## 302 GRADUATE THUR.

\*\*\*\*\*  
\* COUNSELORS' CORNER \*  
\*\*\*\*\*

Rules are forever facing us. They are to help and to guide us. Every student wishes to know the reasons behind our rules. Basically, they are:

To help you understand the reason for good behavior.

To help you learn to work and play fairly with others.

To help you learn to meet problems honestly and with courage.

To help you learn to be considerate and respectful.

To help you learn to use self-control.

The counselor's job is a varied one, but our main goal is to help students adjust to Jr. High - not only in their studies, but also in getting along with fellow classmates.

Our reward is when we see this happen.

Last Friday I received two blue referrals (the first this year). If you do not know what a blue referral is, ask your teachers.--Mr. Tapie

### GOLDEN STATE'S FORTY-NINERS ARE FIRST TO USE NEW CIVIC AUDITORIUM

On Thursday morning, June 6, Golden State's eighth graders will become the first to ever graduate from the new Civic Auditorium.

The theme this year will be "American Leaders of Today". Four eighth grade students will speak on different kinds of leadership. Carolyn Wasson will be speaking on John Glenn and the leadership of education and science.

#### SPRING CONCERT IS GREAT SUCCESS

This year's Spring Concert was held May 7 at 7:30 P.M., in the school auditorium.

It was put on by the band, orchestra, and glee clubs.

Rickey Davis directed the orchestra in playing "Hebraic Sketch." The other presentations were directed by Mr. Boles.

Soloists singing were Mike Martin, and Stephanie Butler. Stephanie sang "The Riddle", and Mike sang solo a part of "My Lord, What A Morning".

Outstanding awards were given to glee club members, Judy McClain, and Stephanie Butler, girls' glee club, and Royce Starr, boys' glee club.

Mr. Boles directed the pep band, and Mrs. Tedd directed the glee clubs.

Pat McDole will speak on Charles E. Wilkinson and physical fitness.

Ken Croes will speak on Amos Alonzo Stagg and moral and spiritual leadership.

Rickey Davis will serve as master of ceremonies.

Guests will include the Rev. John M. Reynolds of the First Congregational Church. Mrs. Marguerite Holcomb will represent the District office, and Mr. Vincent Casper will represent the School Board, and will hand out diplomas to graduates.

Student speakers were elected by their fellow classmates and were selected upon the basis of scholarship, citizenship, speaking ability, participation in school activities, appearance, and personality.

The 49-er band marches in Memorial Stadium at Hi Jinks.

 \* EDITOR SPEAKS \*  
 \* BY Gena Bierman \*  
 \*\*\*\*\*

The noon movies so far this year have been a great success. The student body has made a lot of money, because all 49-ers have been going to them.

I think it is up to us all to continue going to them and let's make the noon movie a real blast!

### CANDID CUTIES

Do you recognize these two lovely and popular Golden State girls pictured below? If not, perhaps it is because these shots were taken a few years back. Turn to page 4 to see if you guessed correctly.

"Oh, please Mom! Not again? I did the dishes last night."

All devils are all smiles.

#### REMINDER

Graduates: Don't be late lining up for graduation at the auditorium Thursday, 9:00 A. M.

### SCHOOL COLORS, NAME HAVE COLORFUL HISTORY

by Becky Martin

In the year of 1849 the California Gold Rush broke out. One hundred years later, in September 1949, Golden State Junior High School was opened.

From 1949 until 1952, Golden State Jr. High was located east of Golden State Highway. That is how we got the name of our school.

Back in the years of kings and queens the color of purple was very precious and was considered a royal color. Kings and queens were the only persons allowed to wear this color. That is where our purple originated.

We needed another color to go with the purple so knowing that it was the 100th birthday of the Gold Rush, it was decided that we would use gold, purple and gold.

So, "We're all kings and queens," declares Mr. Chism.

### Safety Chief Praises Safeties

The safeties are representatives of your homerooms. They have really been on the ball.

They helped me with Color Day and are planning a safety assembly in the near future.

The safety squad's main concern is for the safety of the whole student body.

It is for your own good so follow the rules and be good citizens.

Your safety chief,  
Kim Chidester

### Forty-niners at Work

It has been found that some Golden State students earn extra money by doing extra jobs. Here are some of the students and their jobs:

Royce Starr - Baby sits.  
 Linda Arbuckle - Baby sits, and cleans house.  
 Bill Parry - Paper route.  
 Judi Faughn - Baby sits.  
 Glen O'Dale - Turns lights on and off for stores down town.

### A MESSAGE TO THE EIGHTH GRADE

I hope that the two years you have spent here at Golden State have been years that you will look back upon with pleasure. In 1983, you may say, "those were the good ol' days!"

I hope too that your education here has been a challenge to you, and that you are being graduated with a feeling of some measure of success.

May I extend my best wishes to each one of you.

