

30-Year Class Reunion

August 6, 1999

1969-1999

Edsel Ford High School

MIKE ALBANO

I'm not sure I can make it the reunion due to my parents 50th wedding anniversary is 9/3/99 and since our reunion is in August, I'm not sure I can be away from my business for almost a month. And I surely cannot take two vacations for each activity. I'm bummed, because I would really like to also make the reunion, but family comes first. I also think you should keep the class reunions to every five years, not ten. No offense, but none of us are getting any younger, and 10 years is a long wait. (Mike will be at the reunion.)

CRAIG ANGLIN

I am a pastor at the First Baptist Church of Marshall, Michigan. My wife, Jackie and I have been ministering here since 1995. With God all things are possible.

BETH BELL HEATH

Mark (Herbst) and I are building a new house in Dearborn on Willow. We will be renting the Audette house to my daughter while she pursues a Math teaching degree at U. of M. Dearborn. My interests are working and having fun at Michigan National Bank Headquarters, family, walking, and painting.

Son, Stephen was born 12/82 is a 4.0 student at KHS-top 5 in his class. He is 6 feet tall (despite his mother's still 4'10"). He plays basketball, trombone and guitar. Louisiana is our home now. We'll probably be traveling during retirement casing grandchildren. We enjoy having out of state visitors who love to try our Cajun cuisine. We know all the best restaurants, music festivals. We love crawfish, shrimp, and crabs. Give us a call if you're in Lafayette, Louisiana area. Our son says he's Cajun, but we're not.

PATRICK & LINDA (HANOIAN) CARMICHAEL

We met at the 20 year reunion and married two years later. Linda has been at Oakwood Hospital for more than 20 years and Pat has been a teacher and coach for 25 years, mostly at Detroit Country Day School in Birmingham. No kids, just Lacey our yellow Lab. Still maintain close ties to "the Born". (Linda's work, Pat's parents.) No pressing immediate future plans but our long range retirement goal is "to ride off into the sunset somewhere west of the Rockies".

CLAUDIA CURTIS BAILEY

TOM DAVIS

SUSAN HOSKINSON ALEXANDER

I hope all of you attending tonight's 30 year BASH really have a great time. We, the Reunion Committee, had a wonderful time every time we met. We had lots of laughs and at times, some somber moments also. Remember, we won't meet again until our 40th so...Rock and Roll.

CINDY JONES SINGBIEL

Due to circumstances which are out of my control I will be unable to attend our 30 year class reunion. I will be out of town until the following day so I am hoping to see a lot of classmates attend the Dearborn Homecoming on that day. I hope there are plans to include that day as part of the reunion.

BOB JUNGE

JANICE LARYS

My journey in the last 30 years has provided many valuable experiences creating the seasoned woman that "I am". Recognizing the gift that comes with each experience is often the greatest challenge. My dearest gifts are my 2 daughters, Sarah and Kate. They are exceptional women following their own paths. My interests are in integrative health practices. I am currently working with the Native Americans as the Diabetic coordinator. I have my own personal practice sharing the gifts I have been given along my path. I love assisting individuals to understand the laws of attention and how it directs your life. I am also a REIKE master and Healing Touch Practitioner. Remember who you are and be grateful.

CECILIA MACHCZYNSKI GREEN

I currently live in Caseville, MI with my husband, Jim and our daughter, Jennifer. My husband and I are both employed by the U.S. Postal Service as Postmasters. I am the Postmaster of Gagetown, MI. Our daughter is 17 years old and will graduate from high school this June.

DON MARTIN

I am an engineering supervisor at Ford Motor Company, working on Truck Development. My wife, Terri and I have been married for 24 years. Our older son Greg (EPHS Class of 98), has just completed his freshman year at Lawrence Technological University majoring in Mechanical Engineering. Our younger son, David is in the EPHS Class of 200 and also plans on a college major of engineering. My hobbies include old cars, metal working, and woodworking. I'm looking forward to seeing everyone at the Reunion!

KAREN MIKICH

I've worked at Netscape (recently acquired by AOL) for the last five years and recently completed a wonderful 9 week sabbatical--it gave me a good taste of how great it will be to be retired someday! never did find a "Mr. Right" who could put up with me...

ERNEST MONTIE

After graduation from high school, I left for the Navy for 4 years. While in the Navy I met and married Linda Gregory from Dearborn. We are currently going on 28 years of marriage. We have a 16 year old son, Gregory and a 9 year old daughter, Kimberly. After leaving the Navy we took up residence in Saline, MI. While living there I worked as a carpenter around the area for 18 years. Because of medical reasons I left carpentry, now I teach

woodworking in Rainbow Rehabilitation Centers in Ypsilanti on Whittaker Road. I teach people with brain injuries how to make different woodworking projects and have been there now for 10 1/2 years.

