SOUTH HIGH SCHOOL LIBRARY
BAKERSFIELD, CALIFORNIA

Dedication

The challenge of working in a new school lies in the area of creativeness . . . to motivate, and direct the energies of South High's students into the proper channels. Our first Merrimac is dedicated to a man of great vision and inspiration. Our principal Dr. Gant W. Jensen has planted the seeds for the harvest of knowledge which the future years will reap.

Administration and Faculty

Mr. Theron L. McCuen, District Superintendent of the Kern County Union High School and Junior College District, has worked for many years with the Board of Trustees in strengthening and enlarging the District. This year, after several years of planning, our own school, South High School, became the newest addition to the District.

Board of Trustees

The Board of Trustees has the important responsibility of employing teachers and other personnel. The Board also provides funds necessary to support policies approved and adopted by the Board.

Left to right: Albert S. Gould; Chester W. O'Neill, Clerk; H. E. Woodworth, President; Theron L. McCuen, District Superintendent; William T. Baldwin; Donald E. Ruggenberg.

Dr. Gerald Hedden, our Assistant Principal, has worked hard and long towards making South High a successful school. Among his most important duties as Assistant Principal are to schedule school trips, school health, and safety programs, and to complete master schedule of classes. He also has the job of filling Dr. Jensen's place in case of his absence.

Song and Yell Leaders

ALMA MATER

All hail all ye Rebels
All hail to old South High.
The blue and grey is waving,
our praises to the sky.

Like knights of old,
our warriors bold,
Will fight on to victory.

So hail all ye Rebels.
We hail the old South High.

FIGHT SONG

We've got a team that fights and fights
and fights to try and win that game.
For honor and for fame, we'll fight to
win the game.

We've got to **go** and **go** and **go** and **go** and
go cause Rebels is our name.
Til Victory's ours we'll fight to win this
game.

We say Hoorah, Hoorah for blue and grey
We say Hoorah, Hoorah we're here to say
We've got a team that fights and fights
and fights and fights to try and win
this game.

Til Victory's ours, we'll fight for Old
South High

Thanks . . .

Now that our first year at South High comes to a close, we look back on our first experiences in our new school with pleasant memories. In our book we have tried to include every important event throughout our first year.

The only thing left for us to do as the staff of the **Merrimac** is to express our sincere appreciation for those who helped us so efficiently in the publishing of our book . . .

. . . to Mrs. Bev. Torkelson, the District photographer for her innumerable hours of unselfish work; Hollywood Studios for the individual student pictures; and Mr. McCalmont and his photography students, especially Wally Groves and Richard Winslow for their help on the pictures in the advertisers' section; and Henley's Studios for the photograph of Mr. Theron L. McCuen.

. . . to our publisher, Yearbooks Incorporated, and the S. K. Smith Company, our cover makers. These people have been very cooperative and helpful concerning our book.

. . . to our advisor, Miss Harding, for her patience and understanding. Without her help it would have been most difficult to complete our book.

And finally we would like to thank you for your kindness and friendship.
