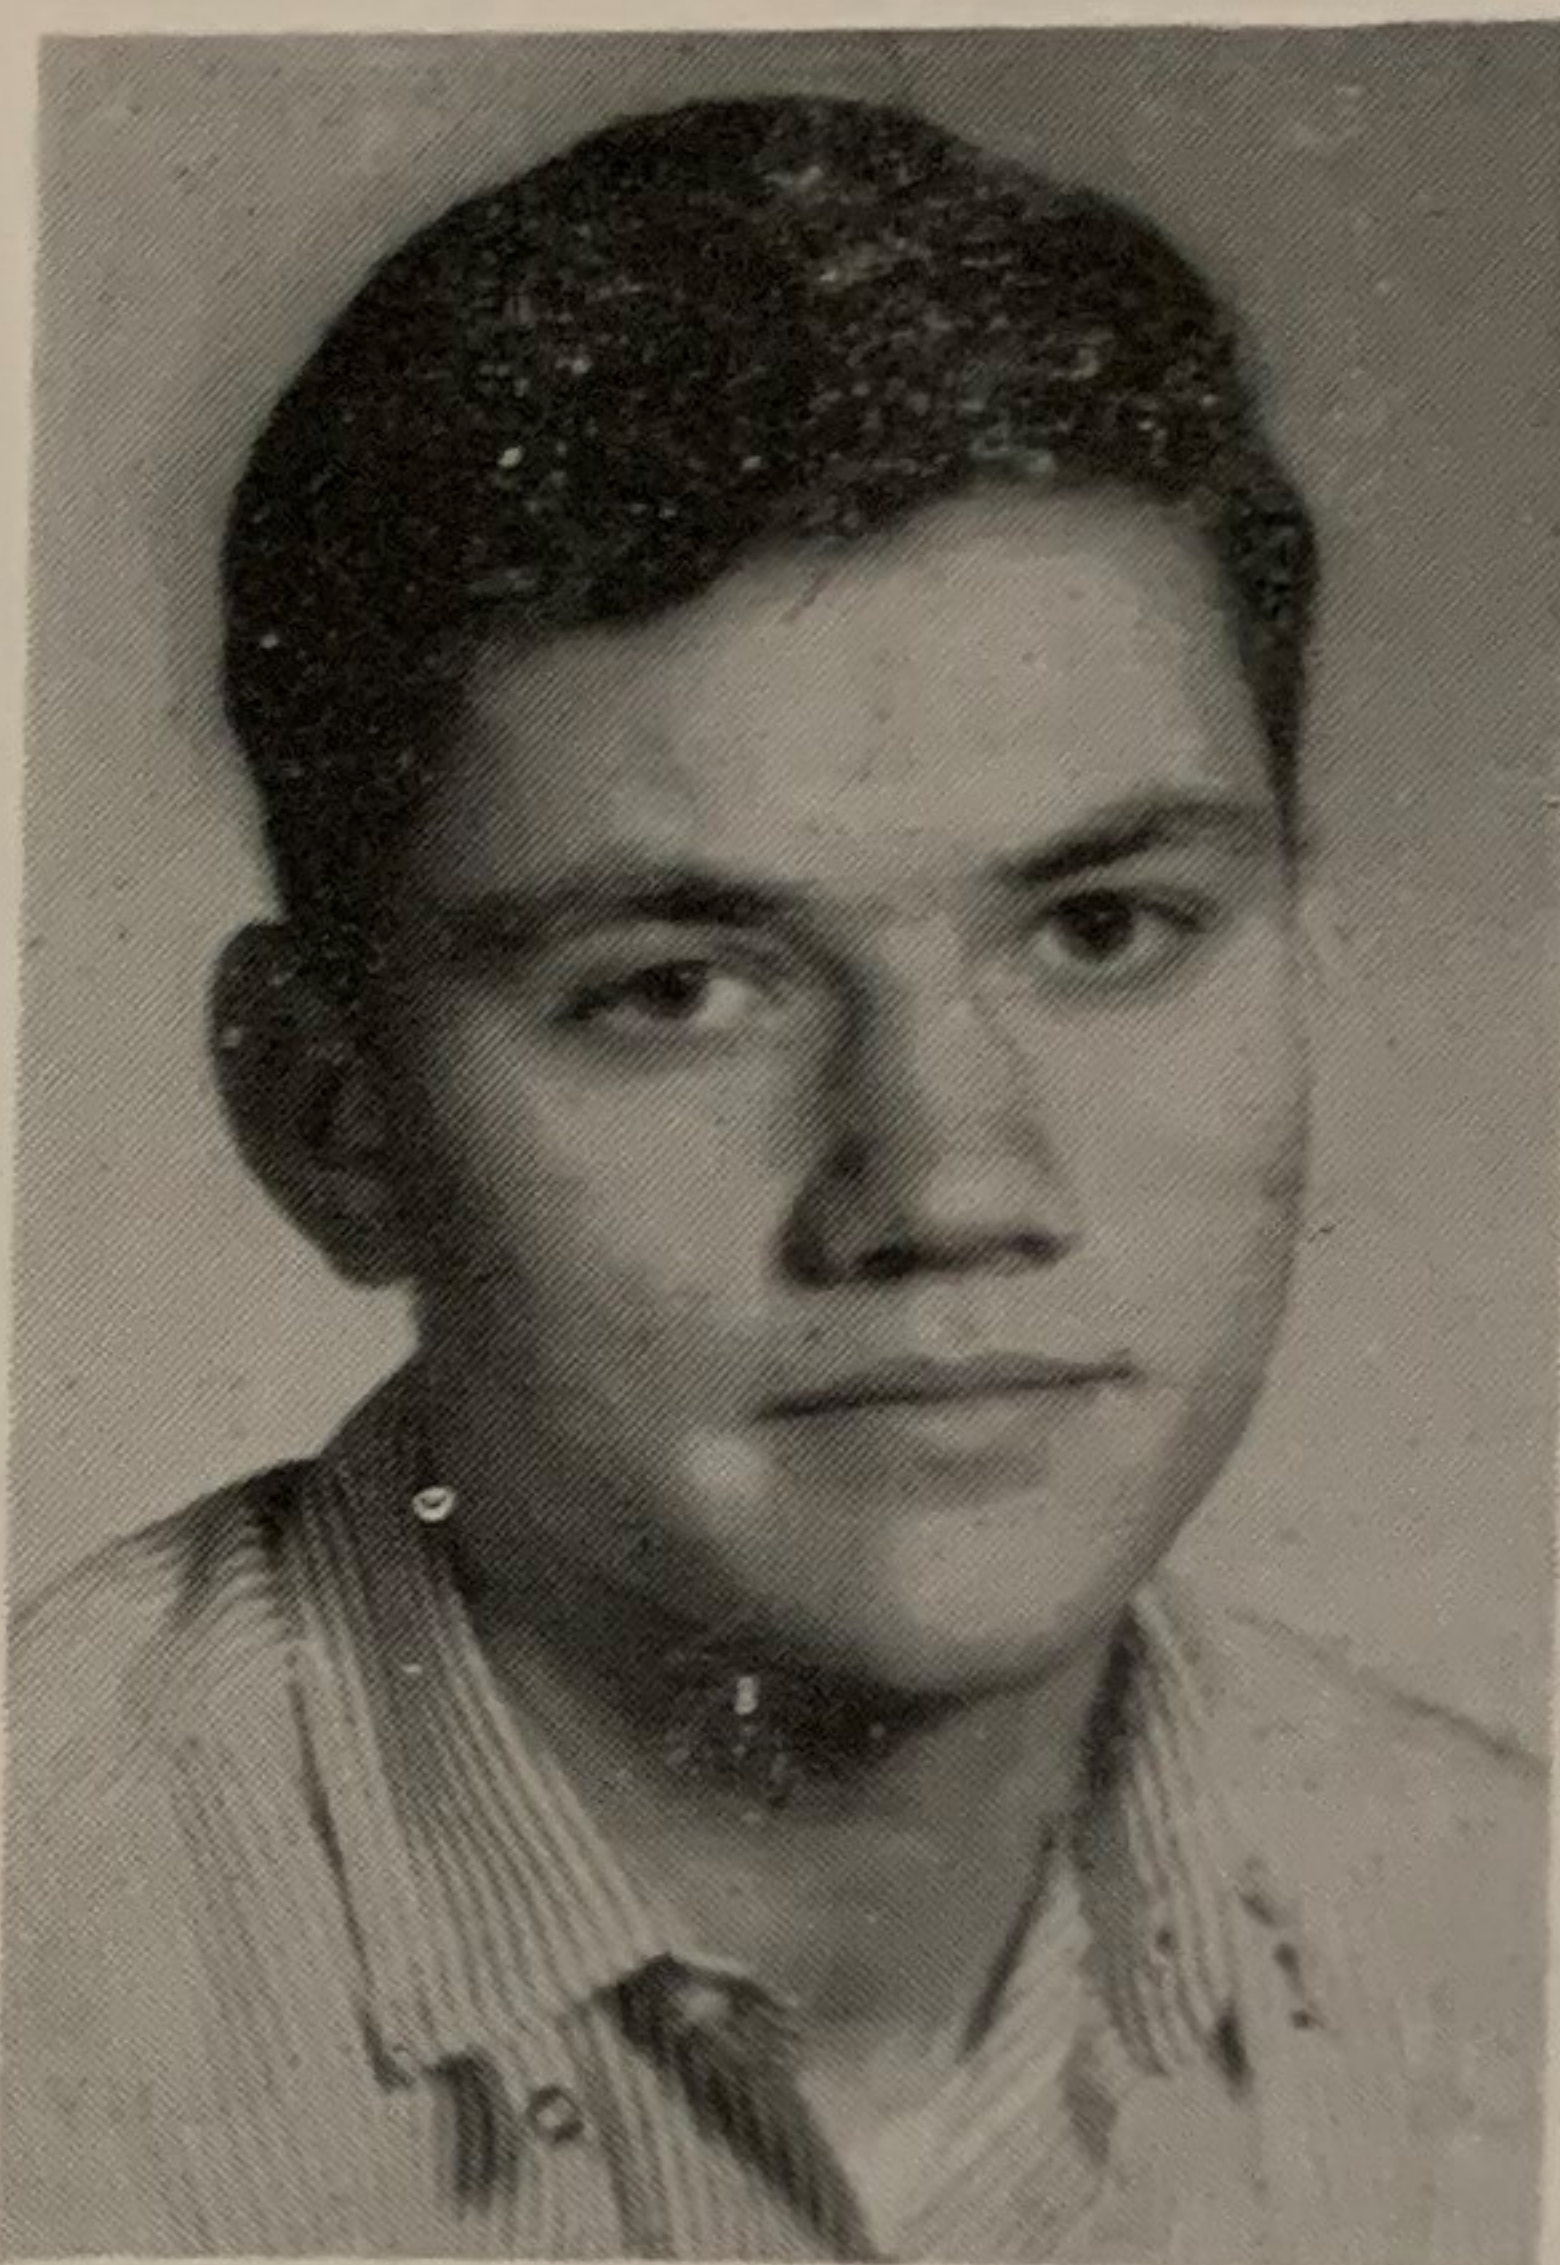

Reserve Football

Reserve football has gotten underway, and Coach Gretzner has announced a starting lineup composed of:

- Ends—McGee, Fisher
- Tackles—Kojacki, Calhoun
- Guards—Trindale, Meggison
- Center—Nalipa
- Backs—Fite, Newlin, DeMayo, Hill, Gnewkowski

Mr. Gretzner had a comment about the reserve football team. "We hope to have a .500 season, but we are hurting a little, due to the fact that four sophomores were brought up to Varsity."

Sports Spotlight

ED Gabrys

In each issue of the Lowrey Light, the sport's page features an outstanding athlete of the current season.

This week's Sport's Spotlight is centered on halfback Ed Gabrys, 12B, of Lowrey's football team. Ed is a returning letterman playing first string football. He also has a letter in track and is a member of the Varsity Club.

He enjoys history and hopes to follow a career in politics. He maintains a 3.8 average and is a member of the national Honer Society. Ed's tentative plans for college are either Dartmouth or Georgetown.

Ed came from Texas in ninth grade and attended Best Junior High. He is one of the original Merrimen, and was a member of the Folk Club. He enjoys to listen to folk music and to read. Last year Ed credited Lowrey with a first in the hurdles in the City Meet.

When asked for his personal goal in sports, he replied, "I'd like to make all state track team."

