

SOPHOMORE CLASS

As new arrivals at Amherst, the Sophomores gained experience from their participation in the academic and extracurricular activities.

Efforts put forth in the Magazine and United Fund Drives did not bring victory, but helped promote their class unity, pride and enthusiasm.

In February the Sophomores planned and presented a very successful class party.

This year has been a stimulating one for the Sophomores. They look forward to the next two years with hope and anticipation for a successful future at Amherst.
