

# E.F. Homecoming is Here !!

At first it was a rumor, then it was made official that the Homecoming Ceremonies were only two weeks away. Now the day has arrived and everything is in order, thanks to the efficient work of the administration and the Edsel Ford Executive Council.

The homecoming date became official exactly two weeks ago today. Since then people could be seen flying around school with float plans, dance decorations, ballots for homecoming queen, and girls frantically in search of dates for the dance.

## Committees Set-Up

The first job of the council was to set up committees for the annual homecoming dance which will be held from 8:30-11:30 tonight in Thunderbird Hall. The dance committee chairmen are as follows: refreshments, **Shelley O'Brien**, 11B; decorations, **Janet Johnson**, 11B; ticket sales, **Gary Johnson**, and **Eric Knorr**, 11B's; coat check, **Blair Kooi**, 11B; publicity, **Tammy Larsen**, 12B; band, **George Barbu**, 12B; and clean-up, **Bob Ketyan**, 12B.

## Court Selected

Five senior girls, who make up this

## 108 EF Students To Attend Play

To go or not to go, that is the question. But for 108 Edsel Ford students, this question is already answered—they're going. Mr. Neil Brown, three sponsors, and 108 students are going to the Stratford Shakespearian Festival on Wednesday, October 11. The 180-mile trip to Stratford, Canada, takes about three and a half hours by bus. This will be an all-day affair starting at approximately 8:00 in the morning.

The famous Shakespearian play which will be performed is **King Richard the Third**. This is a gripping tragedy concerning an evil man who wins the crown by treachery and murder.

**E'len Oas**, 12B, who saw last year's performance said, "We all had a really great time last year, and we're looking forward to this year's trip."

The editors for the 1968 **Flight** have been chosen. **Martha Schnonfen** and **Barbara Wright** are the co-editors. Section editors include **Bill Gelgota**, sports; **Prindle Parkhurst**, academics; **Janet Weber**, senior life; **Sheila Lough**, activity life; **Marilyn Neher**, recorder; **Pat Dillingham**, underclassmen; **Dick Kuzma**, photography; and **Conley Engstrom**, paste-up.

year's homecoming court, have been selected to preside over tonight's dance. They are as pictured **Karen Kitzmann**, **Cathie Johnson**, queen **Judy Grignon**, **Kris Bezaire**, and **Debbie Soens**.

The girls were chosen by the student body from the ten finalists that the seniors selected last week. The queen who is selected by the football

team was announced after last week's football game against Melvindale. The team chose **Judy Grignon** to be queen. Mayor Hubbard will be present to crown **Judy** at the halftime ceremonies of today's game.

The boys selected to escort the queen and her court are seniors **Dennis Aylward**, **Mike McCartan**, **Dave Pady**, **Dick Reed**, and **Dennis Vogel**.

## Congratulations And Best Wishes To Recently Promoted Teachers

The 1967 Spring semester has come and gone—and with its passing has also gone eight of the teachers here at Edsel Ford.

**Mr. Anthony J. Lawski** has left his position as Edsel Ford principal to take over the task of Assistant Superintendent in Charge of Instruction at the administration building in East Dearborn.

One of our counselors, **Mr. James Shader**, is now the Consultant for Adult Education. Mr. Shader was also the previous principal of night school at Edsel Ford.

**Mr. Frank Ronan**, social studies instructor and Flight advisor, is the new Assistant Principal at Stout Junior High School.

**Mr. William Kilpatrick**, is now the Consultant for Physical Education in Dearborn. He was previously the varsity basketball coach and gym instructor.

**Mr. Robert Ferguson**, who while at Edsel Ford taught Business Education, is now the Assistant Staff Consultant in Vocational.

Henry Ford Community College has taken three of our teachers. **Mr. William McIntosh** is now teaching Freshman English, and **Mr. Howard Freeman** and **Mr. Joseph Knapp** are instructors in the Technical Department.

The Faculty and students of Edsel Ford High School send their congratulations and good wishes to these fine teachers and administrator.