CHARLENE MORAVEC BIALACH

30 years--No way! Wasn't it just yesterday? I'm eager to let you know my soulmate. Stan and I joined our respective families in late '96--his 3 sons and my 3 sons. Talk about a leap of faith! Our guys Brian (20), Steve (19), Jay (17), Eric (15), Dan (15), and Andrew (6), keep us going every which way. During the day, our jobs involve working with children with autism. The nights are for making music, though! We perform our music together for special occasions and local clubs. No wonder we use the name, "Sweet Release".

JIM & DEBBIE (STRAHOTA) NEWCOMER

We wish everyone good health and happiness in the coming years.

NORMA OSBORN

I work as a Nurse practitioner caring for people with heart disease and no insurance.

SUSAN PAINTER ALEXANDER

I'm still a school secretary. Dave is still at Ford's. Our oldest daughter is married and has made me a "Grammy" twice. Son David got married this past spring. Our youngest-- Sarah will begin her 3rd year at U of M this fall.

BARBARA PALMER MC AULIFF

My husband, Rodger and I are still busy raising our 2 children, Lynsey age 15 who attends Edsel Ford, and our son Casey, age 19 who is in college studying Culinary Arts. I teach at Edsel Ford along with some of the teachers that taught us in 1969! We all had so much fun planning the reunion. We hope you enjoy it.

MICHAEL RATAJ

Been living in Chicago area for 21 years. Married for 18 years to Sue. Enjoy music, traveling, (for pleasure, not for work!), and hanging out at home. Since Michael Jordan's retirement and the break up of the Bulls, not much to get excited about re: Chicago sports teams. Beginning to contemplate retirement. Not a bad thought!

LUANNE RESKE COATS

I'm in the process of trying to get my 20 year old son, Tyler through college--it might take some time! Was married 25 years but divorced 3 years ago. Hoping to travel to Britain in 2001. I've been a letter carrier for 17 years. Enjoy reading, history, music, KU basketball, and cooking for friends, especially tea parties.

JOHN SANCHEZ

Gradually phasing out of the landscaping business. Started my new company Artistic Woodcarving. Hope to have it established over the next few years. My artwork will be on display in Livonia on 8/7 and 8/8, 1999 at the Eddie Edger Arena.

MARTIN SCHROEDER

It's hard to believe it's been 30 years since graduation, but if you listened to the prolific 60's music played on many radio stations today, you'd think you and many of your friends (maybe your kids) were making plans on going to New York for a concert. Dude. But alas, it's even later than we think, and we're all off beavering away at work and play--who's Aretha Franklin? Hope you all are doing well. As for my work, my aim is to advance the utilization of high-speed trains and mass-transit systems. My work as a Senior Research Engineer carries me to places in South America, Canada, and Europe involving structural dynamic analysis of trains and their crashworthiness, among savoring cerveza frio from places like Caracas and elsewhere. As a radical left wing, tree hugger, tofu kind of guy, I am also interested in encouraging the development of more livable cities that integrate nature as part of their design, so I started a group called "It's Your City", where we look at ways of expanding more earth friendly transportation modalities and providing ideas for more "wholesome" home designs.

PAMELA SHERLOCK ERRANTE

My husband and I own our own business, J.E. Ceramic Tile Co. Looking forward to coming again.

SHARON SHOVELY SHELDON

I have two beautiful adult daughters who have started environmental science and advertising. They are both employed locally and we spend time together running, biking, and enjoying the outdoors. We are learning to kayak. I have worked at the U. of M. Health System for 14 years. My training and career are in Public Health. In addition, my hobbies include vegetarian cooking, hiking, and herb gardening.

GAIL SIMPSON

I enjoy craft shows, shopping, and bike riding. I'm a grandma now, and I love it. My daughter Tracy, has a little boy--Trevor, and my daughter Jackie, has a little boy--Jonathan. Being a grandma is much more enjoyable than being a mom. I'm still at Ford Motor Company and will have 27 years in there in November, 1999. Hopefully I can retire in 3-5 years.

BEVERLY SMAHAY ST. THOMAS

Rod and I have been married for 27 years. Our daughter, Kimberly (26) is married and has 2 boys, Ryan (7) and Rossy (3). Our son, Kenneth is 22. I am an automotive designer for the last 20 years and currently am employed with TRW (formerly Kelsey-Hayes) in the brake department. I LOVE to clean the house, grocery shop, cook, do laundry, weed outside, repeat these chores at our cottage, put new brakes on my car, change the oil, wash and wax it. For fun I accompany my husband in his outdoors sports of deer hunting, fishing, and golfing. When my daughter finds out I have free time, I baby-sit. All kidding aside (?), my favorite leisure activity is scuba diving.