Mrs. Sandberg  
 Girls' counselor

### WHAT I EXPECT FROM HIGH SCHOOL

By Christy Gunder

High school is a very important part in anyone's life. Without a high school education it is almost impossible to get a job that pays enough to support a family or an individual. In fact, it's hard without a college education.

To me, high school will play a very important part in my life. I will expect to learn as much as I possibly can in a very short four years.

My conduct as well as my grades will determine whether or not I go on to college.

I don't expect high school to be a breeze. I know that if I want to learn I will have to apply myself.

On the other hand, I don't want high school to take up all my time. I want to study hard, but I also intend to have fun and meet people.

I'm looking forward to high school. How about you?

### THOSE SHORT, SHORT SKIRTS

Taken from the SIERRA STAR DUST, Sierra Jr. High.

"Some girls have been over doing the short skirt outfit.

Some girls have actually worn their dresses and skirts five inches above their knees. At the knees is high enough."

## BOY OF THE MONTH

GOLDEN STATE ROYALTY  
REIGN AT JR. HI-JINKS

Mike Martian and Sherry Hale reigned as king and queen at the Jr. Hi-Jinks festivities at Bakersfield College Memorial Stadium on April 3.

Activities included flag raising ceremonies, bands playing, glee clubs singing, and the track and field meet.

Hi-Jinks was started in 1956 by the P.T.A. for a money raising activity. It started out with five schools and now there are seven jr. highs. Each year it gets better and better, and more people come.

## CULTURE

Golden State Forty-niners were treated to an outstanding drama of the west when an outstanding theatrical group performed earlier this semester. The scene above will long remain in the memories of students.

SCIENCE PROJECTS  
DISPLAYED BY  
KROEGER HOMEROOM

The students in the Kroeger science classes have been working on science projects chosen by the students at the beginning of the year.

Each student made a display, and gave an oral report about his project, explaining what it was about and what difficulties he encountered.

Mr. Kroeger had the projects judged and ribbons were awarded to the students with the three outstanding projects.

Stephen Smith demonstrates the boiler of the steam engine which was his science project.

Boys qualify in the C-class high jump. Here Tom Parry clears the bar.

TALENT PRELIMINARIES  
HELD LAST WEEK . . .  
FINALS SET FOR TODAY

Preliminaries for Golden State's 18th annual talent contest sponsored by the Bakersfield Exchange Club were held March 9th through 13th.

Contest finals will be held today in the auditorium. The categories include dance, instrumental music, vocal and individual or group music. The rules are set for no more than four persons in a group and a four-minute time limit.

After the school finals, Golden State will enter the city schools finals, announced Mrs. Tedd.

By Marie Dickey, Barbara Thompson

All Golden State '49ers will be wearing purple and gold as part of the sixth annual color day festivities tomorrow.

The schedule for the day will be unchanged from 8:30 to 11:30. Lunch will last ten minutes longer, until 12:40 p.m. After lunch everyone will report to their homerooms and then there will be an all school pep rally. When the pep rally is over classes will return to their homerooms with the exception of those in Citizenship.

At 1:30 all girl and boy track members will report to Miss Goodrich and Mr. Strauss. Between 1:30 and 2:00 p.m. homerooms should review safety precautions, good sportsmanship, and proper conduct. Cheers may be practiced also during this time.

At 2:00 p.m. all students will report to the playground for flag raising ceremonies. Immediately afterwards the track meet will begin.

The student body will be selling snow cones, pop corn, soft drinks and other refreshments.

—by Douglas Bowers, Larry Little, Peggy Pilling

## HOMEMAKING CLASSES PLAN FASHION SHOW

The homemaking classes of Golden State will present a fashion show in the cafeteria in late May, according to Mrs. Wetzler, sewing teacher.

### ELECTION FOR BOY AND GIRL OF THE MONTH AND TOP SONG PRODUCES HUMOR....

In the election for boy and girl of the month and the top song of the month, we found that we have a few comedians here at Golden State. Just so you can visualize the laughs we had while tallying the votes, it was decided to include a few samples.

For boy of the month, we found the Beatles' Ringo was a popular candidate. Connie Francis and Donald Duck both turned up on the ballots for girl of the month. For the top song we found votes for "Mary Had A Little Lamb" and "London Bridge is Falling Down." One character really got his or her imagination rolling and wrote "Mozart In The Swing", by Lance Smelty.

By Patti Keller

## KAFY KOLUMN

### Guest Personality— JEFFERSON STONE

Hi gang. Once again it's my turn to fill you in on all the haps in the world of music and the Big 55. Of course, as you must already know by now, I, Jefferson Stone, and dazzling Danny Clover will be in the finals of the Eat-A-Thon Saturday. It will be a fight to the finish. He says that he is going to win and I say I am going to win. We shall see what we shall see on Saturday.

One thing we do agree on though is the Sonny and Cher Concert March 15. Along with the Merry-Go-Round and the Unbelievable Waller, it will be another great happening brought to you by the Big 55. No doubt about it. It's going to be out of sight.