## Welcome to Our School, Mr. Frederick Schreiber

Coming to a new job has many problems, as Mr. Frederick Schreiber, our new principal will confirm. He came to us this year after the promotion of our former principal, Mr. Anthony J. Lawski.

If you see some old familiar faces today, they may be those of last year's graduates who have been invited back for today's game against Ypsilanti and the dance tonight. Welcome back alumni!

## New Students Increase Edsel

Extra chairs in the lunchroom, slightly larger classes, and the surge of new expectations greeted students this month, as Edsel Ford took on 730 new 10B's.

With the addition of O.L. Smith's 125 new students, Stout Junior High's contribution of 292 of its population, and Edison's helping of 201 new entrants, the total enrollment at Edsel Ford now comes to approximately 1900 students.

Edsel extends a warm welcome to its incoming students and hopes that the 10B's will find their stay here interesting, stimulating, and a valuable stepping stone on the road to education.

Ford Motor Company employee, Mr. Jim MacNamara, visited the various Human Relations classes on Wednesday, October 4, on behalf of Junior Achievement.

The second day on the job for Mr. Schreiber started in a bad way, when he answered the phone saying, "O.L. Smith Junior High School." He solved that problem, but there are other things he will have to become accustomed to before he is completely adjusted to his new duties.

Mr. Schreiber came to Edsel Ford from Smith Junior High, where he served as principal for two years. During his career, Mr. Schreiber was also an elementary school teacher, a social studies teacher, and a counselor.

Mr. Schreiber stated that so far, the duties have been the same as at the junior high except that the problems are of a larger and more mature nature. Since he has had no high school experience of any type, he was astonished, but greatly honored by the offer of this job.

# The New, Improved Bolt Staff Issues First Paper

Nothing is so good that it can't be improved, and improved is exactly what this year's Bolt will be. The new Bolt staff is already hard at work on the plans for the 1967-1968 Bolt.

### New Ideas

Much thought has gone into the changes that will occur in the Bolt this year. Some of the new ideas and changes will be an art page, more cartoons, and an addition of poetry by Edsel Ford students. Anyone who has written a poem and would like to see it in print is welcome to turn it in to the Bolt office.

### New Faces

Besides the new ideas there are many new faces on the Bolt staff, along with the pros returning from last year. The new editor is Phyllis Turley, and assistant editor is Eileen Nahina; art editor, Joel Carty; photo editor, Mary Jane Glass; student photographer, Steve Gee; correspondence editors, Sharon Plonka and Debbie Dilbeck; and office manager, Kathy Bogya.

We would like to extend our deepest sympathies to the families and friends of Jane Purdin and Robert Yokom. Jane, a 12B student, was killed in an automobile accident shortly before school started in September. Robert Yokom, a June 1964 graduate of Edsel Ford, was killed in a motorcycle accident in September, also. Robert, who was known by his friends as Chip, was a member of the Hi-Y.

Page one editor, Karen Kitzmann; headlines, Diane Carnevale; copyreaders, Annette Amici and Mimi Mitchell.

Page two editor, Beth Darwish; headlines, Beth Lyon; copyreaders, Pat Kozel and Darcy Green.

Page three editor, Pam Kocsis; assistant editor, Janet Ware; headlines, Ellen Oas; copyreaders, Julie Lindner and Debbie Asquith.

Page four editor, Judy Guerny; assistant editor, Bob Proctor; headlines, Debbie Soens; copyreaders, Rick Matton and Fred Bean.

A new addition to the paper this year is the column **Awake and A Ware**, featured on this page for the first time. Former editor Janet Ware will write this column until her graduation in January.

## Feathers

by Eileen Nahina

Summer may be over, but there's still a lot to talk about. For example, over the vacation, 25 birds were taken from Thornley Court. And Mr. Pinter studied English Literature at the University of Birmingham in England. Also, June graduate Angie Sweet and seniors Glenn Kough, James Shopp, and Mike Malizia won city tennis titles. . . . With Mr. Shader gone, Mr. Haskins is now the new 12A counselor and class sponsor. . . . Mr. Adams is recovering from an operation correcting a slipped disc. He hopes to return to Edsel early this month. . . . Our cheerleaders attended a cheerleading clinic at Eastern Michigan University on September 30. . . . A new debate class has been formed. The E.F. debate team will be chosen from the students in the class and others who are interested.

