## Dear Fellow Classmates,

Welcome to our 40 year class reunion! It's hard to believe that another five years has come and gone, and as we gather to celebrate another milestone, we thank you for your support and participation.

Your Reunion Committee volunteers have been working together for more than a year to bring you a successful and enjoyable evening. We've faced some challenges, particularly in finding 'lost' classmates, but we have enjoyed it all, and we truly appreciate your generous offers to help.

Although this event is the result of much time and effort: we've had fun reminiscing and renewing old friendships along the way. It is our hope that you will enjoy the evening's celebration, and take with you with memories both old and new.

To paraphrase Charles Schultz...

Try to name the three wealthiest people in the world, three Heisman Trophy winners, or even three Noble Prize winners. Chances are you'd have a much easier time naming a teacher who helped you get through school, a friend that helped you get through a difficult time, or someone who made you feel special.

These are the people who have made a difference in your life; they are the people you remember. They are the reason we have class reunions.

We have been married 31 years, have 3 grown children. Our son, Chris, works at GM Proving Ground in Milford on hybrid vehicles and is a Michigan grad. He is getting married this October to Robyn Ryden from Sweden. Our oldest daughter, Jen, is an auto salesperson at Jaguar of Novi, and was married last August to Jason King from Ireland. Our youngest daughter, Amanda, is a senior at Baker College in Muskegon, studying as a medical assistant. She is getting married next July to Brett Weinberg who is from Milford and was raised about one and half miles from our house! I retired from Ford in February, 2007, and I am currently working on many projects that keep elderly people mobile and independent.

Married for 23 years (um, to the same lucky woman, Anja). No children, but cats, and a number of does and fawns who come for meals in the backyard a couple times a week. (The bucks just kinda stare us down and pass through). Thank God the coyotes have all been either trapped or moved on. The foxes are still here, though. Man, Livonia has become a jungle!! Hobbies: Ballroom/Latin dancing (my wife is my coach), playing the drums, music, sitting on a Caribbean beach with my wife while enjoying some fine aged tequila or rum. Retired but still teaching kickboxing twice a week; however no sparring anymore - too many back eyes, cracked teeth, and broken feet, elbows, etc. Also DJ for ballroom events and parties, weddings, etc. (Yes, my wife supports me now - God I love her!!)