Hopefully, our plans for and early retirement will have taken place by our next reunion.

DIANE SMILEY

My current position is Washtenaw Intermediate School District Supervisor, Instructional Services in Ann Arbor, MI. I have a daughter Lindsay, 16 years old.

CAROL STICKNEY BLOCH

I am a computer technician for the Dearborn Public Schools. Ray and I have been married for 27 years and we have 3 children. Richard (EFHS Class of '91) graduated from MSU and works as a Civil Engineer at a designer/engineer firm. Erik (Salutatorian of EFHS Class of '93) graduated from Michigan Tech University and works as an Electrical Engineer at Ford Motor. Charissa (EFHS Class of '98) just completed her first year at Central Michigan University where she is majoring in elementary education. My hobbies include decorative painting and woodworking.

PATRICIA STRAHOTA GRIMES

Two and a half years a most wonderful event happened-I gave birth to healthy twin boys, Myles and Devon. After waiting this long to start a family I could not be happier (although I could use more energy). I continue practicing architecture and interior design for an international architectural firm focusing on commercial projects, a company I have been with for 15 years. Fortunately, I am able to work 3 days/week which gives me more time with the boys. It's a juggling act, but I think the maturity of being an older parent helps me

cope. I just hope I won't need to use a walker at their college graduation! And as for the issue of mid-life crisis, I am too busy to have one.

GAYLE THOMAS CHAMPAGNE

I continue to enjoy living in the country. We live at the Nature Center where my husband is the director on 300 acres. What a wonderful place to raise our son. Our 14 year old son is our joy and we're finding it a very good age. We'll celebrate our 24th wedding anniversary this May. I continue to work in the field of Social Work and find it very rewarding. I was diagnosed with breast cancer in October, 1998. I had a mastectomy, chemotherapy, and radiation. That's all behind us now and we are looking forward to the future.

KATHE TURLEY HELBIG

This is the year of my freedom, I closed my salon due to the headaches of the business trade. I am currently renting a chair in a salon in Riverview, "Designer Nails and More", and I love it. I invite any of my classmates to stop in for a visit if you live or are just in the area. I would love to see you. My husband and I try to travel several times a year even if it is only for a long weekend to NY or Chicago. Plans are being made to go to Bali next year as my niece will be opening a restaurant there, so we hope to spend two weeks in the sun. Our son married a wonderful girl four years ago in Milwaukee, no grandchildren yet but I have hopes. I am still golfing and doing crafts and I love using the computer, so if anyone is on line

e-mail me at: kredhead@home.com. I would love to hear from you. If I don't make it there, see you at the next reunion.

CANDACE UPPLIGGER BLAZIC

I have been teaching with Utica schools for the past 11 years. I am a special education teacher for junior high level students. I have 2 children, Erik and Shannon. Erik just graduated from Kettering University with an electrical engineering degree and is employed with GM in Pontiac. Shannon has finished her 1st year at Grand Valley State and is pursuing a degree in physical therapy. My husband Len, works at Daimler-Chrysler in Auburn Hills as a government safety manager. We spend a great deal of our summer relaxing on our boat or cruising with it in the Georgian Bay or North Channel in Canada.

BOB VAN ANDEL

Sorry to miss this year's gathering, but my wife, Peg and I will be in Europe to see the total eclipse of the sun. Hope to see you all at the 40th!

SANDY WEGRZYN CAMPBELL

I am healthy, happy, and life has been good to me. I am looking forward to seeing everyone soon!

MIKE ZIMNICKI

Wife of 17 years, Debby. Four children; Jennifer (29), Mike(24), Eric (15), Matt (13). Two granddaughters; Carly (6) and Riley (3 months). Thirty years with Ford Motor. Avid motorcyclist.

SOLDIER

George L. Skypeck

*I was that which others did not want to be.
I went where others feared to go, and did what others failed to do.
I asked nothing from those who gave nothing, and reluctantly
accepted the thought of eternal loneliness...should I fail.
I have seen the face of terror; felt the stinging cold of fear;
and enjoyed the sweet taste of a moment's love.
I have cried, pained, and hoped...but most of all,
I have lived times others would say were best forgotten.
At least someday I will be able to say that I was proud of
what I was...a soldier*

In dedication to all of our classmates who fought in our country's wars. **THEY ALL CAME BACK.**

Fellow Classmates,

Another five years and another thank you from this committee for your participation in making this reunion a "Pearl of a Party". We also want to thank our sponsors for their generous contributions. They enabled us to put on a really special event.

Once again, those of us involved in the planning have enjoyed the challenges, finding friends, and hearing the responses of classmates.