## AWAKE & A WARE

It's a new school year. That means new classes, new teachers, new friends. With all of these new things floating around school, I figured it was about time for the Bolt to establish something new—and that's exactly what **Awake & A Ware** is. A new column written by one person—me.

Now you may think arriving at a title for this "journalistic masterpiece" was easy, but have I got news for you! For the past couple of weeks, my friends (and with friends like them, who needs enemies?) and I have been wracking our brains trying to think of the suitable title.

For a starter, we took my name. I mean with a name like Ware, there has to be something. Right? Wrong! Look at all the words that end in ware. There's hardware, houseware, silverware, and underwear.

Okay, so we dropped that idea and moved onto something to do with the school. There's **Feathers, Bolt, Flight**—they all have T-Birds in mind. The best we could come up with, that had both birds and a column in mind, was "claws."

We moved from birds directly to the dictionary. Those "Webster Loose-Leaf Dictionaries" may come in handy for somethings, but for column titles—forget it! Our most fervent efforts brought out only chaos, havoc, and gobble-de-gook.

How we finally came up with a title was probably just a matter of fate (and Phyllis Turley). At any rate, we're back to my name. I mean with a name like Ware, there has to be something. Right? Right!

Having completed the first edition of the Bolt, the staff is all smiles.

## Clublicity

by Debbie Asquith

Now is the time to join! Do you want to become an active member of the student body? If so, then join one (or several) of Edsel Ford's various and interesting clubs. They are a good way to meet people and have fun. New members are always welcome!

### Y-TEENS

Y-Teens are on the move again! Already a candy sale is planned for the very near future. The annual March for U.N.I.C.E.F. will take place on Halloween night. Y-Teens also participated in the march last year. Officers of the club are planning a Fall Leadership Conference, which would take place during the weekend of October 21, 1967. A hayride is being hoped for which will take place on October 20, if it does become final. Y-Teens held their first meeting on October 4, 1967.

### DRAMA CLUB

Members of the Drama Club intend to travel to Eastern Michigan University, in the spring of next year to attend Drama Day. The group also attended this occasion last May.

On Wednesday, October 3, at 3:30 p.m. in the auditorium, the Drama Club held tryouts for the forthcoming all-school play.

## June Graduates Push Harder to Gain Goals of College and Future

As a new school year starts once again and Homecoming arrives, our thoughts turn to such ideas as the beautiful floats, choosing a queen, watching a winning football game, and perhaps the most important, seeing the returning alumni.

### Many Attend College

Many different paths have been taken by our graduated seniors since we saw them last June. President of the class, Chris McKinnie, is attending Michigan State University, Vice-President Steve Sylvester is at Kalamazoo College, Secretary Martha Knox is attending Albion, and Treasurer Sue Vedder is in Ohio at Bowling Green.

Many of the June graduating class chose MSU as their college. These students include Steve Kough, Kathy DeMara, Danette Brandy, Pat Allen, Nancy Dudek, and Barb Collins, Linda Dunham, Kathy Nuznov, Mike Paris, and Rich West.

### Variety of Schools

Also a popularly attended university is University of Michigan. Former Bolt Assistant Editor Jane Brundage is attending school there, as well as Dan Schewe, Rod Machak, Chuck

Gulash, Stu Salchow, Jan Lewis, Tony Vadino, Debbie Gersell, and Ellie Moberg.

Lynne Hamilton, Don Rowley, Dave Hiatt, and Bill Litogot have chosen to go to Central Michigan University.