Large Turnout For Jr. High Squad

Thurs., Oct. 6—Maples at Lowrey
Thurs., Oct. 13—Adams at Lowrey
Thurs., Oct. 20—Salina at Lowrey
Thurs., Oct. 27—Lowrey at Fairlane
Wed., Nov. 2—Lowrey at Woodworth

This year's Lowrey's Junior High football team, just might be the team to beat. A turnout of 50 boys came to greet coach Currie at their first practice, a few weeks ago. Lowrey's record last year was 0 wins, 4 defeats, and one tie, but there were only 28 boys on the team.

Mr. Currie had a comment about this year's Junior High team. "We definitely hope to improve from last year's team." Coach Currie also mentioned that the team to beat is Salina, who is tough every year.

Beats Drop Opener To Lutheran West In Non-League Tilt

The Lowrey Polar Bears were defeated by Lutheran West High School, 28 to 13.

In the first period West took the lead after they recovered a Lowrey fumble near the Bear's 35 yard line. After the fumble West scored and made the attempt for the extra point. Before the first period ended West scored again. Making the extra point, they took the lead 14 to 0. The period ended without further scoring.

In the second period Lowrey got on the scoreboard on a pass play from Quarterback Gene Ellefson to John Hull. The Bears tried to place kick the extra point but it was blocked. We were now on the scoreboard but West still had the lead 14 to 6. The rest of the first half ended without anymore points being scored by either team.

The Bears kicked off to West to start the third period. In that period both teams scored touchdowns.

West's came first and they lead 21 to 6. But, soon after, halfback Steve Gerych crossed the Lutheran West goal line. This time the Bears ran for the extra point and made it. The score was now 21 to 13. No scoring occurred in the third period.

The final period came with Lowrey being hard pressed. Most of the players had played almost the whole game and the Bears' line was somewhat smaller than that of West's. They played hard and held West to only 7 points in the final period.

The Bears played hard in a losing cause. The final score was Lutheran West 28 and Lowrey 13.

Two important players were sidelined; Tony Ortega was out with a virus and will be back in a couple of weeks. Another player out is Howard Elandt who has a dislocated shoulder. His return is debatable.

JV's Look Good In Opener, 61-0

Our reserve football team completely humiliated Lutheran West by trouncing them 61-0, played at Lowrey on Friday, September 16.

Lowrey scored heavily in each quarter for a total of nine touchdowns, and seven extra points. Lowrey also held together a strong defense in the one-sided battle. Lutheran West was unable to get a first down.

The scoring was as follows:

Touchdowns	
1st Quarter—Gnewkowski	1
DeMayo	1
2nd Quarter—Fisher	1
Gnewkowski	1
3rd Quarter—DeMayo	1
Gnewkowski	1

Home Game Today Against Riverside

The Polar Bears defeated Crestwood in their first league match at Crestwood High School on Friday by the score of 13-6, in a game day, September 23.

The game began with Lowrey kicking off to Crestwood. Early in the first period Crestwood fumbled and Lowrey recovered. John Hull took a handoff and ran 12 yards for the first score. The attempt for the extra point failed, and we led 6-0.

After the kickoff Crestwood fumbled again and Gene Ellefson recovered on the Crestwood 40 yard line. Seconds later Steve Gerych broke into the open on a counter play and raced into the end zone for the Bear's second touchdown. The try for the extra point was good and the Bears led 13-0. The period ended without further scoring.

In the next period Steve Gerych took a punt and made a shortrun-back. On the tackle his knee was injured and he left the game. He returned in the second half. The rest of the half had no scoring and Lowrey went off the field with a 13-0 lead.

The second half started with Lowrey receiving the kickoff. During this period both teams got the ball many times but failed to cash in on opportunities. Crestwood got the ball down to the Lowrey 12 yard line but then were pushed back to the Bears' 19. The period ended without further action.

Early in the fourth quarter the Chargers got on the scoreboard on a pass play that eluded our defense. Their try for the extra point failed and the score was 13-6. This was all the scoring as neither team threatened in the remaining time.

The game was played during a strong wind which hampered the passing attack for both teams.

Rials and LeMare played a strong game for Lowrey on defense. Both boys made key tackles throughout the game.

Starting line up:

Hamood	4-8
LE	— Mertz
LT	— Thrasher
LG	— Luton
C	— Walters
RG	— Viallard
RT	— Kennedy
E	— Ordu