P.S. If Danny Clover doesn't lose some of that instant weight he gained last Saturday we'll have to bring him to the concert in the KAFY truck . . . stay Stoned.

## KAFY KOLUMN

Guest Personality—  
**JERRY CLIFTON**

Hi!

For you who care, here's what is happening in the music world this week. Eric Burdon is gonna make a movie, how about that; he will co-star with Rod Steiger in "The Death of Harry Farmer". And he will also write the entire score for the picture with the help of The Animals.

And talking about the Beatles, their "Sgt. Peppers" LP won 4 of this year's Grammy Awards.

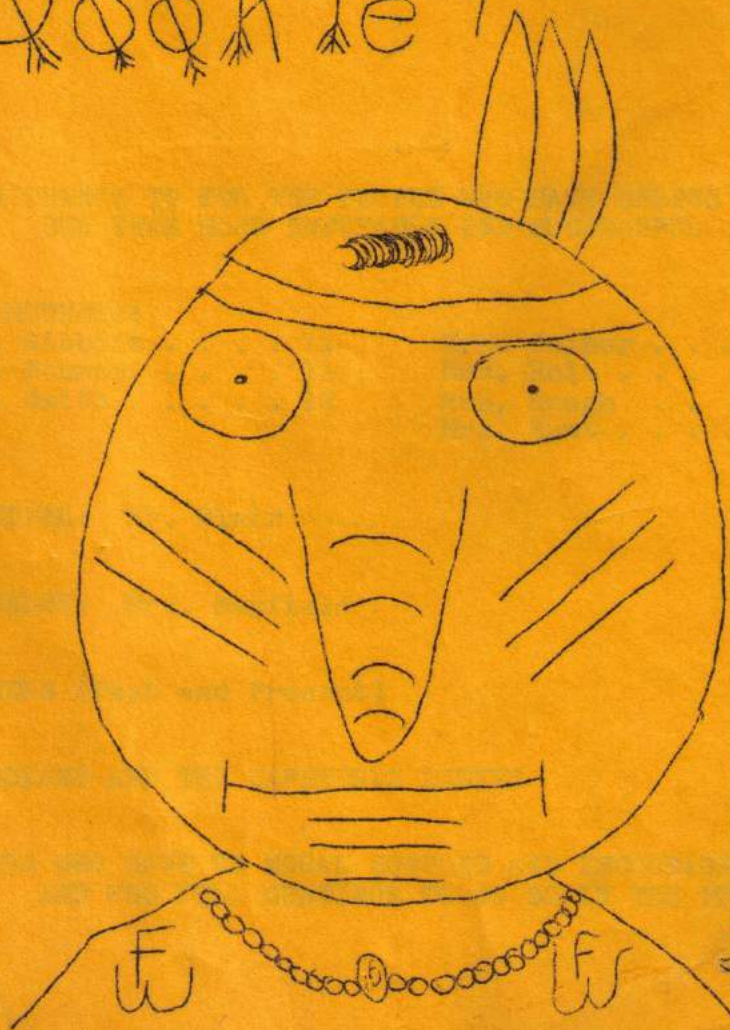

Meanwhile, back at the ranch, the Troggs will be touring the U.S. from March 29 thru April 21, and the Manfred Mann plan to visit sometime next month . . . "Can you dig it" . . .

## HEAP BIG HISTORY REVIEW

How! Me big chief editor, going to tell heap big history of past year's pow-wow.

This big pow-wow all started when leaves fell from trees and cold air make braves hug fire. (September for squareheads.) The Friday before this big pow-wow started, many new braves and squaws were signed in. Old braves and squaws were invited to work as guides.

Next we pick up the tribe at their pow-wow in the different wigwams. During our lunch hour, teams or villages were organized by big Brave Mullen. Many tribal games were played including speedball, basketball, football, and baseball.

Brave Mullen also organized tribal activities after school. Some of the events were the tetherball, ping-pong, jump rope, and the pole climb.

Our tribe was privileged to see the very good puppet show called "The Story of the Nutcracker".

On the 25th of November, some of the Indians from our heap big tribe were on a television show. Brave Mullen and Chieftain Blair presented our physical fitness program.

All of the Indians had a big time at Christmas. There was a play about Christmas lights and much singing.

Then in the later part of March, the tribe hold a talent contest. In this contest the Indians played their tom-toms and let out warhoops.

On April 5 and 6 our Tribal Track and Field Meet was held. Frank West Indians were next to the best all-around. Squaws get-um beat, took third place, but braves look heap big and tough, take first place. Frank West Indians were best anyway all-around.

A rhythm festival was held May 18. All we Indians did was shuffle our feet and make-um palefaces smile.

Big editor hopes you like-um heap big history review. If not, remember it didn't cost you any ponies, goats, buffalo hides, or trade-um stamps.