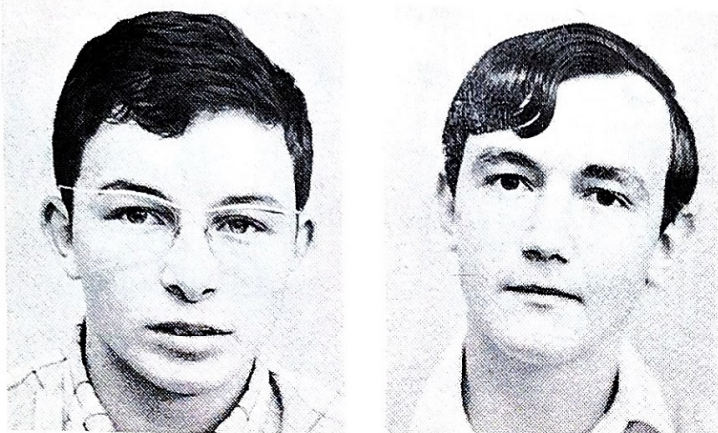

We extend a warm welcome home to all of our returning alumni.

## Homecoming Is . . .

making paper flowers . . . constructing floats . . . getting the floats to school in one piece . . . being trapped inside a float . . . choosing a winning float . . . picking ideas for floats . . . choosing the queen and her court . . . waiting for half time ceremonies . . . seeing the queen crowned . . . the beautiful gowns . . . all the happy faces . . . memories of the graduated seniors . . . being shot with a staple gun . . . waiting to be asked . . . building up the school spirit . . . supporting the school . . . showing the football team we really care . . . a lot of fun . . . achieving a goal . . . most important dance of the year . . . trying to get a dress and accessories to match . . .

Pictured to the left is Norbert Wustake, 12B, from Germany. To the right is Didier Prues, 12B, from France.

## Foreign Exchange Students Join Edsel's Student Body

What do France and Germany have in common? For students here, the two common factors are the foreign exchange students attending Edsel Ford this year. Eighteen-year-old Norbert Wustake, a senior, comes from Germany and is living with Mr. and Mrs. Rex Phelps. Seventeen-year-old Didier Prues, a senior from France, lives with Mr. and Mrs. Joseph Pagen. Both students are anxious to learn and experience many things that they do not have in their own countries.

Clermont Ferrand, France, is Didier's home where he lives along with his parents and two brothers. Activities that he finds very interesting are typing and the films shown in his many classes throughout the year. He finds school unmistakably different from his own high school. One interesting idea that delighted Didier was the fact that people smile more in the U.S. He felt it was a good asset and said that it made the Americans seem more friendly.

Norbert Wustake was born in Berlin, but he now lives in Braunschweig.

## G.E. Contribution Welcomed at EF

Rumor has it that Edsel Ford is now the proud owner of a closed circuit television. In answer, the set arrived last June, shortly before the students dispersed for summer vacation.

The set consists of one console unit and one portable unit with one camera. More equipment is expected, including a badly needed zoom lens. The zoom lens will enable the camera to zoom in for close-ups and detailed pictures.

This welcome gift of General Electric will be used for educational purposes in such classes as drama, speech, band, sports, and in the future, social studies. As far as we know, only two schools in the Dearborn area possess closed circuit T.V. It's quite a feather in E.F.'s bonnet!

Germany. He has one brother who is six years old. Languages are an interesting subject for him because he now studies three, German, French, and Spanish. He and the French foreign exchange student are able to carry on interesting conversations with each other. Norbert feels that Edsel is very well organized and went on to point out many surprising differences about the way his own school is run.

Didier and Norbert both enjoy Edsel Ford and find it a pleasant change from their own countries. They hope they will learn a lot and will be able to take the knowledge back to Europe.

## Peace Corps Open

## African Primary School

What could you buy for 7,000 shillings? The June Class of '67 bought a primary school in Masonga. Seven thousand shillings enabled the people of Masonga to purchase 2,000 bricks, cement, wood, and corrugated iron to build the school. The Ukerewe District Council pledged its support of trucks for transportation. The Masonga school is located on the green island of Ukerewe, on the southeastern shore of Lake Victoria in Tanzania, Africa.

Construction on two new classrooms started on July 1, 1967. It should be completed by September 30, 1967. There are only 35 girls in a class of 116 students. By the time the school is finished there will be room for 270 pupils.

The June Class of '67 wasn't the first class to contribute its shillings. The first Peace Corps School was purchased in Brazil by the June Class of '64. The next one, Rungwe, was built by the January Class of '65. The four Dearborn high school Stu-

Boys!!! Take a look at your watch. Take advantage of the five hours left. Ask a girl to the Homecoming immediately!!! Explain to her that the stores are open 'til nine.

## Twenty-five Added Teachers Appreciated by Faculty

The beginning of another year at Edsel Ford brings twenty-five new teachers to the staff. Some are new, while others are returning after a brief absence. The staff and students welcome the teachers to Edsel Ford.

The business department welcomes Mrs. Connie Swank, a former student teacher of Edsel Ford, and Mr. Charles Steen who is also a work co-ordinator.

Five new teachers have been added to the English department: Miss Anne Gautreau whose interests are fencing and scuba diving, Miss Jane Jennings, Mrs. Elinor Patouhas who will also be the yearbook advisor, Miss Elaine Rawsky, and Miss Priscilla Yates.

Mr. Ronald Doherty and Mr. Ronald Monson, both guidance counselors, have previously taught at Stout and Edison Junior Highs, respectively.

Teaching in the industrial department are Mr. Vaskin Badalow, Mr. James Vanlandegen, Mr. Robert Vermuelen, and Mr. Gerald Waller.

Returning to the math department after a semester's leave is Mrs. Lorraine Vandette. New to the department is Miss Beverly Salancy who spent the summer at Ann Arbor working towards her Master's Degree.

The science department welcomes Mr. Herman Boatin, Miss Alison Fischer who is returning to the math and science departments, and Mr. Eugene Wozniak who was on sabbatical leave.

New to the social studies depart-

ment are Mr. Ronald Hipkiss, Miss Susan Nagy, and Mr. Burton Wolf who spent the summer with the Peace Corps in and around Philadelphia.

Teaching in other departments are Mrs. April Bieniek and Mr. Richard Wyka of the physical education department. Also new are Mrs. Sandra Cook of the library department and Mrs. Rita Golts, a German teacher in the foreign language department.

The Bolt staff wishes a pleasant and successful year to the teachers.

## German Students Travel to Europe

Departing from Kennedy Airport on July 6, six Edsel Ford German students left for Europe. The group consisted of Mrs. Leslie, the counselor; Chris Bredow, 12B; Bill Gelgota, 12B; Bonnie Ledebuhr, 12B; a June graduate who now attends the U. of M.; Marilyn Neher, 12B; Sandy Stafaniak, 12B; and Janet Weber, 12B.

Their travels took them to Kitzbuhel, Austria, and Cologne and Berlin in Germany. Some of their free time was spent mountain climbing in the Alps, seeing the Tyrolean dancers, and eating themselves sick at a chocolate factory. They also attended school four hours a day to study German, literature, and culture.

On August 4 the group returned to the United States. Never to be forgotten are the new friends made, sights viewed, and knowledge acquired in Austria and Germany.

Remember!!! All P.S.A.T. applicants, the test will be held Saturday, October 14, in the cafeteria at 8:30 p.m.

## Church & Council Students Find Summer Experience Rewarding

Have a really great summer? Many students from Edsel had an exciting and busy one. Fifty-five Leaguers from St. Paul Lutheran Church went to the national convention in Dallas, Texas.

About two years ago the group began earning the money for this trip by having car washes and paper drives. The convention time finally arrived, and they left by bus for Chicago, where they then took the train to Texas.

In Dallas they found over 7,600 other leaguers from all over the U.S. Besides the lectures and special activities planned for the convention, excursions were also made to visit the famous Neiman Marcus, the Kennedy Memorial, and to a huge amusement park.

While these Edsel students were in Dallas, 18 others from Dearborn

Woods Presbyterian Church were hard at work in Mapleridge, Michigan. They painted, refinished wood, worked on the grounds, and generally restored the Presbyterian Church of Mapleridge.

The group also went to the nightclub, "The Mother's," went on a hayride, and had a chicken barbecue with the town.

The 12B Executive Council officers, Bob Keteyian, president; George Barbo, vice-president; Karen Kitzmann and Cathie Johnson, secretaries went to the U of M Leadership Training Workshop. Kids from all over Michigan go to this Van Buren Youth Camp in Bloomingdale. The main purpose of the camp was to make the officers more vivacious leaders, and to exchange ideas and suggestions with fellow student council officers.

# Season Opens With Victory

"Spirit and hustle are a tradition at Edsel Ford," commented head coach John D. Davis, acknowledging the T-Birds' win over Southgate on September 23rd. It looks as though the T-Birds will take their fourth consecutive league title.

Coach Davis also explained, "We'll play each game one at a time. Ypsi should be the team to beat. Dearborn is always tough and Melvindale has a good team this year."

Coach Davis went on to explain, "It's pretty much a senior team. This

is the best returning situation ever at Edsel Ford."

This year's co-captains are **Ted Grignon**, 12B, and **Tim Edwards**, 12B. The other returning lettermen are **Steve Korczyk**, 12B, **Ron Haney**, 12A, **John Julian**, 12A, **Mike Yuskowatz**, 12B, **Matt O'Donnell**, 12B, **Mark Sturzenogger**, 12A, **Bob Bores**, 12B, **Alex Madar**, 12B, **Bob Ketejian**, 12B, **Jim Koppin**, 12B, **Fred Kemp**, 12B, **Gordon Johnson**, 12B, **Steve Skolnik**, 12B, **Ken Yungkans**, 12B, **Jim Beems**, 12B, **Paul Wojewuczki**, 12B, **George Barbu**, 12B, and **Ken Weir**, 12A. Other seniors on the T-Bird team are **Ted Bond**, **Glenn Kough**, **Larry Burek**, and **Jim Ford**.

Even though this year's team is made up of seniors, the juniors are fighting for key positions on the team. These Juniors are **Pat Carmichael**, **Fred Chubner**, **Ken Smith**, **Kurt Schuster**, **Dave Morley**, **Mike Rataj**, **Gary Kreps**, **Joe Trautwein**, **Brian O'Grady**, **Fred Hagelthorn**, **Brian Guffrey**, **Warren Broglin**, **Mike McCarihy**, **Bill Kraft**, **Andy Kurtinaitis**, **Pat Watts**, and **Ken Cornell**.

If the T-Birds take the league championship, (and the prospects look good) the victory can be attributed to the outstanding efforts displayed by both the juniors and seniors. So come out and support your team, for the quality of school spirit on the part of the whole student body is needed to accomplish our goal to be the victors once more!

## Year For G.A.A. Looks Rewarding

G.A.A.? Girl's Answering Agency? No, not quite? It's the Girl's Athletic Association, but it is attended by approximately two-hundred girls who do a pretty good job of answering any way (whether you want to hear them or not).

As the fall semester is put into full swing, the school's largest club is trailing right behind. The first mass meeting was called September 25 by new officers **Diane Williams**, president; **Kathy Summers**, vice-president; **Ellen Oas**, secretary; and **Beth Darwish**, treasurer.

To start G.A.A. running smoothly, no time was wasted in selecting representatives for the Council. The juniors elected **Kathie Hahn**, **Connie Moore**, **Pat Strahota**, **Norene Bartos**, and **Barb Palmer**. Seniors **Debbie Soens**, **Sharon Carden**, and **Mary Musill** were chosen by 12B's, and the 12A class voted unanimously for **Eileen Nahina**, their choice for the past two years.

Last week field hockey officials prepared themselves for the onrush of broken toes, ankles, sticks, fingers, etc., which signify that the fall sport has begun. Yes, G.A.A. is perking again.

Spirit and action are the elements that make Edsel Ford's football team great.

## Plans for Band Year Begin

The Edsel Ford Band once again begins planning the calendar of events for the coming year. Football games, social events, concerts, and many rehearsals are ahead for many students.

Along with the activities of the band comes the planning and organization, much of which is done by the Advisory Council of the band. The members of the council are elected by the band, must have had two semesters of band, and must have passed Proficiency I. The new members of the council include president, **Doug Kuligowski**, 12B; vice-president, **Mike Krajewski**, 12B; secretary, **Joan Wood-**

**ward**, 12B; and treasurer, **Glen Shilling**, 12B. The council also includes **Annette Amici**, 12B; **Stuart Baker**, 12B; **Jean Goeboro**, 12B; **Ron Haney**, 12A; **Nancy Schauer**, 12B; **Debbie Soens**, 12B; and **Doug Thompson**, 12B.

Not only is there a new Advisory Council, but also a new drum major, **Richard Dixon**, 11B. Accompanying him are this year's new majorettes, **Mary Kamensky**, 12B; **Brenda Booth**, 12B; **Debbie Sutt**, 12B; **Kim Garwood**, 12B; **Carol Musket**, 12B; and **Marion Clough**, 11B.

## Track Men Compete

### Score High In Cobo Field Events

Work and sweat is the name of the game, and that's what Edsel Ford's track men were involved in during the summer.

The first big meet of the summer was South Eastern Michigan Chamber of Commerce Meet which took place at Cobo Hall on July 4th. **Kurt Chubner**, June graduate; **Mike McCartan**, 12B; and **Joe Trautwein**, 11B; all placed in the meet. Chubner placed first in the pole vault with a vault of 13 ft. 1 in. McCartan took second in the mile with a time of 4:51. Trautwein shot-put 44 ft. 8 in. to take first place.

After the Cobo Hall meet, Chubner, McCartan, and Trautwein went to the Junior Chamber of Commerce track meet which was a gathering of all the trackmen throughout the state

which placed in their local Chamber of Commerce meets. The meet was held at Waterford-Kettering High.

Our track men did not fair quite as well against the runners from the whole state, although they all did place. Trautwein placed second in the shot-put with a toss of 47 ft. 6 in. Chubner was fourth in the pole vault at 12 ft. 9 in., and McCartan ran fifth in the mile with a time of 4:54.

Other meets that took place during the summer were the local federation meets. Edsel trackmen that ran in these meets were: **Joe Trautwein**, **Kurt Chubner**, **Mike McCartan**, **Bill Kraft**, 11B; **Pat Watts**, 11B; **Dave Baxter**, 12B; **Marty Lynn**, 12B; **Mark Pieza**, 12B; **Dave Pady**, 12B; and **Jack Gruska**, 11B.

## Losing Streak Ends

### Cross Country Victory

For some of you people who don't know exactly what cross country is, well it's one of the most grueling two-mile races a high school boy can compete in. It consists of running through woods, water, wind, and sometimes snow. But this is going to be the year for Edsel Ford's Harriers. Last week Edsel Ford won their first meet in two years by beating John Glenn and Belleville High Schools by a score of 16 Edsel Ford, 49 John Glenn and 72 Belleville (Lowest score wins). The main factors contributing to the win were, **Mike McCartan** with a time of 11:02, **Dave Baxter** and **Tom Krizmanich** with identical times of 11:04, **Gary Collins** 11:06, **Dave Lennox** 11:35 for sixth place, and

**Jim Newcomer** with a 11:44 to clinch seventh place for the Thunderbirds.

With a large turnout of over 25 boys, Coach Jack Bridges has a lot to look forward to. Four out of the first seven starting places are occupied by new members to the team. They are, **Dave Baxter**, 12B; **Tom Krizmanich**, 11B; **Jim Newcomer**, 11B; and **Gary Collins**, 12B. The top Reserve men this year are **John Ossemacher**, 11B, who placed first in the recent meet; **Jerry Ammons**, 11B, second; **Phil Beuckelaere**, third; and **Jim Tripoli**, fourth.

This year Mr. Bridges is looking for great things out of this team, and he thinks he's got the boys that can do it.
